Item 1.01 Entry into a Material Definitive Agreement

Note Purchase Agreements

On April 21, 2026, SunPower Inc. (the “**Company**”) entered into note purchase agreements (the “**Note Purchase Agreements**”) relating to the private offering (the “**Offering**”) of \$41,000,000 aggregate principal amount of the Company’s 10.00% Convertible Senior Secured Notes due 2029 (the “**Notes**”), including: (i) \$25,000,000 aggregate principal amount of Notes issuable to qualified institutional buyers; (ii) \$6,000,000 principal amount of Notes issuable to an entity affiliated with Thurman John “T.J.” Rodgers, the Company’s Chief Executive Officer and Chairman pursuant to a Note Purchase Agreement executed between the Company and such affiliated entity (the “**Affiliate Note Purchase Agreement**”) and in consideration for \$6,000,000 previously funded to the Company pursuant to simple agreements for future equity; and (iii) \$10,000,000 aggregate principal amount of Notes issuable in connection with the exchange of the promissory note originally issued by the Company to Chicken Parm Pizza LLC (“**CPP**”) on September 24, 2025 in connection with the Company’s acquisition of Sunder Energy (the “**Seller Note**”).

The proceeds of the Offering will be used to: (i) prepay \$5,000,000 principal amount of the convertible debenture previously issued by the Company to YA II PN, LTD (“**YA**”) on March 6, 2026 (the “**YA Debenture**”); (ii) pay \$4,750,000 pursuant to the Company’s settlement agreement with Siemens (as amended, the “**Siemens Settlement**”); (iii) pay \$4,000,000 to CPP in connection with the transactions under the CPP Note Purchase Agreement (as defined below); and (iv) pay approximately \$1,500,000 of fees and expenses incurred in connection with the Offering. The net proceeds of the Offering, after making the foregoing payments, are expected to be approximately \$9,750,000. The Company intends to use the net proceeds of the Offering for working capital and general corporate purposes, including the payoff of the remaining outstanding balance of the YA Debenture.

Also on April 21, 2026, the Company entered into a Note Purchase Agreement with CPP (the “**CPP Note Purchase Agreement**”) that provides for the following in exchange for the outstanding Seller Note (in addition to the issuance of \$10,000,000 principal amount of Notes to CPP as summarized above): (i) the Company’s payment of \$4,000,000 in cash to CPP at the closing under the CPP Note Purchase Agreement and (ii) the amendment and restatement of the outstanding Seller Note as further summarized below (the “**A&R Seller Note**”).

The Note Purchase Agreements otherwise contain representations and warranties, covenants and other terms customary for an Offering of this type.

The foregoing summaries of the Note Purchase Agreements are qualified in their entirety by reference to the copy of the form of Note Purchase Agreement, the Affiliate Note Purchase Agreement and the CPP Note Purchase Agreement attached as Exhibit 10.1, Exhibit 10.2 and Exhibit 10.3, respectively, to this Current Report on Form 8-K, and such Exhibit 10.1, Exhibit 10.2 and Exhibit 10.3 are incorporated herein by reference.

10% Convertible Senior Secured Notes due 2029 and Indenture

The Company will issue the Notes in the Offering pursuant to the terms and conditions of an Indenture (the “**Indenture**”) among the Company, the guarantor named therein, and U.S. Bank Trust Company, National Association, as trustee (in such capacity, the “**Trustee**”) and as collateral agent (in such capacity, the “**Collateral Agent**”). The Indenture will be executed in connection with the closing of the transactions under the Note Purchase Agreements. The following is a brief description of the terms of the Indenture and the Notes to be issued pursuant to the Indenture.

The Notes are senior, secured obligations of the Company and will mature on May 1, 2029, unless earlier converted, redeemed, or repurchased. Interest on the Notes will accrue at a rate of 10.00% per year from the first issuance date of the Notes and will be payable quarterly in arrears on April 1, July 1, October 1, and January 1 of each year, beginning on July 1, 2026. Holders of the Notes may convert all or any portion of their Notes at any time, in integral multiples of \$1,000 principal amount, for shares of common stock, \$0.0001 par value per share, of the Company (the “**Common Stock**”), at the option of the holder.

The conversion rate for the Notes will initially be 610.3143 shares of Common Stock per \$1,000 principal amount of Notes, which is equivalent to an initial conversion price of approximately \$1.64 per share of Common Stock. The initial conversion price of the Notes represents a premium of approximately 45% above the last reported sale price of the Common Stock on The Nasdaq Global Select Market on April 21, 2026. The conversion rate for the Notes is subject to adjustment from time to time in accordance with the terms of the Indenture. In addition, following certain corporate events that occur prior to the maturity date of the Notes, the Company will, under certain circumstances, increase the conversion rate of the Notes for a holder who elects to convert its Notes in connection with such a corporate event, subject to a maximum conversion rate of 884.9557 shares of Common Stock per \$1,000 principal amount of Notes. The Notes are not redeemable by the Company.

If the Company undergoes a Fundamental Change (as defined in the Indenture), then, subject to certain conditions and except as described in the Indenture, holders of the Notes may require the Company to repurchase for cash all or any portion of their Notes at a fundamental change repurchase price equal to 100% of the principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, to, but excluding, the fundamental change repurchase date.

Pursuant to the Indenture, the Company may not effect any conversion that will result in any holder thereof, together with certain persons specified in the Indenture, beneficially owning more than 9.99% of the Common Stock outstanding (the “*Exchange Cap*”), after giving effect to such conversion.

The Notes will be fully and unconditionally guaranteed by Complete Solar, Inc., a Delaware corporation and a wholly owned subsidiary of the Company (the “*Guarantor*”), subject to the terms of the Indenture. The Notes and related guarantees will be secured by first-priority liens on substantially all of the assets of the Company and the Guarantor, subject to certain exceptions.

The Indenture contains customary terms and conditions as well as various affirmative and negative covenants that, among other things, and in each case subject to certain exceptions, restrict the ability of the Company and its subsidiaries to incur additional indebtedness, pay dividends, repurchase stock, prepay junior or unsecured indebtedness or make certain investments. In addition, the Indenture contains limitations on the Company’s and its subsidiaries’ ability to dispose of certain assets, and, in certain circumstances, requires the Company to make an offer to repurchase the Notes using proceeds from certain asset sales at a price of par plus accrued and unpaid interest.

The Indenture includes customary covenants and sets forth certain events of default after which the Notes may be declared immediately due and payable and sets forth certain types of bankruptcy or insolvency events of default involving the Company after which the Notes become automatically due and payable, which include the following:

- certain payment defaults on the Notes (which, in the case of a default in the payment of interest on the Notes, will be subject to a 30-day cure period);
- failure by the Company to comply with its obligation to convert the Notes in accordance with the Indenture upon exercise of a holder’s conversion right;
- the Company’s failure to send certain notices under the Indenture within specified periods of time;
- the Company’s failure to comply with certain covenants in the Indenture relating to the Company’s ability to consolidate with or merge with or into, or sell, lease or otherwise transfer, in one transaction or a series of transactions, all or substantially all of the assets of the Company and its subsidiaries, taken as a whole, to another person;
- a default by the Company in its other obligations or agreements under the Indenture or the Notes if such default is not cured or waived within 60 days after notice is given in accordance with the Indenture;
- certain defaults by the Company or any of its significant subsidiaries with respect to (y) the liens securing the Company’s payment obligations under Siemens Settlement, or (z) indebtedness for borrowed money of at least \$10.0 million;
- certain events of bankruptcy, insolvency or reorganization of the Company or any of the Company’s significant subsidiaries;

- a final judgment or judgments for the payment of \$10,000,000 (or its foreign currency equivalent) or more (excluding any amounts covered by insurance) in the aggregate rendered against the Company or any significant subsidiary, which judgment is not discharged, bonded, paid, waived or stayed within 60 days after (i) the date on which the right to appeal thereof has expired if no such appeal has commenced, or (ii) the date on which all rights to appeal have been extinguished;
- any security interest and liens purported to be created by any collateral document, including the Security Agreement (as defined below), shall cease to be in full force and effect or shall cease to give the Collateral Agent, for the benefit of the Secured Parties, the liens, rights, powers and privileges purported to be created and granted under such collateral documents, subject to certain exceptions; and
- a guarantee with respect to the Notes ceases to be in full force and effect or the Company or any Guarantor denies or disaffirms its obligations under the Indenture or any guarantee with respect to the Notes.

If certain bankruptcy and insolvency-related events of default occur with respect to the Company, the principal of, and accrued and unpaid interest, if any, on, all of the Notes then outstanding shall automatically become due and payable. If an event of default with respect to the Notes, other than certain bankruptcy and insolvency-related events of default with respect to the Company, occurs and is continuing, the Trustee, by notice to the Company, or the holders of at least 25% in principal amount of the outstanding Notes by notice to the Company and the Trustee, may declare 100% of the principal of, and accrued and unpaid special interest, if any, on, all the outstanding Notes to be due and payable. Notwithstanding the foregoing, the Indenture provides that, to the extent the Company so elects, the sole remedy for an event of default relating to certain failures by the Company to comply with certain reporting covenants in the Indenture will, for the first 365 days after the occurrence of such an event of default, consist exclusively of the right to receive additional interest on the Notes.

The Indenture provides that the Company shall not consolidate with or merge with or into, or sell, convey, transfer or lease all or substantially all of the consolidated properties and assets of the Company and its subsidiaries, taken as a whole, to, another person (other than any such sale, conveyance, transfer or lease to one or more of the Company's direct or indirect wholly owned subsidiaries), unless, among other conditions: (i) the resulting, surviving or transferee person (if not the Company) is a "qualified successor entity" (as defined in the Indenture) organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, and such corporation (if not the Company) expressly assumes by supplemental indenture all of the Company's obligations under the Notes and the Indenture; (ii) the property and assets of the person which is merged or consolidated with or into the successor entity, as applicable, are treated as after-acquired property, to the extent required under the Indenture, and the successor entity takes all reasonably necessary action to make such property and assets subject to the lien securing the Notes; and (iii) immediately after giving effect to such transaction, no default or event of default has occurred and is continuing under the Indenture.

