### **Forward-Looking Statements**

This press release may contain forward-looking statements within the meaning of the federal securities laws. In some cases, you can identify forward-looking statements because they contain words such as “will,” “plan,” “target,” “expect,” “focus,” “forecast,” “look forward,” “opportunity,” “believe,” “estimate,” “continue,” “anticipate,” and “pursue” or the negative of these terms or similar expressions. Forward-looking statements in this press release include, without limitation, our expectations regarding our Q1’25 financial performance, including with respect to our expectations as to when we achieve breakeven operating income. Actual results could differ materially from these forward-looking statements as a result of certain risks and uncertainties, including, without limitation, changes in the applicable competitive or regulatory landscapes, the ability to implement business plans and forecasts, and other risks and uncertainties applicable to

our business. Readers should carefully consider the foregoing factors and the other risks and uncertainties described in the “Risk Factors” section of our annual report on Form 10-K filed with the Securities and Exchange Commission (the “SEC”) on April 1, 2024, our quarterly reports on Form 10-Q filed with the SEC, and other documents that we have filed with, or will file with, the SEC. Forward-looking statements in this press release speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Complete Solar assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.
