Notes to Condensed Consolidated Financial Statements (Unaudited)

Note 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

SunPower Corporation (together with its subsidiaries, “SunPower,” the “Company,” “we,” “us,” or “our”) is a leading residential solar technology and energy services provider that offers fully integrated solar, storage, and home energy solutions to customers in North America. Through a multi-channel strategy of distributed dealer network, SunPower direct sales channel, and new home builder partnerships, we provide customers control over electricity consumption, resiliency during power outages, and cost savings, while also reducing carbon emissions and contributing to a more sustainable grid.

SunPower was a majority-owned subsidiary of TotalEnergies Solar INTL SAS (“Total,” formerly Total Solar International SAS) and TotalEnergies Gaz & Electricité Holdings France SAS (“Total Gaz,” formerly Total Gaz Electricité Holdings France SAS), each a subsidiary of TotalEnergies SE (“TotalEnergies SE,” formerly Total SE). On September 12, 2022, Total and Total Gaz sold to GIP III Sol Acquisition, LLC (“GIP Sol”) 50% less one unit of the equity interests in a newly formed Delaware limited liability company, Sol Holding, LLC (“HoldCo”), which is now the record holder of all of the shares of SunPower common stock (see Note 3. *Transactions with Total and TotalEnergies SE*).

Liquidity and Going Concern

The accompanying condensed consolidated financial statements have been prepared on a going concern basis, which assumes the Company will be able to continue as a going concern and contemplates the realization of assets and satisfaction of liabilities in the normal course of business. However, for the three and nine months ended October 1, 2023, the Company had recurring operating losses and, as of October 1, 2023, we breached a financial covenant and a reporting covenant of our Credit Agreement, dated as of September 12, 2022 (as amended, the “Credit Agreement”) (see Note 12. *Debt and Credit Sources*). The breaches created events of default thereunder (the “Existing Defaults”), which enables the requisite lenders under the Credit Agreement to demand immediate payment or exercise other remedies. As a result of the events of default, we no longer had the ability to borrow from the remaining capacity of \$53.7 million of revolving commitments. On December 8, 2023 (the “Amendment Effective Date”), the Company obtained a waiver and amendment to the Credit Agreement (the “Amendment and Waiver”) as amended by the First Amendment to Credit Agreement, dated as of January 26, 2023 (together and as amended, the “Amended Credit Agreement”) by and among the Company, certain of its subsidiaries as guarantors, Bank of America, N.A. (“Bank of America”), BMO Bank, N.A., Citibank, N.A. and JPMorgan Chase Bank, N.A. as the lenders and L/C issuers party thereto (together, the “Existing Lenders”), and Bank of America, as administrative agent which provides for, among other things, a temporary waiver until January 19, 2024 of the breaches, and modification to the remaining available commitments through (i) the Existing Lenders to provide access to \$25 million of existing revolving commitments and (ii) commitments by HoldCo, as a new lender, to provide an additional \$25 million of capacity. Subsequent to the amendment, we borrowed the entire \$50 million against the remaining capacity on the revolving credit facility. Although we entered into the Amendment and Waiver to temporarily address the Existing Defaults, we are also projecting to be noncompliant with certain debt covenants, which would cause further defaults under our existing debt arrangements. Following the expiration of the Amendment and Waiver, absent additional waivers, the events of default enable the requisite lenders under the Credit Agreement to demand immediate payment or exercise other remedies, such as subject all or a portion of obligations to a default rate of interest. Further, the Company also breached a financial covenant set forth in the Loan and Security Agreement, dated June 30, 2022, entered into by a wholly owned indirect subsidiary of the Company, the lenders party thereto from time to time, Atlas Securitized Products Holdings, L.P., as administrative agent and Computershare Trust Company, National Association, as paying agent (as amended, the “Loan Facility with Credit Suisse AG,” the “Credit Suisse Warehouse Loan,” or the “Atlas Credit Agreement”) (see Note 12. *Debt and Credit Sources*) due to delay in delivery of the quarterly financials for the third quarter of 2023 (the “Quarterly Financials Default”), which results in an event of default, thereby enabling the requisite lenders to demand immediate payment or exercise other remedies. The Company is in discussion with the lenders under the Atlas Credit Agreement regarding a waiver of any breaches. There can be no assurance that such waiver will be obtained. Absent a waiver, the event of default enables the requisite lenders under the Atlas Credit Agreement to demand immediate payment or exercise other remedies, such as subject all or a portion of obligations to a default rate of interest. If the lenders under the Credit Agreement and the Atlas Credit Agreement were to demand immediate repayment, the Company would not have sufficient liquidity to meet its obligations and pay its liabilities arising from normal business operations when they come due. As such, substantial doubt exists about the Company's ability to continue as a going concern.

To address our liquidity needs, management is currently seeking additional waivers and evaluating various funding alternatives and may seek to raise additional funds through the issuance of equity, mezzanine or debt securities, through arrangements with strategic partners, which may include related parties, the capital markets, or through obtaining credit from financial institutions. As we seek additional sources of financing, there can be no assurance that such financing would be available to us on favorable terms or at all. Our ability to obtain additional financing in the debt and equity capital markets is subject to several factors, including market and economic conditions, our performance and investor sentiment with respect to us and our industry. The outcome of these matters cannot be predicted with any certainty at this time.

Basis of Presentation and Preparation

Principles of Consolidation

The accompanying condensed consolidated financial statements have been prepared by us in accordance with generally accepted accounting principles in the United States ("United States" or "U.S.," and such accounting principles, "U.S. GAAP") for interim financial information, and include the accounts of SunPower, all of our subsidiaries and special purpose entities, as appropriate under U.S. GAAP. All intercompany transactions and balances have been eliminated in consolidation. The financial information included herein is unaudited, and reflects all adjustments which are, in the opinion of our management, of a normal recurring nature and necessary for a fair statement of the results for the periods presented. The January 1, 2023 consolidated balance sheet data was derived from SunPower's audited consolidated financial statements included in our Annual Report on Form 10-K/A for the fiscal year ended January 1, 2023, as filed with the Securities and Exchange Commission ("SEC") on December 18, 2023, but does not include all disclosures required by U.S. GAAP. The condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements and notes thereto included in SunPower's Annual Report on Form 10-K/A for the fiscal year ended January 1, 2023. The operating results for the three and nine months ended October 1, 2023 are not necessarily indicative of the results that may be expected for fiscal year 2023, or for any other future period.

We have a 52-to-53-week fiscal year that ends on the Sunday closest to December 31. Accordingly, every fifth or sixth year will be a 53-week fiscal year. Both the current fiscal year, fiscal 2023, and prior fiscal year, fiscal 2022, are 52-week fiscal years. The third quarter of fiscal 2023 ended on October 1, 2023, while the third quarter of fiscal 2022 ended on October 2, 2022.

Management Estimates

The preparation of the condensed consolidated financial statements in conformity with U.S. GAAP requires our management to make estimates and assumptions that affect the amounts of assets and liabilities and disclosures of contingent assets and liabilities reported in these condensed consolidated financial statements and accompanying notes. We base our estimates on historical experience and various other assumptions believed to be reasonable. Our actual financial results could materially differ from those estimates. Significant estimates in these condensed consolidated financial statements include revenue recognition, specifically nature and timing of satisfaction of performance obligations, standalone selling price of performance obligations, and variable consideration; credit losses, including estimating macroeconomic factors affecting historical recovery rate of receivables; inventory write-downs; long-lived assets and goodwill impairment, specifically estimates for valuation assumptions including discount rates and future cash flows; fair value of investments, including equity investments for which we apply the fair value option and other financial instruments; actuarial estimates related to our self-insured health benefits; valuation of goodwill and intangible assets acquired in a business combination; valuation of contingent consideration in a business combination; valuation of contingencies such as warranty and litigation; the incremental borrowing rate used in discounting of lease liabilities; the fair value of indemnities provided to customers and other parties; and income taxes and tax valuation allowances.

Restatement of Previously Issued Condensed Consolidated Financial Statements

As described in Note 2. *Restatement of Previously Issued Condensed Consolidated Financial Statements*, our condensed consolidated financial statements as of January 1, 2023 and for the three and nine months ended October 2, 2022 are restated in this Quarterly Report on Form 10-Q (or this “Quarterly Report”) to reflect the corrections related to the value of consignment inventory of microinverter (“MI”) components at certain warehouse and third-party locations and corrections related to reclassification of certain expenses in our statements of operations, along with other immaterial corrections. The restated condensed consolidated financial statements are indicated as “Restated” in the unaudited condensed consolidated financial statements and accompanying notes, as applicable. See Note 2. *Restatement of Previously Issued Condensed Consolidated Financial Statements* for further discussion.

Segment Information

We operate in a single operating segment, providing solar power systems and services to residential customers. While our chief executive officer, as the chief operating decision maker (“CODM”), reviews financial information by different functions and revenue streams, he considers the business on a consolidated basis for purposes of allocating resources and reviewing overall business performance.

Summary of Selected Significant Accounting Policies

The following significant accounting policies are updates to our significant accounting policies from our Annual Report on Form 10-K/A for the fiscal year ended January 1, 2023. Refer to our Annual Report on Form 10-K/A for the fiscal year ended January 1, 2023 for the full list of our significant accounting policies. There have been no material changes or updates to our significant accounting policies disclosed in the Form 10-K/A except as updated below.

Revenue Recognition

We recognize revenue from contracts with customers when we have completed our performance obligations under an identified contract. The revenue is recognized in an amount that reflects the consideration for the corresponding performance obligations for the goods and services transferred.

Solar Power Systems and Component Sales

A majority of our revenue is generated by sales of fully functioning solar power systems to our customers. We sell our products through a network of installing and non-installing dealers and resellers, as well as our internal sales team. Usually, our performance obligation is to design and install a fully functioning solar energy system. We recognize revenue when the solar power system is fully installed and the final permit is received from the authority having jurisdiction, as we deem our performance obligation under the contract to be complete at such time, and the customer retains all of the significant risks and rewards of ownership of the solar power system. In situations when we are not responsible for construction and installation of solar power systems, usually when the sales are made by one of our installing dealers or resellers, we recognize revenue when the components of the solar power system are delivered at the customer site. Our costs to obtain and fulfill contracts associated with systems sales are expensed as sales, general, and administrative expense and cost of revenue, respectively. In addition, incentives we provide to our customers, such as discounts and rebates, are recorded net to the revenue we have recognized on the solar power system. In addition, we expense sales commissions when incurred if the amortization period is one year or less, and record within sales, general, and administrative expense in our condensed consolidated statements of operations.

Revenue is generally recognized at transaction price, net of costs of financing, or other consideration paid to the customers that is not in exchange for a distinct good or service. Also, our arrangements may contain clauses that can either increase or decrease the transaction price. Variable consideration is estimated at each measurement date at its most likely amount to the extent that it is probable that a significant reversal of cumulative revenue recognized will not occur and true-ups are applied prospectively as such estimates change.

We also provide solar power systems to our customers in the form of 20-year lease agreements which are entered into by the customer with our third-party leasing partners. These third-party leasing partners are special-purpose entities that we do not control or consolidate. We recognize revenue when the system is fully installed, when permit to operate is given by the local utility company, and the solar system has produced meterable quantities of electricity, as we deem our performance obligation under the contract to be complete at such time.

Transfers of financial assets

In April 2023, to support the expansion of our residential solar and storage loan funding capacity, we entered into a series of agreements to sell solar loan receivables to a special-purpose entity in our existing joint venture, SunStrong, with

Hannon Armstrong Sustainable Infrastructure Capital, Inc. (“HASI”). Under the agreements, we have secured financing commitments to fund more than \$450.0 million for our residential solar and storage loan program, including a \$300.0 million revolving credit facility from Credit Agricole Corporate & Investment Bank (“CA-CIB”). The CA-CIB credit revolver serves as a warehouse facility for SunStrong to temporarily finance solar assets prior to arranging long-term financings, such as asset-backed securities. The revolving warehouse facility will allow SunStrong to fund the acquisition of solar loans entered into by SunPower Financial's customers and issue asset-backed securities on an ongoing basis.

In May 2023, to further support the expansion of our residential solar and storage loan funding capacity, we also entered into a series of agreements to sell solar loan receivables to a newly created special-purpose trust beneficially owned by one or more affiliates of KKR Credit Advisors (US) LLC (“KKR Credit”). Under the agreements, we have secured financing commitments to fund up to \$550.0 million for our residential solar and storage loan program over a 15-month term, with annual renewal options.

These agreements to sell solar loan receivables to third-parties are accounted for in accordance with ASC 860, *Transfers and Servicing*. We make judgments, based in part, on supporting legal opinions, on whether these entities should be consolidated as a variable interest entity, as defined in ASC 810, *Consolidation*, and whether the transfers to these entities are accounted for as a sale of a financial asset or a secured borrowing under ASC 860 (see Note 11. *Equity Investments* for a discussion of our conclusion under ASC 810).

Under ASC 860, for our loan receivables that are held for sale and the transfer of the financial assets to be considered a sale, the asset must be legally isolated from the transferor and the transferee must have actual and effective control of the asset. When the sale criteria are met, we, as the transferor, derecognize the lower of cost or fair value of the financial asset transferred and recognize a net gain or loss on the sale based on the difference between proceeds received (less any transaction costs) over the carrying value or fair value. Even though we serve as the primary or master servicer of the special-purpose entity, which represents a form of continuing involvement under ASC 860, this does not preclude sale accounting, because as the servicer, we do not have the power to make significant decisions or any other form of control impacting the performance of the entity. We do not retain actual or effective control in the transferred loan receivables, and therefore, the transfers are accounted for as a sale with the gain or loss from the sales included in our condensed consolidated statements of operations. The gain or loss, and cash proceeds, related to the sales of the financial assets are classified as operating activities in our condensed consolidated statements of cash flows.

Our loan receivables are held for sale and recorded at the net present value of the loan payments upon loan origination, adjusted for the significant financing component using the same interest rate that the Company would use if it was to enter into a separate financing transaction with the customer. We subsequently measure our loan receivables held for sale at the lower of cost or fair value on a loan-by-loan basis until the loan receivables are sold. Our loan receivables held for sale are typically sold within 30 days of origination. If the purchased loans do not meet the eligibility criteria to be sold, the loan receivables are transferred to held to maturity and included at amortized cost within “accounts receivable, net” and “other long-term assets” on our condensed consolidated balance sheets. These loan receivable agreements held to maturity have a term of typically 20 - 25 years and relate to loans that our customers enter into to pay for their solar power systems.

The sale of loan receivables that is outside of the scope of ASC 860 are accounted for as the sale of future revenues. The upfront payments received from third-party purchasers are classified as deferred income until revenue is recognized, and are presented within “contract liabilities” on our condensed consolidated balance sheets.

Recent Accounting Pronouncements Not Yet Adopted

In October 2023, the FASB issued ASU 2023-06, *Disclosure Agreements – Codification Amendments in Response to the SEC’s Disclosure Update and Simplification Initiative*. This amendment will impact various disclosure areas, including the statement of cash flows, accounting changes and error corrections, earnings per share, debt, equity, derivatives, and transfers of financial assets. The amendments in this ASU 2023-06 will be effective on the date the related disclosures are removed from Regulation S-X or Regulation S-K by the SEC, and will no longer be effective if the SEC has not removed the applicable disclosure requirement by June 30, 2027. Early adoption is prohibited. We are currently evaluating the impacts of the amendment on our disclosures.

Note 2. RESTATEMENT OF CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

Restatement Background

On October 19, 2023, the Audit Committee of the Board of Directors (the “Board”) of the Company, based upon the recommendation of management, determined that our (i) audited consolidated financial statements included in our Annual Report on Form 10-K for the period ended January 1, 2023, filed with the SEC on March 10, 2023 (the “Original Form 10-K”), (ii) unaudited condensed consolidated financial statements included in our Quarterly Report on Form 10-Q for the quarterly period ended April 2, 2023, filed with the SEC on May 3, 2023 (the “Q1 2023 Form 10-Q”), and (iii) unaudited condensed consolidated financial statements included in our Quarterly Report on Form 10-Q for the quarterly period ended July 2, 2023, filed with the SEC on August 2, 2023 (the “Q2 2023 Form 10-Q,” and collectively, the “Affected Periods”), as well as the relevant portions of any communication which describe or are based on such consolidated financial statements, should no longer be relied upon, and that the previously issued financial statements for the Affected Periods should be restated.

This Note discloses the nature of the restatement adjustments and discloses the cumulative effects of these adjustments on the condensed consolidated balance sheet as of January 1, 2023, statements of operations for the three and nine months ended October 2, 2022, and statements of cash flows for the nine months ended October 2, 2022. The consolidated statements of comprehensive income (loss) and statements of equity for the three and nine months ended October 2, 2022 have also been restated for the correction to net income (loss).

The unaudited condensed consolidated balance sheet as of January 1, 2023, and the unaudited condensed consolidated financial statements for the three and nine months ended October 2, 2022, have been restated to reflect the corrections related to the value of consignment inventory of MI components at certain warehouse and third-party locations, and reclassification of certain expenses in our condensed consolidated statements of operations as further described below, along with other immaterial items pertaining to the periods noted above. The effects of the restatement, including the related income tax impacts, have been reflected in the impacted tables and footnotes throughout these condensed consolidated financial statements in this Q3 2023 Form 10-Q. The restatement adjustments and their impacts on the previously issued condensed consolidated balance sheet as of January 1, 2023, the statements of operations for the three and nine months ended October 2, 2022, and the statement of cash flows for the nine months ended October 2, 2022 are described below.

Description of Restatement Adjustments

The categories of the restatement adjustments and their impact on the previously reported condensed consolidated balance sheet as of January 1, 2023, statements of operations for the three and nine months ended October 2, 2022, and statement of cash flows for the nine months ended October 2, 2022 are described below.

- a. **Inventory Related Adjustments** - In the third quarter of fiscal year 2023, while reviewing our inventory account reconciliations, we identified that the consumption of certain MI costs in photo-voltaic module manufacturing had been inaccurately recorded starting in the first quarter of fiscal year 2022. This resulted in an overstatement of MI costs included in finished goods inventory, and an understatement of cost of revenues for the impacted periods. The impact of the correction is to recognize an increase in cost of revenues for the relevant MI costs, with a corresponding reduction to our finished goods inventory and increase in accrued liabilities related to additional accruals for sales and use taxes. In addition, we also identified other immaterial miscellaneous inventory-related misstatements as of January 1, 2023 and for the three and nine months ended October 2, 2022, pertaining to the physical inventory counts and classifications between financial statement line items related to inventories.
 - The aggregated impact to the condensed consolidated statements of operations for the three and nine months ended October 2, 2022 is a decrease to total cost of revenues of \$2.9 million and an increase to total cost of revenues of \$4.5 million, respectively. The impact to the condensed consolidated balance sheets as of January 1, 2023 is a decrease in inventories of \$19.7 million, an increase in advances to suppliers, current portion of \$2.8 million, an increase in prepaid expenses and other current assets of \$2.4 million, an increase in accounts payable of \$0.8 million, and an increase in accrued liabilities of \$0.4 million.
- b. **Classification of Expense in the Statements of Operations** - In fiscal year 2023, we identified errors related to the classification of certain expenses as cost of revenues instead of operating expenses. This resulted in the reclassification of certain expenses from cost of revenues to selling, general, and administrative expense for the three and nine months ended October 2, 2022.
 - The aggregated impact to the condensed consolidated statements of operations for the three and nine months ended October 2, 2022 is a decrease to total cost of revenues of \$11.5 million and \$37.1 million, respectively, and an increase to sales, general, and administrative expenses of \$11.5 million and \$37.1 million, respectively.

c. **Other Restatement Adjustments** - There are other restatement adjustments otherwise not described in items (a) to (b) above, which are individually and in the aggregate insignificant as of January 1, 2023 and for the three and nine months ended October 2, 2022.

Condensed Consolidated Financial Statements - Restatement Reconciliation Tables

In light of the foregoing, in accordance with ASC 250, *Accounting Changes and Error Corrections*, we are restating the previously issued condensed consolidated financial statements as of January 1, 2023 and for the three and nine months ended October 2, 2022 to reflect the effects of the restatement adjustments, and to make certain corresponding disclosures. In the following tables, we have presented a reconciliation of our condensed consolidated balance sheets, statements of operations, and cash flows as previously reported for these periods to the restated and revised amounts.

Note 3. TRANSACTIONS WITH TOTAL AND TOTALENERGIES SE

In June 2011, Total completed a cash tender offer to acquire 60% of our then outstanding shares of common stock at a price of \$23.25 per share, for a total cost of approximately \$1.4 billion. In December 2011, we entered into a Private Placement Agreement with Total, under which Total purchased, and we issued and sold, 18.6 million shares of our common stock for a purchase price of \$8.80 per share, thereby increasing Total's ownership to approximately 66% of our outstanding common stock as of that date.

On May 24, 2022, Total and Total Gaz (collectively, “Sellers”) agreed to sell 50% less one unit of the equity interests in HoldCo, which upon closing of such transaction would be the record holder of all of the shares of our common stock held by Sellers, to GIP Sol (and such transaction, the “Transaction”).

On September 12, 2022, Sellers closed the Transaction. In connection with the completion of the Transaction, TotalEnergies Renewables, GIP Sol, and HoldCo entered into a Letter Agreement, dated September 12, 2022, concerning certain governance rights with respect to HoldCo and the shares of our common stock held directly by HoldCo. Specifically, TotalEnergies Renewables and GIP Sol agreed to, among other things, take all actions necessary to cause HoldCo to designate and elect to our board of directors (the “Board”) such individuals as HoldCo is entitled to appoint pursuant to the Affiliation Agreement; provided, however, that for so long as HoldCo is entitled to appoint at least five directors to our Board, GIP Sol shall have the right to appoint two of such five directors. The Letter Agreement also contained certain provisions on voting and on the transfer of HoldCo interests and common stock of the Company.

As of October 1, 2023, ownership of our outstanding common stock by TotalEnergies SE and its affiliates, and GIP Sol, was 50.2%.

Sale of C&I Solutions Business

On May 31, 2022, pursuant to the terms of the Definitive Agreement we signed with TotalEnergies Renewables on February 6, 2022, TotalEnergies Renewables acquired all of the issued and outstanding common stock of our C&I Solutions business. The preliminary purchase price of \$190.0 million was subject to certain adjustments, including cash, indebtedness, and an estimated closing date working capital adjustment. Upon closing, we received net cash consideration of \$149.2 million based on the estimated net assets of the business on that date. As of the third quarter of fiscal 2022, we recorded a payable of \$7.0 million to Total, based on our review of the closing date working capital and our submission of the closing statement. On October 25, 2022, we received a notice of disagreement from TotalEnergies Renewables with respect to the closing statement. As set forth in the Definitive Agreement, we appointed an independent accountant to adjudicate the amount owed under the closing statement. On April 12, 2023, the independent accountant issued its final and binding determination with respect to the disputed items and an additional \$23.9 million was deemed in favor of TotalEnergies Renewables. We recorded a payable of \$30.9 million in our condensed consolidated balance sheets as of April 2, 2023, and such amount was paid on April 19, 2023.

Affiliation Agreement

In April 2011, we and Total entered into an Affiliation Agreement that governs the relationship between Total and us (the “Affiliation Agreement”). Until the expiration of a standstill period specified in the Affiliation Agreement (the “Standstill Period”), and subject to certain exceptions, Total, TotalEnergies SE, and any of their respective affiliates and certain other related parties (collectively, the “Total Group”) may not effect, seek, or enter into discussions with any third party regarding any transaction that would result in the Total Group beneficially owning our shares in excess of certain thresholds, or request us or our independent directors, officers, or employees to amend or waive any of the standstill restrictions applicable to the Total Group. The Standstill Period ends when Total holds less than 15% ownership of us.

The Affiliation Agreement imposes certain limitations on the Total Group's ability to seek to effect a tender offer or merger to acquire 100% of our outstanding voting power and imposes certain limitations on the Total Group's ability to transfer 40% or more of our outstanding shares or voting power to a single person or group that is not a direct or indirect subsidiary of TotalEnergies SE. During the Standstill Period, no member of the Total Group may, among other things, solicit proxies or become a participant in an election contest relating to the election of directors to our Board.

The Affiliation Agreement provides Total with the right to maintain its percentage ownership in connection with any new securities issued by us, and Total may also purchase shares on the open market or in private transactions with disinterested stockholders, subject in each case to certain restrictions.

The Affiliation Agreement also imposes restrictions with respect to our and our Board's ability to take certain actions, including specifying certain actions that require approval by the directors other than the directors appointed by Total and other actions that require stockholder approval by Total.

On April 19, 2021, we entered into an amendment to the Affiliation Agreement with Total (the "April Affiliation Agreement Amendment"). The April Affiliation Agreement Amendment provided that our Board would include eleven members, composed of our president and chief executive officer, our immediate past chief executive officer, Tom Werner, six directors designated by Total, and three non-Total-designated directors. If the ownership of our voting securities by Total, together with the controlled subsidiaries of TotalEnergies SE, declined below certain thresholds, the number of members of the Board that Total was entitled to designate would be reduced as set forth in the Affiliation Agreement. Pursuant to the April Affiliation Agreement Amendment, Mr. Werner resigned from his position as a member of the Board on November 1, 2021. On October 29, 2021, we entered into an additional amendment to the Affiliation Agreement (the "October Affiliation Agreement Amendment"), which provided that our Board would remain at eleven members until March 31, 2022 and allowed for the appointment of one additional independent director to fill the vacancy created by Mr. Werner's resignation from the Board, which was filled as of December 31, 2021. The October Affiliation Agreement Amendment further provided that, after March 31, 2022, the Board would revert to nine members, at which time one independent director and one Total designee would resign from the Board. As previously disclosed, on March 31, 2022, one independent director and one Total designee resigned from the Board, and the Board reverted to nine members as of such date.

In accordance with the Letter Agreement entered into by TotalEnergies Renewables, GIP Sol, and HoldCo on September 12, 2022, GIP had the right to appoint two designees to our Board. On September 23, 2022, two Total designees resigned from the Board, and on September 26, 2022, the Board appointed two GIP designees.

4.00% Debentures Due 2023

In December 2015, we issued \$425.0 million in principal amount of our 4.00% debentures due 2023. An aggregate principal amount of \$100.0 million of the 4.00% debentures due 2023 was acquired by Total. On January 17, 2023, we repaid the outstanding principal amount of \$425.0 million of our 4.00% debentures due 2023, \$100.0 million of which was held by TotalEnergies, as well as the remaining interest on the 4.00% debentures due 2023 of \$8.5 million which was payable upon maturity.

We recognize revenue from contracts with customers when we have completed our performance obligations under an identified contract. The revenue is recognized in an amount that reflects the consideration for the corresponding performance obligations for the goods and services transferred.

Contract Assets and Liabilities

Contract assets represent accounts receivable unbilled for transactions where revenue has been recognized in advance of billing the customer. Revenue may be recognized in advance of billing the customer, resulting in an amount recorded to “contract assets” or “accounts receivable, net” depending on the expected timing of payment for such unbilled accounts receivable. Once we have an unconditional right to consideration, we typically bill our customer and reclassify the “contract assets” to “accounts receivable, net.” Contract liabilities consist of deferred revenue and customer advances, which represent consideration received from a customer prior to transferring control of goods or services to the customer under the terms of a sales contract. Total contract assets and contract liabilities balances as of the respective dates are as follows:

(In thousands)	As of

During the three and nine months ended October 2, 2022, we recognized revenue of \$55.9 million and \$40.8 million that was included in contract liabilities as of July 3, 2022 and January 2, 2022, respectively.

As of October 1, 2023, we have entered into contracts with customers for sales of solar systems and components for an aggregate transaction price of \$645.3 million, the substantial majority of which we expect to recognize over the next 12 months.

² In the three and nine months ended October 1, 2023, we recognized a gain of \$3.1 million and \$3.6 million, respectively, recorded within our condensed consolidated statements of operations related to the loan receivables held for sale that were transferred and derecognized during the periods. In addition, we recorded an unrealized gain of \$0.2 million and \$0.1 million, respectively, from contracts sold during the three and nine months ended October 1, 2023 but not yet recognized as revenue, which was deferred and recorded within “contract liabilities” on our condensed consolidated balance sheets.

³ In the three and nine months ended October 1, 2023, we recorded a valuation allowance related to the write-down of our loan receivables held for sale to fair value on our condensed consolidated balance sheets.

Note 7. **GOODWILL AND INTANGIBLE ASSETS**

Goodwill

On October 4, 2021, we entered into a Securities Purchase Agreement to acquire all of the issued and outstanding membership interests of Blue Raven Solar Holdings, LLC (“Blue Raven”) and 35% of the issued and outstanding membership interests in Albatross Software, LLC, an affiliate of Blue Raven. Goodwill presented on our condensed consolidated financial statements represents goodwill resulting from the acquisition of Blue Raven.

We test goodwill impairment at least annually during the last day of the third fiscal quarter, or when events or changes in circumstances indicate that goodwill might be impaired. The evaluation of impairment involves comparing the current fair value of our reporting unit to the book value (including goodwill). We have performed a qualitative assessment of goodwill prior to completing a quantitative assessment to determine whether it is more likely than not that the fair value of a reporting unit is less than its carrying amount, including goodwill. After assessing the totality of events and circumstances, we concluded that as of October 1, 2023, the date our last qualitative test was performed, it was more likely than not that the fair value of our reporting unit with goodwill was greater than the book value and, therefore, that there is no goodwill impairment.

Other Intangible Assets

The following table represents our other intangible assets with finite useful lives:

No impairment loss was recorded for intangible assets for the three and nine months ended October 1, 2023 and October 2, 2022.

As of October 1, 2023, the estimated future amortization expense related to intangible assets with finite useful lives for each of the next three fiscal years was as follows, through the end of the useful life of all intangible assets:

Note 8. FAIR VALUE MEASUREMENTS

Fair value is estimated by applying the following hierarchy, which prioritizes the inputs used to measure fair value into three levels and bases the categorization within the hierarchy upon the lowest level of input that is available and significant to the fair value measurement (observable inputs are the preferred basis of valuation):

- Level 1 — Quoted prices in active markets for identical assets or liabilities.
- Level 2 — Measurements are inputs that are observable for assets or liabilities, either directly or indirectly, other than quoted prices included within Level 1.
- Level 3 — Prices or valuations that require management inputs that are both significant to the fair value measurement and unobservable.

Assets and Liabilities Measured at Fair Value on a Recurring Basis

We measure certain assets and liabilities at fair value on a recurring basis. There were no transfers between fair value measurement levels during any presented period.

The following tables summarize our assets and liabilities measured at fair value on a recurring basis:

Money market funds

During fiscal 2022, we entered into investments in money market funds with Bank of America. As of October 1, 2023, we recorded an amount of \$30.0 million within “cash and cash equivalents” in our consolidated balance sheets for our investments held in the money market funds. The money market funds are classified within Level 1 in the fair value hierarchy as we value the funds using observable inputs that reflect quoted prices for securities with identical characteristics.

Loan receivables held for sale, net

Loan receivables held for sale are recorded in the condensed consolidated balance sheets at the net present value when originated, and subsequently measured at lower of cost or fair value on a loan-by-loan basis until the loan receivables are sold. Fair value of our loan receivables held for sale is determined based on the anticipated sale price of the solar loan receivables to third-parties. The loan receivables held for sale are classified within Level 2 of the fair value hierarchy, as the primary component of the price is obtained from observable values of loan receivables with similar terms and characteristics.

Equity investments with fair value option (“FVO”)

We have elected the FVO in accordance with the guidance in ASC 825, *Financial Instruments*, for our investment in the SunStrong Capital Holdings, LLC (“SunStrong”), Dorado Development Partners, LLC (“Dorado DevCo”), and SunStrong Partners, LLC (“SunStrong Partners”) joint ventures, to mitigate volatility in reported earnings that results from the use of different measurement attributes (see Note 11. *Equity Investments*). We initially computed the fair value for our investments consistent with the methodology and assumptions that market participants would use in their estimates of fair value with the assistance of a third-party valuation specialist. The fair value computation is updated using the same methodology on an annual basis, during the third fiscal quarter, considering material changes in the business of SunStrong, Dorado DevCo, and SunStrong Partners or other inputs. The investments are classified within Level 3 in the fair value hierarchy because we estimate the fair value of the investments using the income approach based on the discounted cash flow method which considered estimated future financial performance, including assumptions for, among others, forecasted contractual lease income, lease expenses, residual value of these lease assets, and long-term discount rates, and forecasted default rates over the lease and loan term and discount rates, some of which require significant judgment by management and are not based on observable inputs.