The foregoing summary of the Indenture and the Notes is qualified in its entirety by reference to the copy of the form of Indenture and the form of Note attached as Exhibit 4.1 and Exhibit 4.2, respectively, to this Current Report on Form 8-K, and such Exhibit 4.1 and Exhibit 4.2 are incorporated herein by reference.

Pledge and Security Agreement

In connection with the issuance of the Notes under the Indenture, the Company, the Guarantor and the Collateral Agent will enter into a Pledge and Security Agreement (the "**Security Agreement**"). Pursuant to the Security Agreement, the Notes will be secured by a first-priority security interest in substantially all of the assets of the Company and any Guarantor, subject to certain exceptions and permitted liens, including the liens granted pursuant to the Siemens Settlement.

The description of the Security Agreement is qualified in its entirety by reference to the copy of the form of Security Agreement, attached as Exhibit 10.4 to this Current Report on Form 8-K, and such Exhibit 10.4 is incorporated herein by reference.

A&R Seller Note

Pursuant to the CPP Note Purchase Agreement, CPP and the Company agreed to amend and restate the Seller Note as provided in the A&R Seller Note. The A&R Seller Note will be issued at the closing of the transactions under the CPP Note Purchase Agreement. The A&R Seller Note will have a revised principal amount of \$7,000,000 and will bear interest at 7.0% per annum, compounded quarterly; provided, however, the interest rate will increase to 10.0% per annum on May 15, 2026. The outstanding principal and accrued interest under the A&R Seller Note will be paid in four payments in October 15, 2026, November 15, 2026, December 15, 2026 and January 15, 2027, as set forth in the repayment schedule attached to the A&R Seller Note. The A&R Seller Note will mature on the earlier of January 31, 2027 and the date on which all amounts under the A&R Seller Note otherwise become due and payable; provided, however, if certain restrictive provisions under the YA Debenture (the “**Restrictive Provisions**”) prohibit the Company from making payments on the A&R Seller Note, then the maturity date will be the earlier of (i) the date that is two business days after the date on which the Restrictive Provisions no longer apply and (ii) January 31, 2027. The A&R Seller Note is an unsecured obligation of the Company.

The A&R Seller Note must also be repaid in the event of a change of control of the Company or the sale of all or substantially all of the consolidated assets of the Company and its subsidiaries. The A&R Seller Note includes customary events of default, including: (i) the Company’s failure to pay the A&R Seller Note when due; (ii) the Company’s voluntary or involuntary bankruptcy; (iii) the Company’s liquidation or dissolution; (iv) a change of control of the Company; (v) the Company’s material breach of the covenants applicable to the Company under the A&R Seller Note, subject to applicable cure periods; and (vi) if any of the Company’s representations or warranties made in the A&R Seller Note were untrue in any material respect when made.

The foregoing summary of the A&R Seller Note is qualified in its entirety by reference to the form of A&R Seller Note attached as Exhibit 4.3 to this Current Report on Form 8-K, and such Exhibit 4.3 is incorporated herein by reference.

YA Letter

On April 21, 2026, in connection with the Offering, the Company and YA entered into a letter agreement (the “**YA Letter**”). Pursuant to the YA Letter, the Company agreed to voluntarily prepay \$5,000,000 of the outstanding principal amount of YA Debenture, resulting in a revised outstanding principal balance under the YA Debenture of \$5,000,000. The Company further agreed to repay the remaining principal balance and accrued interest under the YA Debenture in four equal monthly installments of \$1,287,000, with the first payment due on May 5, 2026. Pursuant to the YA Letter, YA further consented to the issuance of the Notes and the grant of the liens pursuant to the Security Agreement.

The foregoing summary of the YA Letter is qualified in its entirety by reference to the YA Letter attached as Exhibit 10.5 to this Current Report on Form 8-K, and such Exhibit 10.5 is incorporated herein by reference.

Exchange Agreements

On April 21, 2026, the Company entered into separately- and privately- negotiated exchange agreements (the “**Exchange Agreements**”) with certain holders of its 7.0% Convertible Senior Notes due 2029 (the “**7.0% Notes**”) to repurchase \$21,250,000 aggregate principal amount of outstanding 7.0% Notes in exchange for (i) an aggregate of 18,805,310 shares of Common Stock and (ii) approximately \$456,438 of accrued interest payable under the exchanged 7.0% Notes (collectively, the “**Exchange Transactions**”). The Exchange Transactions are expected to close concurrently with the closing of the Offering.

The foregoing summary of the Exchange Agreements is qualified in its entirety by reference to the copy of the form of Exchange Agreement attached as Exhibit 10.6 to this Current Report on Form 8-K, and such Exhibit 10.6 is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth under Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

The Company will issue the Notes, the A&R Seller Note and the shares of Common Stock issuable pursuant to the Exchange Transactions (the “*Exchange Shares*”) in reliance upon the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the “*Securities Act*”).

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall such securities be offered or sold in the United States absent registration or an applicable exemption from the registration requirements and certificates evidencing such shares contain a legend stating the same.

The Notes and the shares of Common Stock issuable upon conversion of the Notes, if any, the A&R Seller Note and the Exchange Shares have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

To the extent that any shares of Common Stock are issued upon conversion of the Notes, they will be issued in transactions anticipated to be exempt from registration under the Securities Act by virtue of Section 3(a)(9) thereof because no commission or other remuneration is expected to be paid in connection with conversion of the Notes and any resulting issuance of shares of Common Stock. Initially, a maximum of 36,283,184 shares of the Common Stock may be issued upon conversion of the Notes based on the initial maximum conversion rate of 884.9557 shares of Common Stock per \$1,000 principal amount of Notes, which is subject to customary anti-dilution adjustment provisions.

(b) So long as the Notes are eligible for book-entry settlement with the Depository, unless otherwise required by law, subject to the fifth paragraph from the end of Section 2.05(c) all Notes shall be represented by one or more Notes in global form (each, a “**Global Note**”) registered in the name of the Depository or the nominee of the Depository; *provided, however*, any Notes issued to accredited investors who are not qualified institutional buyers shall be issued as Physical Notes. Each Global Note shall bear the legend required on a Global Note set forth in Exhibit A hereto. The transfer and exchange of beneficial interests in a Global Note that does not involve the issuance of a Physical Note shall be effected through the Depository (but not the Trustee or the Custodian) in accordance with this Indenture (including the restrictions on transfer set forth herein) and the applicable procedures of the Depository therefor.

(c) Every Note (other than an Affiliate Note) that bears or is required under this Section 2.05(c) to bear the Restrictive Notes Legend (together with any Common Stock issued upon conversion of the Notes that is required to bear the legend set forth in Section 2.05(d), collectively, the “**Restricted Securities**”) shall be subject to the restrictions on transfer set forth in this Section 2.05(c) (including those contained in the Restrictive Notes Legend set forth below), unless such restrictions on transfer shall be eliminated or otherwise waived by written consent of the Company, and the Holder of each such Restricted Security, by such Holder’s acceptance thereof, agrees to be bound by all such restrictions on transfer. As used in this Section 2.05(c) and Section 2.05(d), the term “**transfer**” encompasses any sale, pledge, transfer or other disposition whatsoever of any Restricted Security or any Affiliate Note.

Any certificate evidencing a Note (and all securities issued in exchange therefor or substitution thereof, other than Common Stock, if any, issued upon conversion thereof, which shall bear the legend set forth in Section 2.05(d), if applicable) shall bear a legend in substantially the following form (the “**Restrictive Notes Legend**”) (unless (w) such Notes have been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, (x) such Notes have been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, (y) otherwise agreed by the Company in writing, with notice thereof to the Trustee), or (z) such Note is an Affiliate Note, in which case it shall bear the Affiliate Restrictive Notes Legend):

THIS SECURITY AND THE COMMON STOCK, IF ANY, ISSUABLE UPON CONVERSION OF THIS SECURITY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “**SECURITIES ACT**”), AND ACCORDINGLY MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER:

(1) REPRESENTS THAT IT AND ANY ACCOUNT FOR WHICH IT IS ACTING IS A “QUALIFIED INSTITUTIONAL BUYER” (WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT) AND THAT IT EXERCISES SOLE INVESTMENT DISCRETION WITH RESPECT TO EACH SUCH ACCOUNT, AND

(2) AGREES FOR THE BENEFIT OF SUNPOWER INC. (THE “**COMPANY**”) THAT IT WILL NOT OFFER, SELL, PLEDGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN, EXCEPT:

(A) TO THE COMPANY OR ANY SUBSIDIARY THEREOF, OR

(B) PURSUANT TO A REGISTRATION STATEMENT THAT HAS BECOME EFFECTIVE UNDER THE SECURITIES ACT AND IS EFFECTIVE AT THE TIME OF SUCH TRANSFER, OR

(C) TO A PERSON REASONABLY BELIEVED TO BE A QUALIFIED INSTITUTIONAL BUYER IN COMPLIANCE WITH RULE 144A UNDER THE SECURITIES ACT, OR

(D) PURSUANT TO AN EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT OR ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH CLAUSE (2)(D), ABOVE, THE COMPANY AND THE TRUSTEE RESERVE THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER FOR THE COMPANY TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

No transfer of any Note will be registered by the Note Registrar unless the appropriate box on the Form of Assignment and Transfer has been checked and such transfer complies with the transfer restrictions set forth in this [Section 2.05\(c\)](#) and the Restrictive Notes Legend. Any Affiliate Note will bear the Affiliate Restrictive Notes Legend at any time the Company determines that, to comply with law, such Note should bear the Affiliate Restrictive Notes Legend. No Affiliate Note may be exchanged for, or transferred with the Holder taking delivery in the form of, any Note that is not an Affiliate Note, except as described in the immediately succeeding paragraph.

