

SunPower Announces Date for Its Annual Stockholders Meeting

Company to Webcast Event Live on May 4, 2006 at 12:00 p.m. Pacific Time

SUNNYVALE, Calif., April 21, 2006 /PRNewswire-FirstCall via COMTEX News Network/ -- SunPower Corporation (Nasdaq: SPWR), a Silicon Valley-based manufacturer of the world's highest-efficiency, commercially-available solar cells and solar panels, today announced that it will hold its annual stockholders meeting on May 4, 2006 at 12:00 p.m. Pacific time. The meeting will be held on the Cypress campus at 198 Champion Court in San Jose, California. The event will also be webcast live at <http://investors.sunpowercorp.com/events.cfm>.

About SunPower

SunPower Corporation designs and manufactures high-efficiency silicon solar cells and solar panels based on an all-back contact cell design. SunPower's solar cells and panels generate up to 50 percent more power per unit area than conventional solar technologies and have a uniquely attractive, all-black appearance. For more information on SunPower or solar technology, please visit the SunPower website at <http://www.sunpowercorp.com>. SunPower is a majority-owned subsidiary of Cypress Semiconductor Corp. (NYSE: CY).

NOTE: SunPower is a registered trademark of SunPower Corporation. Cypress is a registered trademark of Cypress Semiconductor Corp. All other trademarks are the property of their respective owners.