The following table summarizes movements in equity investments for the nine months ended October 1, 2023. There were no internal movements between Level 1 or Level 2 fair value measurements to or from Level 3 fair value measurements for the nine months ended October 1, 2023.

(In thousands)	Beginning balance as of January 1, 2023	Equity Distribution	Additional Investment	Other adjustment ¹	Ending balance as of October 1, 2023
Equity investments with FVO	\$ 18,346	\$ —	\$ 9,071	\$ 2,177	\$ 29,594

¹ During the third quarter of fiscal 2023, we recorded a fair value adjustment of \$2.2 million as a result of our assessment of the fair value of our equity investments with FVO during the quarter. The fair value adjustment was recorded within “Equity in earnings (losses) of unconsolidated investees” in our condensed consolidated statements of operations.

Level 3 significant unobservable inputs sensitivity

The following table summarizes the significant unobservable inputs used in Level 3 valuation of our investments carried at fair value as of October 1, 2023. Included in the table are the inputs and range of possible inputs that have an effect on the overall valuation of the financial instruments.

2023					
Assets:	Fair value	Valuation Technique	Unobservable Input	Range ¹	Weighted Average ¹
Other long-term assets:					
Equity investments with FVO	\$ 29,594	Discounted cash flows	Discount rate	14.0%-14.5%	14.2%
			Residual value	6.4%-17.5%	9.5%
Total assets	\$ 29,594				

¹ The primary unobservable inputs used in the fair value measurement of our equity investments, when using a discounted cash flow model, are the discount rate and residual value. Significant increases (decreases) in the discount rate in isolation would result in a significantly lower (higher) fair value measurement. We estimate the discount rate based on risk appropriate projected cost of equity. We estimate the residual value based on the contracted systems in place in the years being projected. Significant increases (decreases) in the residual value in isolation would result in a significantly higher (lower) fair value measurement.

Equity investments with readily determinable fair value

In connection with the divestment of our microinverter business to Enphase on August 9, 2018, we received 7.5 million shares of Enphase common stock (NASDAQ:ENPH). The common stock received was recorded as an equity investment with readily determinable fair value (Level 1), with changes in fair value recognized in net income in accordance with ASU 2016-01 *Recognition and Measurement of Financial Assets and Liabilities*.

On January 5, 2023, we sold our remaining 0.5 million shares of Enphase common stock in open market transactions for cash proceeds of \$121.7 million, with a loss of \$10.8 million, which was recorded within “other, net” in our condensed consolidated statements of operations for the nine months ended October 1, 2023. During the three and nine months ended October 2, 2022, we sold one and two million shares of Enphase common stock in open market transactions for net cash proceeds of \$290.3 million and \$440.1 million, respectively.

Interest Rate Swaps

Credit Suisse Interest Rate Swap

In connection with the entry into our loan and security purchase agreement with Credit Suisse AG, New York Branch, and other financial institutions to finance our retail installment contract receivables on June 30, 2022, we also entered into interest rate swaps under the agreement, which convert the floating rate loan to a fixed rate. The interest rate swaps were entered into to mitigate the risks associated with interest rate volatility. The swaps terminate in September of 2026, unless we terminate with the maturity of the loan, subject to any early termination costs.

The interest rate swaps qualify as derivatives in accordance with the guidance in ASC 815, *Derivatives and Hedging*. The fair value of the interest rate swaps is determined using a discounted cash flow model that incorporates an assessment of the risk of non-performance by the interest rate swap counterparty and an evaluation of credit risk in valuing derivative instruments. The valuation model uses various inputs including contractual terms, interest rate curves, credit spreads and measures of volatility.

As of October 1, 2023, we recorded derivative assets of \$3.7 million, within “other long-term assets” in our condensed consolidated balance sheets related to the interest rate swaps. These interest rate swap derivatives not designated as hedges had an aggregate notional value of \$65.8 million as of October 1, 2023. In addition, we recognize changes in the fair value of the interest rate swaps immediately and recorded a gain of \$1.2 million and \$1.4 million within “interest expense” in our condensed consolidated statements of operations for the three and nine months ended October 1, 2023, respectively. During the three and nine months ended October 2, 2022, we recorded a gain of \$2.8 million and \$2.3 million, respectively, for changes in the fair value of the interest rate swaps.

Bank of America Interest Rate Swap

In the first quarter of fiscal 2023, we entered into interest rate swaps in our SunPower Financial™ business with Bank of America, which converts the fixed rate loans entered into by SunPower Financial's customers to floating rates. The interest rate swaps were entered into to mitigate the interest rate volatility risks associated with the timing lag between when the customer enters into these fixed rate loans and when the loan is funded and sold to a third-party investor. The swaps terminate in May 2024.

The interest rate swaps qualify as derivatives in accordance with the guidance in ASC 815, *Derivatives and Hedging*. The fair value of the interest rate swaps is determined using a discounted cash flow model that incorporates an assessment of the risk of non-performance by the interest rate swap counterparty and an evaluation of credit risk in valuing derivative instruments. The valuation model uses various inputs including contractual terms, interest rate curves, credit spreads and measures of volatility.

As of October 1, 2023, we recorded derivative liabilities of \$0.1 million, within “accrued liabilities” in our condensed consolidated balance sheets related to the interest rate swaps. These interest rate swap derivatives not designated as hedges had an aggregate notional value of \$150.0 million as of October 1, 2023. We recognize changes in the fair value of the interest rate swaps immediately and record such changes within “total revenues” in our condensed consolidated statements of operations. We recorded a loss of \$0.2 million and gain of \$0.1 million for changes in fair value of the interest rate swaps during the three and nine months ended October 1, 2023, respectively. In addition, during the third quarter of fiscal 2023, we received \$5.9 million to cash settle our existing interest rate swaps, and subsequently entered into a new interest rate swap with Bank of America. The gain on the swap settlement was recorded in “total revenues” in our condensed consolidated statements of operations.

Retail installment contract receivables, net

The aggregate carrying value of our long-term retail installment contracts as of October 1, 2023 was \$101.9 million, included within “accounts receivable, net” and “other long-term assets” on our condensed consolidated balance sheets. We measure the retail installment contracts using the amortized cost method, where the significant financing component amount is deferred and recognized as revenue over the contract term. The fair value of these receivables as of October 1, 2023 was \$74.7 million. The fair value was determined using a third-party investor determined formula that starts with initial investor pricing by product, adjusted to account for the fair value impact relating to any changes in market spreads based on Level 2 inputs for the relevant benchmark interest rate and credit spread, as reported by Bloomberg.

Note 9. RESTRUCTURING

Fiscal 2023 Restructuring Plans

In July 2023, we adopted a restructuring plan to align operating costs with current market conditions driven by slower sales partly due to higher interest rates. The plan was intended to improve near-term financial strength in order to remain competitive for future market conditions. As part of the restructuring plan, approximately 140 employees, representing approximately 5% of our labor costs, exited the business in the third quarter of fiscal 2023. We expect to incur restructuring charges totaling approximately \$4.8 million, consisting primarily of severance benefits.

In September 2023, we adopted another restructuring plan with similar intentions to improve near-term financial strength in order to remain competitive for future market conditions. As part of the restructuring plan, approximately 55 employees exited the business in the third quarter of fiscal 2023. We expect to incur restructuring charges totaling approximately \$1.0 million, consisting primarily of severance benefits.

As of October 1, 2023, we had incurred cumulative costs of approximately \$5.9 million in restructuring charges, primarily relating to the payment of severance benefits. The July 2023 restructuring plan is substantially completed, with the only remaining activities on the plan relating to severance payments for certain employees retained through the end of the fiscal year. The September 2023 restructuring plan is expected to be completed by the fourth quarter of fiscal 2023. As a result of these restructuring activities, we expect to realize cost reductions over the next 12 months of approximately \$20.6 million primarily in cost of revenues and selling, general, and administrative expenses.

The following table summarizes the restructuring charges for the July 2023 and September 2023 restructuring plans recognized in our condensed consolidated statements of operations:

Purchase Commitments

Future purchase obligations under non-cancellable purchase orders and long-term supply agreements as of October 1, 2023 are as follows:

(In thousands)	Fiscal 2023 (remaining three months)	Fiscal 2024	Fiscal 2025	Fiscal 2026	Fiscal 2027	Thereafter	Total

The future purchase obligations presented above primarily consist of commitments to purchase photovoltaic modules pursuant to the supply agreements with Maxeon Solar entered into on February 14, 2022 and December 31, 2022, as well as commitments to purchase Module-Level Power Electronics (“MLPEs”) supplied by one vendor. On November 13, 2023, we terminated both Master Supply Agreements with Maxeon Solar, and entered into a new Master Supply Agreement.

On April 5, 2023, we entered into a new Master Supply Agreement with Waaree Energies Ltd. (“Waaree”) for the purchase of various photovoltaic modules and components to be used in our residential systems. On May 25, 2023, we terminated the Master Supply Agreement with Waaree, including all outstanding purchase orders, and the parties are discussing the disposition of work-in-progress at the time of termination. Waaree products continue to be warranted by Waaree in accordance with the relevant provisions of the Master Supply Agreement.

We review the terms of all our long-term supply agreements annually and assess the need for any accruals for estimated losses on adverse purchase commitments, such as lower of cost or net realizable value adjustments that will not be recovered by future sales prices, forfeiture of advanced deposits and liquidated damages, as necessary.

Product Warranties

The following table summarizes accrued warranty activities for the three and nine months ended October 1, 2023 and October 2, 2022:

Pursuant to the Definitive Agreement entered into by us and TotalEnergies Renewables in connection with the sale of our C&I Solutions business, we agreed to indemnify TotalEnergies Renewables for certain projects that were sold as part of our business prior to the sale. During the three and nine months ended October 1, 2023, we recorded an additional \$0.3 million and \$9.0 million of warranty expenses related to our indemnifications of TotalEnergies Renewables, respectively, which is included within “net (loss) income from discontinued operations attributable to stockholders” on our condensed consolidated statements of operations. During the three and nine months ended October 2, 2022, we recorded an additional \$2.3 million of warranty expenses related to the above noted indemnifications.

Liabilities Associated with Uncertain Tax Positions

Total liabilities associated with uncertain tax positions were \$13.1 million and \$12.3 million as of October 1, 2023 and January 1, 2023, respectively. These amounts are included within “other long-term liabilities” on our condensed consolidated balance sheets in their respective periods as they are not expected to be paid within the next 12 months. Due to the complexity and uncertainty associated with our tax positions, we cannot make a reasonably reliable estimate of the period in which cash settlement, if any, would be made for our liabilities associated with uncertain tax positions in other long-term liabilities.

Indemnifications

We are a party to various agreements under which we may be obligated to indemnify the counterparty with respect to certain matters. Typically, these obligations arise in connection with contracts and license agreements or the sale of assets, under which we customarily agree to hold the other party harmless against losses arising from a breach of warranties, representations and covenants related to such matters as title to assets sold, negligent acts, damage to property, validity of certain intellectual property rights, non-infringement of third-party rights, and certain tax-related matters including indemnification to customers under Section 48(c) of the Internal Revenue Code of 1986, as amended, regarding solar commercial investment tax credits (“ITCs”) and U.S. Treasury Department (“U.S. Treasury”) cash grant payments under Section 1603 of the American Recovery and Reinvestment Act (each a “Cash Grant”). Further, in connection with our sale of residential lease assets in fiscal 2018 to SunStrong, we provide Hannon Armstrong Sustainable Infrastructure Capital, Inc. (“Hannon Armstrong”) indemnification related to cash flow losses arising from a recapture of California property taxes on account of a change in ownership, recapture of federal tax attributes and cash flow losses from leases that do not generate the promised savings to homeowners. The maximum exposure to loss arising from the indemnification for SunStrong is limited to the consideration received for the solar power systems. In each of these circumstances, payment by us is typically subject to the other party making a claim to us that is contemplated by and valid under the indemnification provisions of the particular contract, which provisions are typically contract-specific, as well as bringing the claim under the procedures specified in the particular contract. These procedures typically allow us to challenge the other party’s claims or, in case of breach of intellectual property representations or covenants, to control the defense or settlement of any third-party claims brought against the other party. Further, our obligations under these agreements may be limited in terms of activity (typically to replace or correct the products or terminate the agreement with a refund to the other party), duration or amount. In some instances, we may have recourse against third parties or insurance covering certain payments made by us.

In certain circumstances, we are contractually obligated to compensate customers and investors for losses they may suffer as a result of reductions in benefits received under ITCs and U.S. Treasury Cash Grant programs. The indemnity expires in conjunction with the statute of limitation and recapture periods in accordance with the underlying laws and regulations for such ITCs and related benefits. We apply for ITCs and Cash Grant incentives based on guidance provided by the Internal Revenue Service (“IRS”) and the U.S. Treasury, which include assumptions regarding the fair value of the qualified solar power systems, among others. Certain of our development agreements, sale-leaseback arrangements, and financing arrangements with tax equity investors incorporate assumptions regarding the future level of incentives to be received, which in some instances may be claimed directly by our customers and investors. Generally, such obligations would arise as a result of reductions to the value of the underlying solar power systems as assessed by the IRS. At each balance sheet date, we assess and recognize, when applicable, the potential exposure from these obligations based on all the information available at that time, including any audits undertaken by the IRS. The maximum potential future payments that we could have to make under this obligation would depend on the difference between the eligible basis claimed on the tax filing for the solar energy systems sold or transferred to indemnified parties and the values that the IRS may determine as the eligible basis for the systems for purposes of claiming ITCs or Cash Grants. We use the eligible basis for tax filing purposes determined with the assistance of independent third-party appraisals to determine the ITCs that are passed through to and claimed by the indemnified parties. We continue to retain certain indemnities, specifically, around ITCs, Cash Grants and California property taxes, even after the underlying portfolio of assets is sold to a third party. For contracts that have such indemnification provisions, we recognize a liability under ASC 460, *Guarantees*, for the estimated premium that would be required by a guarantor to issue the same guarantee in a standalone arm’s-length transaction with an unrelated party. We recognize such liabilities at the greater of the fair value of the indemnity or the contingent liability required to be recognized under ASC 450, *Contingencies*. We initially estimate the fair value of any such indemnities provided based on the cost of insurance policies that cover the underlying risks being indemnified and may purchase such policies to mitigate our exposure to potential indemnification payments. After an indemnification liability is recorded, we derecognize such amount typically upon expiration or settlement of the arrangement. As of October 1, 2023 and January 1, 2023, our provision was \$8.2 million, primarily for tax-related indemnifications. In addition, as of October 1, 2023 and January 1, 2023, we retained an additional \$4.9 million of tax-related indemnifications with TotalEnergies Renewables in connection with the sale of our C&I Solutions business, which is included within “accrued liabilities,” “contract liabilities,” and “other long-term liabilities” on our consolidated balance sheets.

SunPower is party to various supply agreements with Hemlock Semiconductor Operations, LLC (f/k/a Hemlock Semiconductor Corporation) and its affiliate, Hemlock Semiconductor, LLC, (collectively, the “Hemlock Agreements”), for the procurement of polysilicon. In connection with the Spin-off of Maxeon Solar, SunPower and Maxeon Solar entered into an agreement pursuant to which Maxeon Solar received the benefit of SunPower’s rights under the Hemlock Agreements (including SunPower’s deposits and advanced payments thereunder) and, in return, Maxeon Solar agreed to perform all of SunPower’s existing and future obligations under the Hemlock Agreements, including all take-or-pay obligations (the “Back-to-Back Agreement”). As of the first quarter of 2023, Maxeon Solar’s commitment under the Hemlock Agreement was finalized. As of October 1, 2023, there are no further payment obligations remaining under the Hemlock Agreements or the Back-to-Back Agreement.

Pursuant to the Separation and Distribution Agreement entered into by us and Maxeon Solar, we agreed to indemnify Maxeon Solar for any liabilities arising out of certain existing litigation relating to businesses contributed to Maxeon Solar in connection with the Spin-off. We expect to be actively involved in managing this litigation together with Maxeon Solar. The indemnity qualifies for the criteria for accounting under the guidance in ASC 460, and we have recorded the liability of litigation of \$2.8 million as of October 1, 2023.

In addition, as of October 1, 2023, we have retained a total of \$27.6 million of warranty reserves related to our indemnification with TotalEnergies Renewables in connection with the sale of our C&I Solutions business, which are included within “accrued liabilities” and “other long-term liabilities” on our condensed consolidated balance sheets. On December 13, 2023, SunPower received an additional claim notice from Total seeking further indemnification in the amount of \$12.8 million related to issues involving repairs and work performed at certain sites related to system components supplied by third parties. SunPower is in the process of evaluating these claims.

Legal Matters

Edelman v. TotalEnergies SE et al., No. 2023-0136 (Del. Ch.)

As previously disclosed, on February 6, 2023, Plaintiff Jeffrey Edelman filed a putative stockholder derivative complaint in the Delaware Court of Chancery, purportedly on behalf of SunPower, against Total SE, HoldCo, TotalEnergies Renewables, Francois Badoual, Bernadette Baudier, Peter Faricy, Vinayak Hegde, Catherine A. Lesjak, Thomas R. McDaniel, Nathalie Portes-Laville, Julien Pouget, Vincent Stoquart, Denis Toulouse, Franck Trochet, Thomas H. Werner, Laurent Wolffsheim, and Patrick Wood III, current or former directors and officers of the Company. On July 7, 2023, the stockholder filed an amended derivative complaint against TotalEnergies SE, TotalEnergies Gaz & Electricité Holdings SAS, TotalEnergies Solar INTL SAS and TotalEnergies Renewables USA, LLC, as well as the Company's current and former directors and officers. The amended complaint likewise alleges breach of fiduciary duty and unjust enrichment related to the acquisition of the Company's C&I Solutions business by TotalEnergies Renewables and seeks monetary damages from the defendants on behalf of the Company, together with costs and attorney's fees. In September 2023, certain defendants answered the amended complaint, and others moved to dismiss the amended complaint. The Company cannot reasonably estimate any loss or range of loss that may arise from the litigation.

We are also party to various litigation matters and claims, including but not limited to intellectual property, environmental, and employment matters, that arise from time to time in the ordinary course of our business. While we believe that the ultimate outcome of such matters will not have a material adverse effect on us, their outcomes are not determinable and negative outcomes may adversely affect our financial position, liquidity, or results of operations.

Note 11. EQUITY INVESTMENTS

Our equity investments consist of equity investments with readily determinable fair value, investments without readily determinable fair value, and equity investments accounted for using the fair value option.

Our share of earnings (losses) from equity investments accounted for under the equity method is reflected as "Equity in earnings (losses) of unconsolidated investees" in our condensed consolidated statements of operations. Mark-to-market gains and losses on equity investments with readily determinable fair value are reflected as "other, net" under other income (expense), net in our condensed consolidated statements of operations. The carrying value of our equity investments, classified as "short-term investments" and "other long-term assets" on our condensed consolidated balance sheets, are as follows:

Equity investments without readily determinable fair value

In February 2022, we made an equity investment in OhmConnect, Inc. (“OhmConnect”). We accounted for the investment as an equity investment without readily determinable fair value in accordance with the guidance in ASC 321, *Investments - Equity Securities*.

In fiscal 2022, we launched our Dealer Accelerator Program to help speed the adoption of renewable energy across the U.S. by making minority investments in solar dealers to advance their growth in coordination with the rapid growth of their direct business. As part of the program, dealers receive preferred access to SunPower solar, EV charging equipment, battery storage, and financial products offerings. In addition, we provide the dealers with enhanced lead generation and business strategy support.

During fiscal 2022, we entered into four equity investments as part of the Dealer Accelerator Program. The equity investments made were in Sea Bright Solar, Inc for an equity interest of 20.0%, Freedom Solar Holdings, LLC, for an equity interest of 4.5%, EmPower CES, LLC for an equity interest of 20.0% and Renova Energy Corp. for an equity interest of 10.6%.

In April 2023, as part of the Dealer Accelerator Program, we entered into an equity investment with LTL LED, LLC, d/b/a Wolf River Electric LLC (“Wolf River”). The investment included a cash payment for an equity interest of 16.7%.

All of these equity investments were accounted for as equity method investments without readily determinable fair value in accordance with the guidance in ASC 323, *Investments - Equity Method and Joint Ventures*, given the material intra-entity transactions that exist under our exclusive supplier agreements as a result of our investments. We recognize our earnings from our equity method investments in the fiscal quarter after the corresponding earnings are recognized by the investee, and recorded earnings from equity method investments of \$0.8 million and \$1.2 million during the three and nine months ended October 1, 2023, respectively, as compared to earnings from equity method investments of \$0.2 million recorded during the three and nine months ended October 2, 2022. In addition, during the nine months ended October 1, 2023, we received a dividend from one of our investees in the amount of \$0.7 million, as compared to the \$0.3 million dividend received from one of our investees during the three months ended October 2, 2022.

Variable Interest Entities (“VIEs”)

A VIE is an entity that has either (i) insufficient equity to permit the entity to finance its activities without additional subordinated financial support, or (ii) equity investors who lack the characteristics of a controlling financial interest.

We follow guidance on the consolidation of VIEs that requires companies to utilize a qualitative approach to determine whether it is the primary beneficiary of a VIE. The process for identifying the primary beneficiary of a VIE requires consideration of the factors that indicate a party has the power to direct activities that most significantly impact the investees' economic performance, including powers granted to the investees' governing board and, to a certain extent, a company's economic interest in the investee. We analyze our investments in VIEs and classify them as either unconsolidated VIEs or consolidated VIEs (*refer to our Form 10-K/A for the fiscal year ended January 1, 2023 for further details on our various VIE arrangements*).

Unconsolidated VIEs

In March 2022, we entered into a joint venture with Hannon Armstrong and SunStrong to form Dorado DevCo, a jointly-owned entity, to hold our residential lease solar power projects. Similar to our prior joint ventures for residential lease assets, SunPower and Hannon Armstrong will make total capital contributions of up to \$17.2 million into Dorado DevCo for 50% effective equity interest, each. SunStrong, our existing joint venture with Hannon Armstrong, was appointed as a manager of the entity. We also entered into a development asset purchase agreement to provide development services for solar power systems sold into the fund.

With respect to our interest in Dorado DevCo, we determined there is not sufficient equity at risk in the joint venture, thus, we determined the joint venture is a VIE as considered under the guidance in ASC 810. Based on the assessment of the required criteria for consolidation, we determined that SunStrong, as the manager of Dorado DevCo, has the power to make decisions over activities that significantly affect Dorado DevCo and subsidiaries. We and Hannon Armstrong do not have the power to unilaterally make decisions that affect the performance of the investee, and we do not have kick-out rights to unilaterally buyout the other party's equity interests, while Hannon Armstrong has a right to purchase our equity interest of the investee. In addition, much of our exposure to absorb the losses of the VIE that could potentially be significant to the VIE, or the right to receive the economic interest from the VIE, is in our capacity as a developer and service provider, where we provide development services at market terms. Therefore, we concluded we are not the primary beneficiary of the investee, and we do not consolidate.

In September 2023, the Dorado DevCo joint venture was modified to add another tax equity fund with Bank of America Merrill Lynch ("BAML"). This resulted in two new Limited Liability Company's ("LLCs"), Dorado 2 Residential Solar, LLC and Dorado 2 Class B Member, LLC. Additionally, existing warehouse and mezzanine loan facilities under the Dorado DevCo were amended, upsized, and extended to support the new tax equity fund. Other than the foregoing, the overall Dorado DevCo structure remains unchanged. SunStrong remains the manager of the Dorado DevCo joint venture and continues to have the power to make decisions over the activities of the Dorado DevCo and its subsidiaries.

During the three and nine months ended October 1, 2023, we made \$0.1 million and \$7.2 million of capital contributions in the Dorado DevCo equity method investee. These investments contributed to our equity investment balances in the Dorado DevCo joint venture and are classified in "other long-term assets" on our condensed consolidated balance sheets.

In April 2023, to support the expansion of our solar loan funding capacity, we entered into a series of agreements to sell solar loans to a special-purpose entity within our existing joint venture, SunStrong. The new special-purpose entity is an indirect wholly owned subsidiary of SunStrong. SunPower and Hannon Armstrong will make total capital contributions of up to \$24.2 million into SunStrong for 51% and 49% effective equity interest, respectively. In these agreements, we serve as the primary or master servicer of the special-purpose entity, however, as the servicer, we do not have the power to make significant decisions impacting the performance of the entity.

With respect to our interest in the special-purpose entity, we determined there is not sufficient equity at risk in the entity, thus, we determined the entity is a VIE as considered under the guidance in ASC 810. Based on the assessment of the required criteria for consolidation, we determined that SunStrong, as the manager of the special-purpose entity, has the power to make decisions over activities that significantly affect the entity and subsidiaries. Therefore, we concluded we are not the primary beneficiary of the entity, and we do not consolidate. During the three and nine months ended October 1, 2023, we made \$1.3 million and \$1.9 million of capital contributions in the equity method investee, respectively. The investment contributed to our equity investment balance in SunStrong and is classified in "other long-term assets" on our condensed consolidated balance sheets.

We have elected the FVO in accordance with the guidance in ASC 825, *Financial Instruments*, for our investments in SunStrong, SunStrong Partners, and Dorado DevCo, our unconsolidated VIEs. Refer to Note 8. *Fair Value Measurements*.

October 2021 Letter of Credit Facility with Bank of the West

In October 2021, we entered into a letter of credit facility with Bank of the West which provides for the issuance, upon our request, of letters of credit to support our obligations in an aggregate amount not to exceed \$25.0 million. The letters of credit issued under the facility are 50% cash secured, and we have entered into a security agreement with Bank of the West granting them a security interest in a cash collateral account established for this purpose. In September 2023, we entered into an amendment of the letter of credit facility with Bank of the West to reduce the letters of credit commitments to an amount not to exceed \$5.0 million. The letters of credit issued under the facility remain 50% cash secured.

As of October 1, 2023, letters of credit issued and outstanding under the Bank of the West facility totaled \$5.0 million, which were collateralized with \$2.5 million of restricted cash on the condensed consolidated balance sheets.

Loan Facility with Credit Suisse AG

On June 30, 2022, we entered into a loan and security purchase agreement with Credit Suisse AG, New York Branch, and other financial institutions, to finance our retail installment contract receivables. The agreement provided for a \$100.0 million delayed draw term loan which will mature on December 29, 2023. In connection with the loan agreement, we have established a special purpose entity acting as the borrower under the facility. During the second quarter of fiscal 2023, we amended our loan agreement and extended the facility through June 29, 2026.

The loans under the agreement bear interest at a rate as adjusted by the benchmark adjustment, as defined in the term loan agreement, or the base rate plus the applicable margin for such loans. In addition, we also entered into an interest rate swap under the agreement, which converts the floating rate loan to a fixed rate. The swap terminates in September of 2026, unless we terminate early with the maturity of the loan, subject to any early termination costs. The term loan agreement contains customary representations and warranties as well as customary affirmative and negative covenants, including a covenant that any assets of the special purpose borrowing entity will not be available to other creditors of any of our other SunPower entities.

As of October 1, 2023, we had \$65.3 million borrowings outstanding under the term loan facility, of which \$0.6 million is being held in a Liquidity Reserve Account, in accordance with the loan and security purchase agreement, and is collateralized with restricted cash on the condensed consolidated balance sheets as of October 1, 2023. All borrowings outstanding under the term loan facility have a weighted average interest rate of between 6.3% to 6.8%.

Revolver and Term Loan Facility with Bank of America and Bank of the West

On September 12, 2022, we entered into a Credit Agreement with BofA Securities, Inc. and Bank of the West, as joint lead arrangers and joint bookrunners, and Bank of America, N.A., as Administrative Agent, Collateral Agent, Swingline Lender, and an L/C Issuer. The Credit Agreement consists of a revolving credit facility (the “Revolver”) and a term loan facility (“Term Loan Facility” and, together with the Revolver, the “Facilities”), each facility providing for an aggregate principal amount of \$100.0 million. The Credit Agreement was amended on January 26, 2023, and provided for, among other things, an increase of the Revolver commitments by \$100.0 million (the “Increased Revolving Commitments”), including CitiBank, N.A. and JP Morgan Chase Bank, N.A. as the 2023 Incremental Revolving Lenders’. The Increased Revolving Commitments are governed by the same terms and conditions applicable to the Revolver commitments under the Credit Agreement prior to the effectiveness of the Amendment. The Revolver and Term Loan Facility both mature on September 12, 2027.

The interest rate for borrowings under the Facilities is based on, at the Company's option, either (1) the highest of (a) the Federal Funds Rate plus 0.50%, (b) Bank of America's “prime rate,” or (c) Term SOFR plus 1%, plus, in each case, a margin; or (2) Term SOFR plus a margin. A commitment fee of between 0.25% and 0.35%, depending on our Total Net Leverage Ratio, is payable quarterly on the undrawn portion of the Revolver.

The Credit Agreement contains affirmative and negative covenants customarily applicable to senior secured credit facilities, including covenants restricting the ability of the Company and certain of our subsidiaries, subject to negotiated exceptions, to: incur additional indebtedness; create liens or guarantee obligations; enter into sale-leaseback transactions; merge, liquidate or dispose assets; make acquisitions or other investments; enter into hedging agreements; pay dividends and make other distributions and engage in transactions with affiliates. Under the Credit Agreement, the Company's Restricted Subsidiaries may not invest cash or property in, or loan to, our Unrestricted Subsidiaries amounts exceeding the limitations set forth in the Credit Agreement.

As of October 1, 2023, we had borrowings of \$96.6 million and \$149.6 million under the Term Loan Facility and Revolver, respectively. The interest rate for the borrowings is Term SOFR plus a margin. In addition, as of October 1, 2023, we had no issued but undrawn letters of credit outstanding under the Facilities. The letters of credit have a maximum aggregate amount that can be issued of \$50.0 million, which is included within the total principal amount of the Revolver facility.

Note 13. RELATED-PARTY TRANSACTIONS

In connection with the Spin-off of Maxeon Solar, we entered into certain agreements with Maxeon Solar, including a transition services agreement, supply agreement, and collaboration agreement. On June 8, 2022, we entered into a First Amendment to the Cross License Agreement with Maxeon Solar to amend the Cross License Agreement that we entered into in connection with the Spin-off.

The below table summarizes our transactions with Maxeon Solar for the three and nine months ended October 1, 2023:

Note 14. INCOME TAXES

In the three months ended October 1, 2023, our income tax benefit of \$0.1 million on a loss from continuing operations before income taxes and equity in earnings of unconsolidated investees of \$38.7 million, was primarily due to the benefit of operating losses that reduce our state tax on sale of equity investments, partially offset by the accrual for uncertain tax positions. Our income tax provision of \$2.4 million in the three months ended October 2, 2022 on an income from continuing operations before income taxes of \$141.4 million was primarily due to state taxes on realized gains from sale of equity investments, partially offset by a net tax benefit from prior year uncertain tax positions.

In the nine months ended October 1, 2023, our income tax provision of \$1.6 million on a loss from continuing operations before income taxes and equity in earnings of unconsolidated investees of \$113.2 million, was primarily due to discrete items including taxes on realized gains from sale of equity investments and accrual of interest and penalties on prior year uncertain tax positions. Our income tax benefit of \$6.5 million in the nine months ended October 2, 2022 on an income from continuing operations before income taxes of \$83.9 million was primarily due to the reversal of deferred taxes previously accrued for California as a result of the enactment of Senate Bill 113 which restored our ability to utilize net operating losses in 2022, partially offset by state tax expense on realized gains from sale of equity investments.

During the three and nine months ended October 1, 2023, in accordance with FASB guidance for interim reporting of income tax, our annual effective tax rate was computed based on year-to-date results. The income tax differs from the amounts computed by applying the statutory income tax rate to the loss from continuing operations before income tax primarily as a result of our valuation allowance and discrete items recorded during the quarter.

For the three and nine months ended October 1, 2023, our income tax benefit on the loss from discontinued operations before income taxes of \$1.9 million and \$12.1 million was \$0.2 million and \$0.4 million, respectively. In the three and nine months ended October 2, 2022, our income tax benefit of \$0.4 million and \$0.8 million on a loss from discontinued operations before income taxes of \$2.4 million and \$50.3 million, respectively, was primarily due to the state tax benefit of year-to-date operating losses of the C&I Solutions business.