Any Note (including any Physical Note other than an Affiliate Note) (or security issued in exchange or substitution thereof) (i) that has been transferred pursuant to a registration statement that has become effective or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (ii) that has been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, may, upon surrender of such Note for exchange to the Note Registrar in accordance with the provisions of this [Section 2.05](#), be exchanged for a new Note or Notes, of like tenor and aggregate principal amount, which shall not bear the Restrictive Notes Legend and shall not be assigned a restricted CUSIP number. The Company shall be entitled to instruct the Custodian in writing to so surrender any Global Note as to which any of the conditions set forth in clause (i) and (ii) of the immediately preceding sentence have been satisfied, and, upon such instruction, the Custodian shall so surrender such Global Note for exchange; and any new Global Note so exchanged therefor shall not bear the Restrictive Notes Legend and shall not be assigned a restricted CUSIP number. The Company shall promptly notify the Trustee after a registration statement, if any, with respect to the Notes or any Common Stock issued or issuable upon conversion of the Notes has been declared effective under the Securities Act.

Any Affiliate Note (i) that has been transferred to a non-Affiliate of the Company pursuant to a registration statement that has become effective or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (ii) that has been sold to a non-Affiliate of the Company pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, shall cease to be an Affiliate Note upon such transfer and, upon surrender of such Affiliate Note for exchange to the Note Registrar in accordance with the provisions of this [Section 2.05](#), be exchanged for a new Note or Notes, of like tenor and aggregate principal amount, which shall not bear the Affiliate Restrictive Notes Legend and shall not be assigned a restricted CUSIP number. The Company shall be entitled to instruct the Custodian in writing to so surrender any Affiliate Note as to which any of the conditions set forth in clause (i) and (ii) of the immediately preceding paragraph have been satisfied, and, upon such instruction, the Custodian shall so surrender such Affiliate Note for exchange; and any new Physical Note so exchanged therefor shall not bear the Restrictive Notes Legend specified in this [Section 2.05\(c\)](#) and shall not be assigned a restricted CUSIP number. The Company shall promptly notify the Trustee in writing after a registration statement, if any, with respect to the Affiliate Notes or any Common Stock issued upon conversion of the Affiliate Notes has been declared effective under the Securities Act.

In addition, any Affiliate Note that has been transferred to a non-Affiliate of the Company, upon surrender of such Affiliate Note for exchange to the Note Registrar in accordance with the provisions of this Section 2.05, may be exchanged for a new Note or Notes, of like tenor and aggregate principal amount, which shall bear the Restrictive Notes Legend required by this Section 2.05(c) and *provided* that such Note or Notes would then be eligible for resale under Rule 144 (without regard to Rule 144(c)(1) but including the satisfaction of a six-months holding period requirement under Rule 144(d)(1)).

Notwithstanding any other provisions of this Indenture (other than the provisions set forth in this Section 2.05(c)), a Global Note may not be transferred as a whole or in part except (i) by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository and (ii) for exchange of a Global Note or a portion thereof for one or more Physical Notes in accordance with the second immediately succeeding paragraph.

The Depository shall be a clearing agency registered under the Exchange Act. The Company initially appoints The Depository Trust Company to act as Depository with respect to each Global Note. Initially, each Global Note shall be issued to the Depository, registered in the name of Cede & Co., as the nominee of the Depository, and deposited with the Trustee as custodian for Cede & Co.

If (i) the Depository notifies the Company at any time that the Depository is unwilling or unable to continue as depository for the Global Notes and a successor Depository is not appointed within 90 days, (ii) the Depository ceases to be registered as a clearing agency under the Exchange Act and a successor Depository is not appointed within 90 days or (iii) an Event of Default with respect to the Notes has occurred and is continuing and, subject to the Depository's applicable procedures, a beneficial owner of any Note requests that its beneficial interest therein be issued as a Physical Note, the Company shall execute, and the Trustee, upon receipt of an Officer's Certificate and a Company Order for the authentication and delivery of Notes, shall authenticate and deliver (x) in the case of clause (iii), a Physical Note to such beneficial owner in a principal amount equal to the principal amount of such Note corresponding to such beneficial owner's beneficial interest and (y) in the case of clause (i) or (ii), Physical Notes to each beneficial owner of the related Global Notes (or a portion thereof) in an aggregate principal amount equal to the aggregate principal amount of such Global Notes in exchange for such Global Notes, and upon delivery of the Global Notes to the Trustee such Global Notes shall be cancelled.

Physical Notes issued in exchange for all or a part of the Global Note pursuant to this Section 2.05(c) shall be registered in such names and in such authorized denominations as the Depository, pursuant to instructions from its direct or indirect participants or otherwise, or, in the case of clause (iii) of the immediately preceding paragraph, the relevant beneficial owner, shall instruct the Trustee in writing. Upon execution and authentication, the Trustee shall deliver such Physical Notes to the Persons in whose names such Physical Notes are so registered. Notwithstanding the foregoing, no Affiliate Note that is a Physical Note and no Physical Note that is held by a Holder that is not a qualified institutional buyer may be transferred into a Global Note other than a Global Note representing solely Affiliate Notes or such Physical Notes, as applicable, other than in connection with a transfer to a Person other than the Company or an Affiliate in accordance with the Affiliate Restrictive Notes Legend or the Restrictive Notes Legend, as applicable.

At such time as all interests in a Global Note have been converted, cancelled, repurchased, redeemed or transferred, such Global Note shall be, upon receipt thereof, cancelled by the Trustee in accordance with standing procedures and existing instructions between the Depository and the Custodian. At any time prior to such cancellation, if any interest in a Global Note is exchanged for Physical Notes, converted, cancelled, repurchased, redeemed or transferred to a transferee who receives Physical Notes therefor or any Physical Note is exchanged or transferred for part of such Global Note, the principal amount of such Global Note shall, in accordance with the standing procedures and instructions existing between the Depository and the Custodian, be appropriately reduced or increased, as the case may be, and an endorsement shall be made on such Global Note, by the Trustee or the Custodian, at the direction of the Trustee, to reflect such reduction or increase.

None of the Company, the Trustee or any agent of the Company or the Trustee (including in its capacity as Paying Agent) shall have any responsibility or liability for any act or omission of the Depository or for the payment of amounts to owners of beneficial interest in a Global Note, for any aspect of the records relating to or payments made on account of those interests by the Depository, or for maintaining, supervising or reviewing any records of the Depository relating to those interests.

The Trustee, Note Registrar and transfer agent shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer or exchange imposed under this Indenture or under applicable law with respect to any transfer or exchange of any interest in any Note (including any transfers between or among participants or other beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(d) Any stock certificate representing Common Stock issued upon conversion of a Note shall bear a legend in substantially the following form (unless (v) such Common Stock has been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, (w) such Common Stock has been transferred pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, (x) such Common Stock has been issued upon conversion of a Note that has been transferred (I) pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or (II) pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, (y) otherwise agreed by the Company with written notice thereof to the Trustee and any transfer agent for the Common Stock or (z) such Common Stock was issued upon conversion of an Affiliate Note, in which case it shall bear the Affiliate Restrictive Stock Legend):

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER:

(1) REPRESENTS THAT IT AND ANY ACCOUNT FOR WHICH IT IS ACTING IS AN “ACCREDITED INVESTOR” (WITHIN THE MEANING OF RULE 501 UNDER THE SECURITIES ACT) AND THAT IT EXERCISES SOLE INVESTMENT DISCRETION WITH RESPECT TO EACH SUCH ACCOUNT, AND

(2) AGREES FOR THE BENEFIT OF SUNPOWER INC. (THE “COMPANY”) THAT IT WILL NOT OFFER, SELL, PLEDGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN, EXCEPT:

(A) TO THE COMPANY OR ANY SUBSIDIARY THEREOF, OR

(B) PURSUANT TO A REGISTRATION STATEMENT WHICH HAS BECOME EFFECTIVE UNDER THE SECURITIES ACT, OR

(C) TO A PERSON REASONABLY BELIEVED TO BE A QUALIFIED INSTITUTIONAL BUYER IN COMPLIANCE WITH RULE 144A UNDER THE SECURITIES ACT, OR

(D) PURSUANT TO AN EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT OR ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH CLAUSE (2)(D) ABOVE, THE COMPANY AND THE TRANSFER AGENT FOR THE COMPANY’S COMMON STOCK RESERVE THE RIGHT TO REQUIRE THE DELIVERY OF SUCH CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

Any such Common Stock (other than Common Stock issued upon conversion of an Affiliate Note) (i) that has been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (ii) that has been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, shall, upon surrender of the certificates representing such shares of Common Stock for exchange in accordance with the procedures of the transfer agent for the Common Stock, be exchanged for a new certificate or certificates for a like aggregate number of shares of Common Stock, which shall not bear the restrictive legend required by this Section 2.05(d).

Any stock certificate representing Common Stock issued upon conversion of an Affiliate Note shall bear a legend in substantially the following form (the “**Affiliate Restrictive Stock Legend**”) (unless (x) such Common Stock has been transferred to a non-Affiliate of the Company pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, (y) such Common Stock has been transferred to a non-Affiliate of the Company pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act or (z) otherwise agreed by the Company with written notice thereof to the Trustee and any transfer agent for the Common Stock):

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “**SECURITIES ACT**”), AND ACCORDINGLY, MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER:

(1) REPRESENTS THAT IT AND ANY ACCOUNT FOR WHICH IT IS ACTING IS AN “ACCREDITED INVESTOR” (WITHIN THE MEANING OF RULE 501 UNDER THE SECURITIES ACT) AND THAT IT EXERCISES SOLE INVESTMENT DISCRETION WITH RESPECT TO EACH SUCH ACCOUNT, AND

(2) AGREES FOR THE BENEFIT OF SUNPOWER INC. (THE “**COMPANY**”) THAT IT WILL NOT OFFER, SELL, PLEDGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN, EXCEPT:

(A) TO THE COMPANY OR ANY SUBSIDIARY THEREOF;

(B) PURSUANT TO, AND IN ACCORDANCE WITH, A REGISTRATION STATEMENT THAT IS EFFECTIVE UNDER THE SECURITIES ACT AT THE TIME OF SUCH TRANSFER;

(C) TO A QUALIFIED INSTITUTIONAL BUYER IN COMPLIANCE WITH RULE 144A UNDER THE SECURITIES ACT; OR

(D) UNDER ANY OTHER AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT (INCLUDING, IF AVAILABLE, THE EXEMPTION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT).

