

Complete Solaria Announces an Equity Investment from Its Chairman

December 21, 2023 1:35 PM EST

FREMONT, Calif., Dec. 21, 2023 (GLOBE NEWSWIRE) -- [Complete Solaria, Inc.](#) ("Complete Solaria" or the "Company") (NASDAQ: CSLR), a leading solar technology, services, and installation company, today announced that T.J. Rodgers, Complete Solaria's chairman, had invested \$5 million in the company at the market price via private placement.

Rodgers said, "In Complete Solaria's third quarter report, based on our cost reductions and projected cash flow improvement, I wrote 'the company has become fundable by existing investors with acceptable dilution.' This latest investment will last the company well into 2024, despite the difficult solar market."

Forward-Looking Statements

This press release may contain certain forward-looking statements within the meaning of the federal securities laws with respect to the referenced transactions. These forward-looking statements generally are identified by the words "anticipate," "believe," "continue," "could," "estimate," "expect," "intend," "may," "might," "plan," "possible," "potential," "predict," "project," "should," "would," and similar expressions, but the absence of these words does not mean that a statement is not a forward-looking statement. Forward-looking statements are forecasts, predictions, projections and other statements about future events that are based on current expectations, hopes, beliefs, intentions, strategies and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this press release, including but not limited to: (i) risks that the sale of certain assets and other business items will not be completed on the terms set forth in the Asset Purchase Agreement or the ancillary agreements referenced in the Asset Purchase Agreement, if at all; (ii) the sale of assets disrupts current plans and operations of the companies or diverts managements' attention from Complete Solaria's business operations; (iii) the outcome of any legal proceedings that may be instituted in connection with the assets sale; (iv) the price of Complete Solaria's securities may be volatile due to a variety of factors, including changes in the applicable competitive or regulatory landscapes, variations in operating performance across competitors, changes in laws and regulations affecting Complete Solaria's business, and changes in the combined capital structure; (v) the ability to implement business plans, forecasts, and other expectations after the completion of the business combination, and identify and realize additional opportunities; (vi) the evolution of the markets in which Complete Solaria will compete.

The foregoing list of factors is not exhaustive. Readers should carefully consider the foregoing factors and the other risks and uncertainties described in the "Risk Factors" section of the registration statement on Form S-4 filed, which was declared effective by the Securities and Exchange Commission (the "SEC") on June 30, 2023. Such filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Complete Solaria assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.