Total liabilities associated with uncertain tax positions were \$13.1 million and \$12.3 million as of October 1, 2023 and January 1, 2023, respectively. The increase of \$0.8 million was primarily due to the accrual of additional state liabilities, and interest and penalties on existing reserves.

On August 16, 2022, the Inflation Reduction Act of 2022 (“IRA”) was signed into law by President Joe Biden. The IRA includes, among other provisions, a 15% minimum tax based on “adjusted financial statement income” exceeding \$1.0 billion and a 1% excise tax on net repurchases of stock after December 31, 2022. We do not anticipate that these provisions of the IRA will have an impact on our business.

Note 15. *NET (LOSS) INCOME PER SHARE*

We calculate basic net (loss) income per share by dividing earnings allocated to common stockholders by the basic weighted-average number of common shares outstanding for the period.

Diluted weighted-average shares is computed by using the basic weighted-average number of common shares outstanding plus any potentially dilutive securities outstanding during the period using the if-converted method, except when their effect is anti-dilutive. Potentially dilutive securities include restricted stock units and the outstanding senior convertible debentures.

The guidance in ASC 260, *Earnings Per Share*, requires that companies use income from continuing operations as a “control number” or benchmark to determine whether potential common shares are dilutive or antidilutive. When calculating discontinued operations, we used the same number of potential common shares used in computing the diluted per-share amount of income from continuing operations in computing all other reported diluted per-share amounts, even if the effect will be antidilutive compared to their respective basic per-share amounts.

The following table presents the calculation of basic and diluted net (loss) income per share attributable to stockholders:

Restructuring Plan

On October 30, 2023, we adopted a restructuring plan to align operating costs with current market conditions characterized by higher interest rates and slower consumer demand. The plan is intended to preserve near-term financial strength in order to remain competitive during current and future market conditions. As part of the restructuring plan, we expect approximately 83 employees representing severance costs of approximately \$2.6 million to exit. We also expect to impair approximately \$4.3 million, primarily in capitalized internal-use software and equipment related to development of new products due to management's determination to cancel these projects. The actual timing and costs of the plan may differ from our current plan. The plan is expected to be substantially complete by January 31, 2024.

Legal Matters

Jaszczyszyn v. SunPower Corporation, et al., No. 3:22-cv-00956-AMO (N.D. Cal.)

As previously disclosed, on February 16, 2022, a purported securities class action lawsuit was filed against the Company, its Chief Executive Officer (Peter Faricy), and its former Chief Financial Officer (Manavendra Sial) (the "Defendants") in the United States District Court for the Northern District of California by putative shareholder Piotr Jaszczyszyn purportedly on behalf of a class consisting of those who acquired the Company's securities from August 3, 2021 to January 20, 2022. Defendants filed a motion to dismiss the amended complaint on February 24, 2023. After briefing on the motion was completed, the Court heard oral argument on the motion on October 26, 2023, and the motion was submitted for decision. The Company intends to vigorously defend the purported securities class action lawsuit and cannot reasonably estimate any loss or range of loss that may arise from the litigation. Accordingly, the Company can provide no assurance as to the scope and outcome of this matter and no assurance as to whether it will have a material adverse effect on the Company's financial position, liquidity, or results of operations.

Craven v. SunPower Corporation, et al., No. 3:23-cv-05544-RFL (N.D. Cal.); *Simpson v. SunPower Corporation, et al.*, No. 3:23-cv-06302-RFL (N.D. Cal.)

On October 27, 2023, a purported securities class action lawsuit was filed in the United States District Court for the Northern District of California by putative shareholder Jacob Craven purportedly on behalf of a class consisting of those who acquired the Company's securities from March 9, 2023 to October 24, 2023 (the "Craven Complaint"). On December 6, 2023, another purported securities class action lawsuit was filed in the United States District Court for the Northern District of California by putative shareholder Matthew Simpson purportedly on behalf of the same alleged class (the "Simpson Complaint").

The *Craven* Complaint and the *Simpson* Complaint name the Company, its Chief Executive Officer (Peter Faricy), its Chief Financial Officer (Elizabeth Eby), and its former Interim Chief Financial Officer (Guthrie Dundas) as defendants. The *Craven* Complaint and the *Simpson* Complaint allege violations of Sections 10(b) and 20(a) of the Exchange Act and allege that the defendants misled investors by failing to disclose that: (1) due to a material weakness in its internal control over financial reporting, the Company had inaccurately reported cost of revenue and inventory metrics; (2) as a result of the foregoing, the Company was reasonably likely to incur significant charges to restate prior reporting; and (3) as a result of the foregoing, defendants' statements about the Company's business, operations, and prospects allegedly were materially misleading and/or lacked a reasonable basis. The *Craven* Complaint and the *Simpson* Complaint seek monetary damages for alleged securities law violations, together with costs and attorney's fees.

The Company intends to vigorously defend the purported securities class action lawsuits and cannot reasonably estimate any loss or range of loss that may arise from the litigations. Accordingly, the Company can provide no assurance as to the scope and outcome of these matters and no assurance as to whether they will have a material adverse effect on the Company's financial position, liquidity, or results of operations.

Amendment and Waiver

On December 8, 2023, the Company obtained the Amendment and Waiver amending the Amended Credit Agreement by and among the Company, certain of its subsidiaries as guarantors, the Existing Lenders, and Bank of America, as administrative agent which provides for, among other things, a temporary waiver until January 19, 2024 of the breaches, and modification to the remaining available commitments through (i) the Existing Lenders to provide access to \$25 million of existing revolving commitments and (ii) commitments by HoldCo, as a new lender, to provide \$25 million of new revolving credit. Although we entered into the Amendment and Waiver to temporarily address the Existing Defaults, we are projecting to be noncompliant with certain debt covenants, which would cause further defaults or an event of default under our existing debt arrangements.

Dorado Credit Agreement

The Company received a reservation of rights letter from the administrative agent under (on behalf of the lenders thereunder) that certain credit agreement, dated as of March 31, 2022, by and among (inter alia) Dorado 1 Senior Borrower, LLC and Dorado 1 Senior Pledgor, LLC (each of which are non-wholly owned subsidiaries of Company), Bank of America N.A., as administrative agent, Computershare Trust Company, National Association, as the collateral agent and the financial institutions party thereto from time to time as lenders (as amended, the "Dorado Credit Agreement") as a result of the Restatement. We are in active discussions with this lender group, who are aware that SunPower does not agree that there has been any such breach of representation.

Overview

SunPower is a leading residential solar technology and energy services provider that offers fully integrated solar, storage, and home energy solutions to customers in North America. Through a multi-channel strategy of distributed dealer network, SunPower direct sales channel, and new home builder partnerships, we provide customers control over electricity consumption, resiliency during power outages, and cost savings, while also reducing carbon emissions and contributing to a more sustainable grid. The five pillars of our strategy include:

- 1) Customer Care: provide a world-class customer experience that moves beyond the initial system sale to create a lifetime relationship with SunPower;
- 2) Products: offer all market segments a growing ecosystem of integrated high-value, high-performance products and services;
- 3) Growth: optimize a multi-channel strategy of distributed dealer network, geographically diverse SunPower Direct channel, and new home builder partnerships for above-market growth;
- 4) Digital Innovation: enable operational excellence that supports our dealers, accelerates sales, improves financial products and adds customer control and monitoring of systems for optimum efficiency; and
- 5) Financial Solutions: expand affordable and easy-to-use customer financing products, reducing the biggest barrier to solar adoption.

We operate as a single operating segment, providing solar power systems and services to residential customers. While our chief executive officer, as the chief operating decision maker (“CODM”), reviews financial information by different functions and revenue streams, he considers the business on a consolidated basis for purposes of allocating resources and reviewing overall business performance.

For more information about our business, please refer to the section titled “Part I. Item 1. Business” in our Annual Report on Form 10-K/A for the fiscal year ended January 1, 2023.

Key Developments

In April 2023, to support the expansion of our residential solar and storage loan funding capacity, we entered into a series of agreements to sell solar loan receivables to a special-purpose entity in our existing joint venture, SunStrong, with Hannon Armstrong Sustainable Infrastructure Capital, Inc. (“HASI”). Under the agreements, we have secured financing commitments to fund more than \$450.0 million for our residential solar and storage loan program, including a \$300.0 million revolving credit facility from Credit Agricole Corporate & Investment Bank (“CA-CIB”). The CA-CIB credit revolver serves as a warehouse facility for SunStrong to temporarily finance solar assets prior to arranging long-term financings, such as asset-backed securities. The revolving warehouse facility will allow SunStrong to fund the acquisition of solar loans entered into by SunPower Financial's customers and issue asset-backed securities on an ongoing basis.

In May 2023, to further support the expansion of our residential solar and storage loan funding capacity, we also entered into a series of agreements to sell solar loan receivables to a newly created special-purpose trust beneficially owned by one or more affiliates of KKR Credit Advisors (US) LLC (“KKR Credit”). Under the agreements, we have secured financing commitments to fund up to \$550.0 million for our residential solar and storage loan program over a 15-month term, with annual renewal options.

In August 2023, ADT Solar, a division of ADT Inc., entered into an agreement in principle with SunPower Financial™ to become a provider of lease and power purchase agreements (“PPA”) for ADT Solar customers. Through this arrangement, ADT Solar is offering customers a lease option for the first time, making solar accessible to more Americans. SunPower Financial is acting as the lessor for ADT Solar customers that choose to finance with a lease or PPA.

Total revenues	\$ 430,690	\$ 476,393	(10)%	\$ 1,328,317	\$ 1,243,975	7 %

Our total revenues during the three months ended October 1, 2023 decreased by 10% or \$45.7 million, as compared to the three months ended October 2, 2022, of which \$54.2 million was related to decreased volume, primarily in our installing dealer, New Homes, and Blue Raven channels, as a result of decreased demand for solar energy systems due to the net energy metering program (“NEM 3.0”) that went live in California in April 2023, an overall softening in the industry due to reduced economic outlook in key markets, and rising interest rates. In addition, we saw a reduction in revenue of \$4.9 million from the continued wind-down of our Light Commercial business during fiscal 2023. This decrease in revenue was partially offset by an increase of \$12.6 million due to increases in the average selling price of systems primarily in our installing, non-installing dealer, and SunPower Direct channels.

Our total revenues during the nine months ended October 1, 2023 increased by 7% or \$84.3 million, as compared to the nine months ended October 2, 2022. We experienced an increase in demand for solar energy systems during the first half of fiscal 2023 as a result of the transition to NEM 3.0 in California in April 2023 and the expanding capacity of our SunPower Residential Installer (“SPRI”) team, which began to trail off during the third quarter of fiscal 2023 as a result of the overall softening in the industry due to reduced economic outlook in key markets and rising interest rates. As a result, we saw an increase in volume of \$72.1 million, and an increase of \$54.7 million in the average selling price of our systems, primarily in our SunPower Direct and dealer channels. This was partially offset by a reduction in revenue of \$43.2 million from the continued wind-down of our Light Commercial business during fiscal 2023.

One customer accounted for approximately 28% and 20% of total revenues for the three and nine months ended October 1, 2023, respectively, primarily within solar power systems sales revenue category. We did not have any customers that accounted for greater than 10% of total revenues for the three and nine months ended October 2, 2022.

Total Cost of Revenues and Gross Margin

(In thousands, except percentages)	Three Months Ended			Nine Months Ended

Gross Margin						
Total gross margin	17 %	24 %	(7)%	17 %	23 %	(6)%

Our total cost of revenues decreased by 0% during the three months ended October 1, 2023, as compared to the three months ended October 2, 2022, primarily as a result of the reduction in revenue volume from the decreased demand for solar energy products during the third quarter of fiscal 2023 as a result of an overall softening in the industry due to reduced economic outlook in key markets and rising interest rates. This contributed to a decrease in cost of revenues volume of \$36.9 million, primarily in our installing dealer, New Homes, and Blue Raven channels, similarly to the decrease in revenue volume. This was partially offset by a continuation of the rising costs of material and labor into the third quarter of fiscal 2023, which contributed to an increase in costs of \$32.1 million, as well as the settlement of claims with Maxeon of \$2.4 million as a result of the termination of our master supply agreement during the third quarter of fiscal 2023.

Our total cost of revenues increased by 15% during the nine months ended October 1, 2023, as compared to the nine months ended October 2, 2022, primarily as a result of the revenue volume growth from the increased demand for solar energy products during the first half of fiscal 2023, which began to trail off during the third quarter of fiscal 2023 as a result of the softening in the industry. This revenue volume growth caused an increase in total cost of revenues of \$64.1 million in the nine months ended October 1, 2023, as compared to the nine months ended October 2, 2022. In addition, the rising costs of material and labor continued and contributed to an increase of \$114.0 million, partly due to the absorption of cost over lower than expected volumes. This was partially offset by a decrease in cost of revenues related to the continued wind-down of our Light Commercial business of \$31.6 million during fiscal 2023.

Our gross margin decreased by 7 and 6 percentage points during the three and nine months ended October 1, 2023, respectively, as compared to the three and nine months ended October 2, 2022, respectively, primarily due to cost increases of \$32.1 million and \$114.0 million which were not commensurate with the corresponding increases in the average selling price of our systems of \$12.6 million and \$54.7 million, for the three and nine months ended October 1, 2023 as compared to the three and nine months ended October 2, 2022, respectively. In addition, the three months ended October 1, 2023 had a larger decrease in margin as a result of the decreased demand for solar energy systems caused by NEM 3.0 in California in April 2023, an overall softening in the industry due to reduced economic outlook in key markets, and rising interest rates, as compared to the increased demand for systems in the first half of 2023 and thus the nine months ended October 1, 2023. This caused the gross margin in the three months ended October 1, 2023 to decrease by 17.3 million as compared to the three months ended October 2, 2022, and increase by \$8.0 million during the nine months ended October 1, 2023 as compared to the nine months ended October 2, 2022.

R&D expense decreased by \$1.4 million during the three months ended October 1, 2023, as compared to the three months ended October 2, 2022, primarily due to the creation of various cost cutting measures to reduce expenses, including a decrease in consulting and contractor support costs of \$0.8 million and a reduction in headcount contributing to decreased labor and personnel-related costs of \$0.6 million.

R&D expense remained fairly constant during the nine months ended October 1, 2023, as compared to the nine months ended October 2, 2022.

SG&A expenses decreased by \$7.8 million during the three months ended October 1, 2023, as compared to the three months ended October 2, 2022, primarily due to the creation of various cost cutting measures to reduce expenses, including a decrease in legal expenses of \$0.6 million, a reduction in transaction-related costs of \$3.3 million, and a reduction in headcount contributing to decreased labor and personnel-related costs of \$2.7 million.

SG&A expenses decreased by \$6.3 million during the nine months ended October 1, 2023, as compared to the nine months ended October 2, 2022, primarily due to various cost cutting measures to reduce expenses during fiscal 2023, including a reduction in headcount and the resulting decrease in labor and personnel-related costs of \$4.2 million.

Restructuring charges (credits) increased by \$5.8 million and \$5.6 million during the three and nine months ended October 1, 2023, respectively, as compared to the three and nine months ended October 2, 2022, primarily due to additional severance payments incurred in fiscal 2023 related to the adoption of the new July 2023 and September 2023 restructuring plans in the third quarter of fiscal 2023. As a result of these restructuring activities, we expect to realize cost reductions over the next 12 months of approximately \$20.6 million primarily in cost of revenues and selling, general, and administrative expenses.

Income from transition services agreement, net was lower by \$1.2 million and \$1.3 million during the three and nine months ended October 1, 2023, as compared to the three and nine months ended October 2, 2022, respectively, as we began to provide transition services to Total in connection with the sale of the C&I Solutions business during the second quarter of fiscal 2022. We received an income for transition services during the three and nine months October 2, 2022, as compared to an expense during fiscal 2023.

Interest income increased by \$1.0 million and \$2.0 million during the three and nine months ended October 1, 2023, as compared to the three and nine months ended October 2, 2022, primarily due to interest earned from our money market fund investments.

Interest expense increased by \$3.9 million during the three months ended October 1, 2023, as compared to the three months ended October 2, 2022, primarily due to higher interest expense and a lower unrealized gain on our Credit Suisse interest rate swap in the third quarter of fiscal 2023 as compared to the third quarter of fiscal 2022. In particular, we incurred \$6.9 million of interest expense on our term loan, revolver, and Credit Suisse warehouse debt facilities in the third quarter of fiscal 2023, partially offset by \$1.2 million of unrealized gain on our Credit Suisse interest rate swap, as compared to \$5.7 million interest expense incurred during the third quarter of fiscal 2022 on our 2023 convertible debentures and Credit Suisse

warehouse debt loans, partially offset by \$2.3 million of unrealized gain on our interest rate swap. Our 2023 convertible debentures were paid in the first quarter of fiscal 2023.

Interest expense increased by \$3.9 million during the nine months ended October 1, 2023, as compared to the nine months ended October 2, 2022. This was primarily due to \$16.8 million interest incurred and amortization of debt issuance costs related to our revolver, term loan, and Credit Suisse warehouse debt facilities, as well as \$0.7 million interest incurred related to the repayment of our convertible debentures during the first quarter of fiscal 2023, partially offset by \$1.4 million of unrealized gain on our Credit Suisse interest rate swap during the nine months ended October 1, 2023. In comparison, during the nine months ended October 2, 2022, we incurred \$15.7 million of interest expense related to our 2023 convertible debentures, our Safe Harbor facility, and Credit Suisse warehouse debt loan, partially offset by \$2.3 million of unrealized gain on our interest rate swap.

Other income, net decreased by \$135.3 million and \$132.8 million during the three and nine months ended October 1, 2023, as compared to the three and nine months ended October 2, 2022. This was due to a gain of \$135.4 million and \$121.5 million on our equity investment with readily determinable fair value in the three and nine months ended October 2, 2022, respectively, compared to a loss of \$10.8 million in the nine months ended October 1, 2023.

In the three months ended October 1, 2023, our income tax benefit of \$0.1 million on a loss from continuing operations before income taxes and equity in earnings of unconsolidated investees of \$38.7 million, was primarily due to the benefit of operating losses that reduce our state tax on sale of equity investments, partially offset by the accrual for uncertain tax positions. Our income tax provision of \$2.4 million in the three months ended October 2, 2022 on an income from continuing operations before income taxes of \$141.4 million was primarily due to state taxes on realized gains from sale of equity investments, partially offset by a net tax benefit from prior year uncertain tax positions.

In the nine months ended October 1, 2023, our income tax provision of \$1.6 million on a loss from continuing operations before income taxes and equity in earnings of unconsolidated investees of \$113.2 million, was primarily due to discrete items including taxes on realized gains from sale of equity investments and accrual of interest and penalties on prior year uncertain tax positions. Our income tax benefit of \$6.5 million in the nine months ended October 2, 2022 on an income from continuing operations before income taxes of \$83.9 million was primarily due to the reversal of deferred taxes previously accrued for California as a result of the enactment of Senate Bill 113 which restored our ability to utilize net operating losses in 2022, partially offset by state tax expense on realized gains from sale of equity investments.

As of the end of the third quarter of fiscal 2023, as part of our continuing operations, an insignificant amount of the accumulated foreign earnings was located outside of the United States and may be subject to foreign income tax or withholding tax liability upon repatriations. However, the accumulated foreign earnings are intended to be indefinitely reinvested in our foreign subsidiaries; therefore, no provision for such foreign taxes has been made. Determination of the amount of unrecognized deferred tax liability related to these earnings is not practicable.

We record a valuation allowance to reduce our deferred tax assets in the United States and Mexico to the amount that is more likely than not to be realized. In assessing the need for a valuation allowance, we consider historical levels of income, expectations and risks associated with the estimates of future taxable income and ongoing prudent and feasible tax planning strategies. In the event we determine that we would be able to realize additional deferred tax assets in the future in excess of the net recorded amount, or if we subsequently determine that realization of an amount previously recorded is unlikely, we would record an adjustment to the deferred tax asset valuation allowance, which would change income tax in the period of adjustment.

Equity in earnings (losses) of unconsolidated investees increased by \$1.1 million and \$1.5 million for the three and nine months ended October 1, 2023, primarily due to earnings recorded from our equity method investees which began during the third quarter of fiscal 2022. Equity in earnings increased by \$0.6 million and \$1.0 million during the three and nine months ended October 1, 2023 as compared to the nine months ended October 2, 2022. In addition, as a result of our annual assessment of the fair value of our equity investments with fair value option (“FVO”), we recorded an additional \$0.4 million fair value adjustment in the three months ended October 1, 2023, as compared to the three months ended October 2, 2022.

In September 2019, we entered into the Solar Sail, LLC (“Solar Sail”) and Solar Sail Commercial Holdings, LLC (“Solar Sail Commercial”) joint ventures with Hannon Armstrong to finance the purchase of 200 megawatts of panel inventory in accordance with IRS safe harbor guidance to preserve the 30% federal ITC for third-party owned commercial and residential systems. We determined that we hold controlling interests in Solar Sail and Solar Sail Commercial, and therefore we have fully consolidated these entities. We apply the hypothetical liquidation at book value (“HLBV”) method in allocating recorded net income (loss) to each investor based on the change in the reporting period, of the amount of net assets of the entity to which each investor would be entitled to under the governing contractual arrangements in a liquidation scenario.

The net income attributable to noncontrolling interests decreased by \$3.2 million and \$3.5 million for the three and nine months ended October 1, 2023, as compared to the three and nine months ended October 2, 2022, primarily due to lower sales volume of safe harbor panels by Solar Sail, and higher allocation of net loss, including tax credits and accelerated tax depreciation benefits using HLBV method to noncontrolling interests in Solar Sail and Solar Sail Commercial.

Critical Accounting Estimates

We prepare our condensed consolidated financial statements in conformity with U.S. GAAP, which requires management to make estimates and assumptions that affect the amounts of assets, liabilities, revenues, and expenses recorded in our financial statements. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources.

These estimates may change as new events occur and additional information is obtained. Actual results may differ from these estimates under different assumptions and conditions.

There were no significant changes in our critical accounting estimates during the fiscal quarter ended October 1, 2023 compared to those previously disclosed in “Critical Accounting Estimates” in “Management’s Discussion and Analysis of Financial Condition and Results of Operations” included in our Annual Report on Form 10-K/A for the fiscal year ended January 1, 2023.

Liquidity and Capital Resources

Liquidity

A summary of the sources and uses of cash, cash equivalents, restricted cash, and restricted cash equivalents is as follows:

(In thousands)	Nine Months Ended	
	October 1, 2023	October 2, 2022 (As Restated)
Net cash (used in) provided by operating activities	\$ (111,673)	\$ (169,489)
Net cash provided by (used in) investing activities	30,229	508,703
Net cash (used in) provided by financing activities	(209,103)	(53,398)

Operating Activities

The \$57.8 million decrease in cash used in operations in the nine months ended October 1, 2023 compared to the corresponding nine months ended October 2, 2022, was primarily due to changes in operating assets and liabilities. Cash used in operations decreased year over year due to lower prepaid expenses and other current assets, partially offset by net payment for accounts payable and other accrued liabilities.

Investing Activities

The \$478.5 million decrease in net cash provided by investing activities in the nine months ended October 1, 2023 compared to the corresponding nine months ended October 2, 2022 primarily resulted from cash proceeds received from the sale of our C&I Solutions business during fiscal 2022, as well as lower proceeds from the sale of our equity investments in Enphase in fiscal 2023 as compared to fiscal 2022.

Financing Activities

The \$155.7 million increase in net cash used in financing activities in the nine months ended October 1, 2023 compared to the corresponding nine months ended October 2, 2022 primarily resulted from repayment of our convertible debt and bank loans and other debt in fiscal 2023, partially offset by higher net proceeds from bank loans and other debt than in the nine months ended October 2, 2022.

Capital Resources

As of October 1, 2023, we had unrestricted cash and cash equivalents of \$103.7 million as compared to \$377.0 million as of January 1, 2023. These cash balances were held primarily in the United States; however, we had approximately \$0.6 million held outside of the United States. This offshore cash is used to fund our business operations in Mexico, Canada, and the Asia Pacific region, which require local payment for payroll, materials, and other expenses. We use our available cash on-hand and short-term equity investment as well as various types of recourse and non-recourse debt as a primary source of funding for our operations, capital expenditure and mergers and acquisitions.

While we move towards a less capital-intensive business model in the near-term, with the sale of our C&I Solutions business which closed in the second quarter of fiscal 2022, we will continue to need additional capital in order to grow our business, including investments in customer acquisition, product and digital, as well as mergers and acquisition activities. We will seek to raise additional required capital through various cost-effective sources, which could include accessing the capital markets.

Overall, we maintain working capital and debt levels that we establish through consideration of a number of factors, including cash flow expectations, cash requirements for operations, our cost of capital, and targeted capital structure. We may also make debt purchases and/or exchanges for debt or equity from time to time through tender offers, exchange offers, redemptions, open market purchases, private transactions, or otherwise, or seek to raise additional debt or equity capital, depending on market conditions.

The accompanying condensed consolidated financial statements have been prepared on a going concern basis, which assumes the Company will be able to continue as a going concern and contemplates the realization of assets and satisfaction of liabilities in the normal course of business. However, for the three and nine months ended October 1, 2023, the Company had recurring operating losses and, as of October 1, 2023, we breached a financial covenant and a reporting covenant of the Credit Agreement (see “Item 1. Financial Statements—Note 12. *Debt and Credit Sources*”). The breaches created events of default thereunder (the “Existing Defaults”), which enables the requisite lenders under the Credit Agreement to demand immediate payment or exercise other remedies. As a result of the events of default, we no longer had the ability to borrow from the remaining capacity of \$53.7 million of revolving commitments. On December 8, 2023, the Company obtained the Amendment and Waiver amending the Amended Credit Agreement by and among the Company, certain of its subsidiaries as guarantors, the Existing Lenders, and Bank of America, as administrative agent which provides for, among other things, a temporary waiver until January 19, 2024 of the breaches, and modification to the remaining available commitments through (i) the Existing Lenders to provide access to \$25 million of existing revolving commitments and (ii) commitments by HoldCo, as a new lender, to provide an additional \$25 million of capacity. Subsequent to the amendment, we borrowed the entire \$50 million against the remaining capacity on the revolving credit facility. Although we entered into the Amendment and Waiver to temporarily address the Existing Defaults, we are also projecting to be noncompliant with certain debt covenants, which would cause further defaults under our existing debt arrangements. Following the expiration of the Amendment and Waiver, absent additional waivers, the events of default enable the requisite lenders under the Credit Agreement to demand immediate payment or exercise other remedies, such as subject all or a portion of obligations to a default rate of interest. Further, the Company also breached a financial covenant set forth under the Atlas Credit Agreement (see “Item 1. Financial Statements—Note 12. *Debt and Credit Sources*”) due to delay in delivery of the quarterly financials for the third quarter of 2023 (the “Quarterly Financials Default”), which results in an event of default, thereby enabling the requisite lenders to demand immediate payment or exercise other remedies. The Company is in discussion with the lenders under the Atlas Credit Agreement regarding a waiver of any breaches. There can be no assurance that such waiver will be obtained. Absent a waiver, the event of default enables the requisite lenders under the Atlas Credit Agreement to demand immediate payment or exercise other remedies, such as subject all or a portion of obligations to a default rate of interest. If the lenders were to demand immediate repayment, the Company would not have sufficient liquidity to meet its obligations and pay its liabilities arising from normal business operations when they come due. As such, substantial doubt exists about the Company's ability to continue as a going concern. Additionally, the Company received a reservation of rights letter from the administrative agent under the Dorado Credit Agreement as a result of the Restatement. We are in active discussions with this lender group, who are aware that SunPower does not agree that there has been any such breach of representation.

To address our liquidity needs, management is currently seeking additional waivers and evaluating various funding alternatives and may seek to raise additional funds through the issuance of equity, mezzanine or debt securities, through arrangements with strategic partners, which may include related parties, the capital markets, or through obtaining credit from financial institutions. As we seek additional sources of financing, there can be no assurance that such financing would be available to us on favorable terms or at all. Our ability to obtain additional financing in the debt and equity capital markets is subject to several factors, including market and economic conditions, our performance and investor sentiment with respect to us and our industry. The outcome of these matters cannot be predicted with any certainty at this time. Please see “Item 1A. Risk Factors” included elsewhere in this Quarterly Report on Form 10-Q.

For information about the terms of debt instruments and changes thereof in the period, see “Item 1. Financial Statements—Note 12. *Debt and Credit Sources*” and “Item 1. Financial Statements—Note 17. *Subsequent Events*” in the Notes to the condensed consolidated financial statements in this Quarterly Report on Form 10-Q.

In addition, see “Risk Factors—*Substantial doubt exists about our ability to continue as a going concern and if we are unable to continue our business, our common stock might have little or no value. Although our financial statements have been prepared on a going concern basis, unless we obtain a waiver or amendment of the covenant breaches under the Credit Agreement and Atlas Credit Agreement and we are able to raise additional capital, there is a material risk that we will continue to be in breach of our financial covenants under the Credit Agreement and Atlas Credit Agreement, which may cause future events of default under our other existing debt agreements*” in this Quarterly Report on Form 10-Q.

Contractual Obligations

The following table summarizes our material contractual obligations and cash requirements for future periods as of October 1, 2023:

(In thousands)	Total	Payments Due by Fiscal Period			
		2023	2024-2025	2026-2027	Beyond 2027
Other debt, including interest ¹	\$ 323,129	\$ 2,284	\$ 320,656	\$ 168	\$ 21

Total	\$ 453,618	\$ 51,139	\$ 371,578	\$ 24,623	\$ 6,278

¹ Other debt, including interest, primarily relates to our Revolver and Term Loan facilities, non-recourse financing and other debt arrangements as described in Note 12. *Debt and Credit Sources*.

² Operating lease commitments primarily relate to various facility lease agreements including leases entered into that have not yet commenced.

³ Supply agreement commitments and other primarily relate to arrangements entered into with several suppliers, including Maxeon Solar, for purchase of photovoltaic solar modules, as well as with a supplier for module-level power electronics and alternating current cables. These agreements specify future quantities and pricing of products to be supplied by the vendors for periods of two years and five years, respectively, and there are certain consequences, such as forfeiture of advanced deposits and liquidated damages relating to previous purchases, in the event we terminate these arrangements.

Liabilities Associated with Uncertain Tax Positions

Due to the complexity and uncertainty associated with our tax positions, we cannot make a reasonably reliable estimate of the period in which cash settlement will be made for our liabilities associated with uncertain tax positions in other long-term liabilities. Therefore, they have been excluded from the table above. As of October 1, 2023 and January 1, 2023, total liabilities associated with uncertain tax positions were \$13.1 million and \$12.3 million, respectively, and are included within "Other long-term liabilities" in our condensed consolidated balance sheets as they are not expected to be paid within the next twelve months.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

For quantitative and qualitative disclosures about market risk affecting SunPower, see "Quantitative and Qualitative Disclosures About Market Risk" in Item 7A of Part II of our Annual Report on Form 10-K/A for the fiscal year ended January 1, 2023, except as disclosed below.

Credit Risk

We have certain financial instruments that subject us to credit risk. These consist primarily of cash and cash equivalents, restricted cash and cash equivalents, investments, accounts receivable, advances to suppliers, and our interest rate swaps. We are exposed to credit losses in the event of nonperformance by the counterparties to our financial instruments and interest rate swap contracts. Our investment policy requires cash and cash equivalents, restricted cash and cash equivalents, and investments to be placed with high-quality financial institutions and limits the amount of credit risk from any one issuer. We additionally perform ongoing credit evaluations of our customers' financial condition whenever deemed necessary and generally do not require collateral.

We are also exposed to credit risk from customers and their potential payment delinquencies on our retail installment contracts and solar loan receivable agreements that are held to maturity. These retail installment contracts and solar loan receivable agreements have a typical term of 10 - 25 years and require customers to make monthly payments. As of October 1, 2023 and January 1, 2023, the average Fair Isaac Corporation (“FICO”) score of our customers under a retail installment contract agreement remained at or above 750 and 740, respectively, which are each generally categorized as a “Very Good” credit profile by the Fair Isaac Corporation. As of October 1, 2023, the average FICO score of our customers under a solar loan receivable is above 760, which is generally categorized as a “Very Good” credit profile. However, existing and future customers’ credit profiles may decline due to economic headwinds. Our retail installment contract and solar loan receivables held to maturity portfolios have not experienced a significant number of customer defaults, however, they may occur as we continue our business. Based on our estimate of expected credit losses, historical write-off experience, and current account knowledge, our reserve for this exposure is minimal. If we experience a significant number of customer credit defaults, our revenue and our ability to raise capital could be adversely affected. If economic conditions worsen, certain customers may face liquidity concerns and may be unable to satisfy their payment obligations to us on a timely basis or at all, which could have a material impact on our condensed consolidated financial statements.