WITH RESPECT TO ANY TRANSFER PURSUANT TO THE FOREGOING CLAUSE (D), THE COMPANY AND THE COMPANY’S TRANSFER AGENT RESERVE THE RIGHT TO REQUIRE THE DELIVERY OF SUCH CERTIFICATIONS, LEGAL OPINIONS OR OTHER INFORMATION AS THEY MAY REASONABLY REQUIRE AND MAY RELY UPON TO CONFIRM THAT SUCH TRANSFER IS BEING MADE PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

Any shares of Common Stock issued upon conversion of an Affiliate Note will be issued in certificated form (or in book-entry form on the books of the Company's transfer agent) and will bear the Affiliate Restrictive Stock Legend at any time the Company reasonably determines that, to comply with law, such shares of Common Stock must bear the Affiliate Restrictive Stock Legend.

Any such Common Stock issued upon conversion of an Affiliate Note (i) that has been transferred to a non-Affiliate of the Company pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (ii) that has been sold a non-Affiliate of the Company pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, shall, upon surrender of the certificates representing such shares of Common Stock for exchange in accordance with the procedures of the transfer agent for the Common Stock, be exchanged for a new certificate or certificates for a like aggregate number of shares of Common Stock, which shall not bear the Affiliate Restrictive Stock Legend required by this Section 2.05(d).

(e) Any Note (other than an Affiliate Note) or Common Stock issued upon the conversion or exchange of a Note (other than an Affiliate Note) that is repurchased or owned by the Company or any Affiliate of the Company (or any Person who was an Affiliate of the Company at any time during the three months immediately preceding) may not be resold by the Company or such Affiliate (or such Person, as the case may be) unless registered under the Securities Act or resold pursuant to an exemption from the registration requirements of the Securities Act in a transaction that results in such Note or Common Stock, as the case may be, no longer being a "restricted security" (as defined under Rule 144). The Company shall cause any Note that is repurchased or owned by it to be surrendered to the Trustee for cancellation in accordance with Section 2.08.

Section 2.06. *Mutilated, Destroyed, Lost or Stolen Notes*. In case any Note shall become mutilated or be destroyed, lost or stolen, the Company in its discretion may execute, and upon its written request the Trustee or an authenticating agent appointed by the Trustee shall authenticate and deliver, a new Note, bearing a registration number not contemporaneously outstanding, in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. In every case the applicant for a substituted Note shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless from any loss, claim, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Company, to the Trustee and, if applicable, to such authenticating agent evidence to their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

The Trustee or such authenticating agent may authenticate any such substituted Note and deliver the same upon the receipt of such security or indemnity as the Trustee, the Company and, if applicable, such authenticating agent may require. No service charge shall be imposed by the Company, the Trustee, the Note Registrar, any co-Note Registrar or the Paying Agent upon the issuance of any substitute Note, but the Company may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required in connection therewith as a result of the name of the Holder of the new substitute Note being different from the name of the Holder of the old Note that became mutilated or was destroyed, lost or stolen. In case any Note that has matured or is about to mature or has been surrendered for required repurchase upon a Fundamental Change or is about to be converted in accordance with Article 15 shall become mutilated or be destroyed, lost or stolen, the Company may, in its sole discretion, instead of issuing a substitute Note, pay or authorize the payment of or convert or authorize the conversion of the same (without surrender thereof except in the case of a mutilated Note), as the case may be, if the applicant for such payment or conversion shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless for any loss, claim, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, evidence satisfactory to the Company, the Trustee and, if applicable, any Paying Agent or Conversion Agent evidence of their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

Every substitute Note issued pursuant to the provisions of this Section 2.06 by virtue of the fact that any Note is destroyed, lost or stolen shall constitute an additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Note shall be found at any time, and shall be entitled to all the benefits of (but shall be subject to all the limitations set forth in) this Indenture equally and proportionately with any and all other Notes duly issued hereunder. To the extent permitted by law, all Notes shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement, payment, conversion or repurchase of mutilated, destroyed, lost or stolen Notes and shall preclude any and all other rights or remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement, payment, conversion or repurchase of negotiable instruments or other securities without their surrender.

Each Holder of a Physical Note (including any Affiliate Notes), by acceptance of the Notes, hereby appoints U.S. Bank Trust Company, National Association to act initially as the Custodian for such Notes, and to act on behalf of such Holder of Physical Notes. The Custodian's sole responsibility in respect of Physical Notes is to hold in safe-keeping the Physical Notes for which it is acting as Custodian (the "**Custodied Notes**") on behalf of the Holders. The Custodian shall transfer any Custodied Notes and surrender any Custodied Notes only in accordance with the written direction of the Holder or Holders of such Custodied Notes in whose name such Notes are registered; *provided* that the Custodian is hereby directed by each Holder of a Custodied Note to surrender such Custodied Note called for redemption or repurchase and to surrender such Custodied Note to the Issuer on the Maturity Date. The Custodian's duty with respect to a Custodied Note in its physical possession shall be limited to the exercise of reasonable care by the Custodian with respect to such Custodied Note in its physical possession. For the avoidance of doubt, notwithstanding that the Custodian may have physical possession of any Note with respect to which it is acting in its capacity as Custodian, such Note shall nonetheless be the property solely of the Holder of such Note. The Custodian hereby agrees to act in its capacity as such with respect to, and hereby agrees to take and hold in accordance with the Notes of each applicable Holder. At any time after the date of this Indenture, any Holder of a Physical Note shall inform the Custodian in writing (including by e-mail) that such Holder no longer wishes the Custodian to act in its capacity as such with respect to any Notes of such Holder, the Custodian will promptly cause such Notes to be delivered to such Holder by first-class mail (or by such other delivery method as such Holder and the Custodian shall agree). Upon the written request of any future Holder of Physical Notes, the Custodian shall act in its capacity as such with respect to, and shall take and hold in accordance with this Section 2.06, the Notes of such Holder.

Section 2.07. *Temporary Notes.* Pending the preparation of Physical Notes, the Company may execute and the Trustee or an authenticating agent appointed by the Trustee shall, upon written request of the Company, authenticate and deliver temporary Notes (printed or lithographed). Temporary Notes shall be issuable in any authorized denomination, and substantially in the form of the Physical Notes but with such omissions, insertions and variations as may be appropriate for temporary Notes, all as may be determined by the Company. Every such temporary Note shall be executed by the Company and authenticated by the Trustee or such authenticating agent upon the same conditions and in substantially the same manner, and with the same effect, as the Physical Notes. Without unreasonable delay, the Company shall execute and deliver to the Trustee or such authenticating agent Physical Notes (other than any Global Note) and thereupon any or all temporary Notes (other than any Global Note) may be surrendered in exchange therefor, at each office or agency maintained by the Company pursuant to Section 4.02 and the Trustee or such authenticating agent shall authenticate and deliver in exchange for such temporary Notes an equal aggregate principal amount of Physical Notes. Such exchange shall be made by the Company at its own expense and without any charge therefor. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits and subject to the same limitations under this Indenture as Physical Notes authenticated and delivered hereunder.

Section 2.08. *Cancellation of Notes Paid, Converted, Etc.* The Company shall cause all Notes surrendered for the purpose of payment at maturity, repurchase, the registration of transfer or exchange or conversion (other than any Notes exchanged pursuant to Section 15.12), if surrendered to the Company or any of its agents or Subsidiaries, to be surrendered to the Trustee for cancellation. All Notes delivered to the Trustee shall be canceled promptly by it in accordance with its customary procedures. Except for any Notes surrendered for registration of transfer or exchange, or as otherwise expressly permitted by any of the provisions of this Indenture, no Notes shall be authenticated in exchange for any Notes surrendered to the Trustee for cancellation. The Trustee shall dispose of canceled Notes in accordance with its customary procedures and, after such disposition, shall deliver evidence of such disposition to the Company, at the Company's written request in a Company Order.

Section 2.09 *CUSIP Numbers.* The Company in issuing the Notes may use CUSIP numbers (if then generally in use), and, if so, the Trustee shall use CUSIP numbers in all notices issued to Holders as a convenience to such Holders; *provided* that the Trustee shall have no liability for any defect in the "CUSIP" numbers as they appear on any Note, notice or elsewhere, and, *provided, further*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or on such notice and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee in writing of any change in the CUSIP numbers. Any Affiliate Note identified by a "CUSIP" number shall bear a distinct CUSIP number from all other Notes. Any Physical Note held by a holder who is an accredited investor but not a qualified institutional buyer identified by a "CUSIP" number shall bear a distinct CUSIP number from all other Notes.

