Item 8.01. Other Events.

On or about September 4, 2008, SunPower Corporation (the “Company”) mailed an Information Statement to its stockholders in connection with action taken by Cypress Semiconductor Corporation (“Cypress”), as the then holder of a majority of the voting power of the issued and outstanding voting securities of the Company, approving an amendment and restatement of the Company’s certificate of incorporation (as so amended, the “Restated Certificate”). The primary purposes of the amendments to the Company’s certificate of incorporation were to facilitate the spin-off by Cypress to its stockholders of the shares of the Company’s Class B common stock held by Cypress, which was completed on September 29, 2008. The Restated Certificate was filed with the Secretary of State of the State of Delaware, and thereby became effective, on September 25, 2008.

Pursuant to the Restated Certificate, effective as of the date the Internal Revenue Service (the “IRS”) issues a Supplemental Ruling (as defined below), the voting power of a holder of more than 15% of the Company’s outstanding shares of Class B common stock with respect to the election or removal of directors is restricted to 15% of the outstanding shares of Class B common stock, unless such holder of Class B common stock has an equivalent percentage of the Company’s outstanding Class A common stock. Because the restriction on the voting power of a holder of more than 15% of the Company’s Class B shares was not contemplated by the ruling Cypress received from the IRS regarding the spin-off, the Restated Certificate provided that this voting restriction would not become effective until such date (but would automatically be effective as of such date), if any, that the IRS issued a ruling (the “Supplemental Ruling”) that the effectiveness of the restriction will not prevent the favorable rulings received by Cypress with respect to certain tax issues arising under Section 355 of the Internal Revenue Code in connection with the spin-off from having full force and effect. On December 1, 2008, the IRS issued such Supplemental Ruling. Accordingly, as of December 1, 2008, the voting restriction provision of the Restated Certificate is effective.

The foregoing summary of the terms of the Restated Certificate is qualified in its entirety by reference to the full text of the form of the Restated Certificate, which was filed as Exhibit 99.1 to the Company’s current report on Form 8-K filed with the Securities and Exchange Commission on August 12, 2008 and is incorporated herein by reference.