Interest Rate Risk

We are exposed to interest rate risk from our financing receivables based on the fixed rate of interest as established by the underlying contract between us and the customer. This risk is significant to our business because our financing model is sensitive to interest rate fluctuations.

As of October 1, 2023, our retail installment contract receivables had a fair value of \$74.7 million. A hypothetical 50 basis points increase or decrease in market interest rates in the financing contracts would change the fair value of these receivables by a decrease or increase of approximately \$3.6 million and \$3.5 million, respectively.

In addition, as of October 1, 2023, our solar loan receivables held to maturity had a fair value of \$1.1 million. A hypothetical 50 basis points increase or decrease in market interest rates in the financing contracts would change the fair value of these receivables by a decrease or increase of approximately \$0.1 million and \$0.1 million, respectively.

Also, we are exposed to interest rate risk because many of our customers depend on debt financing to purchase our solar power systems, as well as our long-term financing receivables through our retail installment contract receivable program. Further increases in market interest rates could make it difficult for our customers to obtain the financing necessary to purchase our solar power systems on favorable terms, or at all.

We also enter into interest rate swap agreements to reduce the impact of changes in interest rates on our non-recourse floating rate debt and fixed rate loans entered into by customers. As of October 1, 2023, we had interest rate swap derivatives not designated as hedges with aggregate notional value of \$215.8 million.

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

Our management is responsible for establishing and maintaining our “disclosure controls and procedures” as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act. Disclosure controls and procedures, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that their objectives are met. Because of the inherent limitations in all control systems, no evaluation of disclosure controls and procedures can provide absolute assurance that all disclosure control issues, if any, have been detected.

Based on their evaluation as of the end of the period covered by our Quarterly Report on Form 10-Q for the quarterly period ended October 1, 2023, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were not effective as of October 1, 2023 because of the material weakness in our internal control over financial reporting described below.

A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of our annual or interim financial statements will not be prevented or detected in a timely basis.

We have identified the following unremediated material weaknesses in internal control over financial reporting as of October 1, 2023:

1. Inventory Related Matters:

In connection with the preparation of the financial statements for the third quarter of fiscal year 2023, we identified that the consumption of certain MI costs in photo-voltaic module manufacturing had been inaccurately recorded starting in the first quarter of fiscal year 2022. We also identified deficiencies relating to the reconciliations of inventory at our prepositioned inventory (“PPI”) dealer locations. In light of these matters, management concluded that our internal controls around the review of certain inventory reconciliations were not operating effectively. This material weakness resulted in a net overstatement of costs included in inventory, and a net understatement of cost of revenues for the impacted periods.

2. Classification of Expenses in the Statement of Operations:

In fiscal year 2023, we identified errors related to the classification of certain expenses as cost of revenues instead of operating expenses and as continuing operations instead of discontinued operations. We identified deficiencies in the design of the controls related to the mapping of the chart of accounts for expenses to the statements of operations. We further identified an operating deficiency related to the review of the accounting evaluation regarding the classification of certain discontinued operations items within the statements of operations. These deficiencies in aggregate were determined to be a material weakness. This material weakness resulted in the misclassification of certain expenses on our condensed consolidated statements of operations for the three and nine months ended October 2, 2022.

These material weaknesses resulted in the restatement of our condensed consolidated financial statements as of January 1, 2023 and for the three and nine months ended October 2, 2022. Additionally, these material weaknesses could result in misstatements that would not be prevented or detected in our accounts and disclosures, resulting in a material misstatement to the annual or interim consolidated financial statements. Our management performed additional analysis as deemed necessary to ensure that our financial statements were prepared in accordance with generally accepted accounting principles in the United States of America. Accordingly, management believes that the financial statements included in this Form 10-Q present fairly, in all material respects, the Company’s financial position, result of operations and cash flows for the periods presented.

Remediation Plan

We have identified and are implementing actions intended to improve the effectiveness of our internal control over financial reporting and disclosure controls and procedures and will continue to do so until such remediation is complete. Management intends to remediate the material weaknesses described above primarily by:

- improving the consistency of execution for inventory control procedures by providing additional training to ensure that our accounting and finance personnel identify, escalate and resolve reconciling items including those that could impact recognition of cost of revenues in each reporting period;
- implementing automated inventory processes which will reduce the number of manual adjustments and reconciling items; and
- instituting a monitoring control to review and approve account mapping to ensure the mapping of expenses to the appropriate financial statement line items within the statement of operations is in line with applicable presentation and disclosure guidance.

We believe these measures will remediate the material weaknesses in internal control over financial reporting described above. The material weaknesses will not be considered formally remediated until the controls have operated effectively for a sufficient period of time and management has concluded, through testing, that the controls are operating effectively.

Changes in Internal Control Over Financial Reporting

We regularly review our system of internal control over financial reporting and make changes to our processes and systems to improve controls and increase efficiency, while helping ensure that we maintain an effective internal control environment. Changes may include such activities as implementing new, more efficient systems, consolidating activities, and migrating processes.

Other than the material weaknesses described above, there were no changes in our internal control over financial reporting (as such term is defined in the Exchange Act) that occurred during the quarter ended October 1, 2023 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

The disclosure under “Item 1. Financial Statements—Note 10. *Commitments and Contingencies—Legal Matters*” and “Item 1. Financial Statements—Note 17. Subsequent Events—*Legal Matters*” in the Notes to the condensed consolidated financial statements in this Quarterly Report on Form 10-Q is incorporated herein by reference.

ITEM 1A. RISK FACTORS

The following information updates, and should be read in conjunction with, the risk factors disclosed in our Annual Report on Form 10-K/A for the fiscal year ended January 1, 2023 filed with the SEC on December 18, 2023.

Substantial doubt exists about our ability to continue as a going concern and if we are unable to continue our business, our common stock might have little or no value. Although our financial statements have been prepared on a going concern basis, unless we obtain a full waiver or amendment of the covenant breaches under the Credit Agreement and Atlas Credit Agreement and we are able to raise additional capital, there is a material risk that we will continue to be in breach of our financial covenants under the Credit Agreement and Atlas Credit Agreement, which may cause future events of default under our other existing debt agreements.

Ernst & Young LLP, our independent registered public accounting firm, has included an explanatory paragraph in their opinion that accompanies our audited consolidated financial statements as of and for the period ended January 1, 2023 included in our Annual Report on Form 10-K/A filed with the SEC on December 18, 2023, indicating that substantial doubt exists about our ability to continue as a going concern. Although we have improved our liquidity position by obtaining the Amendment and Waiver, if we are unable to continue to do so, including by receiving a full waiver and raising additional capital, we will continue to be in breach of our financial covenants under the Credit Agreement, which may impact conditions that could lead to future events of default under our other debt agreements, and we may not be able to continue as a going concern. Further, we also breached a financial covenant set forth under the Atlas Credit Agreement due to delay in delivery of the quarterly financials for the third quarter of 2023, which results in an event of default, thereby enabling the requisite lenders to demand immediate payment of the borrowings outstanding or exercise other remedies. We are currently in discussion with the lenders under the Atlas Credit Agreement regarding a waiver of any breaches. Absent a waiver, the event of default enables the requisite lenders under the Atlas Credit Agreement to demand immediate payment or exercise other remedies, such as subject all or a portion of obligations to a default rate of interest. If the lenders were to demand immediate repayment, the Company would not have sufficient liquidity to meet its obligations and pay its liabilities arising from normal business operations when they come due. As such, substantial doubt exists about the Company's ability to continue as a going concern. Additionally, the Company received a reservation of rights letter from the administrative agent under the Dorado Credit Agreement as a result of the Restatement. We are in active discussions with this lender group, who are aware that SunPower does not agree that there has been any such breach of representation.

Although we are seeking additional sources of financing, there can be no assurance that such financing would be available to us on acceptable terms or at all. Any financing that we are able to obtain could entail substantial dilution to stockholders, onerous interest rates or covenants, or other terms that are unfavorable to us and the holders of our common stock. Our ability to obtain additional financing is subject to several factors, including market and economic conditions, our performance and investor and lender sentiment with respect to us and our industry. The failure to obtain sufficient capital on acceptable terms may require us to delay, limit, or eliminate the development of business opportunities and our ability to achieve our business objectives and our competitiveness, and our business, financial condition, and results of operations would be materially adversely affected. In addition, the perception that we may not be able to continue as a going concern may cause customers and other business partners to choose not to conduct business with us due to concerns about our ability to meet our contractual obligations. The accompanying condensed consolidated financial statements to this Quarterly Report on Form 10-Q do not include any adjustments that might result if we are unable to continue as a going concern and, therefore, be required to realize our assets and discharge our liabilities other than in the normal course of business, which could cause investors to suffer the loss of all or a substantial portion of their investment.

Continued breaches under the Credit Agreement, and potential future breaches of the Credit Agreement, will require a long-term solution, which might not be available on acceptable terms or at all, and may result in a material adverse effect on our business, financial condition, results of operations and the value of our common stock.

Although we have entered into the Amendment and Waiver, it is possible that our operating results for the fiscal quarters ending December 31, 2023, March 29, 2024, June 30, 2024 and September 29, 2024 will require further waivers under the Credit Agreement in order for us to be in compliance with certain financial covenants thereunder as of such dates, and that the lenders will not agree to extend or fully waive the Existing Defaults. Accordingly, if the requisite lenders under the Credit Agreement do not agree to waive or amend these covenants, whether pursuant to the above mentioned Amendment and Waiver or a different waiver or amendment, it is possible that we will be in further default of the covenants under the Credit Agreement.

Any full waiver or amendment of the Credit Agreement to address the current breach, which is temporarily waived, and possible future breaches under the Credit Agreement may not be obtainable on acceptable terms or at all, and may require payment of costly fees to the lenders and subject us to additional or more onerous covenants on our business.

In the event we are unable to enter into a solution for breaches under the Credit Agreement in the near future, there would be a material adverse effect on our business, financial condition, results of operations and the value of our common stock.

Breaches, or alleged breaches, of financial or other covenants in our other existing debt agreements may result in a material adverse effect on our business, financial condition, results of operations and the value of our common stock.

Our other existing debt agreements contain various financial and other covenants. Any breach could result in an event of default under such agreement or an acceleration of maturity. The Company breached a financial covenant and a quarterly financial reporting covenant set forth in the Atlas Credit Agreement, and received a reservation of rights letter from the administrative agent under the Dorado Credit Agreement. Any such breach, or alleged breach, could limit our ability to access certain borrowings or letters of credit under the Dorado Credit Agreement. Such effects may result in a decrease of liquidity and a material adverse effect on our business, financial condition, results of operations and the value of our common stock. Please see “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Capital Resources” for additional information.

We have identified material weaknesses in our internal control over financial reporting, and have concluded that our disclosure controls and procedures were not effective as of October 1, 2023. If we fail to properly remediate these or any future deficiencies or material weaknesses or to maintain proper and effective internal controls, material misstatements in our financial statements could occur and impair our ability to produce accurate and timely financial statements and could adversely affect investor confidence in our financial reports, which could negatively affect our business. As a result, our stockholders could lose confidence in our financial reporting, which could harm our business and the trading price of our common stock. Also, as a result of such material weaknesses and the related restatements of our financial statements, we currently face, and may continue to be subject to litigation or other disputes.

In connection with the preparation of the financial statements for the third quarter of fiscal year 2023, we identified that the consumption of certain MI costs in photo-voltaic module manufacturing had been inaccurately recorded starting in the first quarter of fiscal year 2022. We also identified deficiencies relating to the reconciliations of inventory at our PPI dealer locations. In light of these matters, management concluded that our internal controls around the review of certain inventory reconciliations were not operating effectively. This material weakness resulted in a net overstatement of costs included in inventory, and a net understatement of cost of revenues for the impacted periods. In addition, we identified errors related to the classification of certain expenses as cost of revenues instead of operating expenses, and as continuing operations instead of discontinued operations. We identified deficiencies in the design of the controls related to the mapping of the chart of accounts for expenses to the statements of operations. We further identified an operating deficiency related to the review of the accounting evaluation regarding the classification of certain discontinued operations items within the statements of operations. These deficiencies in aggregate were determined to be a material weakness. The Audit Committee, based upon the recommendation of management, determined that our (i) audited financial statements included in our Annual Report on Form 10-K for the period ended January 1, 2023, filed with the SEC on March 10, 2023, (ii) unaudited financial statements included in our Quarterly Report on Form 10-Q for the quarterly period ended April 2, 2023, filed with the SEC on May 3, 2023, and (iii) unaudited financial statements included in our Quarterly Report on Form 10-Q for the quarterly period ended July 2, 2023, filed with the SEC on August 2, 2023 (collectively, the “Affected Periods”), as well as the relevant portions of any communication which describe or are based on such financial statements, should no longer be relied upon, and that the previously issued financial statements for the Affected Periods should be restated.

As part of such process, we identified material weaknesses in our internal control over financial reporting related to the Company’s review of certain inventory reconciliations and the classification of expenses in the statements of operations.

A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of our annual or interim financial statements will not be prevented or detected and corrected on a timely basis.

Effective internal controls are necessary for us to provide reliable financial reports and prevent fraud. We continue to evaluate and implement steps to remediate the material weaknesses. These remediation measures may be time consuming and costly and there is no assurance that these initiatives will ultimately have the intended effects. The material weaknesses in our internal control over financial reporting will not be considered remediated until the controls operate for a sufficient period of time and management has concluded, through testing that these controls operate effectively. If we do not successfully remediate the material weaknesses, or if other material weaknesses or other deficiencies arise in the future, we may be unable to accurately report our financial results, which could cause our financial results to be materially misstated and require restatement. In such case, we may be unable to maintain compliance with securities law requirements regarding timely filing of periodic reports in addition to applicable stock exchange listing requirements and requirements in our other agreements, our ability to raise additional capital, access the equity or debt markets or undertake certain types of transactions could adversely impact our liquidity, investors may lose confidence in our financial reporting, and our stock price may decline as a result. We cannot assure you that the measures we have taken to date, or any measures we may take in the future, will be sufficient to avoid potential future material weaknesses.

If we identify any new material weaknesses in the future, any such newly identified material weakness could limit our ability to prevent or detect a misstatement of our accounts or disclosures that could result in a material misstatement of our annual or interim financial statements. In such case, we may be unable to maintain compliance with securities law requirements regarding timely filing of periodic reports in addition to applicable stock exchange listing requirements, investors may lose confidence in our financial reporting and our stock price may decline as a result. We cannot assure you that the measures we have taken to date, or any measures we may take in the future, will be sufficient to avoid potential future material weaknesses.

In addition, as a result of such material weaknesses, which could require us to incur significant expense and the related restatements of our financial statements, we currently face, and may continue to be subject to, litigation or other disputes which may include, among others, claims invoking the federal and state securities laws, regulatory actions, contractual claims or other claims arising from the material weaknesses in our internal control over financial reporting and the preparation of our financial statements. Any such litigation, dispute or regulatory actions, whether successful or not, could have a material adverse effect on our business, results of operations and financial condition. Please see “Legal Matters” section within “Item 1. Financial

Statements (unaudited)—Notes to Condensed Consolidated Financial Statements—*Note 10. Commitments and Contingencies*” for a description of the currently filed litigation.

Adverse publicity and potential concerns from our customers relating to or arising from the restatements could have an adverse effect on our business and financial condition.

We could continue to be the subject of negative publicity focusing on the restatement and adjustment of our financial statements, and we may be adversely impacted by negative reactions from our customers or others with whom we do business. Concerns include the perception of the effort required to address our accounting and control environment, and the ability for us to be a long-term provider to our customers, particularly in light of the outstanding principal amount of our debt obligations and our ability to comply with the financial covenants contained within our debt agreements. Continued adverse publicity and potential concerns from our customers could harm our business and have an adverse effect on our financial condition.

The execution of our growth strategy is dependent upon the continued availability of third-party financing arrangements for our projects, including our residential finance programs and offerings through SunPower Financial, and is affected by general economic conditions, our creditworthiness and perceived credit risk, and other factors.

Our growth strategy, including portions of our 25x25 DE&I growth initiative, depends on third-party financing arrangements, and with the addition of SunPower Financial, our ability to provide financing directly to our customers. We often require project financing for development and construction of certain of our projects, which require significant investments before the equity is later sold to investors. SunPower Financial relies on third-party capital providers to provide financing options through our platform to customers. As our business grows, SunPower Financial will need additional funding sources for those financing options, either from its existing capital providers or by entering into program funding agreements with new capital providers. We regularly look to minimize our cost of capital, and in support of that strategy, we will from time to time provide temporary capital support for consumer financial products in order to maximize the benefits from new funding sources. Our failure to obtain additional funding commitments in an amount needed to fund projected volume, or failure to extend our existing commitments or identify new capital providers or renewing existing providers on favorable economic terms could have a material adverse impact on our business, results of operations, cash flows, and financial condition.

In addition, many purchasers of our systems have entered into third-party arrangements to finance their systems over an extended period of time, while many end-customers have chosen to purchase solar electricity under a Power Purchase Agreement (“PPA”) with an investor or financing company that purchases the system from us or our authorized dealers. We often execute PPAs directly with the end-user, with the expectation that we will later assign the PPA to a financier. Under such arrangements, the financier separately contracts with us to acquire and build the solar power system, and then sells the electricity to the end-user under the assigned PPA. When executing PPAs with end-users, we seek to mitigate the risk that financing will not be available for the project by allowing termination of the PPA in such event without penalty. These structured finance arrangements are complex and may not be feasible in many situations.

Global economic conditions, including conditions that may make it more difficult or expensive for us to access credit and liquidity, could materially and adversely affect our business and financial results. If our perceived creditworthiness diminishes, including as a result of future or alleged breaches of financial covenants under our debt agreements, or if credit markets, which are unpredictable, and if they become more challenging, we may be unable to obtain project financing for our projects, customers may be unable or unwilling to finance the cost of our products, we may have difficulties in reaching agreements with financiers to finance the construction of our solar power systems, or the parties that have historically provided this financing may cease to do so, or only do so on terms that are substantially less favorable for us or our customers, any of which could materially and adversely affect our revenue and growth. As a result of economic conditions, certain of our capital partners have either reduced the amount of available capital for such financing or made the terms of such financing less favorable. Our plans to continue to grow our residential finance program may be delayed if credit conditions, or other factors, including our creditworthiness, prevent us from obtaining or maintaining arrangements to finance those programs. We are actively arranging additional third-party financing for our residential finance program; however, there can be no assurance that we will be able to arrange additional financing partners for our residential finance programs in future periods, which could have a negative impact on our sales. In the event we enter into a material number of financing arrangements with customers without obtaining corresponding third-party financing, our cash, working capital, and results of operations could be negatively affected. In addition, a rise in interest rates would likely increase our customers’ cost of financing or leasing our products and could reduce their profits and expected returns on investment in our products. The general reduction in available credit to would-be borrowers or lessees, worldwide economic uncertainty, and the condition of worldwide housing markets could delay or reduce our sales of products to new homebuilders and authorized resellers.

The availability of financing depends on many factors, including market conditions, tax rates, the demand for and supply for residential solar installations, resulting risks of refinancing or disposing of such projects, our creditworthiness and perceived credit risk. It also depends in part on government incentives, such as tax incentives. In the long term, as we look toward markets not supported (or supported less) by government incentives, we will continue to need to identify financiers willing to finance

residential solar systems without such incentives. Our failure to effectively do so could materially and adversely affect our business and financial results.

The lack of project financing, due to tighter credit markets or other reasons, including but not limited to those described above, could limit our ability to offer competitive financing options for potential customers, thus reducing our revenues from the sale of such projects. We may in some cases seek to pursue partnership arrangements with financing entities to assist customers to obtain financing for the purchase or lease of our systems, which would expose us to credit or other risks. We face competition for financing partners and if we are unable to continue to offer a competitive investment profile, we may lose access to financing partners or they may offer financing on less favorable terms than to our competitors, which could materially and adversely affect our business and financial results.

For information about the terms of debt instruments and changes thereof in the period, see “Item 1. Financial Statements—Note 12. *Debt and Credit Sources*” in the Notes to the condensed consolidated financial statements in this Quarterly Report on Form 10-Q.

ITEM 5. OTHER INFORMATION

Information concerning certain limited activities related to Iran

On March 24, 2023, all the information concerning the activities of our affiliate TotalEnergies SE and its affiliated companies (collectively, the “TotalEnergies”) related to Iran that took place in the third quarter of 2023 provided in this section is disclosed pursuant to Section 13(r) of the Securities Exchange Act of 1934, as amended (the “U.S. Exchange Act”).

In addition, information for the third quarter of 2023 is provided concerning the payments made by TotalEnergies’ affiliates to, or additional cash flow that operations of TotalEnergies affiliates generate for the government of Iran (identified by the United States as a state sponsor of terrorism) or any entity controlled by such government.

TotalEnergies believes that these activities are not subject to sanctions under applicable international economic sanctions regimes, including those adopted by the United States and the European Union (the “Sanctions Regime”).

TotalEnergies’ operational activities related to Iran were stopped in 2018 following the withdrawal of the United States from the Joint Comprehensive Plan of Action (“JCPOA”) in May 2018 and prior to the re-imposition of U.S. secondary sanctions on the oil industry as of November 5, 2018.

Statements in this section concerning companies controlled by TotalEnergies SE intending or expecting to continue activities described below are subject to such activities continuing to be permissible under applicable international economic sanctions regimes and are based on information provided to us by Total Energies.

Exploration & Production

The Tehran branch office of Total E&P South Pars S.A.S., a wholly-owned subsidiary of TotalEnergies SE, which opened in 2017 for the purposes of the development and production of phase 11 of the South Pars gas field, ceased all operational activities prior to November 1, 2018. In addition, since November 2018, TotalEnergies EP Iran BV maintains a local representative office in Tehran with four employees solely for non-operational functions.

Concerning payments made to Iranian entities in the third quarter of 2023, TotalEnergies EP Iran BV and Elf Petroleum Iran collectively made payments of approximately IRR 1,578,680,785 billion (€33,147¹) to the Iranian administration for taxes and social security contributions concerning the staff of this representative office. None of these payments were executed in US dollars.

Since November 30, 2018, TotalEnergies E&P UK Limited (“TEP UK”), a wholly owned subsidiary, holds a 1% interest in a joint-venture relating to the Bruce field in the United Kingdom (the “Bruce Field Joint-Venture”) with Serica Energy (UK) Limited (“Serica”) (98%, operator) and BP Exploration Operating Company Limited (“BPEOC”) (1%), following the completion of the sale of 42.25% of TEP UK’s interest in the Bruce Field Joint-Venture on November 30, 2018 pursuant to a sale and purchase agreement dated August 2, 2018 entered into between TEP UK and Serica.

The Bruce Field Joint-Venture is party to an agreement governing certain transportation, processing and operation services provided to another joint-venture at the Rhum field in the UK (the “Bruce Rhum Agreement”). The licensees of the Rhum field are Serica (50%, operator) and the Iranian Oil Company UK Ltd (“IOC UK”), a subsidiary of NIOC (50%), an Iranian government-owned corporation. Under the terms of the Bruce Rhum Agreement, the Rhum field owners pay a proportion of the operating costs of the Bruce field facilities calculated on a gas throughput basis.

In November 2018, the US Treasury Department’s Office of Foreign Asset Control (“OFAC”) granted a conditional license to BPEOC and Serica authorizing provision of services to the Rhum field following the re-imposition of US secondary sanctions. The principal condition of the license is that the ownership of shares in IOC UK by Naftiran Intertrade Company Limited (the trading branch of the NIOC) are transferred into and held in a Jersey-based trust, thereby ensuring that the Iranian government does not derive any economic benefit from the Rhum field so long as US sanctions against these entities remain in place. IOC UK’s interest is managed by an independent management company established by the trust and referred to as the “Rhum Management Company” (“RMC”). If necessary, TEP UK liaises with RMC in relation to the Bruce Rhum Agreement and TEP UK expects to continue liaising with RMC on the same basis in 2023.

In January 2021, OFAC renewed the conditional license to Serica authorizing the provision of services to the Rhum field, until January 31, 2023, subject to early termination if the trust arrangements described above should terminate. In addition, OFAC confirmed that, to the extent that the license remains valid and Serica represents that the conditions set out in the license are met, activities and transactions of non-US persons involving the Rhum field or the Bruce field, including in relation to the operation of the trust, IOC UK and RMC will not be exposed to US secondary sanctions with respect to Iran. Following an application filed with the OFAC on November 9, 2022, Serica received in January 2023 the renewal of its license until January 31, 2025.

IOC UK’s share of costs incurred under the Bruce Rhum Agreement will be paid to TEP UK by year end of 2023 by RMC. TEP UK expects to continue this activity in 2023.

TEP UK is also party to an agreement with Serica whereby TEP UK uses reasonable endeavors to evacuate Rhum NGL from the St Fergus Terminal (the “Rhum NGL Agreement”). TEP UK provides this service subject to Serica having title to all of the Rhum NGL to be evacuated and Serica having a valid license from OFAC for the activity. The service is provided on a cost basis, and TEP UK charges a monthly handling fee that generates an income of approximately £39,500 per annum relating to IOC UK’s 50% interest in the Rhum field. After costs, TEP UK generates little profit from this arrangement. TEP UK expects to continue this activity in 2023.

Marketing & Services

In the third quarter of 2023, TotalEnergies Marketing France, a wholly owned subsidiary, provided fuel payment cards to be used in TotalEnergies’ service stations to the Iranian Embassy and the Iranian delegation to UNESCO located in Paris (France). This activity generated a gross turnover of approximately €4,000 (without tax) and a net profit of approximately €600 on the third quarter of 2023. TotalEnergies Marketing France expects to continue this activity in 2023.

¹ Exchange rate IRR/EUR: 45,567, as published by the Central Bank of Iran.

In the third quarter of 2023, TotalEnergies Marketing Belgium, a wholly owned subsidiary, provided fuel payment cards to be used in TotalEnergies' service stations to the Iranian Embassy located in Brussels (Belgium). This activity generated a gross turnover of approximately €2,705 (without tax) and a net profit of approximately €311 on the third quarter of 2023. TotalEnergies Marketing Belgium expects to continue this activity in 2023.

Trademarks

In the third quarter of 2023, TotalEnergies made small payments to Iranian authorities related to the maintenance and protection of trademarks and designs in Iran and may make similar small payments in 2023. These payments are not prohibited by applicable Sanctions Regimes.

Trading Plans of Directors and Officers

During the quarter ended October 1, 2023, no director or Section 16 officer adopted or terminated any Rule 10b5-1 trading arrangements or non-Rule 10b5-1 trading arrangements (in each case, as defined in Item 408(a) of Regulation S-K).

AMENDMENT AND WAIVER TO CREDIT AGREEMENT

THIS AMENDMENT AND WAIVER TO CREDIT AGREEMENT, dated as of December 8, 2023 (this “*Amendment*”), by and among the undersigned Lenders and L/C Issuers, SUNPOWER CORPORATION, a Delaware corporation (the “*Borrower*”), the Subsidiary Guarantors party hereto, and BANK OF AMERICA, N.A., as Administrative Agent and the Swingline Lender.

RECITALS:

WHEREAS, reference is hereby made to the Credit Agreement, dated as of September 12, 2022 (as amended by the First Amendment, dated as of January 26, 2023 and as further amended, restated, amended and restated, supplemented or otherwise modified from time to time prior to giving effect to this Amendment, the “*Existing Credit Agreement*”, and the Existing Credit Agreement as amended by this Amendment, and as may be further amended, restated, amended and restated, supplemented or modified from time to time, the “*Amended Credit Agreement*”), by and among the Borrower, the Subsidiary Guarantors, the Lenders and the L/C Issuers party thereto from time to time, the Administrative Agent and Collateral Agent;

WHEREAS, on October 19, 2023, the Audit Committee of the Borrower’s Board of Directors determined (such determination, the “*Board Determination*”) that it was appropriate to restate (such restatement, the “*Restatement*”) the Affected Financials as a result of a preliminary determination by the Borrower that the value of consignment inventory of microinverter components at certain third-party locations had been overstated in the Affected Financials in the range of approximately \$16,000,000 to \$20,000,000, resulting in the associated cost of revenue being understated (together with (x) the other matters disclosed in the Current Report on Form 8-K filed by the Borrower with the SEC on October 24, 2023 and any related or incidental matter, (y) certain classification errors related to the incorrect classification of certain expenses as cost of revenues instead of operating expenses and (z) the identification of two material weaknesses and other immaterial items, the “*Disclosed Matters*”);

WHEREAS, the parties hereto agree that any Defaults and Events of Default arising from, with respect to or otherwise related to the Restatement or Affected Financials solely with respect to the Disclosed Matters, occurred upon the Board Determination on October 19, 2023 (the time of such determination, the “*Commencement Time*”);

WHEREAS, certain other actual or potential Events of Default with respect to breaches of certain of the covenants set forth in Section 7.10 of the Existing Credit Agreement for the Test Periods ending October 1, 2023 and December 31, 2023 and failure to give notice of any such Events of Default, may currently exist or may exist in the future (the “*Actual or Potential Events of Default*”);

WHEREAS, pursuant to Section 11.01 of the Existing Credit Agreement, the Borrower has requested the Lenders temporarily waive the Restatement Related Violations (as defined below) and the Financial Covenant Violations (as defined below) and agree to certain other waivers and amendments to the Existing Credit Agreement as described herein;

WHEREAS, the Borrower has requested that the Existing Credit Agreement be amended to provide for an additional tranche of revolving loans in an aggregate principal amount of \$25,000,000;

WHEREAS, the Lenders hereto, constituting all of the Lenders, agree to (A) temporarily waive the Restatement Related Violations and the Financial Covenant Violations, effective as of the Commencement Time, and in each case solely for the duration of the Waiver Period (as defined below), (B) amend the Existing Credit Agreement to provide for such tranche of revolving loans and (C) agree to certain other waivers and amendments to the Existing Credit Agreement, in each

case of clauses (A), (B) and (C), subject to the conditions and limitations set forth in this Amendment;

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants herein contained, the parties hereto agree as follows:

1. **Defined Terms; Interpretation; Etc.** Capitalized terms used and not defined herein shall have the meanings assigned to such terms in the Amended Credit Agreement. The rules of construction specified in Sections 1.02 through 1.08 of the Amended Credit Agreement also apply to this Amendment, *mutatis mutandis*, as if fully set forth herein.

2. **Waiver.** Effective as of, and from the Commencement Time and solely for the duration of the Waiver Period, the Administrative Agent and the Lenders hereby agree to the Commencement Time Agreement and to waive (i) any Default or Event of Default under Section 8.01(a), (b) or (c) of the Existing Credit Agreement arising solely from, with respect to or otherwise related to the Restatement or Affected Financials, including with respect to any “going concern” or like qualification or exception with respect thereto, and in any case solely with respect to the Disclosed Matters (the “**Restatement Related Violations**”), (ii) any Default or Event of Default under Section 8.01(c) of the Existing Credit Agreement as a result of any breach of Section 6.01(b) or (c) of the Existing Credit Agreement with respect to the fiscal quarter ending October 1, 2023 (the “**Q3 Financial Delivery Violation**”) and (iii) any Default or Event of Default under Section 8.01(c) of the Existing Credit Agreement as a result of any breach of any of the provisions of Section 7.10 of the Existing Credit Agreement (the “**Financial Covenant Violations**” and, together with the Restatement Violations and the Q3 Financial Delivery Violation, in each case, together with any Defaults or Events of Default with respect to failure to give notice with respect thereto, the “**Waived Defaults**”), in each case solely for the period commencing on the Commencement Time and continuing through January 19, 2024 at 11:59 p.m. (such period, the “**Waiver Period**”). For the avoidance of doubt, (a) the waiver of the Waived Defaults is a one-time waiver, effective solely for the purposes set forth herein, and shall be limited precisely as written and shall not extend beyond the terms expressly set forth herein or beyond January 19, 2024 at 11:59 p.m., (b) in no event shall this Amendment be deemed to be a waiver of any other Default or Event of Default now existing or hereafter arising or enforcement of the Administrative Agent’s, the Lenders’ and the other Secured Parties’ rights with respect thereto and (c) the waiver described in this Section 2 is temporary in nature and such Waived Defaults shall, unless otherwise waived by the Required Lenders, be automatically reinstated upon termination or expiration of the Waiver Period and shall constitute an “Event of Default” under the Amended Credit Agreement.