Section 2.10. *Additional Notes; Repurchases.* Subject to Article 4, and subject to the consent (evidenced as provided in Article 9) of the Holders of at least 60% of the aggregate principal amount of the Notes then outstanding (determined in accordance with Article 9 and including, without limitation, consents obtained in connection with a repurchase of, or tender or exchange offer for, Notes), the Company may reopen this Indenture and issue Additional Notes hereunder with the same terms as the Notes initially issued hereunder (other than differences in the issue date, the issue price, interest accrued prior to the issue date of such Additional Notes and, if applicable, restrictions on transfer in respect of such Additional Notes) in an unlimited aggregate principal amount; *provided* that if any such Additional Notes are not fungible with the Notes initially issued hereunder for U.S. federal income tax or securities law purposes, such Additional Notes shall have one or more separate CUSIP numbers. For the avoidance of doubt, notwithstanding any other provision of this Indenture to the contrary, for purposes of Section 4.06, in the event additional Notes are issued pursuant to this Section 2.10, references to the “Last Original Issuance Date” of the Notes with respect to any Notes issued on the Issue Date shall refer only to such Notes issued on the Issue Date and not any additional Notes issued pursuant to this Section 2.10. Prior to the issuance of any such Additional Notes, the Company shall deliver to the Trustee a Company Order, an Officer’s Certificate and an Opinion of Counsel, such Officer’s Certificate and Opinion of Counsel to cover such matters, in addition to those required by Section 18.05, as the Trustee shall reasonably request. In addition, the Company may, to the extent permitted by law, directly or indirectly (regardless of whether such Notes are surrendered to the Company), repurchase Notes in the open market or otherwise, whether by the Company or its Subsidiaries or through a privately negotiated transaction or public tender or exchange offer or through counterparties to private agreements, including by cash-settled swaps or other derivatives, in each case, without the consent of or notice to the Holders of the Notes. The Company may, at its option and to the extent permitted by applicable law, reissue, resell or surrender to the Trustee for cancellation any Notes that the Company may repurchase, in the case of a reissuance or resale, so long as such Notes do not constitute “restricted securities” (as defined under Rule 144) upon such reissuance or resale; *provided* that if any such reissued or resold Notes are not fungible with the Notes initially issued hereunder for U.S. federal income tax or securities law purposes, such reissued or resold Notes shall have one or more separate CUSIP numbers or no CUSIP number (to the extent such Notes are Physical Notes) *provided* further that any such reissued or resold Notes shall not have the same CUSIP number as any Affiliate Note. Any Notes that the Company may repurchase shall be considered outstanding for all purposes under this Indenture (other than, at any time when such Notes are owned by the Company, by any Subsidiary thereof or by any Affiliate of the Company or any Subsidiary thereof, as set forth in Section 9.04) unless and until such time as the Company surrenders them to the Trustee for cancellation and, upon receipt of a Company Order, the Trustee shall cancel all Notes so surrendered.

ARTICLE 3. SATISFACTION AND DISCHARGE

Section 3.01. *Satisfaction and Discharge.* This Indenture and the Notes shall cease to be of further effect when (i) all Notes theretofore authenticated and delivered (other than (x) Notes which have been destroyed, lost or stolen and which have been replaced, paid or converted as provided in Section 2.06 and (y) Notes for whose payment money has heretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 4.04(d)) have been delivered to the Trustee for cancellation; or (ii) the Company has deposited with the Trustee or delivered to Holders, as applicable, after the Notes have become due and payable, whether on the Maturity Date, any Fundamental Change Repurchase Date, upon conversion or otherwise, cash or, solely to satisfy the Company’s Conversion Obligations, cash and/or shares of Common Stock, in each case sufficient to pay all of the outstanding Notes and all other sums due and payable under this Indenture or the Notes by the Company; (iii) the Trustee upon request of the Company contained in an Officer’s Certificate and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture and the Notes, then the Company has delivered to the Trustee and the Collateral Agent an Officer’s Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture and the Notes have been complied with. Notwithstanding the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee, the obligations of the Company to the Trustee and the Collateral Agent under Section 7.06 and Section 8.02 shall survive.

ARTICLE 4.
PARTICULAR COVENANTS OF THE COMPANY

Section 4.01. *Payment of Principal and Interest.* The Company covenants and agrees that it will cause to be paid the principal (including the Fundamental Change Repurchase Price, if applicable) of, and pay unpaid interest on, each of the Notes at the places, at the respective times and in the manner provided herein and in the Notes. Principal, premium, if any, and interest payable shall be considered paid on the date due if by 10:00 a.m. (New York time) on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and cash interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

Unless and until a Responsible Officer of the Trustee receives at the Corporate Trust Office such Officer's Certificate, the Trustee may conclusively assume without inquiry that no such Additional Interest is payable. If the Company has paid Additional Interest directly to the Persons entitled to it, the Company shall deliver to the Trustee an Officer's Certificate setting forth the particulars of such payment. The Trustee shall have no duty to verify the Company's determination as to whether Additional Interest is due or to verify, calculate or confirm the Company's calculations as to the amount of Additional Interest, and may assume without inquiry that no Additional Interest is payable until written notice of such Additional Interest being payable has been provided to a Responsible Officer of the Trustee by the Company.

Notwithstanding any other provision of this Section 4.12, the maximum amount of Indebtedness that the Company may incur pursuant to this Section 4.12 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Permitted Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(v) the purchase by the Company of fractional shares arising out of stock dividends, splits, combinations, tenders or exchanges of Common Stock, stock options, other equity awards or business combinations and payments or distributions to dissenting stockholders pursuant to applicable law in connection with a consolidation, merger or transfer of assets;

(vi) [reserved];

(vii) any Restricted Payment made by the Company to comply with the terms of this Indenture or the Collateral Documents;

(viii) any Restricted Payment in accordance with the terms, as of the Issue Date, of any Existing Permitted Debt or any of the securities listed on Schedule C;
and

(ix) the making of any Restricted Payment in exchange for, or out of or with the net cash proceeds from the substantially concurrent contribution to the Common Equity of the Company or from the substantially concurrent sale (other than to a Subsidiary of the Company) of, Capital Stock (other than Disqualified Stock) of the Company.

(b) The Company shall not, and shall not permit any of its Subsidiaries, directly or indirectly, to make any Restricted Investment. For purposes of this Indenture, if the Company or any Subsidiary sells or otherwise disposes of any voting stock of any Subsidiary or engages in any other transaction such that, after giving effect to any such sale, disposition or other transaction, such entity is no longer a Subsidiary of the Company, the Company shall be deemed to have made an Investment on the date of any such sale, disposition or other transaction equal to the Fair Market Value of the Capital Stock of such Subsidiary sold or disposed of.

(c) For purposes of determining compliance with this Section 4.13, if any Investment or Restricted Payment (or portion thereof) would be permitted pursuant to one or more provisions described above and/or is entitled to be incurred under one or more of the categories of Permitted Investments, the Company may divide and classify such Investment or Restricted Payment in any manner that complies with this covenant and may later divide and reclassify any such Investment or Restricted Payment so long as the Investment or Restricted Payment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification.

Section 4.14. *Post-Closing Covenant*. On or prior to the date that is 40 days following the Issue Date, the Company shall deliver, or cause to be delivered, to the Collateral Agent, all Pledged Collateral required to be pledged as Collateral duly indorsed by an effective indorsement (within the meaning of Section 8-107 of the UCC), or accompanied by share transfer powers or other instruments of transfer duly endorsed by such an effective endorsement, in blank.

Section 4.15. *Further Instruments and Acts.* Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

Section 4.16. *Asset Sales.*

(a) The Company shall not, and shall not permit any of its Subsidiaries to, consummate an Asset Sale, unless (i) the Company (or the Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (measured as of the date of the definitive agreement with respect to such Asset Sale) of the assets, property or Capital Stock issued or sold or otherwise disposed of, (ii) at least 75% of the consideration received from such Asset Sale is, or will be when paid (in the case of milestones, royalties and other deferred payment obligations), in the form of cash or Cash Equivalents; provided that for purposes of this clause (ii), any Designated Non-Cash Consideration received by the Company or such Subsidiary in respect of such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (ii), not in excess of \$10,000,000 received from such Asset Sale and all other Asset Sales since the Issue Date on a cumulative basis at the time of the receipt of such Designated Non-Cash Consideration, with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be cash, and (iii) immediately before or after giving effect to such Asset Sale, no Default or Event of Default shall have occurred and be continuing under this Indenture.

(b) Any Net Proceeds from Asset Sales received by the Company or any of its Subsidiaries shall, to the extent the aggregate amount of all such Net Proceeds from all Asset Sales exceeds \$10,000,000, constitute “**Excess Proceeds.**” At any time when the aggregate amount of Excess Proceeds exceeds \$1,000,000, within five days thereafter, the Company will make an offer (each, an “**Asset Sale Offer**”) to all Holders of Notes to purchase the maximum principal amount of Notes capable of purchase utilizing 75% of the amount of Excess Proceeds, calculated after deducting from such Excess Proceeds all accrued and unpaid interest on the Notes and the amount of all fees and expenses, including premiums, incurred in connection with such purchase (the “**Offer Amount**”). The offer price in any Asset Sale Offer will be equal to 100% of the aggregate principal amount purchased, plus accrued and unpaid interest on such principal amount to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes tendered in or required to be prepaid or redeemed in connection with such Asset Sale Offer exceeds the Offer Amount, the Company will select the Notes to be purchased on a pro rata basis (subject to adjustment to maintain the authorized minimum denomination of the Notes), based on the amounts tendered. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(c) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this [Section 4.16](#), the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this [Section 4.16](#) by virtue of such compliance.

Section 4.17. *Limitation on Transfers of Material Intellectual Property.* The Company shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including, but not limited to, the transfer, purchase, sale, lease, license or exchange of any property or asset, the making of any Restricted Payment or Investment or the disposition of any assets) with any Person in the form of transferring title to, licensing on an exclusive basis or otherwise Disposing of any Intellectual Property that, at the time of (or immediately after) such transaction, constitutes Material Intellectual Property, unless the transferee is the Company or a Guarantor. The Company shall cause all Material Intellectual Property to be owned at all times by one or more of its direct or indirect Domestic Subsidiaries.

Section 4.18. *Control Agreements.*

(a) Neither the Company nor any Guarantor shall maintain any Deposit Account except (i) for which the Collateral Agent has received a Control Agreement (subject to the time period specified in Section 4.18(b)) or (ii) Excluded Accounts.