3. **Amendments to the Existing Credit Agreement.**

(b) The Existing Credit Agreement shall be amended to add Exhibit B hereto as “Exhibit P” thereto.

(c) Each of the parties hereto agrees that, on and as of the Amendment Effective Date, the Existing Credit Agreement shall be amended by amending and restating Schedule 1.01(b) thereto as set forth on Schedule I hereto.

(d) Each of the Parties hereto agree, on and as of the Amendment Effective Date the “Revolving Loans” as defined in the Existing Credit Agreement in effect immediately prior to the effectiveness of this Amendment shall constitute the “Initial Revolving Loans”.

(e) Each of the Parties hereto agree, on and as of the Amendment Effective Date the “Revolving Commitments” as defined in the Existing Credit Agreement in effect immediately prior to the effectiveness of the Amendment shall constitute the “Initial Revolving Commitments”.

4. **Post-Amendment Obligations.** The Borrower agrees to pay (or caused to be paid) to the Administrative Agent for the account of the Persons that were Lenders prior to the Amendment Effective Date, within two Business Days of date on which the financial statements of the Borrower for the fiscal quarter of the Borrower ended October 1, 2023 are filed with the SEC, any and all amounts payable pursuant to Section 2.10(b) of the Existing Credit Agreement as a result of the Restatement.

5. **Representations and Warranties.** By its execution of this Amendment, each Loan Party hereby represents and warrants that, as of the date hereof:

(a) each Loan Party has all requisite power and authority and all requisite governmental licenses, authorizations, consents and approvals to execute, deliver and perform its obligations under this Amendment and the Amended Credit Agreement;

(b) this Amendment when delivered hereunder will have been, duly executed and delivered by each Loan Party that is party hereto. This Amendment constitutes a legal, valid and binding obligation of each such Loan Party, enforceable against each Loan Party that is party hereto in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors’ rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law;

(c) the execution, delivery and performance by each Loan Party of this Amendment has been duly authorized by all necessary corporate or other organizational action, and do not and will not (i) contravene the terms of any of such Person’s Organization Documents; (ii) conflict with or result in any breach or contravention of, or the creation of (or the requirement to create) any Lien under, or require any payment to be made under (x) any indenture, agreement or other instrument evidencing Material Indebtedness that is binding upon the Loan Parties or any of their respective properties or (y) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject; or (iii) violate any Applicable Law, except, in each case (other than with respect to clause (i), above), to the extent that any of the foregoing would not reasonably be expected to have a Material Adverse Effect;

(d) after giving effect to this Amendment, the representations and warranties of each Loan Party set forth in Article V of the Amended Credit Agreement and in each other Loan Document are true and correct in all material respects (other than representations and warranties that are qualified by materiality or Material Adverse Effect, which shall be true and correct in all respects) on and as of the date hereof with the same effect as though made on and as of such date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they were true and correct as of such earlier date (it being understood that any representation or warranty made with respect to any information contained on any Schedule to any Loan Document shall be made as if such representation or warranty was specifically limited to the Closing Date);

(e) (i) The credit facilities under that certain (x) credit agreement dated as of March 31, 2022 among Dorado 1 Senior Borrower, LLC, as borrower, the financial institutions from time to time party thereto, Bank of America, N.A., as administrative agent and Computershare Trust Company, National Association, as collateral agent and as paying agent, (y) that certain Loan Agreement dated as of March 31, 2022 between Dorado 1 Mezzanine Borrower, LLC and HAT Dorado Capital Lender I LLC and (z) any other loan and lease facilities in effect on the Amendment Effective Date are, as of the Amendment Effective Date, available to be drawn in accordance with their terms and (ii) to the extent that borrowings during the Waiver Period under the facilities referred to in the preceding clause (i) are reflected in the Approved Budget, the Borrower reasonably believes that such facilities will remain available to be drawn in accordance

with their terms for the duration of the Waiver Period and that the conditions precedent to such borrowings will be satisfied; and

(f) no fees or other compensation are being paid or will be paid by the Borrower or its subsidiaries to the providers of the Second Amendment Revolving Commitments (as defined in the Amended Credit Agreement) as compensation for their provision of the Second Amendment Revolving Commitments.

6. **Conditions Precedent to Effectiveness.** The effectiveness of this Amendment is subject to the satisfaction of each of the following conditions (the first date on which all such conditions are satisfied, the “***Amendment Effective Date***”):

(a) **Execution of this Amendment.** The Administrative Agent shall have received duly executed counterparts of this Amendment from the Administrative Agent, the Lenders constituting all of the Lenders, the Borrower and each other Loan Party.

(b) **Payment of Fees and Expenses.** The Borrower shall have paid (or caused to be paid), to the extent invoiced at least one (1) Business Day prior to the Amendment Effective Date, all costs, fees and expenses of the Administrative Agent (including, without limitation, legal fees and expenses) to the extent required to be paid by the Borrower pursuant to Section 11.04(a) of the Amended Credit Agreement.

(c) **No Default or Event of Default.** As of the Amendment Effective Date, after giving effect to this Amendment, no Default or Event of Default shall have occurred and be continuing and no “default” or “event of default” (or analogous term) shall have occurred and be continuing in respect of any financing, including any non-recourse financing of receivables, that provides liquidity to the Borrower or any of its Restricted Subsidiaries.

(d) **Legal Opinion.** The Administrative Agent shall have received dated as of the Amendment Effective Date a favorable written opinion of Kirkland & Ellis LLP, as counsel to the Loan Parties addressed to the Administrative Agent and the Lenders and in form and substance satisfactory to the Administrative Agent.

(e) **Initial Budget.** The Administrative Agent shall have received the Initial Budget.

(f) **Representations and Warranties.** The representations and warranties set forth in Section 5 hereof shall be true and correct on and as of the Amendment Effective Date in all material respects.

7. **Reaffirmations.**

(a) Each Loan Party, subject to the terms and limits contained in the Amended Credit Agreement and in the other Loan Documents, reaffirms its Guaranty of the Guaranteed Obligations (including all such Guaranteed Obligations as amended, reaffirmed and/or increased pursuant to this Amendment) pursuant to the Amended Credit Agreement. Each Loan Party hereby acknowledges that it has reviewed the terms and provisions of this Amendment and consents to the amendment of the Existing Credit Agreement effected pursuant to this Amendment. Each Loan Party hereby confirms that each Loan Document to which it is a party or is otherwise bound will continue to be in full force and effect as amended by this Amendment and that its obligations thereunder shall not be impaired or limited by the execution or effectiveness of this Amendment.

(b) Each Loan Party hereby (i) confirms that each Collateral Document to which it is a party or is otherwise bound and all Collateral encumbered thereby will continue to secure to the fullest extent provided thereunder, the payment and performance of the Secured Obligations (including all such Secured Obligations as amended, reaffirmed and/or increased pursuant to the Amended Credit Agreement) in accordance with the terms thereof, (ii) confirms its respective grant to the Collateral Agent for the benefit of the Secured Parties of the security interest in and continuing Lien on all of such Loan Party’s right, title and interest in, to and under the applicable

Collateral in accordance with the terms thereof and (iii) confirms its other pledges, other grants of security interests and other obligations, as applicable, under and subject to the terms of each Loan Document to which it is a party.

8. **Amendment, Modification and Waiver.** This Amendment may not be amended, modified or waived except in accordance with Section 11.01 of the Amended Credit Agreement.

9. **Entire Agreement.** This Amendment, the Amended Credit Agreement and the other Loan Documents constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and oral, among the parties or any of them with respect to the subject matter hereof.

10. **Effect of the Amendment.** On and after the Amendment Effective Date, (a) each reference to the "Credit Agreement" in any Loan Document shall be deemed to be a reference to the Amended Credit Agreement, (b) the terms "Agreement", "this Agreement", "herein", "hereinafter", "hereto", "hereof", and words of similar import, as used in the Amended Credit Agreement, shall, unless the context otherwise requires, mean the Amended Credit Agreement and (c) this Amendment shall constitute a "Loan Document" for all purposes of the Amended Credit Agreement and the other Loan Documents. Except as expressly provided in this Amendment, all Loan Documents shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. The execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of the Loan Documents. Each of the parties hereto acknowledges and agrees that the terms of this Amendment do not constitute a novation but, rather, an amendment of the terms of the Existing Credit Agreement.

11. **GOVERNING LAW; JURISDICTION and WAIVER OF JURY TRIAL.** THE PROVISIONS OF SECTIONS 11.14 AND 11.15 OF THE AMENDED CREDIT AGREEMENT ARE INCORPORATED BY REFERENCE HEREIN AND MADE A PART HEREOF.

12. **Severability.** If any provision of this Amendment is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Amendment shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 12, if and to the extent that the enforceability of any provisions in this Amendment relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the L/C Issuers or the Swingline Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

13. **Electronic Execution; Electronic Records; Counterparts.** This Amendment may be executed by one or more of the parties to this Amendment on any number of separate counterparts (including by facsimile or other electronic imaging means), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Amendment by facsimile or other electronic transmission (e.g. "pdf" or "tif" format) shall be effective as delivery of a manually executed counterpart hereof. This Amendment may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties and each other party hereto agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on such Person to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as

many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“**Electronic Copy**”), which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is not under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by it pursuant to procedures approved by it; provided that, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any party hereto without further verification and (b) upon the request of the Administrative Agent, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “**Electronic Record**” and “**Electronic Signature**” shall have the meanings assigned to them, respectively, by 15 DSC §7006, as it may be amended from time to time.

14. **Direction to Administrative Agent.** Each Lender party hereto, which collectively constitute all of the Lenders, hereby directs the Administrative Agent to enter into this Amendment.

Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow Revolving Loans, prepay under Section 2.05, and reborrow under this Section 2.01(b). Revolving Loans may be Base Rate Loans or Term SOFR Loans, as further provided herein; provided, however, any Revolving Borrowing made within three (3) Business Days following the Closing Date shall be made as Base Rate Loans unless the Borrower delivers a customary funding indemnity letter reasonably acceptable to the Administrative Agent not less than three (3) Business Days prior to the date of such Revolving Borrowing.

(ii) Subject to the terms and conditions set forth herein, each Revolving Lender holding Second Amendment Revolving Commitments severally agrees to make revolving loans (each such loan, a “Second Amendment Revolving Loan”) to the Borrower, in Dollars, from time to time, on any Business Day during the Availability Period for the Revolving Facility under the Second Amendment Revolving Commitments, in an aggregate amount not to exceed at any time outstanding the amount of such Lender’s Second Amendment Revolving Commitment; provided, however, that after giving effect to any such Revolving Borrowing, (i) the Total Revolving Outstandings with respect to such Second Amendment Revolving Commitments shall not exceed the aggregate Second Amendment Revolving Commitments and (ii) the Revolving Exposure with respect to the Second Amendment Revolving Commitments of any Lender shall not exceed such Revolving Lender’s Second Amendment Revolving

Commitment. Each such Revolving Borrowing shall consist of Revolving Loans made simultaneously by the Revolving Lenders in accordance with their respective Applicable Revolving Percentage with respect to the Second Amendment Revolving Commitments. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow Revolving Loans, prepay under Section 2.05, and reborrow under this Section 2.01(b). Revolving Loans may be Base Rate Loans or Term SOFR Loans, as further provided herein.

2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of Term SOFR Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may be given by telephone or a Loan Notice; provided that any telephonic notice must be confirmed promptly by delivery to the Administrative Agent of a Loan Notice. Each such Loan Notice must be received by the Administrative Agent not later than 11:00a.m. (x) two (2) Business Days prior to the requested date of any Borrowing of, conversion to or continuation of Term SOFR Loans or of any conversion of Term SOFR Loans to Base Rate Loans and (y) on the requested date of any Borrowing of Base Rate Loans. Each Borrowing of, conversion to or continuation of Term SOFR Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof. Except as provided in Sections 2.03(c) and 2.04(b), each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof. Each Loan Notice shall specify (i) whether the Borrower is requesting a Borrowing, a conversion of Loans from one Type to the other, or a continuation of Term SOFR Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted, and (v) if applicable, the duration of the Interest Period with respect thereto. If the Borrower fails to specify a Type of Loan in a Loan Notice or if the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Term SOFR Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Term SOFR Loans in any such Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month. Notwithstanding anything to the contrary herein, a Swingline Loan may not be converted to a Term SOFR Loan.

(b) Following receipt of a Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Applicable Percentage of the applicable Borrowing, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans described in the preceding subsection. In the case of a Borrowing, each Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than 1:00 p.m. on the Business Day specified in the applicable Loan Notice; provided that, the initial Second Amendment Revolving Loans to be made hereunder shall be funded by those designees of the Second Amendment Revolving Lenders, and in such amounts, as are set forth on the separate notice to the Administrative Agent

delivered by the Second Amendment Revolving Lenders on the Second Amendment Effective Date. Any such loans funded by designees shall constitute Revolving Loans and Second Amendment Revolving Loans of the Second Amendment Revolving Lenders for all purposes of this Agreement and the other Loan Documents as if they had been funded by the Second Amendment Revolving Lenders. For the avoidance of doubt, such designees shall not constitute Lenders or Second Amendment Revolving Lenders, and shall have no rights under this Agreement or the other Loan Documents. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; provided, however, that if, on the date the Loan Notice with respect to such Borrowing is given by the Borrower, there are L/C Borrowings outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and second, shall be made available to the Borrower as provided above.; provided, further, that, for the avoidance of doubt, the proceeds of all Borrowings under the Initial Revolving Commitments and Second Amendment Revolving Commitments shall be made available to the Borrower by depositing the proceeds thereof into a deposit account subject to a Control Agreement.

(c) Except as otherwise provided herein, a Term SOFR Loan may be continued or converted only on the last day of an Interest Period for such Term SOFR Loan. During the existence of a Default, no Loans may be requested as, converted to or continued as Term SOFR Loans without the consent of the applicable Required Class Lenders.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Term SOFR Loans upon determination of such interest rate.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect with respect to Loans.

(f) Notwithstanding anything to the contrary in this Agreement, any Lender may exchange, continue or rollover all of the portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent, and such Lender.

(g) With respect to SOFR or Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing

such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

2.03 Letters of Credit.

(a) The Letter of Credit Commitment. Subject to the terms and conditions set forth herein, in addition to the Loans provided for in Section 2.01, the Borrower may request that any L/C Issuer, in reliance on the agreements of the Revolving Lenders set forth in this Section 2.03, issue, at any time and from time to time ~~during the Availability Period with respect to the Revolving Facility~~ prior to (but not on or after) the Second Amendment Effective Date, Letters of Credit denominated in Dollars for its own account or the account of any of its Subsidiaries or Joint Ventures in such form as is acceptable to the applicable L/C Issuer in its reasonable determination. Letters of Credit issued hereunder shall constitute utilization of the Initial Revolving Commitments in the amount of such Letter of Credit.

(b) Notice of Issuance, Amendment, Extension, Reinstatement or Renewal.

(i) To request the issuance of a Letter of Credit (or the amendment of the terms and conditions, extension of the terms and conditions, extension of the expiration date, or reinstatement of amounts paid, or renewal of an outstanding Letter of Credit), the Borrower shall deliver (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable L/C Issuer) to the applicable L/C Issuer and to the Administrative Agent not later than 11:00 a.m., at least two (2) Business Days (or such later date and time as the Administrative Agent and such L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, extended, reinstated or renewed, and specifying the date of issuance, amendment, extension, reinstatement or renewal (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with Section 2.03(d)), the amount of such Letter of Credit, the name and address of the beneficiary thereof, the purpose and nature of the requested Letter of Credit and such other information as shall be necessary to prepare, amend, extend, reinstate or renew such Letter of Credit. If requested by the applicable L/C Issuer, the Borrower also shall submit a letter of credit application and reimbursement agreement on such L/C Issuer's standard form in connection with any request for a Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application and reimbursement agreement or other agreement submitted by the Borrower to, or entered into by the Borrower with, any L/C Issuer relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(ii) If the Borrower so requests in any applicable Letter of Credit Application (or the amendment of an outstanding Letter of Credit), the applicable L/C Issuer may, in its sole discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit shall permit such L/C Issuer to prevent any such extension at least once in each twelve (12) month period (commencing with the date of

issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “**Non-Extension Notice Date**”) in each such twelve (12) month period to be agreed upon by the Borrower and such L/C Issuer at the time such Letter of Credit is issued. Unless otherwise directed by the applicable L/C Issuer, the Borrower shall not be required to make a specific request to such L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Revolving Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiration date not later than the date permitted pursuant to Section 2.03(d): provided, that such L/C Issuer shall not (A) permit any such extension if (x) such L/C Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its extended form under the terms hereof (except that the expiration date may be extended to a date that is no more than one (1) year from the then-current expiration date) or (y) it has received notice (which may be in writing or by telephone (if promptly confirmed in writing)) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date from the Administrative Agent that the Required Initial Revolving Lenders have elected not to permit such extension or (B) be obligated to permit such extension if it has received notice (which may be in writing or by telephone (if promptly confirmed in writing)) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date from the Administrative Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions set forth in Section 4.02 is not then satisfied, and in each such case directing such L/C Issuer not to permit such extension.

(c) Limitations on Amounts, Issuance and Amendment.

(i) A Letter of Credit shall be issued, amended, extended, reinstated or renewed only if (and upon issuance, amendment, extension, reinstatement or renewal of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, extension, reinstatement or renewal (A) the aggregate amount of the outstanding Letters of Credit issued by the applicable L/C Issuer shall not exceed its L/C Commitment, (B) the aggregate L/C Obligations shall not exceed the Letter of Credit Sublimit, (C) the Revolving Exposure of any Lender shall not exceed its Initial Revolving Commitment and (D) the Total Revolving Exposure with respect to the Initial Revolving Commitments shall not exceed the total Initial Revolving Commitments.

(ii) No L/C Issuer shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing the Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such L/C Issuer with respect to the Letter of Credit any

restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more bona fide policies of such L/C Issuer applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and the applicable L/C Issuer, the Letter of Credit is in an initial stated amount less than \$100,000;

(D) the Letter of Credit is not a standby Letter of Credit denominated in Dollars;

(E) any Revolving Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such L/C Issuer (in its sole discretion) with the Borrower or such Lender to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.15(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which the L/C Issuer has actual or potential Fronting Exposure, as it may elect in its sole discretion; or

(F) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder.

(iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(d) Expiration Date. Each Letter of Credit shall have a stated expiration date no later than the earlier of (i) the date twelve (12) months after the date of the issuance of such Letter of Credit (or, in the case of any extension of the expiration date thereof, whether automatic or by amendment, twelve (12) months after the then-current expiration date of such Letter of Credit) and (ii) the date that is five (5) Business Days prior to the Maturity Date of the Revolving Facility under the Initial Revolving Commitments.

(e) Participations.

(i) By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount or extending the expiration date thereof), and without any further action on the part of any L/C Issuer or the Lenders, each L/C Issuer hereby grants to each Revolving Lender holding Initial Revolving Commitments, and each such

Revolving Lender hereby acquires from such L/C Issuer, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Revolving Percentage with respect to the Initial Revolving Commitments of the aggregate amount available to be drawn under such Letter of Credit. Each such Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.03(e) in respect of Letters of Credit is absolute, unconditional and irrevocable and shall not be affected by any circumstance whatsoever, including any amendment, extension, reinstatement or renewal of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Initial Revolving Commitments.

(ii) In consideration and in furtherance of the foregoing, each such Revolving Lender hereby absolutely, unconditionally and irrevocably agrees to pay to the Administrative Agent, for account of each L/C Issuer, such Revolving Lender's Applicable Revolving Percentage with respect to the Initial Revolving Commitments of each L/C Disbursement made by such L/C Issuer not later than 1:00 p.m. on the Business Day specified in the notice provided by the Administrative Agent to ~~the~~such Revolving Lenders pursuant to Section 2.03(f) if such L/C Disbursement is not reimbursed by the Borrower on the date due as provided in Section 2.03(f) or at any time after any reimbursement payment is required to be refunded to the Borrower for any reason, including after the Maturity Date of the Revolving Facility under the Initial Revolving Commitments. Such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each such payment shall be made in the same manner as provided in Section 2.02 with respect to Revolving Loans made by such Revolving Lender (and Section 2.02 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders pursuant to this Section 2.03), and the Administrative Agent shall promptly pay to the applicable L/C Issuer the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to Section 2.03(f), the Administrative Agent shall distribute such payment to the applicable L/C Issuer or, to the extent that ~~the~~such Revolving Lenders have made payments pursuant to this clause to reimburse such L/C Issuer, then to such Revolving Lenders and such L/C Issuer as their interests may appear. Any payment made by a Revolving Lender pursuant to this Section 2.03(e) to reimburse any L/C Issuer for any L/C Disbursement shall not constitute a Loan (other than the funding of a Revolving Borrowing of Base Rate Loans as contemplated by Section 2.03(f)) and shall not relieve the Borrower of its obligation to reimburse such L/C Disbursement.

(iii) Each such Revolving Lender further acknowledges and agrees that its participation in each Letter of Credit will be automatically adjusted to reflect such Revolving Lender's Applicable Revolving Percentage of the aggregate amount available to be drawn under such Letter of Credit at each time such Revolving Lender's Initial Revolving Commitment is amended pursuant to the operation of Sections 2.16, as a result of an assignment in accordance with Section 11.06, or otherwise pursuant to this Agreement.

(iv) If any such Revolving Lender fails to make available to the Administrative Agent for the account of the applicable L/C Issuer any amount required to

be paid by such Revolving Lender pursuant to the foregoing provisions of this Section 2.03(e), then, without limiting the other provisions of this Agreement, such L/C Issuer shall be entitled to recover from such Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate *per annum* equal to the applicable Overnight Rate plus any administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Revolving Lender's Revolving Loan included in the relevant Revolving Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the applicable L/C Issuer submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(e)(iv) shall be conclusive absent manifest error.

(f) Reimbursement. If any L/C Issuer shall make any L/C Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such L/C Issuer in respect of such L/C Disbursement by paying to the Administrative Agent an amount equal to such L/C Disbursement. Not later than 11:00 a.m. on the date of any payment by such L/C Issuer under a Letter of Credit (such date, an "***Honor Date***"), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing (such obligation of the Borrower, a "***Reimbursement Obligation***"). If the Borrower fails to timely reimburse the applicable L/C Issuer on the Honor Date, the Administrative Agent shall promptly notify each Revolving Lender of the Honor Date, the amount of the unreimbursed drawing (the "***Unreimbursed Amount***"), and the amount of such Revolving Lender's Applicable Revolving Percentage with respect to the Initial Revolving Commitments thereof. In such event, the Borrower shall be deemed to have requested a Revolving Borrowing of Base Rate Loans to be disbursed on the date of payment by the applicable L/C Issuer under a Letter of Credit in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans or the conditions set forth in Section 4.02. Promptly upon receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Revolving Percentage of the Unreimbursed Amount pursuant to Section 2.03(e)(ii), subject to the amount of the unutilized portion of the aggregate Initial Revolving Commitments. Any notice given by any L/C Issuer or the Administrative Agent pursuant to this Section 2.03(f) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(g) Obligations Absolute. The Borrower's obligation to reimburse L/C Disbursements as provided in Section 2.03(f) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of:

(i) any lack of validity or enforceability of this Agreement, any other Loan Document or any Letter of Credit, or any term or provision herein or therein;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the applicable L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement in such draft or other document being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by the applicable L/C Issuer of any requirement that exists for such L/C Issuer's protection and not the protection of the Borrower or any waiver by such L/C Issuer which does not in fact materially prejudice the Borrower;

(v) honor of a demand for payment presented electronically even if such Letter of Credit required that demand be in the form of a draft;

(vi) any payment made by any L/C Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;

(vii) any payment by any L/C Issuer under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit; or any payment made by such L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(viii) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.03, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder.

(h) Examination. The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will immediately notify the applicable L/C Issuer. The Borrower shall be conclusively deemed to have waived any such claim against such L/C Issuer and its correspondents unless such notice is given as aforesaid.

(i) Liability. None of the Administrative Agent, the Lenders, the L/C Issuers, or any of their Related Parties shall have any liability or responsibility by reason of or in

connection with the issuance or transfer of any Letter of Credit by any L/C Issuer or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms, any error in translation or any consequence arising from causes beyond the control of the applicable L/C Issuer; provided that the foregoing shall not be construed to excuse the applicable L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by Applicable Law) suffered by the Borrower that are caused by such L/C Issuer's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any L/C Issuer (as finally determined by a court of competent jurisdiction), the L/C Issuers shall be deemed to have exercised care in each such determination, and that:

(i) the applicable L/C Issuer may replace a purportedly lost, stolen, or destroyed original Letter of Credit or missing amendment thereto with a certified true copy marked as such or waive a requirement for its presentation;

(ii) the applicable L/C Issuer may accept documents that appear on their face to be in substantial compliance with the terms of a Letter of Credit without responsibility for further investigation, regardless of any notice or information to the contrary, and may make payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Letter of Credit and without regard to any non-documentary condition in such Letter of Credit;

(iii) the applicable L/C Issuer shall have the right, in its sole discretion, to decline to accept such documents and to make such payment if such documents are not in strict compliance with the terms of such Letter of Credit; and

(iv) this sentence shall establish the standard of care to be exercised by the applicable L/C Issuer when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by Applicable Law, any standard of care inconsistent with the foregoing).

Without limiting the foregoing, none of the Administrative Agent, the Lenders, the L/C Issuers, or any of their Related Parties shall have any liability or responsibility by reason of

(A) any presentation that includes forged or fraudulent documents or that is otherwise affected by the fraudulent, bad faith, or illegal conduct of the beneficiary or other Person, (B) any L/C Issuer declining to take-up documents and make payment, (C) against documents that are fraudulent, forged, or for other reasons by which that it is entitled not to honor, (D) following the Borrower's waiver of discrepancies with respect to such documents or request for honor of such documents or (E) the applicable L/C Issuer retaining proceeds of a Letter of Credit based on an

apparently applicable attachment order, blocking regulation, or third-party claim notified to such L/C Issuer.

(j) Applicability of ISP and UCP. Unless otherwise expressly agreed by the applicable L/C Issuer and the Borrower when a Letter of Credit is issued by it (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit and (ii) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, no L/C Issuer shall be responsible to the Borrower for, and no L/C Issuer's rights and remedies against the Borrower shall be impaired by, any action or inaction of such L/C Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where such L/C Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(k) Benefits. Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (i) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included such L/C Issuer with respect to such acts or omissions and (ii) as additionally provided herein with respect to such L/C Issuer.

(l) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent for the account of each Revolving Lender holding Initial Revolving Commitments in accordance with its Applicable Revolving Percentage a Letter of Credit fee (the "Letter of Credit Fee") for each Letter of Credit equal to the Applicable Rate for the "Letter of Credit Fee" times the daily amount available to be drawn under such Letter of Credit. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.06. Letter of Credit Fees shall be (i) payable in arrears on the first (1st) Business Day following the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit and (ii) accrued through and including the last day of each calendar quarter in arrears. If there is any change in the Applicable Rate for the "Letter of Credit Fee" during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Rate for the "Letter of Credit Fee" separately for each period during such quarter that such Applicable Rate was in effect. Notwithstanding anything to the contrary contained herein, upon the request of the Required Initial Revolving Lenders, while any Event of Default exists and if the Borrower has failed to Cash Collateralize the Letters of Credit as otherwise required under this Agreement, all Letter of Credit Fees shall accrue at the Default Rate.

(m) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer. The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit, at the rate *per annum* equal to 0.125% or such other percentage as may be separately agreed upon in writing between the Borrower and the applicable L/C Issuer, computed on the daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable no later than the tenth (10th) Business Day after the end of each March, June, September and December in the most recently-ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Maturity Date of the Revolving Facility under the Initial Revolving Commitments and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.06. In addition, the Borrower shall pay directly to each L/C Issuer for its own account, in Dollars the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(n) Disbursement Procedures. The applicable L/C Issuer for any Letter of Credit shall, within the time allowed by Applicable Law or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under such Letter of Credit. Such L/C Issuer shall promptly after such examination notify the Administrative Agent and the Borrower in writing of such demand for payment if such L/C Issuer has made or will make an L/C Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such L/C Issuer and the Revolving Lenders with respect to any such L/C Disbursement.

(o) Interim Interest. If any L/C Issuer for any Letter of Credit shall make any L/C Disbursement, then, unless the Borrower shall reimburse such L/C Disbursement in full on the date such L/C Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such L/C Disbursement is made to but excluding the date that the Borrower reimburses such L/C Disbursement, at the rate *per annum* then applicable to Base Rate Loans; provided that if the Borrower fails to reimburse such L/C Disbursement when due pursuant to Section 2.03(f), then Section 2.08(b) shall apply. Interest accrued pursuant to this Section 2.03(o) shall be for account of the applicable L/C Issuer, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.03(f) to reimburse such L/C Issuer shall be for account of such Revolving Lender to the extent of such payment.

(p) Replacement of an L/C Issuer. Any L/C Issuer may be replaced at any time by written agreement between the Borrower, the Administrative Agent, the replaced L/C Issuer and the successor L/C Issuer. The Administrative Agent shall notify the Revolving Lenders of any such replacement of an L/C Issuer. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced L/C Issuer pursuant to Section 2.03(l). From and after the effective date of any such replacement, (i) the successor L/C Issuer shall have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit to be issued by it thereafter and (ii) references herein to the term "L/C Issuer" shall be deemed to include such successor or any previous L/C Issuer, or

such successor and all previous L/C Issuer, as the context shall require. After the replacement of an L/C Issuer hereunder, the replaced L/C Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(q) Cash Collateralization.

(i) if any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Initial Revolving Lenders demanding the deposit of Cash Collateral pursuant to this Section 2.03(q), the Borrower shall immediately deposit into an account established and maintained on the books and records of the Administrative Agent (the “Collateral Account”) an amount in cash equal to the Minimum Collateral Amount as of such date plus any accrued and unpaid interest thereon, provided that the obligation to deposit such Cash Collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Section 8.01(g) or Section 8.01(h). Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. In addition, and without limiting the foregoing or Section 2.03(d), if any L/C Obligations remain outstanding after the expiration date specified in Section 2.03(d), the Borrower shall immediately deposit into the Collateral Account an amount in cash equal to the Minimum Collateral Amount as of such date plus any accrued and unpaid interest thereon.

(ii) The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over the Collateral Account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower’s risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in the Collateral Account. Moneys in the Collateral Account shall be applied by the Administrative Agent to reimburse each L/C Issuer for L/C Disbursements for which it has not been reimbursed, together with related fees, costs, and customary processing charges, and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the L/C Obligations at such time or, if the maturity of the Loans has been accelerated, be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived.

(r) Letters of Credit Issued for Subsidiaries and Joint Ventures. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, any of its Subsidiaries or Joint Ventures, the Borrower shall be obligated to reimburse, indemnify and compensate the L/C Issuers hereunder for any and

all drawings under such Letter of Credit as if such Letter of Credit had been issued solely for the account of the Borrower. The Borrower irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary or Joint Venture in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of its Subsidiaries and Joint Ventures inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries and Joint Ventures.

(s) Confirmation of Existing Letters of Credit. All Existing Letters of Credit outstanding on the Closing Date shall be deemed to be Letters of Credit issued hereunder.

(t) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

2.04 Swingline Loans.

(a) The Swingline. Subject to the terms and conditions set forth herein, the Swingline Lender, in reliance upon the agreements of the other Revolving Lenders set forth in this Section 2.04, may in its sole discretion make loans to the Borrower (each such loan, a "Swingline Loan"); provided that no Swingline Loan shall be permitted to be made on or after the Second Amendment Effective Date. Each such Swingline Loan may be made, subject to the terms and conditions set forth herein, to the Borrower, in Dollars, from time to time on any Business Day during the Availability Period with respect to the Revolving Facility under the Initial Revolving Commitments in an aggregate amount not to exceed at any time outstanding the amount of the Swingline Sublimit; provided, however, that (i) after giving effect to any Swingline Loan, (A) the Total Revolving Outstandings with respect to Initial Revolving Commitments shall not exceed the aggregate Initial Revolving Commitments at such time, (B) the Revolving Exposure with respect to Initial Revolving Commitments of any Revolving Lender at such time shall not exceed such Revolving Lender's Initial Revolving Commitment and (C) the aggregate amount of all Swingline Loans outstanding shall not exceed the Swingline Commitment of the Swingline Lender, (ii) the Borrower shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan and (iii) the Swingline Lender shall not be under any obligation to make any Swingline Loan if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by such Credit Extension may have, Fronting Exposure. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swingline Loan shall bear interest only at a rate based on the Base Rate plus the Applicable Rate for Revolving Loans that are Base Rate Loans. Immediately upon the making of a Swingline Loan, each Revolving Lender holding Initial Revolving Commitments shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swingline Lender a risk participation in such Swingline Loan in an amount equal to the product of such Revolving Lender's Applicable Revolving Percentage times the amount of such Swingline Loan.