(b) Within 90 days after the Issue Date, the Company shall deliver (or cause to be delivered) a Control Agreement for each Deposit Account listed on Schedule D.

Section 4.19. *Liability Management Transactions.* The Company shall not, and shall not permit any of its Subsidiaries or controlled Affiliates to, directly or indirectly, enter into any Liability Management Transaction unless each Holder is offered a bona fide right to participate in such Liability Management Transaction, on a pro rata basis, on not less than twenty (20) Business Days' notice prior to the deadline established by Company, its Subsidiaries or its controlled Affiliates for the Holders to elect to participate in such Liability Management Transaction. For the purpose of this Section 4.19, in the case of Global Notes, "Holder" shall mean a person that holds a beneficial interest in the Notes and not the Depository for such Global Notes or its nominee.

ARTICLE 5.

Section 5.01. *Lists of Holders.* The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee, quarterly, not more than 15 days after each March 15, June 15, September 15 and December 15, in each year beginning with June 15, 2026, and at such other times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request (or such lesser time as the Trustee may reasonably request in order to enable it to timely provide any notice to be provided by it hereunder), a list in such form as the Trustee may reasonably require of the names and addresses of the Holders as of a date not more than 15 days (or such other date as the Trustee may reasonably request in order to so provide any such notices) prior to the time such information is furnished, except that no such list need be furnished so long as the Trustee is acting as Note Registrar.

Section 5.02. *Preservation and Disclosure of Lists.* The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders contained in the most recent list furnished to it as provided in Section 5.01 or maintained by the Trustee in its capacity as Note Registrar, if so acting. The Trustee may dispose of any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

ARTICLE 6.

(h) a final judgment or judgments for the payment of \$10,000,000 (or its foreign currency equivalent) or more (excluding any amounts covered by insurance or third-party indemnity) in the aggregate rendered against the Company or any Significant Subsidiary of the Company, which judgment is not discharged or stayed within 60 days after (i) the date on which the right to appeal thereof has expired if no such appeal has commenced, or (ii) the date on which all rights to appeal have been extinguished;

(i) the Company or any Significant Subsidiary shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to the Company or any such Significant Subsidiary or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or any such Significant Subsidiary or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due;

(j) an involuntary case or other proceeding shall be commenced against the Company or any Significant Subsidiary seeking liquidation, reorganization or other relief with respect to the Company or such Significant Subsidiary or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or such Significant Subsidiary or any substantial part of its property, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 60 consecutive days;

(k) any security interest and Liens purported to be created by any Collateral Document on any material portion of the Collateral shall cease to be in full force and effect or shall cease to give the Collateral Agent, for the benefit of the Secured Parties, the Liens, rights, powers and privileges purported to be created and granted under such Collateral Documents (including a valid and perfected security interest in and Lien on all of the Collateral thereunder in favor of the Collateral Agent with the priority required by the Collateral Documents) with respect to a material portion of the Collateral, or shall be asserted by or on behalf of the Company not to be a valid and perfected security interest in or Lien on the Collateral covered thereby (in each case, except (i) the failure of the Collateral Agent to maintain possession of possessory Collateral received by it, which failure is not a direct result of any act, omission, advice or direction of the Company, (ii) in connection with a transaction expressly permitted under this Indenture or the Collateral Documents, in each case solely to the extent such termination or release is permitted under this Indenture or the Collateral Documents or (iii) as a result of the satisfaction and discharge of this Indenture in accordance with Section 3.01); or

(l) a Note Guarantee of a Guarantor ceases to be in full force and effect (except as contemplated by the terms thereof) or the Company or Guarantor denies or disaffirms its obligations under this Indenture or any Guarantee with respect to the Notes (except as contemplated by the terms hereof or thereof).

Section 6.02. *Acceleration; Rescission and Annulment.* If one or more Events of Default shall have occurred and be continuing, then, and in each and every such case (other than an Event of Default specified in [Section 6.01\(i\)](#) or [Section 6.01\(j\)](#) with respect to the Company), unless the principal of all of the Notes shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding determined in accordance with [Section 9.04](#), by notice in writing to the Company (and to the Trustee if given by the Holders) may declare 100% of the principal of, and accrued and unpaid interest, if any, on, all the outstanding Notes to be due and payable immediately, and upon any such declaration the same shall become and shall automatically be immediately due and payable, anything contained in this Indenture or in the Notes to the contrary notwithstanding. If an Event of Default specified in [Section 6.01\(i\)](#) or [Section 6.01\(j\)](#) with respect to the Company occurs and is continuing, 100% of the principal of, and accrued and unpaid interest, if any, on, all Notes shall become and shall automatically be immediately due and payable.

The immediately preceding paragraph, however, is subject to the conditions that if, at any time after the principal of the Notes shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, and if (1) rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) any and all existing Events of Default under this Indenture, other than the nonpayment of the principal of and accrued and unpaid interest, if any, on Notes that shall have become due solely by such acceleration, shall have been cured or waived pursuant to [Section 6.09](#), then and in every such case (except as provided in the immediately succeeding sentence) the Holders of at least 60% in aggregate principal amount of the Notes then outstanding, by written notice to the Company and to the Trustee, may waive all Defaults or Events of Default with respect to the Notes and rescind and annul such declaration and its consequences and such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent Default or Event of Default, or shall impair any right consequent thereon. Notwithstanding anything to the contrary herein, no such waiver or rescission and annulment shall extend to or shall affect any continuing Default or Event of Default resulting from (i) the nonpayment of the principal (including the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, any Notes or (ii) a failure to pay or deliver, as the case may be, the consideration due upon conversion of the Notes.

Section 6.03. *Additional Interest.* Notwithstanding anything in this Indenture or in the Notes to the contrary, to the extent the Company elects, the sole remedy for an Event of Default relating to the Company's failure to comply with its obligations as set forth in [Section 4.06\(b\)](#) shall, for the first 365 days after the occurrence of such an Event of Default, consist exclusively of the right to receive Additional Interest on the Notes at a rate equal to (x) 0.25% per annum of the principal amount of the Notes outstanding for each day that such Event of Default is continuing during the first 180 days after the occurrence of such Event of Default and (y) 0.50% per annum of the principal amount of the Notes outstanding from the 181st day to, and including, the 365th day following the occurrence of such Event of Default during which such Event of Default is continuing. Subject to the last paragraph of this [Section 6.03](#), Additional Interest payable pursuant to this [Section 6.03](#) shall be in addition to, not in lieu of, any Additional Interest payable pursuant to [Section 4.06\(d\)](#). If the Company so elects, such Additional Interest shall be payable in the same manner and on the same dates as the stated interest payable on the Notes. On the 366th day after such Event of Default (if the Event of Default relating to the Company's failure to comply with its obligations as set forth in [Section 4.06\(c\)](#) is not cured or waived prior to such 366th day), the Notes shall be immediately subject to acceleration as provided in [Section 6.02](#). The provisions of this paragraph will not affect the rights of Holders of Notes in the event of the occurrence of any Event of Default other than the Company's failure to comply with its obligations as set forth in [Section 4.06\(b\)](#). In the event the Company does not elect to pay Additional Interest following an Event of Default in accordance with this [Section 6.03](#) or the Company elected to make such payment but does not pay the Additional Interest when due, the Notes shall be immediately subject to acceleration as provided in [Section 6.02](#) as a result of the Event of Default pursuant to [Section 6.01\(d\)](#) if such Event of Default is then continuing.

In order to elect to pay Additional Interest as the sole remedy during the first 365 days after the occurrence of any Event of Default relating to the Company's failure to comply with its obligations as set forth in [Section 4.06\(b\)](#) in accordance with the immediately preceding paragraph, the Company must notify all Holders of the Notes, the Trustee and the Paying Agent of such election in writing prior to the beginning of such 365-day period. Upon the failure to timely give such notice, the Notes shall be immediately subject to acceleration as provided in [Section 6.02](#). No Additional Interest shall accrue, and no right to declare the principal or other amounts due and payable in respect of the Notes pursuant to [Section 6.02](#) shall exist, after such violation has been cured, and Holders shall only be entitled to any Additional Interest that has accrued prior to such violation having been cured as a remedy in respect of such violation.

In no event shall Additional Interest payable at the Company's election for failure to comply with its obligations as set forth in [Section 4.06\(b\)](#) as set forth in this [Section 6.03](#), together with any Additional Interest that may accrue as a result of the Company's failure to file any report or other materials that the Company is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act, as applicable (after giving effect to all applicable grace periods thereunder and other than current reports on Form 8-K), pursuant to [Section 4.06\(d\)](#), accrue at a rate in excess of 1.00% per annum pursuant to this Indenture, regardless of the number of events or circumstances giving rise to the requirement to pay such Additional Interest.

Section 6.04. *Payments of Notes on Default; Suit Therefor.* If an Event of Default described in [clause \(a\)](#) or [\(b\)](#) of [Section 6.01](#) shall have occurred and be continuing, the Company shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of the Notes, the whole amount then due and payable on the Notes for principal and interest, if any, with interest on any overdue principal and interest, if any, at the rate borne by the Notes at such time and, in addition thereto, such further amount as shall be sufficient to cover any amounts due to the Trustee and Collateral Agent under [Section 7.06](#) and [Section 8.02\(e\)](#). If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, or the Collateral Agent may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Notes, wherever situated.

In the event there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor on the Notes under Title 11 of the United States Code, or any other applicable law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Company or such other obligor, the property of the Company or such other obligor, or in the event of any other judicial proceedings relative to the Company or such other obligor upon the Notes, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 6.04, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal and accrued and unpaid interest, if any, in respect of the Notes, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents and to take such other actions as it may deem necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee (in all of its capacities), the Collateral Agent, their agents and counsel) and of the Holders allowed in such judicial proceedings relative to the Company or any other obligor on the Notes, its or their creditors, or its or their property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction of any amounts due to the Trustee and Collateral Agent under Section 7.06 and Section 8.02(e); and any receiver, assignee or trustee in bankruptcy or reorganization, liquidator, custodian or similar official is hereby authorized by each of the Holders to make such payments to the Trustee, as administrative expenses, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to each of the Trustee and Collateral Agent any amount due it for reasonable compensation, expenses, advances and disbursements, including agents and counsel fees and expenses, and including any other amounts due to the Trustee and Collateral Agent under Section 7.06 and Section 8.02(e), incurred by it up to the date of such distribution. To the extent that such payment of reasonable compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property that the Holders of the Notes may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting such Holder or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, the Collateral Agent, their agents and counsel, be for the ratable benefit of the Holders of the Notes.