(b) Borrowing Procedures. Each Swingline Borrowing shall be made upon the Borrower's irrevocable notice to the Swingline Lender and the Administrative Agent, which may be given by: (i) telephone or (ii) a Swingline Loan Notice; provided that any telephonic notice

must be confirmed promptly by delivery to the Swingline Lender and the Administrative Agent of a Swingline Loan Notice. Each such Swingline Loan Notice must be received by the Swingline Lender and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date, and shall specify (A) the amount to be borrowed, which shall be in an aggregate amount at least equal to \$100,000 or any greater multiple of \$100,000 and (B) the requested date of the Borrowing (which shall be a Business Day). Promptly after receipt by the Swingline Lender of any Swingline Loan Notice, the Swingline Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swingline Loan Notice and, if not, the Swingline Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Lender) prior to 2:00 p.m. on the date of the proposed Swingline Borrowing (1) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in the first proviso to the first sentence of [Section 2.04\(a\)](#), or (2) that one or more of the applicable conditions specified in [Article IV](#) is not then satisfied, then, subject to the terms and conditions hereof, the Swingline Lender will, not later than 3:00 p.m. on the borrowing date specified in such Swingline Loan Notice, make the amount of its Swingline Loan available to the Borrower at its office by crediting the account of the Borrower on the books of the Swingline Lender in Same Day Funds.

(c) Refinancing of Swingline Loans.

(i) The Swingline Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swingline Lender to so request on its behalf), that each Revolving Lender [holding Initial Revolving Commitments](#) make a Base Rate Loan in an amount equal to such Revolving Lender's Applicable Revolving Percentage of the amount of Swingline Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Loan Notice for purposes hereof) and in accordance with the requirements of [Section 2.02](#), without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the aggregate [Initial](#) Revolving Commitments and the conditions set forth in [Section 4.02](#). The Swingline Lender shall furnish the Borrower with a copy of the applicable Loan Notice promptly after delivering such notice to the Administrative Agent. Each [such](#) Revolving Lender shall make an amount equal to its Applicable Revolving Percentage of the amount specified in such Loan Notice available to the Administrative Agent in Same Day Funds (and the Administrative Agent may apply Cash Collateral available with respect to the applicable Swingline Loan) for the account of the Swingline Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Loan Notice, whereupon, subject to [Section 2.04\(c\)\(ii\)](#), each Revolving Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swingline Lender.

(ii) Notwithstanding anything to the contrary in the foregoing, if for any reason any Swingline Loan cannot be refinanced by such a Revolving Borrowing in accordance with [Section 2.04\(c\)\(i\)](#) (including, without limitation, the failure to satisfy the

conditions set forth in Section 4.02), the request for Base Rate Loans submitted by the Swingline Lender as set forth herein shall be deemed to be a request by the Swingline Lender that each of the Revolving Lenders holding Initial Revolving Commitments fund its risk participation in the relevant Swingline Loan and each such Revolving Lender's payment to the Administrative Agent for the account of the Swingline Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Lender holding Initial Revolving Commitments fails to make available to the Administrative Agent for the account of the Swingline Lender any amount required to be paid by such Revolving Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swingline Lender shall be entitled to recover from such Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate *per annum* equal to the applicable Overnight Rate plus any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Revolving Lender's Revolving Loan included in the relevant Revolving Borrowing or funded participation in the relevant Swingline Loan, as the case may be. A certificate of the Swingline Lender submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (c)(iii) shall be conclusive absent manifest error.

(iv) Each such Revolving Lender's obligation to make Revolving Loans or to purchase and fund risk participations in Swingline Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Revolving Lender may have against the Swingline Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Lender's obligation to make Revolving Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Loan Notice). No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swingline Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Revolving Lender has purchased and funded a risk participation in a Swingline Loan, if the Swingline Lender receives any payment on account of such Swingline Loan, the Swingline Lender will distribute to such Revolving Lender its Applicable Revolving Percentage thereof in the same funds as those received by the Swingline Lender.

(ii) If any payment received by the Swingline Lender in respect of principal or interest on any Swingline Loan is required to be returned by the Swingline

Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by the Swingline Lender in its discretion), each Revolving Lender shall pay to the Swingline Lender its Applicable Revolving Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate *per annum* equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swingline Lender. The obligations of the Revolving Lenders under this clause shall survive the payment in full of the Secured Obligations and the termination of this Agreement.

(e) Interest for Account of Swingline Lender. The Swingline Lender shall be responsible for invoicing the Borrower for interest on the Swingline Loans. Until each Revolving Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Revolving Lender's Applicable Revolving Percentage of any Swingline Loan, interest in respect of such Applicable Revolving Percentage shall be solely for the account of the Swingline Lender.

(f) Payments Directly to Swingline Lender. The Borrower shall make all payments of principal and interest in respect of the Swingline Loans directly to the Swingline Lender.

2.05 Prepayments.

(a) Optional. The Borrower may, upon notice to the Administrative Agent pursuant to delivery to the Administrative Agent of a Notice of Loan Prepayment, at any time or from time to time voluntarily prepay Term Loans and Revolving Loans in whole or in part without premium or penalty; provided that, unless otherwise agreed by the Administrative Agent, (i) such notice must be received by the Administrative Agent not later than 11:00 a.m. (A) two (2) Business Days prior to any date of prepayment of Term SOFR Loans and (B) on the date of prepayment of Base Rate Loans and (ii) any prepayment of Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Type(s) of Loans to be prepaid and, if Term SOFR Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided that such notice may state that such prepayment is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any prepayment of any Term SOFR Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(a) shall be applied to the principal repayment installments thereof in inverse order of maturity. Subject to Section 2.15, each such prepayment shall be applied to the Loans of the Lenders in accordance with their respective Applicable Percentages in respect of each of the relevant Facilities. Any optional prepayment of Revolving Loans shall

be applied on a pro rata basis to all Revolving Loans then outstanding (including the Initial Revolving Loans and the Second Amendment Revolving Loans).

(b) The Borrower may, upon notice to the Swingline Lender pursuant to delivery to the Swingline Lender of a Notice of Loan Prepayment (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swingline Loans in whole or in part without premium or penalty; provided that, unless otherwise agreed by the Swingline Lender, (i) such notice must be received by the Swingline Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment and (ii) any such prepayment shall be in a minimum principal amount of \$100,000 or a whole multiple of \$100,000 in excess hereof (or, if less, the entire principal thereof then outstanding). Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided that such notice may state that such prepayment is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Borrower (by notice to the Swingline Lender on or prior to the specified effective date) if such condition is not satisfied. Any prepayment of principal shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05.

(c) Mandatory Prepayments. The Borrower shall be obligated to, and shall, make prepayments of the Loans hereunder as follows:

(i) Incurrence of Debt.

(A) Without limiting the obligation of the Borrower to obtain the consent of the Required Lenders to any incurrence of Indebtedness not otherwise permitted hereunder, the Borrower agrees, on the closing of any incurrence of Indebtedness by the Borrower or any of its Restricted Subsidiaries (other than Indebtedness permitted pursuant to Section 7.01) to prepay the Loans hereunder (and provide Cash Collateral for L/C Obligations, if applicable, as specified in Section 2.05(d) and Section 2.14), upon the date of such incurrence of Indebtedness, in an aggregate amount equal to 100% of the amount of the Net Cash Payments from such incurrence of Indebtedness received by the Borrower or any of its Restricted Subsidiaries, such prepayment to be effected in each case in the manner and to the extent specified in Section 2.05(d) below.

(B) The Borrower agrees, upon the consummation of any Capital Markets Transaction on or prior to the 2023 Convertible Notes Conversion Date, (x) to prepay the outstanding Term Loans on the date of consummation of such Capital Markets Transaction in an aggregate amount equal to 100% of the Net Cash Payments thereof and (y) if there are no Term Loans outstanding on such date after giving effect to any prepayment of Term Loans pursuant to this Section 2.05(c)(i)(B), to permanently reduce the Term Commitments by an amount equal to the sum, without duplication, of (1) the aggregate amount of Net Cash

Payments of such Capital Markets Transaction that are not required to be applied to prepay the Term Loans pursuant to this Section 2.05(c)(i)(B) and (2) the aggregate unused and available commitments in respect of such Capital Markets Transaction, in each case, on such date. To the extent any such Net Cash Payments are used to prepay the Term Loans, such prepayment to be effected in each case in the manner and to the extent specified in Section 2.05(d) below.

(ii) **Sale of Assets.** Without limiting the obligation of the Borrower to obtain the consent of the Required Lenders to any Disposition not otherwise permitted hereunder, the Borrower agrees, on or prior to the occurrence of any Disposition pursuant to Section 7.04(m) or Section 7.04(o) by the Borrower or any of its Restricted Subsidiaries (other than a Specified Disposition), to deliver to the Administrative Agent a statement certified by a Responsible Officer of the Borrower, in form and detail reasonably satisfactory to the Administrative Agent, of the estimated amount of the Net Cash Payments of such Disposition that will (on the date of the original date of receipt of such Net Cash Payments) be received by the Borrower or any of its Restricted Subsidiaries in cash, indicating on such certificate, whether the Borrower intends to reinvest such Net Cash Payments or will be prepaying the Loans, as hereinafter provided, and the Borrower will be obligated to either (A) reinvest, or cause its applicable Restricted Subsidiaries to reinvest, such Net Cash Payments within 180 days after receipt (or, if within such 180 day period the Borrower or such Restricted Subsidiaries enter into contracts related to the reinvestment of such Net Cash Payments, such longer period not to exceed 365 days after the original date of receipt of such Net Cash Payments as is contemplated by such contracts) (such date, the “**Reinvestment Date**”) into replacement assets or the repair of existing assets or other assets useful to the business of the Borrower and its Restricted Subsidiaries or (B) prepay the Loans hereunder (and provide Cash Collateral for L/C Obligations, if applicable, as specified in Section 2.05(d) and Section 2.14) as follows:

(A) within three (3) Business Days after receipt by the Borrower or any of its Restricted Subsidiaries of such Net Cash Payments, in an aggregate amount equal to 100% of the amount of such Net Cash Payments that the Borrower had indicated on the certificate delivered as hereinabove required that it did not intend to reinvest, or, with respect to any Net Cash Payments from such Disposition that the Borrower had indicated on the certificate delivered as hereinabove required that it intended to reinvest, on the Reinvestment Date to the extent of any such Net Cash Payments not so reinvested; and

(B) thereafter, quarterly, on the date of the delivery by the Borrower to the Administrative Agent pursuant to Section 6.01 of the financial statements for any quarterly fiscal period or fiscal year, to the extent the Borrower or any of its Restricted Subsidiaries shall receive Net Cash Payments during the quarterly fiscal period ending on the date of such financial statements in cash under deferred payment arrangements or Investments entered into or received in connection with any Disposition,

an amount equal to (1) 100% of the aggregate amount of such Net Cash Payments minus (2) any transaction expenses associated with Dispositions and not previously deducted in the determination of Net Cash Payments plus (or minus, as the case may be) (3) any other adjustment received or paid by the Borrower or any of its Restricted Subsidiaries pursuant to the respective agreements giving rise to Dispositions and not previously taken into account in the determination of the Net Cash Payments.

Prepayments of Loans (and Cash Collateral for L/C Obligations) pursuant to this Section 2.05(c)(ii) shall be effected in each case in the manner and to the extent specified in Section 2.05(d); provided that if at the time of any such Disposition an Event of Default shall have occurred and be continuing, the Borrower and its Restricted Subsidiaries shall not have the right to reinvest any Net Cash Payments from such Disposition and shall instead prepay the Loans with 100% of the amount of Net Cash Payments received from such Disposition; provided, further, that if the amount of such Net Cash Payments do not exceed \$5,000,000 individually or \$10,000,000 in the aggregate during any fiscal year of the Borrower, the Borrower shall not be required to prepay the Loans or reinvest such amount and shall be permitted to retain such Net Cash Payments.

(iii) Proceeds of Casualty Events. Upon the date that is 180 days following the receipt by the Borrower or any of its Restricted Subsidiaries (or, if within such 180 day period the Borrower or any of its Restricted Subsidiaries enters into contracts related to the reinvestment of such Net Cash Payments, such longer period not to exceed 365 days after the original date of receipt of such Net Cash Payments as is contemplated by such contracts) of the proceeds of insurance, condemnation award or other compensation in respect of any Casualty Event affecting any property of the Borrower or any of its Restricted Subsidiaries, except to the extent Net Cash Payments from Casualty Events do not exceed \$5,000,000 individually or \$10,000,000 in the aggregate during any fiscal year of the Borrower, the Borrower shall prepay the Loans (and provide Cash Collateral for L/C Obligations as specified in Section 2.05(d) and Section 2.14), in an aggregate amount, if any, equal to 100% of the Net Cash Payments from such Casualty Event not theretofore applied or committed to be applied to the repair or replacement of such property or other assets useful to the business of the Borrower and its Restricted Subsidiaries (it being understood that if Net Cash Payments committed to be applied are not in fact applied within 180 days after receipt thereof (or such longer period not to exceed 365 days after the original date of receipt of such Net Cash Payments as contemplated by contracts related to the reinvestment of such Net Cash Payments), then such Net Cash Payments shall be applied to the prepayment of Loans and cover for L/C Obligations as provided in this Section 2.05(c)(iii) at the expiration of such 180 day or 365 day period, as applicable), such prepayment to be effected in each case in the manner and to the extent specified in Section 2.05(d); provided that if at the time any Net Cash Payments from a Casualty Event are received by the Borrower or any of its Restricted Subsidiaries an Event of Default has occurred and is continuing, such Net Cash Payments may not be applied to the repair or replacement of any property and such Net Cash Payments shall be applied instead to prepay the Loans in an amount equal to 100% of such Net Cash Payments.

(iv) Revolving Outstandings. If for any reason the Total Revolving Outstandings with respect to Initial Revolving Commitments at any time exceed the aggregate Initial Revolving Commitments at such time, the Borrower shall immediately prepay Initial Revolving Loans, Swingline Loans and L/C Borrowings (together with all accrued but unpaid interest thereon) and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided, however, that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(c)(iv) unless, after the prepayment of the Initial Revolving Loans and Swingline Loans, the Total Revolving Outstandings exceed the aggregate Initial Revolving Commitments at such time. If for any reason the Total Revolving Outstandings with respect to Second Amendment Revolving Commitments at any time exceed the aggregate Second Amendment Revolving Commitments at such time, the Borrower shall immediately prepay Second Amendment Revolving Loans (together with all accrued but unpaid interest thereon) in an aggregate amount equal to such excess.

(v) GCP Term Loan Amount. In the event that the 2023 Convertible Notes Conversion Date occurs with respect to a portion of, but not all of, the 2023 Convertible Notes, then on September 12, 2024, the Borrower shall prepay the Term Loans in an aggregate principal amount equal to the GCP Term Loan Amount on such date (together with all accrued but unpaid interest thereon).

(d) Application.

(i) In the event of any mandatory prepayment of Loans pursuant to Section 2.05(c), the proceeds shall be applied as follows (it being understood that (x) any prepayment pursuant to Section 2.05(c)(i)(B) or Section 2.05(c)(v) shall only be applied to the Term Loans in accordance with such Section 2.05(c)(i)(B) or such Section 2.05(c)(v), as applicable and (y) any prepayment pursuant to Section 2.05(c)(iv) shall only be applied to the Revolving Loans, Swingline Loans and L/C Obligations and the Borrower shall only be required to Cash Collateralize the L/C Obligations as described therein):

(A) first, if such prepayment pursuant to clauses (i), (ii) (iii) or (v) of Section 2.05(c) is made at a time when any Term Loans remain outstanding, such prepayment shall be applied to the prepayment of the Term Loans, to be shared and applied ratably among the Term Lenders in accordance with their respective Applicable Term Percentage in inverse order of maturity (with no reduction of Commitments, except as provided in Section 2.06(b)(i));

(B) second, to the extent that a repayment of Swingline Loans shall at such time be required pursuant to Section 2.05(b) or 2.05(c)(iv), to the repayment of Swingline Loans, but only to such extent (with no reduction in the Commitments);

(C) third, to the extent that Total Revolving Exposure of all Revolving Lenders under a Facility shall at such time exceed the aggregate

Initial Revolving Commitments and/or Second Amendment Revolving Commitments, as applicable, such prepayment shall be applied to the repayment of Initial Revolving Loans and/or Second Amend Revolving Loans, as applicable, to be shared and applied ratably among the applicable Revolving Lenders in accordance with their respective Applicable Revolving Percentage (with no reduction in the Commitments); and

(D) fourth, such prepayment shall be applied to prepay Revolving Loans and outstanding L/C Borrowings, and, thereafter, to provide Cash Collateral for L/C Obligations as specified in Section 2.14 in an amount equal to 102% of such L/C Obligations (with no reduction in the Commitments).

(ii) Within the parameters of the applications set forth above, prepayments pursuant to Section 2.05(c) shall be applied first to Base Rate Loans and then to Term SOFR Loans in direct order of Interest Period maturities. All prepayments under Section 2.05(c) shall be subject to Section 3.05, but otherwise without premium or penalty, and shall be accompanied by interest on the principal amount prepaid through the date of prepayment.

2.06 Termination or Reduction of Commitments.

(a)= Optional. The Borrower may, upon notice to the Administrative Agent, terminate the Initial Revolving Commitments, the Letter of Credit Sublimit ~~or~~, the Swingline Sublimit or the Second Amendment Revolving Commitments, or from time to time permanently reduce the Initial Revolving Commitments, the Letter of Credit Sublimit ~~or~~, the Swingline Sublimit or the Second Amendment Revolving Commitments; provided that (i) any such notice shall be received by the Administrative Agent not later than 11:00 a.m. five (5) Business Days prior to the date of termination or reduction, (ii) any such partial reduction of the Initial Revolving Commitments or Second Amendment Revolving Commitments shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof, (iii) any such partial reduction of the Swingline Sublimit shall be in an aggregate amount of \$1,000,000 or any whole multiple of \$100,000 in excess thereof, and (iv) the Borrower shall not terminate or reduce (A) the Initial Revolving Commitments or Second Amendment Revolving Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Revolving Outstandings with respect to the Initial Revolving Commitments or Second Amendment Revolving Commitments, respectively, would exceed the aggregate Initial Revolving Commitments or Second Amendment Revolving Commitments, respectively, (B) the Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit, or (C) the Swingline Sublimit if, after giving effect thereto and to any concurrent prepayments hereunder, the Outstanding Amount of Swingline Loans would exceed the Swingline Sublimit. In addition, during the Availability Period in respect of the Term Facility, the Borrower may, upon notice to the Administrative Agent as set forth above, from time to time terminate (in whole or in part) the unused portion of the aggregate Term Commitments under the Term Facility. Any notice of termination of the Commitments, the Letter of Credit Sublimit or the Swingline Sublimit

pursuant to this Section 2.06(a), may state that such notice is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Notwithstanding the foregoing, any reduction in the Second Amendment Revolving Commitments (including any termination thereof) shall be accompanied a reduction of the Initial Revolving Commitments of the same amount.

(b) Mandatory.

(i) The aggregate Term Commitments shall be automatically and permanently reduced (A) on the date of any Term Borrowing by an amount equal to the principal amount of such Term Borrowing, and (B) to zero on the last day of the Availability Period for the Term Facility (after giving effect to any Term Borrowing made on such day). In addition, the Term Commitments shall be automatically and permanently reduced in accordance with Section 2.05(c)(i) (B), on the relevant date and in an amount as described therein.

(ii) If after giving effect to any reduction or termination of Initial Revolving Commitments under this Section 2.06, the Letter of Credit Sublimit or the Swingline Sublimit exceeds the aggregate Initial Revolving Commitments at such time, the Letter of Credit Sublimit or the Swingline Sublimit, as the case may be, shall be automatically reduced by the amount of such excess. The aggregate Initial Revolving Commitments and Second Amendment Revolving Commitments shall be automatically and permanently reduced to zero on the last day of the Availability Period for the Revolving ~~Facility~~ Facilities.

(c) Application of Commitment Reductions; Payment of Fees.

(i) The Administrative Agent will promptly notify the Revolving Lenders of any termination or reduction of the Letter of Credit Sublimit, Swingline Sublimit~~or~~, the Initial Revolving Commitments or Second Amendment Revolving Commitments under this Section 2.06. Upon any reduction of the Initial Revolving Commitments, the Initial Revolving Commitment of each Revolving Lender shall be reduced by such Revolving Lender's Applicable Revolving Percentage of the amount of such reduction. All fees in respect of the Initial Revolving Commitments accrued until the effective date of any termination of the Initial Revolving Commitments shall be paid on the effective date of such termination. Upon any reduction of the Second Amendment Revolving Commitments, the Second Amendment Revolving Commitment of each Revolving Lender shall be reduced by such Revolving Lender's Applicable Revolving Percentage of the amount of such reduction. All fees in respect of the Second Amendment Revolving Commitments accrued until the effective date of any termination of the Second Amendment Revolving Commitments shall be paid on the effective date of such termination.

(ii) The Administrative Agent will promptly notify the Term Lenders of any termination or reduction of the unused portion of the aggregate Term Commitments under this Section 2.06. Upon any reduction of the unused portion of the

aggregate Term Commitments, the Term Commitment of each Term Lender shall be reduced by such Term Lender's Applicable Term Percentage of the amount of such reduction. All fees in respect of the Term Commitments accrued until the effective date of any termination of the Term Commitments shall be paid on the effective date of such termination.

2.07 Repayment of Loans.

(a) Term Loans. The Borrower shall repay to the Term Lenders, on the last Business Day of each fiscal quarter, commencing with fiscal quarter ending on March 31, 2023, the principal amount of outstanding Term Loans equal to 1.25% of the aggregate principal amount of all outstanding Term Loans that have been funded prior to the termination of the Term Commitment (which amounts shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05), unless accelerated sooner pursuant to Section 8.02; provided, however, that (i) the final principal repayment installment of the Term Loans shall be repaid on the Maturity Date for the Term Facility and in any event shall be in an amount equal to the aggregate principal amount of all Term Loans outstanding on such date, (ii) if any principal repayment installment to be made by the Borrower (other than principal repayment installments on Term SOFR Loans) shall come due on a day other than a Business Day, such principal repayment installment shall be due on the next succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be and (iii) if any principal repayment installment to be made by the Borrower on a Term SOFR Loan shall come due on a day other than a Business Day, such principal repayment installment shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such principal repayment installment into another calendar month, in which event such principal repayment installment shall be due on the immediately preceding Business Day.

(b) Revolving Loans. The Borrower shall repay to the applicable Revolving Lenders, on the Maturity Date for the applicable Revolving Facility, the aggregate principal amount of all Revolving Loans outstanding under such Revolving Facility on such date.

(c) Swingline Loans. The Borrower shall repay each Swingline Loan on the earlier to occur of (i) the date that is ten (10) Business Days after such Swingline Loan is made and (ii) the Maturity Date for the Revolving Facility under the Initial Revolving Commitments. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Swingline Lender, the Borrower shall repay the outstanding Swingline Loans made by the Swingline Lender in an amount sufficient to eliminate any Fronting Exposure in respect of such Swingline Loans.

2.08 Interest and Default Rate.

(a) Interest. Subject to the provisions of Section 2.08(b), (i) each Term SOFR Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period from the applicable Borrowing date at a rate *per annum* equal to the Term SOFR for such Interest Period plus the Applicable Rate for such Facility; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate *per annum* equal to the Base Rate plus the Applicable Rate for such Facility; and (iii) each

Swingline Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate *per annum* equal to the Base Rate plus the Applicable Rate for the Revolving ~~Facility~~Facilities. Subject to the applicable interest “floors”, to the extent that any calculation of interest or any fee required to be paid under this Agreement shall be based on (or result in) a calculation that is less than zero, such calculation shall be deemed zero for purposes of this Agreement.

(b) Default Rate.

(i) If any amount of principal of any Loan is not paid when due (after giving effect to any applicable grace periods), whether at stated maturity, by acceleration or otherwise (including upon an Event of Default under Section 8.01(g) or (h)), such amount shall thereafter bear interest at a fluctuating interest rate *per annum* at all times equal to the Default Rate to the fullest extent permitted by Applicable Law.

(ii) If any amount (other than principal of any Loan) payable by the Borrower under any Loan Document is not paid when due (after giving effect to any applicable grace periods), whether at stated maturity, by acceleration or otherwise (including upon an Event of Default under Section 8.01(g) or (h)), then upon the request of the Required Lenders, such amount shall thereafter bear interest at a fluctuating interest rate *per annum* at all times equal to the Default Rate to the fullest extent permitted by Applicable Law; provided that upon occurrence and during the continuation of an Event of Default under Section 8.01(g) or (h), any such amount outstanding shall automatically bear additional interest at the Default Rate (without any request from the Required Lenders).

(iii) Accrued and unpaid interest pursuant to this Section 2.08(b) (including interest on past due interest) shall be due and payable upon demand.

(c) Interest Payments.

(i) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees. In addition to certain fees described in clauses (l), (m), (o) and (p) of Section 2.03:

(a) Revolving Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each Revolving Lender holding Initial Revolving Commitments in accordance with its Applicable Revolving Percentage, a commitment fee equal to the Applicable Rate for the “Commitment Fee” times the actual daily amount by which the aggregate Initial Revolving Commitments exceed the sum of (i) the Outstanding Amount of Initial Revolving Loans and (ii) the Outstanding Amount of L/C Obligations, subject to adjustment as provided in Section 2.15. For the avoidance of doubt, the Outstanding Amount of Swingline Loans shall not be counted towards or considered usage of the Revolving Facility

under the Initial Revolving Commitments for purposes of determining the commitment fee. The Borrower shall pay to the Administrative Agent for the account of each Revolving Lender holding Second Amendment Revolving Commitments in accordance with its Applicable Revolving Percentage, a commitment fee equal to the Applicable Rate for the "Commitment Fee" times the actual daily amount by which the aggregate Second Amendment Revolving Commitments exceed the sum of the Outstanding Amount of Second Amendment Revolving Loans. The commitment fee shall accrue at all times during the Availability Period of the applicable Revolving Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period for the applicable Revolving Facility. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate for the "Commitment Fee" during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate for the "Commitment Fee" separately for each period during such quarter that such Applicable Rate was in effect.

(b) Term Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each Term Lender in accordance with its Applicable Term Percentage, an unused fee equal to 0.75 % times the actual daily amount by which the aggregate of the Term Commitments exceed the Outstanding Amount of Term Loans, subject to adjustment as provided in Section 2.15. The unused fee shall accrue at all times during the Availability Period of the Term Facility, including at any time during which one or more of the conditions in Article IV is not met and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date and ending on the last day of the Availability Period for the Term Facility. The unused fee shall be calculated quarterly in arrears.

(c) Other Fees.

(i) The Borrower shall pay to the Administrative Agent and the Arrangers, for their own respective accounts, the fees in the amounts and at the times specified in the Fee Letters. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever, except as set forth therein.

(ii) The Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever, except as otherwise agreed in writing by the Borrower and such Lenders.

2.10 Computation of Interest and Fees; Retroactive Adjustments of Applicable Rate.

(a) Computation of Interest and Fees. All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Term SOFR) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred sixty (360) day year and actual days elapsed (which results in more fees or interest, as applicable, being paid

than if computed on the basis of a 365 day year), interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) Financial Statement Adjustments or Restatements.

~~(b)~~ If, as a result of any restatement of or other adjustment to the financial statements of the Borrower and its Restricted Subsidiaries or for any other reason, the Borrower or the Lenders determine that (i) the Total Net Leverage Ratio as calculated by the Borrower as of any applicable date was inaccurate and (ii) a proper calculation of the Total Net Leverage Ratio would have resulted in higher pricing for such period, the Borrower shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the applicable Lenders or the applicable L/C Issuer, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, automatically and without further action by the Administrative Agent, any Lender or any L/C Issuer), an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period. This clause (b) shall not limit the rights of the Administrative Agent, any Lender or any L/C Issuer, as the case may be, under any provision of this Agreement to payment of any Obligations hereunder at the Default Rate or under Article VIII. The Borrower's obligations under this clause (b) shall survive the termination of the Aggregate Commitments and the repayment of all other Obligations hereunder.

2.11 Evidence of Debt.

(a) Maintenance of Accounts. The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender in the ordinary course of business. The Administrative Agent shall maintain the Register in accordance with Section 11.06(c). The accounts or records maintained by each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations, in the event of any conflict between the accounts and records maintained by any Lender and the Register, the Register shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) Maintenance of Records. In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swingline Loans. In the event of any conflict between the

accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage in respect of the relevant Facility (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. Subject to Section 2.07(a) and as otherwise specifically provided for in this Agreement, if any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders: Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Term SOFR Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the applicable Overnight Rate, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the L/C Issuers hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders or L/C Issuer, as the case may be, the amount due. With respect to any payment that the Administrative Agent makes for the account of the Lenders or the L/C Issuers hereunder as to which the Administrative Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the “**Rescindable Amount**”); (A) the Borrower has not in fact made such payment; (B) the Administrative Agent has made a payment in excess of the amount so paid by the Borrower (whether or not then owed); or (C) the Administrative Agent has for any reason otherwise erroneously made such payment; then each of the Appropriate Lenders or the applicable L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount so distributed to such Lender or such L/C Issuer, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the applicable Overnight Rate.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this clause (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 11.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Pro Rata Treatment. Except to the extent otherwise provided herein:

(i) each Borrowing (other than Swingline Borrowings) shall be made from the Appropriate Lenders, each payment of fees under Section 2.09 and clauses (l), (m), (o) and (p) of Section 2.03 shall be made for account of the Appropriate Lenders, and each termination or reduction of the amount of the Commitments shall be applied to the respective Commitments of the Lenders, *pro rata* according to the amounts of their respective Commitments; (ii) each Borrowing shall be allocated *pro rata* among the Lenders according to the amounts of their respective Commitments (in the case of the making of Initial Revolving Loans, Second Amendment Revolving Loans or Term Loans) or their respective Loans that are to be included in such Borrowing (in the case of conversions and continuations of Loans); (iii) each payment or prepayment of principal of Loans by the Borrower shall be made for account of the Appropriate Lenders *pro rata* in accordance with the respective unpaid principal amounts of the Loans held by them; and (iv) each payment of interest on Loans by the Borrower shall be made for account of the Appropriate Lenders *pro rata* in accordance with the amounts of interest on such Loans then due and payable to the respective Appropriate Lenders.

(g) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

2.13 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of (a) Obligations in respect of any of the Facilities due and payable to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender at such time to (ii) the aggregate amount of the Obligations in respect of the Facilities due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations in respect of the Facilities due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) Obligations in respect of any of the Facilities owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of

(i) the amount of such Obligations owing (but not due and payable) to such Lender at such time to (ii) the aggregate amount of the Obligations in respect of the Facilities owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations in respect of the Facilities owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time, then, in each case under clauses (a) and (b) above, the Lender receiving such greater proportion shall (A) notify the Administrative Agent of such fact, and

(B) purchase (for cash at face value) participations in the Loans and sub-participations in L/C Obligations and Swingline Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of Obligations in respect of the Facilities then due and

payable to the Lenders or owing (but not due and payable) to the Lenders, as the case may be, provided that:

(I) if any such participations or sub-participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or sub-participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(II) the provisions of this Section 2.13 shall not be construed to apply to (A) any payment made by or on behalf of the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (B) the application of Cash Collateral provided for in Section 2.14, or (C) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or sub-participations in L/C Obligations or Swingline Loans to any assignee or participant, other than an assignment to any Loan Party or any Affiliate thereof (as to which the provisions of this Section 2.13 shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

2.14 Cash Collateral.

(a) Obligation to Cash Collateralize. At any time there shall exist a Defaulting Lender, within one (1) Business Day following the written request of the Administrative Agent or any L/C Issuer (with a copy to the Administrative Agent), the Borrower shall Cash Collateralize such L/C Issuer's Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.15(a)(iv) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount. Additionally, if the Administrative Agent notifies the Borrower at any time that the Outstanding Amount of all L/C Obligations at such time exceeds 102% of the Letter of Credit Sublimit then in effect, then within two (2) Business Days after receipt of such notice, the Borrower shall provide Cash Collateral for the Outstanding Amount of the L/C Obligations in an amount not less than the amount by which the Outstanding Amount of all L/C Obligations exceeds the Letter of Credit Sublimit,

(b) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to (and subjects to the control of) the Collateral Agent, for the benefit of itself, the Administrative Agent, the L/C Issuers and the Lenders, and agrees to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as Collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.14(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative

Agent or the applicable L/C Issuer as herein provided or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (determined in the case of Cash Collateral provided pursuant to Section 2.15(a)(v), after giving effect to Section 2.15(a)(v) and any Cash Collateral provided by the Defaulting Lender). All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America. The Borrower shall pay on demand therefor from time to time all customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of Cash Collateral.