In any proceedings brought by the Trustee (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Notes, and it shall not be necessary to make any Holders of the Notes parties to any such proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of any waiver pursuant to Section 6.09 or any rescission and annulment pursuant to Section 6.02 or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Holders and the Trustee shall, subject to any determination in such proceeding, be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Holders and the Trustee shall continue as though no such proceeding had been instituted.

Section 6.05. *Application of Monies Collected by Trustee.* Any monies or property collected by the Trustee pursuant to this Article 6 with respect to the Notes shall be applied in the following order, at the date or dates fixed by the Trustee for the distribution of such monies or property, upon presentation of the several Notes, and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

First, to the payment of all amounts due the Trustee (in all of its capacities) and to the Collateral Agent under Section 7.06 and Section 8.02(e) for amounts due to it under this Indenture and the Notes Documents;

Second, in case the principal of the outstanding Notes shall not have become due and be unpaid, to the payment of interest on, and any cash due upon conversion of, the Notes in default in the order of the date due of the payments of such interest and cash due upon conversion, as the case may be, with interest (to the extent that such interest has been collected by the Trustee) upon such overdue payments at the rate borne by the Notes at such time, such payments to be made ratably to the Persons entitled thereto;

Third, in case the principal of the outstanding Notes shall have become due, by declaration or otherwise, and be unpaid to the payment of the whole amount (including, if applicable, the payment of Fundamental Change Repurchase Price and any cash due upon conversion) then owing and unpaid upon the Notes for principal and interest, if any, with interest on the overdue principal and, to the extent that such interest has been collected by the Trustee, upon overdue installments of interest at the rate borne by the Notes at such time, and in case such monies shall be insufficient to pay in full the whole amounts so due and unpaid upon the Notes, then to the payment of such principal (including, if applicable, the Fundamental Change Repurchase Price and any cash due upon conversion) and interest without preference or priority of principal over interest, or of interest over principal or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably to the aggregate of such principal (including, if applicable, the Fundamental Change Repurchase Price and any cash due upon conversion) and accrued and unpaid interest; and

Fourth, to the payment of the remainder, if any, to the Company, or to the extent the Trustee collects any amount for any Guarantor, to such Guarantor.

Section 6.06. *Proceedings by Holders.* Except to enforce the right to receive payment of principal (including, if applicable, the Fundamental Change Repurchase Price) or interest when due, or the right to receive payment or delivery of the consideration due upon conversion, no Holder of any Note shall have any right by virtue of or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other remedy hereunder, unless:

(a) such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof, as herein provided;

(b) Holders of at least 25% in aggregate principal amount of the Notes then outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder;

(c) such Holders shall have offered to the Trustee and Collateral Agent such security or indemnity reasonably satisfactory to each of them against any loss, claim, liability or expense to be incurred therein or thereby;

(d) the Trustee for 60 days after its receipt of such notice, request and offer, or provision, of such security or indemnity, shall have neglected or refused to institute any such action, suit or proceeding; and

(e) no direction that, in the opinion of the Trustee, is inconsistent with such written request shall have been given to the Trustee by the Holders of at least 60% of the aggregate principal amount of the Notes then outstanding within such 60-day period pursuant to Section 6.09, it being understood and intended, and being expressly covenanted by the taker and Holder of every Note with every other taker and Holder and the Trustee that no one or more Holders shall have any right in any manner whatever by virtue of or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder, or to obtain or seek to obtain priority over or preference to any other such Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holder), or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders (except as otherwise provided herein). For the protection and enforcement of this Section 6.06, each and every Holder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Note, each Holder shall have the right to receive payment or delivery, as the case may be, of (x) the principal (including the Fundamental Change Repurchase Price, if applicable) of, (y) accrued and unpaid interest, if any, on, and (z) the consideration due upon conversion of, such Note, on or after the respective due dates expressed or provided for in such Note or in this Indenture, or to institute suit for the enforcement of any such payment or delivery, as the case may be.

Section 6.07. *Proceedings by Trustee.* In case of an Event of Default, the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 6.08. *Remedies Cumulative and Continuing.* Except as provided in the last paragraph of Section 2.06, all powers and remedies given by this Article 6 to the Trustee or to the Holders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders of the Notes, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any of the Notes to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power, or shall be construed to be a waiver of any such Default or Event of Default or any acquiescence therein; and, subject to the provisions of Section 6.06, every power and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Holders.

Section 6.09. *Direction of Proceedings and Waiver of Defaults by Holders.* The Holders of at least 60% of the aggregate principal amount of the Notes at the time outstanding determined in accordance with Section 9.04 shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or the Collateral Agent or exercising any trust or power conferred on the Trustee or the Collateral Agent with respect to the Notes; *provided, however*, that (a) such direction shall not be in conflict with any rule of law or with this Indenture, and (b) the Trustee and Collateral Agent may take any other action deemed proper by the Trustee that is not inconsistent with such direction. The Trustee and Collateral Agent, as applicable, may refuse to follow any direction that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee or Collateral Agent in personal liability (it being understood that the Trustee shall not have an affirmative duty to ascertain whether or not any such direction is unduly prejudicial to any other Holder). The Holders of at least 60% in aggregate principal amount of the Notes at the time outstanding determined in accordance with Section 9.04 may on behalf of the Holders of all of the Notes waive any past Default or Event of Default hereunder and its consequences except any continuing defaults relating to (i) a default in the payment of accrued and unpaid interest, if any, on, or the principal (including any Fundamental Change Repurchase Price) of, the Notes when due that has not been cured pursuant to the provisions of Section 6.01, (ii) a failure by the Company to pay or deliver, as the case may be, the consideration due upon conversion of the Notes or (iii) a default in respect of a covenant or provision hereof which under Article 11 cannot be modified or amended without the consent of each Holder of an outstanding Note affected. Upon any such waiver the Company, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. Whenever any Default or Event of Default hereunder shall have been waived as permitted by this Section 6.09, said Default or Event of Default shall for all purposes of the Notes and this Indenture be deemed to have been cured and to be not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.10. *Notice of Defaults.* Neither the Trustee nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Responsible Officer of the Trustee or Collateral Agent, as applicable, shall have received written notice from the Company or a Holder describing such Default or Event of Default, and stating that such notice is a notice of Default (a “**Notice of Default**”). The Trustee shall, within 90 days after the occurrence and continuance of a Default of which a Responsible Officer of the Trustee has written notice of, deliver to all Holders notice of all Defaults known to a Responsible Officer of the Trustee, unless such Defaults shall have been cured or waived before the giving of such notice; provided that, except in the case of a Default in the payment of the principal of (including the Fundamental Change Repurchase Price, if applicable), or accrued and unpaid interest on, any of the Notes or a Default in the payment or delivery of the consideration due upon conversion, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders.

Section 6.11. *Undertaking to Pay Costs.* All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys’ fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; *provided* that the provisions of this Section 6.11 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Notes at the time outstanding determined in accordance with Section 9.04, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or accrued and unpaid interest, if any, on any Note (including, but not limited to, the Fundamental Change Repurchase Price, if applicable) on or after the due date expressed or provided for in such Note or to any suit for the enforcement of the right to convert any Note, or receive the consideration due upon conversion, in accordance with the provisions of Article 15.

ARTICLE 7. CONCERNING THE TRUSTEE

Section 7.01 *Duties and Responsibilities of Trustee.* The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In the event an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person’s own affairs; provided that if an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered, and if requested, provided to the Trustee indemnity or security satisfactory to it against any loss, claim, liability or expense that might be incurred by it in compliance with such request or direction.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(a) prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default that may have occurred:

(i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith and willful misconduct on the part of the Trustee, the Trustee may, as to the truth of the statements and the correctness of the opinions expressed therein, conclusively rely upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions that by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein);

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts;

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than 60% of the aggregate principal amount of the Notes at the time outstanding determined as provided in Section 9.04 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(d) whether or not therein provided, every provision of this Indenture relating to the conduct or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Section;

(e) the Trustee shall not be liable in respect of any payment (as to the correctness of amount, entitlement to receive or any other matters relating to payment) or notice effected by the Company or any Paying Agent or any records maintained by any co-Note Registrar with respect to the Notes;

(f) if any party fails to deliver a notice relating to an event the fact of which, pursuant to this Indenture, requires notice to be sent to the Trustee, the Trustee may conclusively rely on its failure to receive such notice as reason to act as if no such event occurred, unless a Responsible Officer of the Trustee had actual knowledge of such event;

(g) the Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers under this Indenture;

(h) in the absence of written investment direction from the Company, all cash received by the Trustee shall be placed in a non-interest bearing trust account, and in no event shall the Trustee be liable for the selection of investments or for investment losses incurred thereon or for losses, fees, taxes or other charges incurred as a result of the liquidation of any such investment prior to its maturity date or the failure of the party directing such investments prior to its maturity date or the failure of the party directing such investment to provide timely written investment direction, and the Trustee shall have no obligation to invest or reinvest any amounts held hereunder in the absence of such written investment direction from the Company; and

(i) in the event that the Trustee is also acting as Custodian, Note Registrar, Paying Agent, Conversion Agent, transfer agent or Collateral Agent hereunder, the rights and protections afforded to the Trustee pursuant to this Article 7 shall also be afforded to such Custodian, Note Registrar, Paying Agent, Conversion Agent or transfer agent.