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.14 or Sections 2.03, 2.05, 2.15 or 8.02 in respect of Letters of Credit or Swingline Loans shall be held and applied to the satisfaction of the specific L/C Obligations, Swingline Loans, obligations to fund participations therein (including, as to Cash Collateral provided by a Revolving Lender that is a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may be provided for herein.

(d) Release. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or to secure other obligations shall be released promptly following
(i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Revolving Lender (or, as appropriate, its assignee following compliance with Section 11.06(b)(vi))) or (ii) the determination by the Administrative Agent and the L/C Issuers that there exists excess Cash Collateral; provided, however, (A) any such release shall be without prejudice to, and any disbursement or other transfer of Cash Collateral shall be and remain subject to, any other Lien conferred under the Loan Documents and the other applicable provisions of the Loan Documents, and (B) the Person providing Cash Collateral and the L/C Issuers may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

2.15 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Required Lenders", "Required Class Lenders", "Required Revolving Lenders" ~~and~~, "Required Term Lenders", "Required Initial Revolving Lenders" and "Required Second Amendment Revolving Lenders" and in Section 11.01.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a *pro rata* basis of any amounts owing by such Defaulting Lender to the L/C Issuers or the Swingline Lender hereunder; third, to Cash Collateralize the L/C Issuers' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.14; fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released *pro rata* in order to (A) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (B) Cash Collateralize the L/C Issuers' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.14; sixth, to the payment of any amounts owing to the Lenders, the L/C Issuers or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any L/C Issuer or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise as may be required under the Loan Documents in connection with any Lien conferred thereunder or directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Swingline Loans are held by the Lenders *pro rata* in accordance with the Commitments hereunder without giving effect to Section 2.15(a)(v). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.15(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) Fees. No Defaulting Lender shall be entitled to receive any fee payable under Section 2.09(a) or 2.09(b) for any period during which

that Lender is a Defaulting Lender under ~~the~~^a Revolving Facility or Term Facility, respectively (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Letter of Credit Fees. Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Revolving Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.14.

(C) Defaulting Lender Fees. With respect to any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (B) above, the Borrower shall (1) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Obligations or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (2) pay to the applicable L/C Issuer and the Swingline Lender the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such L/C Issuer's or Swingline Lender's Fronting Exposure to such Defaulting Lender, and (3) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Applicable Revolving Percentages to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in L/C Obligations and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Revolving Percentages (calculated without regard to such Defaulting Lender's Initial Revolving Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Initial Revolving Commitment subject to Section 11.21, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral; Repayment of Swingline Loans. If the reallocation described in clause (a)(v) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under Applicable Law, (A) first, prepay Swingline Loans in an amount equal to the Swingline Lender's Fronting Exposure and (B) second, Cash Collateralize the L/C Issuers' Fronting Exposure in accordance with the procedures set forth in Section 2.14.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and, in the case of the Revolving Facility under the Initial Revolving Commitments, the Swingline Lender and the L/C Issuers, agree in writing that a Lender is no longer a Defaulting Lender, the

Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held *pro rata* by the Lenders in accordance with their [Initial](#) Revolving Commitments (without giving effect to [Section 2.15\(a\)\(iv\)](#)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Swingline Loans/Letters of Credit. So long as any Revolving Lender is a Defaulting Lender, (i) the Swingline Lender shall not be required to fund any Swingline Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swingline Loan and (ii) no L/C Issuer shall be required to issue, extend, increase, reinstate or renew any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

2.16 Incremental Facilities

(a) Request for Incremental Facilities. Provided there exists no Default or Event of Default, upon notice to the Administrative Agent (which shall promptly notify the Lenders), the Borrower may from time to time, request (i) an increase in the [Initial Revolving Commitments or Second Amendment](#) Revolving Commitments (an “***Incremental Revolving Increase***”) or (ii) an increase in the Term Facility (an “***Incremental Term Facility***,” and the loans thereunder, the “***Incremental Term Loans***” together with the Incremental Revolving Increase, each, an “***Incremental Facility***”), in each case, that are secured by a Lien on any or all of the Collateral on a *pari passu* basis with the Lien securing the Facilities, by an aggregate principal amount (when combined with all Incremental Facilities [entered into after the Second Amendment Effective Date](#) then in effect) not to exceed (A) \$100,000,000 plus (B) additional amounts so long as the Total Net Leverage Ratio, determined on a Pro Forma Basis as of the last day of the most recently ended Test Period, assuming any Incremental Revolving Increase then outstanding is fully drawn and without netting the cash proceeds of any such Incremental Facility incurred on such date, does not exceed 3.50:1.00; provided that (i) no Lender shall be required to participate in any Incremental Facility, (ii) any such request for an Incremental Facility shall be in a minimum amount of \$25,000,000, ~~and~~ or (iii) the Borrower may make a maximum of four (4) such requests. Notwithstanding the foregoing, no Incremental Facilities may be requested or incurred on or after the Second Amendment Effective Date unless otherwise agreed by the Required Lenders.

(b) Lender Elections to Participate. At the time of sending such notice, the Borrower (in consultation with the Administrative Agent) shall specify the time period within which each applicable Lender is requested to respond (which shall in no event be less than ten (10) Business Days from the date of delivery of such notice to the applicable Lenders). Each

Lender shall notify the Administrative Agent within such time period whether or not it agrees to provide such Incremental Facility and, if so, whether by an amount equal to, greater than, or less than its Applicable Percentage of such requested Incremental Facility. Any Lender not responding within such time period shall be deemed to have declined to provide such Incremental Facility. Notwithstanding anything to the contrary contained in this Agreement, this Section 2.16(b) shall not apply with respect to the first request for an Incremental Facility by the Borrower after the Closing Date if the Borrower specifies in such request that such Incremental Facility will be provided solely by the Specified New Lender.

(c) Notification by Administrative Agent; Additional Lenders. Except as otherwise provided in Section 2.16(b), the Administrative Agent shall notify the Borrower of the Lenders' responses to each request made hereunder. To achieve the full amount of a requested increase, and subject to the approval of the Administrative Agent, and with respect to any Incremental Revolving Increase, the L/C Issuers and the Swingline Lender (which approvals shall not be unreasonably withheld, and which approvals shall be deemed to have been given for purposes of the first Incremental Facility after the Closing Date (that is provided only by the Specified New Lender)), the Borrower may also invite additional Eligible Assignees (which, for purposes of the first Incremental Facility after the Closing Date shall be deemed to include the Specified New Lender) to become Lenders pursuant to a joinder agreement ("**New Lenders**") or an amendment to this Agreement, in each case, in form and substance reasonably satisfactory to the Administrative Agent.

(d) Effective Date and Allocations. If an Incremental Facility is provided in accordance with this Section 2.16, the Administrative Agent and the Borrower shall determine the effective date (the "**Incremental Effective Date**") and the final allocation of such Incremental Facility. The Administrative Agent shall promptly notify the Borrower and the Lenders and the New Lenders providing such Incremental Facility of the final allocation of such increase and the Incremental Effective Date, which shall be a date not less than ten (10) Business Days after the date on which the notice to request such Incremental Facility is delivered to the Administrative Agent.

(e) Conditions to Effectiveness of Increase. As a condition precedent to such Incremental Facility, (i) each of the conditions set forth in Section 4.02 shall be satisfied and (ii) the Borrower shall deliver to the Administrative Agent a certificate of each Loan Party dated as of the Incremental Effective Date signed by a Responsible Officer of such Loan Party (A) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such Incremental Facility and (B) in the case of the Borrower, certifying that, before and after giving effect to such Incremental Facility, (1) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects (or in all respects if the underlying representations and warranties are already qualified by materiality or Material Adverse Effect) on and as of the Incremental Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and except that for purposes of this Section 2.16, the representations and warranties contained in clauses (a) and (b) of Section 5.05 shall be deemed to refer to the most recent statements furnished pursuant to clauses (a) and (b), respectively, of Section 6.01, and (2) both before and after giving effect to the Incremental Facility, no Default or Event of Default has occurred and is continuing or would result from the borrowings, if any, to

be made on the Incremental Effective Date. The Borrower shall deliver or cause to be delivered any other customary documents (including, without limitation, legal opinions), certificates and information as reasonably requested by the Administrative Agent in connection with any Incremental Facility. To the extent the [Initial Revolving Commitments and/or Second Amendment Revolving Commitments](#) are being increased on the relevant Incremental Effective Date pursuant to an Incremental Revolving Increase, then each Revolving Lender that is acquiring such [Initial Revolving Commitments and/or Second Amendment Revolving Commitments, as applicable](#), on the Incremental Effective Date shall make a Revolving Loan, the proceeds of which will be used to prepay the Revolving Loans of the other Revolving Lenders immediately prior to such Incremental Effective Date, so that, after giving effect thereto, the Revolving Loans outstanding are held by the Revolving Lenders *pro rata* based on their [Initial Revolving Commitments or Second Amendment Revolving Commitments, as applicable](#), after giving effect to such Incremental Revolving Increase. If there is a new borrowing of Revolving Loans on such Incremental Effective Date, the Revolving Lenders after giving effect to such Incremental Effective Date shall make such Revolving Loans in accordance with [Section 2.01\(b\)](#).

(f) [Implementation of Incremental Facilities](#). The Incremental Facilities shall be effected by an amendment to this Agreement (an “[Incremental Amendment](#)”) executed by the Borrower, the Administrative Agent and each Lender and/or New Lender making such Incremental Facility, in form and substance reasonably satisfactory to each of them. Notwithstanding the provisions of [Section 11.01](#), the Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this [Section 2.16](#). In addition, unless otherwise specifically provided herein or in the Incremental Amendment, all references in Loan Documents to Revolving Loans or Term Loans shall be deemed, unless the context otherwise requires, to include references to Revolving Loans made pursuant to Incremental Revolving Increase as Revolving Loans and Incremental Term Loans made under the Incremental Term Facilities as Term Loans made pursuant to this Agreement. This [Section 2.16](#) shall supersede any provisions in [Section 2.13](#) or [11.01](#) to the contrary.

(g) [Terms of Incremental Facility](#). The terms and conditions applicable to each Incremental Revolving Increase shall be identical to the terms and conditions applicable to the [applicable](#) Revolving Facility and the terms and conditions applicable to each Incremental Term Facility shall be identical to the terms and conditions applicable to the Term Facility.

(h) [Equal and Ratable Benefit](#). The Loans and Commitments established pursuant to this [Section 2.16](#) shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from the Guarantees and security interests created by the Collateral Documents, except that the new Loans may be subordinated in right of payment to the extent set forth in the Incremental Amendment and on terms reasonably satisfactory to the Administrative Agent. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the Collateral Documents continue to be perfected under the UCC or

otherwise after giving effect to the establishment of any such class of Loans or any such new Commitments.

ARTICLE III TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Defined Terms. For purposes of this Section 3.01, the term “Applicable Law” includes FATCA and the term “Lender” includes any L/C Issuer.

(b) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by the applicable Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(c) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Tax Indemnifications.

(i) Each of the Loan Parties shall, and does hereby, jointly and severally indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(ii) Each Lender shall, and does hereby, severally indemnify the Administrative Agent, and shall make payment in respect thereof, within ten (10) days after demand therefor, (A) against any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties

to do so), (B) against any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.06(d) relating to the maintenance of a Participant Register and
 (C) against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this clause (d)(ii).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority, as provided in this Section 3.01, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 3.01(f)(ii)(A), 3.01(f)(ii)(B) and 3.01(f)(ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender,

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the

Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(II) executed copies of IRS Form W-8ECI;

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit M-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable); or

(IV) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN, as applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit M-2 or Exhibit M-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the

form of Exhibit M-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies (or originals, as required) of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for the purposes of this clause (f)(ii)(D), "**FATCA**" shall include any amendments made to FATCA after the Closing Date.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. Unless required by Applicable Law, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 3.01, it shall pay to such Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such

Loan Party under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that each Loan Party, upon the request of the Recipient, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (g), in no event will the applicable Recipient be required to pay any amount to such Loan Party pursuant to this clause (g) the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This clause (g) shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(h) Survival. Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to SOFR or the Term SOFR or any Governmental Authority has imposed material restrictions on the authority of such Lender to engage in reverse repurchase of U.S. Treasury securities transactions of the type included in the determination of SOFR or the Term SOFR, or to determine or charge interest rates based upon SOFR or the Term SOFR then, upon notice thereof by such Lender to the Borrower (through the Administrative Agent), (a) any obligation of such Lender to make or continue Term SOFR Loans or to convert Base Rate Loans to Term SOFR Loans shall be suspended and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Term SOFR component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Term SOFR Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term SOFR Loan to such day, or immediately, if such Lender may not lawfully continue to maintain such Term SOFR Loan and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon SOFR, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Term SOFR component thereof until the Administrative Agent is advised in

writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 3.05.

3.03 Inability to Determine Rates.

(a) If in connection with any request for a Term SOFR Loan or a conversion of Base Rate Loans to Term SOFR Loans or a continuation of any of such Loans, as applicable, (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (A) no Successor Rate has been determined in accordance with Section 3.03(b), and the circumstances under Section 3.03(b)(i) or the Scheduled Unavailability Date has occurred, or (B) adequate and reasonable means do not otherwise exist for determining Term SOFR for any requested Interest Period with respect to a proposed Term SOFR Loan or in connection with an existing or proposed Base Rate Loan, or (ii) the Administrative Agent or the Required Lenders determine that for any reason that Term SOFR for any requested Interest Period with respect to a proposed Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Term SOFR Loans or to convert Base Rate Loans to Term SOFR Loans, shall be suspended in each case to the extent of the affected Term SOFR Loans or Interest Periods, and (y) in the event of a determination described in the preceding sentence with respect to the Term SOFR component of the Base Rate, the utilization of the Term SOFR component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in Section 3.03(a)(ii), until the Administrative Agent upon instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (1) the Borrower may revoke any pending request for a Borrowing of, or conversion to Term SOFR Loans, or Borrowing of, or continuation of Term SOFR Loans to the extent of the affected Term SOFR Loans or Interest Periods or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein and (2) any outstanding Term SOFR Loans shall be deemed to have been converted to Base Rate Loans immediately at the end of their respective applicable Interest Period.

(b) Replacement of the Term SOFR or Successor Rate. Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining the Term SOFR because none of the one month, three month or six month Interest Periods of the Term SOFR is available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) CME (or any successor administrator of the Term SOFR Screen Rate) or a Governmental Authority having jurisdiction over the Administrative Agent or

such administrator with respect to its publication of Term SOFR in each case, acting in such capacity has made a public statement identifying a specific date after which one month, three month and six month Interest Periods of the Term SOFR or the Term SOFR Screen Rate shall or will no longer be representative or made available, or permitted to be used for determining the interest rate of U.S. Dollar denominated syndicated loans, or shall or will otherwise cease, provided that, in each case, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent that will continue to provide any interest period of Term SOFR after such specific date (the latest date on which one month, three month and six month interest periods of the Term SOFR or Term SOFR Screen Rate are no longer representative or available permanently or indefinitely, the “**Scheduled Unavailability Date**”); then, on a date and time determined by the Administrative Agent (any such date, the “**Term SOFR Replacement Date**”), which date shall be at the end of an Interest Period or on the relevant Interest Payment Date, as applicable, for interest calculated and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, Term SOFR will be replaced hereunder and under any Loan Document with Daily Simple SOFR plus the SOFR Adjustment for any payment period for interest calculated that can be determined by the Administrative Agent, in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the “**Term SOFR Successor Rate**”).

Notwithstanding anything to the contrary herein, (i) if the Administrative Agent determines that Daily Simple SOFR is not available on or prior to the Term SOFR Replacement Date, or (ii) if the events or circumstances of the type described in Section 3.03(b)(i) or Section 3.03(b)(ii) have occurred with respect to the Successor Rate then in effect, then in each case, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing the Term SOFR or any then current Successor Rate in accordance with this Section 3.03 at the end of any Interest Period, relevant interest payment date or payment period for interest calculated, as applicable, with an alternate benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated credit facilities syndicated and agented in the U.S. for such alternative benchmarks, and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar credit facilities syndicated and agented in the U.S. for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated (and any such proposed rate, including for the avoidance of doubt, any adjustment thereto, together with the Term SOFR Successor Rate, a “**Successor Rate**”), and any such amendment shall become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

If the Successor Rate is Daily Simple SOFR plus the SOFR Adjustment, all interest payments will be payable on a quarterly basis.

The Administrative Agent will promptly (in one or more notices) notify the Borrower and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than 0.00%, the Successor Rate will be deemed to be 0.00% for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a Successor Rate, the Administrative Agent will have the right to make Conforming Changes from time to time in consultation with the Borrower and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

For purposes of this Section 3.03, those Lenders that either have not made, or do not have an obligation under this Agreement to make, the relevant Loans in Dollars shall be excluded from any determination of Required Lenders.

3.04 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender or L/C Issuer;

(ii) subject any Lender or L/C Issuer to any Taxes (other than (A) Indemnified Taxes and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or L/C Issuer or any applicable interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Term SOFR Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such

Lender or L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or L/C Issuer, the Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or L/C Issuer determines that any Change in Law affecting such Lender or L/C Issuer, as applicable, or any Lending Office of such Lender or such Lender's or L/C Issuer's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or L/C Issuer's policies and the policies of such Lender's or L/C Issuer's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or an L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or such L/C Issuer or its holding company, as the case may be, as specified in clause (a) or (b) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or L/C Issuer, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or any L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an L/C Issuer pursuant to the foregoing provisions of this Section 3.04 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or L/C Issuer, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Term SOFR Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 11.13; including any loss of anticipated profits, any foreign exchange losses and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained or from the performance of any foreign exchange contract. The Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. Each Lender may make any Credit Extension to the Borrower through any Lending Office, provided that the exercise of this option shall not affect the obligation of the Borrower to repay the Credit Extension in accordance with the terms of this Agreement. If any Lender requests compensation under Section 3.04, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender, any L/C Issuer, or any Governmental Authority for the account of any Lender or any L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then at the request of the Borrower, such Lender or L/C Issuer shall, as applicable, use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender or such L/C Issuer, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender or L/C Issuer, as the case may be, to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or L/C Issuer, as the case may be. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender or any L/C Issuer in connection with any such designation or assignment,

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.06(a), the Borrower may replace such Lender in accordance with Section 11.13.

3.07 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder, resignation of the Administrative Agent and the Facility Termination Date.

Restricted Subsidiaries (including the commencement of any judicial or administrative proceeding relating to Environmental Laws) in which an adverse result would reasonably be expected to have, regarding each of the foregoing, a Material Adverse Effect, including as relating to (i) any operating permits, air emission permits, water discharge permits, hazardous waste permits or other permits under Environmental Law held by the Borrower or any of its Restricted Subsidiaries or (ii) expenditures by the Borrower or any of its Restricted Subsidiaries to cure any such alleged problem or violation.

(g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower or any of its Restricted Subsidiaries that is a Material Subsidiary or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law or any other Debtor Relief Law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any of its Restricted Subsidiaries that is a Material Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(h) the Borrower or any of its Restricted Subsidiaries that is a Material Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law or any other Debtor Relief Law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in Section 8.01(g), (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any of its Restricted Subsidiaries that is a Material Subsidiary or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(i) the Borrower or any of its Restricted Subsidiaries that is a Material Subsidiary shall become unable, admit in writing or fail generally to pay its debts as they become due;

(j) a final judgment or judgments for the payment of money in excess of \$10,000,000 in the aggregate (exclusive of judgment amounts fully covered by insurance where the insurer has admitted liability in respect of such judgment), shall be rendered by one or more courts, administrative tribunals or other bodies having jurisdiction against the Borrower or any of its Restricted Subsidiaries and the same shall not be discharged (or provision shall not be made for such discharge), bonded, or a stay of execution thereof shall not be procured, within sixty (60) days from the date of entry thereof and the Borrower or the relevant Restricted Subsidiary shall not, within said period of sixty (60) days, or such longer period during which execution of the same shall have been stayed, appeal therefrom and cause the execution thereof to be stayed during such appeal;

(k) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, would reasonably be expected to result in a Material Adverse Effect;

(l) there shall occur any Change of Control; or

(m) any of the following shall occur: (i) the Liens created hereunder or under the other Loan Documents shall at any time cease in any material respect to constitute valid and perfected Liens on the Collateral intended to be covered thereby; (ii) any Loan Document (other than any “certificates” described in clause (h) of the definition thereof) shall for whatever reason be terminated, or shall cease to be in full force and effect (other than in accordance with the terms thereof); or (iii) the enforceability or validity of any Loan Document shall be contested in writing by any Loan Party.

Without limiting the provisions of Article IX, if a Default shall have occurred under the Loan Documents, then such Default will continue to exist until it either is cured (to the extent specifically permitted) in accordance with the Loan Documents or is otherwise expressly waived by Administrative Agent (with the approval of Required Lenders (in their sole discretion)) as determined in accordance with Section 11.01 and once an Event of Default occurs under the Loan Documents, then such Event of Default will continue to exist until it is expressly waived by the Required Lenders or by the Administrative Agent with the approval of the Required Lenders, as required hereunder in Section 11.01.

8.02 Remedies upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

(a) declare the Commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such commitments and obligations shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(c) subject to Section 2.08(b), notify the Borrower that the outstanding principal of the Loans shall bear interest at the Default Rate; provided that, failure to provide such notice shall not prevent such interest from accruing or otherwise delay the due date thereof if such Default Rate is applicable pursuant to Section 2.08(b);

(d) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the Minimum Collateral Amount with respect thereto); and

(e) exercise on behalf of itself, the Lenders and the L/C Issuers all rights and remedies available to it, the Lenders and the L/C Issuers under the Loan Documents or Applicable Law or equity;

provided, however, that upon the occurrence of an event described in Section 8.01(g) or (h), the Commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, the outstanding principal of the Loans shall bear interest at the Default Rate, and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

8.03 Application of Funds.

(a) After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02) or if at any time insufficient funds are received by and available to the Administrative Agent to pay fully all Secured Obligations then due hereunder, any amounts received on account of the Secured Obligations shall, subject to the provisions of Sections 2.14 and 2.15, be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Secured Obligations constituting fees, indemnities and other amounts (other than principal, interest and Letter of Credit Fees) payable to the Lenders and the L/C Issuers (including fees, charges and disbursements of counsel to the respective Lenders and L/C Issuers (including fees and time charges for attorneys who may be employees of any Lender or any L/C Issuer)) arising under the Loan Documents and amounts payable under Article III, ratably among them in proportion to the respective amounts described in this Second clause payable to them;

Third, to payment of that portion of the Secured Obligations constituting accrued and unpaid Letter of Credit Fees and interest on the Loans, L/C Borrowings and other Secured Obligations arising under the Loan Documents, ratably among the Lenders and the L/C Issuers in proportion to the respective amounts described in this Third clause payable to them;

Fourth, to payment of that portion of the Secured Obligations constituting unpaid principal of the Loans, L/C Borrowings and Secured Obligations then owing under Secured Hedge Agreements and Secured Cash Management Agreements, in each case ratably among the Administrative Agent, the Lenders, the L/C Issuers, the Hedge Banks and the Cash Management Banks in proportion to the respective amounts described in this Fourth clause held by them;

Fifth, to the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize that portion of respective L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit to the extent not otherwise Cash Collateralized by the Borrower pursuant to Sections 2.03 and 2.14; and

Last, the balance, if any, after all of the Secured Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law.

(b) Subject to Sections 2.03(c) and 2.14, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to the Fourth clause above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Secured Obligations, if any, in the order set forth above. Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Secured Obligations otherwise set forth above in this Section 8.03.

(c) Notwithstanding the foregoing, Secured Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application described above if the Administrative Agent has not received a Secured Party Designation Notice, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Each Cash Management Bank or Hedge Bank that is a Secured Party shall be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX for itself and its Affiliates as if a “**Lender**” party hereto.

8.04 Borrower’s Right to Cure. Notwithstanding anything to the contrary contained in Section 8.01, for purposes of determining whether an Event of Default has occurred under the financial covenant set forth in Section 7.10(a), (b) or (c) and so long as any Equity Cure Contribution made to the Borrower after the last day of the fiscal quarter in respect of which such Default has occurred and on or prior to the date that is ten (10) Business Days after the date on which financial statements are required to be delivered for such fiscal quarter will, at the request of the Borrower, be included in the calculation of Consolidated EBITDA solely for the purposes of determining compliance with the applicable financial covenants under Section 7.10 at the end of such fiscal quarter and any subsequent period that includes such fiscal quarter (any such equity contribution, a “**Specified Equity Contribution**”); provided that (a) the Borrower shall not be permitted to so request that a Specified Equity Contribution be included in the calculation of Consolidated EBITDA with respect to any fiscal quarter unless, after giving effect to such requested Specified Equity Contribution, (i) in any four consecutive fiscal quarters, there shall be at least two fiscal quarters in respect of which no Specified Equity Contribution is made and (ii) no more than five Specified Equity Contributions will be made in the aggregate over the life of the Facilities, (b) the amount of any Specified Equity Contribution and the use of proceeds therefrom will be no greater than the amount required to cause the Borrower to be in compliance with the applicable financial covenants set forth in Section 7.10 and (c) all Specified Equity Contributions and the use of proceeds therefrom will be disregarded for all other purposes under the Loan Documents (including calculating Consolidated EBITDA for purposes of determining basket levels, Applicable Rate and other items governed by reference to Consolidated EBITDA). To the extent that the proceeds of the Specified Equity Contribution are used to repay Indebtedness, such Indebtedness shall not be deemed to have been repaid for purposes of calculating any financial covenant set forth in Section 7.10 for the fiscal quarter in respect of which such Specified Equity Contribution is made. The proceeds of the Specified Equity

Contribution shall not be utilized for purposes of determining Unrestricted Cash for purposes of any financial covenant set forth in Section 7.10. For the avoidance of doubt, the Borrower shall not be able to obtain any Credit Extension hereunder until receipt by the Administrative Agent of the Specified Equity Contribution and a Compliance Certificate evidencing the inclusion of such Specified Equity Contribution and demonstrating compliance with the applicable financial covenant under Section 7.10.

ARTICLE IX ADMINISTRATIVE AGENT

9.01 Appointment and Authority.

(a) Appointment. Each of the Lenders and the L/C Issuers hereby irrevocably appoints, designates and authorizes Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX are solely for the benefit of the Administrative Agent, the Lenders and the L/C Issuers, and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Collateral Agent. The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a potential Hedge Bank and a potential Cash Management Bank) and the L/C Issuers hereby irrevocably appoints and authorizes the Administrative Agent to act as the Administrative Agent of such Lender and such L/C Issuer for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article IX and Article XI (including Section 11.04(c)), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto.

9.02 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “**Lender**” or “**Lenders**” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such

Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust, financial, advisory, underwriting or other business with any Loan Party or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders or to provide notice to or consent of the Lenders with respect thereto.

9.03 Exculpatory Provisions.

(a) The Administrative Agent or the Arrangers, as applicable, shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent or the Arrangers, as applicable, and its Related Parties:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or Applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(iii) shall not have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender or any L/C Issuer any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates that is communicated to, obtained or in the possession of, the Administrative Agent, Arrangers or any of their Related Parties in any capacity, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent herein.

(b) Neither the Administrative Agent nor any of its Related Parties shall be liable for any action taken or not taken by the Administrative Agent under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby or thereby

(i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary), or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final and non-appealable judgment. The Administrative Agent shall

be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Administrative Agent by the Borrower, a Lender or an L/C Issuer.

(c) Neither the Administrative Agent nor any of its Related Parties have any duty or obligation to any Lender or participant or any other Person to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

(d) Neither the Administrative Agent nor any of its Related Parties shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to the eligibility of an Assignee. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender is an Eligible Assignee or (y) have any liability with respect to or arising out of any assignment of Loans, or disclosure of confidential information, to any Person that is not an Eligible Assignee.

9.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying and shall not incur any liability for relying upon, any notice, request, certificate, communication, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall be fully protected in relying and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory

to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objections.

9.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such subagents.

9.06 Resignation of Administrative Agent.

(a) Notice. The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the “**Resignation Effective Date**”), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the L/C Issuers, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that in no event shall any successor Administrative Agent be a Defaulting Lender. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) Defaulting Lender. If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by Applicable Law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, in consultation with the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by the Required Lenders) (the “**Removal Effective Date**”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) Effect of Resignation or Removal. With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuers under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral

security until such time as a successor Administrative Agent is appointed) and (ii) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and L/C Issuer directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than as provided in Section 3.01(g) and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article XI and Section 11.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (A) while the retiring or removed Administrative Agent was acting as Administrative Agent and (B) after such resignation or removal for as long as any of them continues to act in any capacity hereunder or under the other Loan Documents, including, without limitation, (1) acting as collateral agent or otherwise holding any collateral security on behalf of any of the Secured Parties and (2) in respect of any actions taken in connection with transferring the agency to any successor Administrative Agent.

(d) L/C Issuer and Swingline Lender. Any resignation or removal by Bank of America as Administrative Agent pursuant to this Section 9.06 shall also constitute its resignation as L/C Issuer and Swingline Lender. If Bank of America resigns as an L/C Issuer, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an L/C Issuer and all L/C Obligations with respect thereto, including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c). If Bank of America resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04(c). Upon the appointment by the Borrower of a successor L/C Issuer or Swingline Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as applicable, (ii) the retiring L/C Issuer and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor L/C Issuer shall issue Letters of Credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

9.07 Non-Reliance on Administrative Agent, the Arranger and the Other Lenders. Each Lender and each L/C Issuer expressly acknowledges that neither the Administrative Agent nor the Arranger has made any representation or warranty to it, and that no act by the Administrative Agent or the Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Arranger to any Lender or any L/C Issuer as to any matter, including whether the Administrative Agent or the Arranger have disclosed material information in their (or their Related Parties') possession. Each Lender and each L/C Issuer represents to the Administrative Agent and the Arranger that it has, independently and without reliance upon the Administrative Agent, the Arranger, any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis of, appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender and each L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Arranger, any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Subsidiaries. Each Lender and each L/C Issuer represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or L/C Issuer for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or L/C Issuer, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each L/C Issuer agrees not to assert a claim in contravention of the foregoing. Each Lender and each L/C Issuer represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such L/C Issuer, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the lead arrangers, bookrunners, or other titles listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or an L/C Issuer hereunder.

9.09 Administrative Agent May File Proofs of Claim: Credit Bidding.

(a) In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Administrative Agent under Sections 2.03(l), (m), (o) and (p), 2.09, 2.10(b) and 11.04) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and L/C Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.03, 2.09, 2.10(b) and 11.04.

(b) Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or any L/C Issuer or in any such proceeding.

(c) The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Secured Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral

(i) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (ii) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any

Applicable Law. In connection with any such credit bid and purchase, the Secured Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (A) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (B) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (i) through (x) of Section 11.01(a) of this Agreement), and (C) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Secured Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

9.10 Collateral and Guaranty Matters

(a) Without limiting the provisions of Section 9.09, each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) and the L/C Issuers irrevocably authorize the Administrative Agent, at its option and in its discretion,

(i) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon the occurrence of the Facility Termination Date, (ii) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Loan Document to a Person that is not a Loan Party, or
(iii) if approved, authorized or ratified in writing by the Required Lenders in accordance with Section 11.01;

(ii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.02(h); and

(iii) to release any Subsidiary Guarantor from its obligations under the Guaranty if such Person ceases to be a Wholly Owned Subsidiary as a result of a transaction permitted under the Loan Documents; provided that, notwithstanding

anything to the contrary herein, no guarantees (nor the security interest granted by any such Subsidiary Guarantor) will be released solely as a result of the relevant Subsidiary Guarantor ceasing to be a Wholly Owned Subsidiary unless (A) no Default or Event of Default exists or would result from the transaction that causes such Person to cease to be a Wholly Owned Subsidiary, (B) upon giving Pro Forma Effect to such release and the consummation of the transaction that causes such Person to cease to be a Wholly Owned Subsidiary, the Borrower is deemed to have made a new Investment in such Person for purposes of Section 7.05 (as if such Person were then newly acquired) in an amount equal to the portion of the fair market value of the net assets of such Person attributable to the Borrower's direct or indirect equity interest therein as reasonably estimated by the Borrower and such Investment is permitted pursuant to Section 7.05 at such time, (C) any transfer of the Equity Interests of such Subsidiary shall be to a non-Affiliate of the Borrower for a bona fide business purpose and, for the avoidance of doubt, not for the primary purpose of causing such release, (D) if such Subsidiary Guarantor is a Guarantor on the Closing Date, such transaction would cause such Subsidiary Guarantor to cease to be a Subsidiary of the Borrower and (E) a Responsible Officer of the Borrower certifies to the Administrative Agent compliance with preceding clauses (A), (B), (C), and (D).

(b) Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

(c) The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

9.11 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in the Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefit of the provisions of Section 8.03, the Guaranty or any Collateral by virtue of the provisions hereof or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) (or to notice of or to consent to any amendment, waiver or modification of the provisions hereof or of the Guaranty or any Collateral Document) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other

satisfactory arrangements have been made with respect to, Secured Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements except to the extent expressly provided herein and unless the Administrative Agent has received a written notice (including a Secured Party Designation Notice) of such Secured Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. The Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements in the case of a Facility Termination Date.

9.12 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party or any of their Subsidiaries, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments, or this agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “***Qualified Professional Asset Manager***” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party or any of their Subsidiaries, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

9.13 Recovery of Erroneous Payments. Without limitation of any other provision in this Agreement, if at any time the Administrative Agent makes a payment hereunder in error to any Lender Recipient Party, whether or not in respect of an Obligation due and owing by the Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Lender Recipient Party receiving a Rescindable Amount severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount received by such Lender Recipient Party in immediately available funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Each Lender Recipient Party irrevocably waives any and all defenses, including any "discharge for value" (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Administrative Agent shall inform each Lender Recipient Party promptly upon determining that any payment made to such Lender Recipient Party comprised, in whole or in part, a Rescindable Amount.

ARTICLE X CONTINUING GUARANTY

10.01 Guaranty. Each Guarantor hereby absolutely and unconditionally, jointly and severally guarantees, as primary obligor and as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all Secured Obligations, whether for principal, interest, premiums, fees, indemnities, damages, costs, expenses or otherwise, of the Borrower to the Secured Parties, and whether arising hereunder or under any other Loan Document, any Secured Cash Management Agreement or any Secured Hedge Agreement (including all renewals, extensions, amendments, refinancings and other modifications thereof and all costs, attorneys' fees and expenses incurred by the Secured Parties in connection with the collection or enforcement thereof) (for each Guarantor, subject to the proviso in this sentence, its "***Guaranteed Obligations***"); provided that

(a) the Guaranteed Obligations of a Guarantor shall exclude any Excluded Swap Obligations with respect to such Guarantor and (b) the liability of each Guarantor individually with respect to this Guaranty shall be limited to an aggregate amount equal to the largest amount that would not render its obligations hereunder subject to avoidance under Section 548 of the Bankruptcy Code of the United States or any comparable provisions of any applicable state law or other Applicable Law. Without limiting the generality of the foregoing, the Guaranteed Obligations shall include any such indebtedness, obligations, and liabilities, or portion thereof, which may be or hereafter become unenforceable or compromised or shall be an allowed or disallowed claim under any proceeding or case commenced by or against any debtor under any Debtor Relief Laws. The Administrative Agent's books and records showing the amount of the Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon each Guarantor, and conclusive for the purpose of establishing the amount of the Secured Obligations. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Secured Obligations or any instrument or agreement evidencing any Secured Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Secured Obligations which might otherwise constitute a defense to the obligations of the Guarantors, or any of them, under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

10.02 No Setoff or Deductions; Taxes; Payments. The Guarantors shall make all payments under the Loan Documents without setoff or counterclaim and free and clear of and without deduction or withholding for any Taxes, except as required by Applicable Laws. If any such deduction or withholding is required with respect to any amount payable by a Guarantor under the Loan Documents, the Guarantor will pay to the applicable Recipient any amounts owing pursuant to Section 3.01. The obligations of the Guarantors under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

10.03 Rights of Lenders. Each Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Secured Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Secured Obligations; (c) apply such security and direct the order or manner of sale thereof as the Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders in their sole discretion may determine (but subject to Section 8.03); and (d) release or substitute one or more of any endorsers or other guarantors of any of the Secured Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of such Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of such Guarantor.

10.04 Certain Waivers. Each Guarantor waives (a) any defense arising by reason of any disability or other defense of the Borrower or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of any Secured Party) of the liability of the Borrower or any other Loan Party, (b) any defense based on any claim that such Guarantor's obligations exceed or are more burdensome than those of the Borrower or any other Loan Party,

(c) the benefit of any statute of limitations affecting any Guarantor's liability hereunder, (d) any right to proceed against the Borrower or any other Loan Party, proceed against or exhaust any security for the Secured Obligations, or pursue any other remedy in the power of any Secured Party whatsoever and any defense based upon the doctrines of marshalling of assets or of election of remedies, (e) any benefit of and any right to participate in any security now or hereafter held by any Secured Party and (f) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by Applicable Law limiting the liability of or exonerating guarantors or sureties (other than a defense of payment or performance in full). Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Secured Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Secured Obligations.

10.05 Obligations Independent. The obligations of each Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Secured Obligations and the obligations of any other guarantor, and a separate action may be brought against each Guarantor to enforce this Guaranty whether or not the Borrower or any other person or entity is joined as a party.

10.06 Subrogation, Contribution, Etc. No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until the Facility Termination Date. If any amounts are paid to a Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured Parties to reduce the amount of the Secured Obligations, whether matured or unmatured.

10.07 Termination: Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Secured Obligations now or hereafter existing and shall remain in full force and effect until the Facility Termination Date. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of the Borrower or a Guarantor is made, or any of the Secured Parties exercises its right of setoff, in respect of the Secured Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any of the Secured Parties in their discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Secured Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of each Guarantor under this Section 10.07 shall survive termination of this Guaranty.

10.08 Subordination. The Guarantors hereby subordinate the payment of all obligations and indebtedness of the Borrower owing to the Guarantors, whether now existing or hereafter arising, including but not limited to any obligation of the Borrower to the Guarantors as subrogee of the Secured Parties or resulting from the Guarantors' performance under this Guaranty, to the indefeasible payment in full in cash of all Guaranteed Obligations. If any Secured Party so

requests, any such obligation or indebtedness of the Borrower to the Guarantors shall be enforced and performance received by the Guarantors as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Secured Parties on account of the Guaranteed Obligations, but without reducing or affecting in any manner the liability of the Guarantors under this Guaranty.

10.09 Stay of Acceleration. If acceleration of the time for payment of any of the Secured Obligations is stayed, in connection with any case commenced by or against a Guarantor or the Borrower under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by each Guarantor, jointly and severally, immediately upon demand by the Secured Parties.

10.10 Condition of Borrower. Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Borrower and any other guarantor such information concerning the financial condition, business and operations of the Borrower and any such other guarantor as such Guarantor requires, and that none of the Secured Parties has any duty, and such Guarantor is not relying on the Secured Parties at any time, to disclose to it any information relating to the business, operations or financial condition of the Borrower or any other guarantor (each Guarantor waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

10.11 Appointment of Borrower. Each of the Loan Parties hereby appoints the Borrower to act as its agent for all purposes of this Agreement, the other Loan Documents and all other documents and electronic platforms entered into in connection herewith and agrees that (a) the Borrower may execute such documents and provide such authorizations on behalf of such Loan Parties as the Borrower deems appropriate in its sole discretion and each Loan Party shall be obligated by all of the terms of any such document and/or authorization executed on its behalf,

(a) any notice or communication delivered by the Administrative Agent, a L/C Issuer or a Lender to the Borrower shall be deemed delivered to each Loan Party and (c) the Administrative Agent, the L/C Issuers or the Lenders may accept, and be permitted to rely on, any document, authorization, instrument or agreement executed by the Borrower on behalf of each of the Loan Parties.

10.12 Right of Contribution. The Guarantors agree among themselves that, in connection with payments made hereunder, each Guarantor shall have contribution rights against the other Guarantors as permitted under Applicable Laws; provided that such rights shall be subject to Section 10.06 hereof.

10.13 Keepwell. Each Loan Party that is a Qualified ECP Guarantor hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under this Article X voidable under Applicable Law

relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 10.13 shall remain in full force and effect until the Secured Obligations have been indefeasibly paid and performed in full. Each Loan Party intends this Section 10.13 to constitute, and this Section 10.13 shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act.

ARTICLE XI MISCELLANEOUS

11.01 Amendments, Etc.

(a) Subject to Section 3.03 and the last paragraph of this Section 11.01(a), no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(i) waive any condition set forth in Section 4.01 or, in the case of the initial Credit Extension, Section 4.02, without the written consent of each Lender;

(ii) without limiting the generality of clause (i) above, waive any condition set forth in Section 4.02 as to any Credit Extension under a particular Facility without the written consent of the Required ~~Revolving Lenders or the Required~~ Term Lenders (with respect to any Credit Extension under the Term Facility), Required Initial Revolving Lenders (with respect to any Credit Extension under the Revolving Facility under the Initial Revolving Commitments) or Required Second Amendment Revolving Lenders (with respect to any Credit Extension under the Revolving Facility under the Second Amendment Revolving Commitments), as the case may be;

(iii) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender (it being understood and agreed that a waiver of any condition precedent in Section 4.02 or of any Default or Event of Default or a mandatory reduction in Commitments is not considered an extension or increase in Commitments of any Lender);

(iv) postpone any date fixed by this Agreement or any other Loan Document for any payment (excluding mandatory prepayments) of principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under such other Loan Document without the written consent of each Lender entitled to such payment;

(v) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or any fees or other amounts payable hereunder or under any

other Loan Document without the written consent of each Lender entitled to such amount; provided, however, that only the consent of the Required Lenders shall be necessary to (A) amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest or Letter of Credit Fees at the Default Rate, (B) waive any mandatory prepayment under Section 2.05(c) or (C) to amend any financial covenant hereunder (or any defined term used therein) even if the effect of such amendment would be to reduce the rate of interest on any Loan or L/C Borrowing or to reduce any fee payable hereunder;

(vi) change (A) Section 2.12(f), Section 2.13 or Section 8.03 in a manner that would have the effect of altering the ratable reduction of Commitments, pro rata payments or pro rata sharing of payments required hereunder without the written consent of each Lender directly and adversely affected thereby; provided that the foregoing shall be inapplicable in connection with any financing described in the parenthetical in clause (2) of Section 11.01(a)(viii) or (B) the order of application of any reduction in the Commitments or any prepayment of Loans among the Facilities from the application thereof set forth in the applicable provisions of Section 2.05(c) or 2.06(c), respectively, in any manner that materially and adversely affects the Lenders under a Facility without the written consent of the Required Revolving Lenders ~~or~~, the Required Term ~~Lender~~Lenders, the Required Initial Revolving Lenders or the Required Second Amendment Revolving Lenders, as applicable or (C) Section 2.12(f) in a manner that would alter the pro rata application required thereby without the written consent of each Lender directly and adversely affected thereby.

(vii) change (A) any provision of this Section 11.01 or the definition of “Required Lenders” or “Required Class Lenders” or any other provision of any Loan Document specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or thereunder or make any determination or grant any consent hereunder (other than the definitions specified in clause (B) of this Section 11.01(a)(vii)), without the written consent of each Lender or (B) the definitions of “Required Revolving Lenders” ~~or~~, “Required Term Lenders”, “Required Initial Revolving Lenders” or “Required Second Amendment Revolving Lenders” as each relates to the related Facility (or the constituent definition therein relating to such Facility) without the written consent of each Lender under such Facility;

(viii) (1) release all or substantially all of the Collateral in any transaction or series of related transactions (or terminate any Lien with respect thereto), except as expressly permitted in this Agreement (in which case such release may be made by the Administrative Agent acting alone) or (2) (x) subordinate, or have the effect of subordinating the Obligations hereunder to any other Indebtedness or (y) subordinate the Lien securing the Obligations to any other Indebtedness or permit any other Indebtedness to be secured by a Lien on the Collateral on a senior basis relative to the Liens on the Collateral securing the Obligations (in each case, other than any debtor-in-possession financing provided by the Lenders (or any of them), so long as all the Lenders are provided the opportunity to ratably participate in such debtor-in-possession financing), without the written consent of each Lender;

(ix) release ~~any of the~~ all or substantially all of the value of the guarantees made by the Guarantors, without the written consent of each Lender, except to the extent the release of any Guarantor from the Guaranty is permitted pursuant to Section 9.10 (in which case such release may be made by the Administrative Agent acting alone); ~~or~~

(x) directly and materially adversely affect the rights of Lenders holding Commitments or Loans of one Class differently from the rights of Lenders holding Commitments or Loans of any other Class without the written consent of the applicable Required Class Lenders; or

(xi) waive, amend or otherwise modify the proviso in the second sentence of Section 2.01(b) without the consent of each Revolving Lender holding Initial Revolving Commitments.

and provided, further, that (A) no amendment, waiver or consent shall, unless in writing and signed by the L/C Issuers in addition to the Lenders required above, affect the rights or duties of the L/C Issuers under this Agreement or any Issuer Document relating to any Letter of Credit issued or to be issued by it; (B) no amendment, waiver or consent shall, unless in writing and signed by the Swingline Lender in addition to the Lenders required above, affect the rights or duties of the Swingline Lender under this Agreement; (C) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document; and (D) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto.

(b) Notwithstanding anything to the contrary herein, (i) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender, or all Lenders or each affected Lender under a Facility, may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (A) the Commitment of any Defaulting Lender may not be increased or extended and the maturity date of any of its Loans may not be extended, the rate of interest on any of its Loans may not be reduced and the principal amount of any of its Loans may not be forgiven, in each case without the consent of such Defaulting Lender and (B) any waiver, amendment, consent or modification requiring the consent of all Lenders or each affected Lender, or all Lenders or each affected Lender under a Facility, that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender and (ii) each Lender is entitled to vote as such Lender sees fit on any bankruptcy reorganization plan that affects the Loans, and each Lender acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code of the United States supersedes the unanimous consent provisions set forth herein.

(c) Notwithstanding anything to the contrary herein, this Agreement may be amended and restated without the consent of any Lender (but with the consent of the Borrower and the Administrative Agent) if, upon giving effect to such amendment and restatement, such Lender shall no longer be a party to this Agreement (as so amended and restated), the

Commitments of such Lender shall have terminated, such Lender shall have no other commitment or other obligation hereunder and shall have been paid in full all principal, interest and other amounts owing to it or accrued for its account under this Agreement.

(d) Notwithstanding any provision herein to the contrary, if the Administrative Agent and the Borrower acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document (including the schedules and exhibits thereto), then the Administrative Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

(e) If any Lender does not consent to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the consent of each Lender, each Lender of any Class, each Lender affected thereby or each Lender of any Class affected thereby and that has been approved by the Required Lenders or Required Class Lenders, as applicable, the Borrower may replace such Non-Consenting Lender in accordance with Section 11.13; provided that such amendment, waiver, consent or release can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Borrower to be made pursuant to this paragraph).

(f) With respect to any Second Amendment Revolving Commitments, notwithstanding anything to the contrary in this Agreement, no Second Amendment Revolving Lender shall have any right to (A) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Loan Parties are not invited or (B) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to any Loan Party or any representative of any Loan Party.

(g) With respect to any Second Amendment Revolving Commitments, notwithstanding anything in Section 11.01 or the definition of "Required Lenders" or "Required Revolving Lenders" to the contrary, for purposes of determining whether the Required Lenders, Required Revolving Lenders, all affected Lenders or all Lenders have (A) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, such Second Amendment Revolving Commitments shall be deemed to have been voted without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Second Amendment Revolving Lenders; provided that, without the consent of an Second Amendment Revolving Lender, no such amendment, modification, waiver, consent or other action shall (1) extend or increase any Commitment of such Second Amendment Revolving Lender, (2) extend the due date for any scheduled installment of principal (including the maturity date) of any Term Loan held by such Second Amendment Revolving Lender, (3) extend the due date for interest, fees or other amounts due under the Loan Documents owed to such Second Amendment Revolving Lender,

(4) reduce any amount owing to such Second Amendment Revolving Lender under any Loan Document, (5) change (x) Section 2.12(f), Section 2.13 or Section 8.03 in a manner that would have the effect of altering the ratable reduction of Commitments, pro rata payments or pro rata sharing of payments required hereunder without the written consent of such Second Amendment Revolving Lender directly and adversely affected thereby; provided that the foregoing shall be inapplicable in connection with any financing described in the parenthetical in the following clause (9) of this Section 11.01(g) or (y) the order of application of any reduction in the Commitments or any prepayment of Loans among the Facilities from the application thereof set forth in the applicable provisions of Section 2.05(c) or 2.06(c), respectively, in any manner that materially and adversely affects a Second Amendment Revolving Lender without the written consent of such Second Amendment Revolving Lender, or (z) Section 2.12(f) in a manner that would alter the pro rata application required thereby without the written consent of each Second Amendment Revolving Lender directly and materially adversely affected thereby, (6) change (x) any provision of this Section 11.01 or the definition of "Required Lenders" or "Required Class Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or thereunder or make any determination or grant any consent hereunder (other than the definitions specified in clause (y) of this Section 11.01(g)(6)), without the written consent of each Second Amendment Revolving Lender or (y) the definitions of "Required Revolving Lenders", or "Required Second Amendment Revolving Lenders" as each relates to the related Facility (or the constituent definition therein relating to such Facility) without the written consent of each Second Amendment Revolving Lender, (7) release all or substantially all of the Collateral in any transaction or series of related transactions (or terminate any Lien with respect thereto), except as permitted in this Agreement (in which case such release may be made by the Administrative Agent alone), (8) release all or substantially all of the value of the guarantees made by the Guarantors, except to the extent the release of any Guarantor from the Guaranty is permitted pursuant to Section 9.10 (in which case such release may be made by the Administrative Agent acting alone), (9) (x) subordinate, or have the effect of subordinating, the Obligations hereunder to any other Indebtedness or (y) subordinate the Lien securing the Obligations to any other Indebtedness or permit any other Indebtedness to be secured by a Lien on the Collateral on a senior basis relative to the Liens on the Collateral securing the Obligations (it being understood that this clause (9) shall not apply to any debtor-in-possession financing provided by the Lenders (or any of them), so long as all the Lenders, including the Second Amendment Revolving Lenders hereunder, are provided the opportunity to ratably participate in such debtor-in-possession financing), or (10) directly and materially adversely affect the rights of Second Amendment Revolving Lenders differently from the rights of Lenders holding Commitments or Loans of any other Class; provided, further, that each Second Amendment Revolving Lender shall receive its ratable portion of any fee received in respect of any such amendment, modification, waiver or consent.

(h) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Second Amendment Revolving Lender hereby agrees that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliate of the Borrower, such Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Lender with respect to the Revolving Loans under the Second Amendment Revolving Commitment held by such Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative

Agent instructs such Lender to vote, in which case such Lender shall vote with respect to the Revolving Loans under the Second Amendment Revolving Commitment held by it as the Administrative Agent directs; provided that such Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Lender in a disproportionately adverse manner to such Lender than the proposed treatment of similar Obligations held by Lenders that are not Lenders that are Affiliates of the Borrower.

The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuers; provided, however, that the foregoing shall not prohibit (i) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (ii) any L/C Issuer or the Swingline Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer or Swingline Lender, as the case may be) hereunder and under the other Loan Documents, (iii) any Lender from exercising setoff rights in accordance with Section 11.08 (subject to the terms of Section 2.13) or (iv) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (A) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (B) in addition to the matters set forth in clauses (ii), (iii) and (iv) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

The obligations of the Lenders and the L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Secured Obligations and the termination of this Agreement.

11.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement and the other Loan Documents shall be binding upon and inure to the benefit of the parties hereto and thereto and their respective successors and assigns permitted hereby, except neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent, each L/C Issuer, the Swingline Lender and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 11.06(b), (ii) by way of participation in accordance with the provisions of Section 11.06(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 11.06(e) (and any other attempted assignment or transfer by any party hereto shall be null and void). (b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitments) and the Loans (including for purposes of this clause (b), participations in L/C Obligations and in Swingline Loans) at the time owing to it; provided that (in each case with respect to any Facility) any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and/or the Loans at the time owing to it (in each case with respect to any Facility) or contemporaneous assignments to related Approved Funds (determined after giving effect to such assignments) that equal at least the amount specified in clause (b)(i)(B) of this Section 11.06 in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans and/or the Commitment assigned, except that this clause (b)(ii) shall not (A) apply to the Swingline Lender's rights and obligations in respect of Swingline Loans or (B) prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by clause (b)(i)(B) of this Section 11.06 and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required for any assignment to a Competitor, and for any other assignment, provided, that the consent of the Borrower shall not be required in connection with an assignment to a non-Competitor if (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; and provided, further, that the Borrower's consent shall not be required during the primary syndication of the Facilities;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (1) any unfunded Term Commitment ~~or~~, any Initial Revolving Commitment or Second Amendment Revolving Commitment if such assignment is to a Person that is not a Lender with a Commitment in respect of the applicable Facility, an Affiliate of such Lender or an Approved Fund with respect to such Lender or (2) any Term Loan to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the consent of each L/C Issuer and the Swingline Lender shall be required for any assignment in respect of the Revolving Facility. under the Initial Revolving Commitments; and

(D) unless an Event of Default under Section 8.04(g) or (h) shall have occurred, the consent of the Required Initial Revolving Lenders shall be required for any assignment in respect of the Revolving Facility under the Second Amendment Revolving Commitments to any Person that does not already hold Second Amendment Revolving Commitments or any of such Person's Affiliates other than operating companies.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub-participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, any L/C Issuer or any Lender hereunder (and interest accrued thereon) and (B) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under Applicable Law without compliance with the provisions of this clause (b), (vi), then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(vii) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 11.06(c), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 with respect to facts and circumstances occurring prior to the effective date of such assignment); provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Upon request, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.06(d).

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for Tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it (or the equivalent thereof in electronic form) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and interest amounts) of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender (with respect to such Lender's interest only), at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register.

(d) Participations.

(i) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of one or more natural Persons, a Defaulting Lender or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant")

in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swingline Loans) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, the Lenders and the L/C Issuers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 11.04(c) without regard to the existence of any participations.

(ii) Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 11.01 that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations therein, including the requirements under Section 3.01(e) (it being understood that the documentation required under Section 3.01(e) shall be delivered to the Lender who sells the participation)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 11.06; provided that such Participant (A) shall be subject to the provisions of Sections 3.06 and 11.13 as if it were an assignee under clause (b) of this Section 11.06 and (B) shall not be entitled to receive any greater payment under Sections 3.01 or 3.04, with respect to any participation, than the Lender from whom it acquired the applicable participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.06 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for Tax purposes), maintain a register on which it enters the name and address of each Participant and the principal amounts (and interest amounts) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury Regulations (or, in each case, any amended, successor or final version thereof). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note or Notes, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Resignation as L/C Issuer or Swingline Lender after Assignment. Notwithstanding anything to the contrary contained herein, if at any time any L/C Issuer or the Swingline Lender assigns all of its Initial Revolving Commitment and Revolving Loans pursuant to clause (b) above, such L/C Issuer or Swingline Lender may, (i) upon thirty (30) days' notice to the Administrative Agent, the Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon thirty (30) days' notice to the Borrower, resign as Swingline Lender. In the event of any such resignation as L/C Issuer or Swingline Lender, the Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swingline Lender hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of such L/C Issuer or Swingline Lender as L/C Issuer or Swingline Lender, as the case may be. If an L/C Issuer resigns, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If a Swingline Lender resigns, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swingline Lender, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as the case may be, and (B) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the applicable retiring L/C Issuer to effectively assume the obligations of the applicable retiring L/C Issuer with respect to such Letters of Credit.

11.07 Treatment of Certain Information; Confidentiality.

(a) Treatment of Certain Information. Each of the Administrative Agent, the Lenders and the L/C Issuers agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its Affiliates, its auditors and its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority,

such as the National Association of Insurance Commissioners), (iii) to the extent required by Applicable Law or regulations or by any subpoena or similar legal process, (iv) to any other party hereto, (v) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (vi) subject to an agreement containing provisions substantially the same as those of this Section 11.07, to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement or any Eligible Assignee invited to be a Lender pursuant to Section 2.16(e) or Section 11.06 or (B) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder, (vii) on a confidential basis to (A) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided hereunder or (B) the provider of any Platform or other electronic delivery service used by the Administrative Agent, the L/C Issuers and/or the Swingline Lender to deliver Borrower Materials or notices to the Lenders or (viii) the CUSIP Service Bureau or any similar agency in connection with the application, issuance, publishing and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities provided hereunder, or (ix) with the consent of the Borrower or to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 11.07, (xi) becomes available to the Administrative Agent, any Lender, any L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower or (xii) is independently discovered or developed by a party hereto without utilizing any Information received from the Borrower or violating the terms of this Section 11.07. For purposes of this Section 11.07, “**Information**” means all information received from the Borrower or any Subsidiary relating to the Borrower or any Subsidiary or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or any L/C Issuer on a non-confidential basis prior to disclosure by the Borrower or any Subsidiary, provided that, in the case of information received from the Borrower or any Subsidiary after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 11.07 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent and the Lenders in connection with the administration of this Agreement, the other Loan Documents and the Commitments.

(b) Non-Public Information. Each of the Administrative Agent, the Lenders and the L/C Issuers acknowledges that (i) the Information may include material non-public information concerning a Loan Party or a Subsidiary, as the case may be, (ii) it has developed compliance procedures regarding the use of material non-public information and (iii) it will handle such material non-public information in accordance with Applicable Law, including United States federal and state securities Laws.

(c) Press Releases. The Loan Parties and their Affiliates agree that they will not in the future issue any press releases or other public disclosure using the name of the

Administrative Agent or any Lender or their respective Affiliates or referring to this Agreement or any of the Loan Documents without the prior written consent of the Administrative Agent, unless (and only to the extent that) the Loan Parties or such Affiliate is required to do so under law (including required filings with the SEC) and then, in any event the Loan Parties or such Affiliate will consult with such Person before issuing such press release or other public disclosure.

(d) Customary Advertising Material. The Loan Parties consent to the publication by the Administrative Agent or any Lender of customary advertising material relating to the transactions contemplated hereby using the name, product photographs, logos and/or trademarks of the Loan Parties.

11.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, each L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time to the fullest extent permitted by Applicable Law to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, such L/C Issuer or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, such L/C Issuer or such Affiliates, irrespective of whether or not such Lender, such L/C Issuer or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured, secured or unsecured, or are owed to a branch, office or Affiliate of such Lender or such L/C Issuer different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.15 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the L/C Issuers and the Lenders, and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each L/C Issuer and their respective Affiliates under this Section 11.08 are in addition to other rights and remedies (including other rights of setoff) that such Lender, such L/C Issuer or their respective Affiliates may have under Applicable Law. Each Lender and L/C Issuer agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by Applicable Law (the “*Maximum Rate*”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by Applicable Law, (a) characterize

any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.10 Integration; Effectiveness. This Agreement, the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent or any L/C Issuer, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

11.11 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

11.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 11.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the L/C Issuers or the Swingline Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

11.13 Replacement of Lenders.

(a) if the Borrower is entitled to replace a Lender pursuant to the provisions of Section 3.06, or if any Lender is a Defaulting Lender or a Non-Consenting Lender or if any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by,

Section 11.06), all of its interests, rights (other than its existing rights to payments pursuant to Sections 3.01 and 3.04) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

- (i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 11.06(b);
 - (ii) such Lender shall have received payment of an amount equal to 100% of the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);
 - (iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;
 - (iv) such assignment does not conflict with Applicable Law; and
 - (v) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent,
- (b) A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.
- (c) Each party hereto agrees that (i) an assignment required pursuant to this Section 11.13 may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided, that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided further that any such documents shall be without recourse to or warranty by the parties thereto.
- (d) Notwithstanding anything in this Section 11.13 to the contrary, (i) the Lender that acts as an L/C Issuer may not be replaced hereunder at any time it has any Letter of Credit outstanding hereunder unless arrangements satisfactory to such Lender (including the furnishing of a backstop standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to the applicable L/C Issuer or the depositing of Cash Collateral into a Cash Collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to such outstanding Letter of Credit and (ii) the Lender

that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.06.

11.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE ADMINISTRATIVE AGENT, ANY LENDER, ANY L/C ISSUER, OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, ANY LENDER OR ANY L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN CLAUSE (b) OF THIS

SECTION 11.14. THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) **SERVICE OF PROCESS.** EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN **SECTION 11.02**. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (a) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (b) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.15.

11.16 [Reserved].

11.17 [Reserved].

11.18 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and each other Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) (i) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arranger and the Lenders and their respective Affiliates are arm's-length commercial transactions between the Borrower, each other Loan Party and their respective Affiliates, on the one hand, and the Administrative Agent, the Arranger and the Lenders and their respective Affiliates, on the other hand, (ii) each of the Borrower and the other Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Borrower and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b) (i) the Administrative Agent, the Arranger and each Lender and each of their respective Affiliates each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary, for the Borrower, any other Loan Party or any of their respective Affiliates, or any other Person and (ii) neither the Administrative Agent, the Arranger, nor any

Lender nor any of their respective Affiliates has any obligation to the Borrower, any other Loan Party or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Administrative Agent, the Arranger and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Arranger, nor any Lender nor any of their respective Affiliates has any obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Arranger, the Lenders and their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

11.19 Electronic Execution; Electronic Records; Counterparts.

(a) This Agreement, any Loan Document and any other Communication, including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties and each of the Lender Parties agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on such Person to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Lender Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“**Electronic Copy**”), which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, neither the Administrative Agent, L/C Issuer nor Swingline Lender is under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by such Person pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent, L/C Issuer and/or Swingline Lender has agreed to accept such Electronic Signature, the Administrative Agent and each of the Lender Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party and/or any Lender Party without further verification and (b) upon the request of the Administrative Agent or any other Lender Party, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “**Electronic Record**” and “**Electronic Signature**” shall have the meanings assigned to them, respectively, by 15 DSC §7006, as it may be amended from time to time.

(b) Neither the Administrative Agent, L/C Issuer nor Swingline Lender shall be responsible for or have any duty to ascertain or inquire into the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent’s, L/C Issuer’s or Swingline Lender’s reliance on any Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means). The

Administrative Agent, L/C Issuer and Swingline Lender shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any Communication (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution or signed using an Electronic Signature) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

(c) Each of the Loan Parties and each Lender Party hereby waives (i) any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement or any other Loan Document based solely on the lack of paper original copies of this Agreement or such other Loan Document, and (ii) waives any claim against the Administrative Agent, each Lender Party and each Related Party for any liabilities arising solely from the Administrative Agent's and/or any Lender Party's reliance on or use of Electronic Signatures, including any liabilities arising as a result of the failure of the Loan Parties to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

11.20 USA Patriot Act Notice. Each Lender that is subject to the Patriot Act and the Beneficial Ownership Regulation and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower and the other Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "**Patriot Act**") and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Borrower and each other Loan Party, which information includes the name and address of the Borrower and each other Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower and each other Loan Party in accordance with the Patriot Act. The Borrower and each other Loan Party shall, promptly following a request by the Administrative Agent or any Lender, provide all such other documentation and information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations (including any Beneficial Ownership Certification) under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act and the Beneficial Ownership Regulation.

11.21 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Solely to the extent any Lender or L/C Issuer that is an Affected Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or L/C Issuer that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or L/C Issuer that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it

in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document: or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

11.22 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**”, and each such QFC, a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