None of the provisions contained in this Indenture or the other Notes Documents shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers. Prior to taking any action under this Indenture, the Trustee shall receive indemnification or security satisfactory to it against any loss, liability or expense caused by taking or not taking such action.

Section 7.02 *Reliance on Documents, Opinions, Etc.* Except as otherwise provided in Section 7.01:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, note, coupon or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officer's Certificate (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the Company;(c) whenever in the administration of this Indenture, the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of gross negligence or willful misconduct on its part, conclusively rely upon an Officer's Certificate;

(c) the Trustee may consult with counsel of its selection, and require an Opinion of Counsel and any advice of such counsel or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(d) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the expense of the Company and shall incur no liability of any kind by reason of such inquiry or investigation;

(e) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, custodians, nominees or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, custodian, nominee or attorney appointed by it with due care hereunder;

(f) the permissive rights of the Trustee enumerated herein shall not be construed as duties;

(g) the Trustee may request that the Company deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such times to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any Person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded;

(h) neither the Trustee nor any of its directors, officers, employees, agents, or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the Company, or its directors, members, officers, agents, affiliates, or employees, nor shall they have any liability in connection with the malfeasance or nonfeasance by such parties. The Trustee shall not be responsible for any inaccuracy in the information obtained from the Company or for any inaccuracy or omission in the records which may result from such information or any failure by the Trustee to perform its duties or set forth herein as a result of any inaccuracy or incompleteness; and

(i) the Trustee shall not be deemed to have any knowledge of any agreement other than this Indenture and the Notes (including, without limitation, the Note Purchase Agreements).

In no event shall the Trustee or Collateral Agent be liable for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action. The Trustee shall not be charged with knowledge of any Default or Event of Default with respect to the Notes, unless either (1) a Responsible Officer shall have actual knowledge of such Default or Event of Default or (2) written notice of such Default or Event of Default shall have been received by a Responsible Officer of the Trustee from the Company or from any Holder.

Section 7.03. *No Responsibility for Recitals, Etc.* The recitals contained herein and in the Notes (except in the Trustee's certificate of authentication) shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Company of any Notes or the proceeds of any Notes authenticated and delivered by the Trustee in conformity with the provisions of this Indenture.

Section 7.04. *Trustee, Paying Agents, Conversion Agents, or Note Registrar May Own Notes.* The Trustee, any Paying Agent, any Conversion Agent, or Note Registrar or Collateral Agent, in its individual or any other capacity, may become the owner or pledgee of Notes with the same rights it would have if it were not the Trustee, Paying Agent, Conversion Agent, or Note Registrar or Collateral Agent.

Section 7.05. *Monies and Shares of Common Stock to Be Held in Trust.* All monies and shares of Common Stock received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received. Money and shares of Common Stock held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money or shares of Common Stock received by it hereunder except as may be agreed from time to time by the Company and the Trustee. Notwithstanding the foregoing, under no circumstances shall the Trustee be obligated to deliver Common Stock to any Holder or beneficial owner in connection with a conversion of the Notes.

Section 7.06. *Compensation and Expenses of Trustee.* The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall receive such compensation for all services rendered by it hereunder in any capacity (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as previously and mutually agreed to in writing between the Trustee and the Company, and the Company will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances reasonably incurred or made by the Trustee in accordance with any of the provisions of this Indenture in any capacity thereunder (including the reasonable compensation and the expenses and disbursements of its agents and counsel and of all Persons not regularly in its employ) except any such expense, disbursement or advance as shall have been caused by its gross negligence or willful misconduct, as adjudicated by a court of competent jurisdiction in a final nonappealable order. The Company and the Guarantors, jointly and severally, also covenant to indemnify the Trustee or any predecessor Trustee in any capacity under this Indenture, any Notes Document and any other document or transaction entered into in connection herewith, the Collateral Agent and their officers, directors, agents or employees and any authenticating agent for, and to hold them harmless against, any loss, claim, damage, liability or expense incurred without gross negligence or willful misconduct, as adjudicated by a court of competent jurisdiction in a final nonappealable order, on the part of the Trustee, the Collateral Agent, officers, directors, agents or employees, or such agent authenticating agent, as the case may be, and arising out of or in connection with the acceptance or administration of this Indenture and the other Notes Documents or in any other capacity hereunder or thereunder, including without limitation expenses and costs (including reasonable attorney's fees and expenses and court costs, the costs and expenses of enforcing this Indenture and the indemnification provided herein) incurred in connection with any action, claim or suit brought to enforce the Trustee's or Collateral Agent's right to indemnification. The obligations of the Company under this Section 7.06 to compensate or indemnify the Trustee and to pay or reimburse the Trustee for expenses, disbursements and advances shall be secured by a senior Lien to which the Notes are hereby made subordinate on all money or property held or collected by the Trustee, except, subject to the effect of Section 6.05, funds held in trust herewith for the benefit of the Holders of particular Notes, and, for the avoidance of doubt, such Lien shall not be extended in a manner that would conflict with the Company's obligations to its other creditors. The Trustee's and Collateral Agent's right to receive payment of any amounts due under this Section 7.06 and Section 8.02(e) shall not be subordinate to any other liability or indebtedness of the Company. The obligation of the Company under this Section 7.06 shall survive the satisfaction and discharge of this Indenture and the earlier resignation or removal of the Trustee or Collateral Agent, as applicable. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The indemnification provided in this Section 7.06 shall extend to the officers, directors, agents and employees of the Trustee and Collateral Agent.

Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee and its agents and any authenticating agent incur expenses or render services after an Event of Default specified in [Section 6.01\(i\)](#) or [Section 6.01\(j\)](#) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy, insolvency or similar laws.

Section 7.07. Officer's Certificate as Evidence. Except as otherwise provided in [Section 7.01](#), whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of gross negligence and willful misconduct on the part of the Trustee, be deemed to be conclusively proved and established by an Officer's Certificate delivered to the Trustee, and such Officer's Certificate, in the absence of gross negligence and willful misconduct on the part of the Trustee, shall be full warrant to the Trustee for any action taken or omitted by it under the provisions of this Indenture upon the faith thereof.

Section 7.08. Eligibility of Trustee. There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act (as if the Trust Indenture Act were applicable hereto) to act as such and has a combined capital and surplus of at least \$50,000,000. If such Person publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign promptly in the manner and with the effect hereinafter specified in this Article.

Section 7.09. Resignation or Removal of Trustee.

(a) The Trustee may at any time resign by giving written notice of such resignation to the Company and by delivering notice thereof to the Holders. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 45 days after the giving of such notice of resignation to the Holders, the resigning Trustee may, upon ten Business Days' notice to the Company and the Holders, petition any court of competent jurisdiction, at the expense of the Company, for the appointment of a successor trustee, or any Holder who has been a bona fide Holder of a Note or Notes for at least six months (or since the date of this Indenture) may, subject to the provisions of [Section 6.11](#), on behalf of himself or herself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.08 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(ii) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in either case, the Company may by a Board Resolution remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.11, any Holder who has been a bona fide Holder of a Note or Notes for at least six months (or since the date of this Indenture) may, on behalf of himself or herself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The Holders of at least 60% in aggregate principal amount of the Notes at the time outstanding, as determined in accordance with Section 9.04, may at any time remove the Trustee and nominate a successor trustee that shall be deemed appointed as successor trustee unless within ten days after notice to the Company of such nomination the Company objects thereto, in which case the Trustee so removed or any Holder, upon the terms and conditions and otherwise as in Section 7.09(a) provided, may petition any court of competent jurisdiction for an appointment of a successor trustee.

(d) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.09 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.10.

Section 7.10. Acceptance by Successor Trustee. Any successor trustee appointed as provided in Section 7.09 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the trustee ceasing to act shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a senior Lien to which the Notes are hereby made subordinate on all money or property held or collected by such trustee as such, except for funds held in trust for the benefit of Holders of particular Notes, to secure any amounts then due it pursuant to the provisions of Section 7.06.

No successor trustee shall accept appointment as provided in this Section 7.10 unless at the time of such acceptance such successor trustee shall be eligible under the provisions of Section 7.08.

Upon acceptance of appointment by a successor trustee as provided in this Section 7.10, each of the Company and the successor trustee, at the written direction and at the expense of the Company shall deliver or cause to be delivered notice of the succession of such trustee hereunder to the Holders. If the Company fails to deliver such notice within ten days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be delivered at the expense of the Company.

Section 7.11. *Succession by Merger, Etc.* Any organization or other entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or other entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or other entity succeeding to all or substantially all of the corporate trust business of the Trustee (including the administration of this Indenture), shall be the successor to the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that in the case of any organization or other entity succeeding to all or substantially all of the corporate trust business of the Trustee such organization or other entity shall be eligible under the provisions of Section 7.08.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee or authenticating agent appointed by such predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or an authenticating agent appointed by such successor trustee may authenticate such Notes either in the name of any predecessor trustee hereunder or in the name of the successor trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have; *provided, however*, that the right to adopt the certificate of authentication of any predecessor trustee or to authenticate Notes in the name of any predecessor trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 7.12. *Trustee's Application for Instructions from the Company.* Any application by the Trustee for written instructions from the Company (other than with regard to any action proposed to be taken or omitted to be taken by the Trustee that affects the rights of the Holders of the Notes under this Indenture) may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable to the Company for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three Business Days after the date any Officer that the Company has indicated to the Trustee should receive such application actually receives such application, unless any such Officer shall have consented in writing to any earlier date), unless, prior to taking any such action (or the effective date in the case of any omission), the Trustee shall have received written instructions in accordance with this Indenture in response to such application specifying the action to be taken or omitted.

ARTICLE 8.
COLLATERAL DOCUMENTS; COLLATERAL AGENT

Section 8.01. *Collateral Documents.* The payment of the principal, interest (including Additional Interest) and premium, if any, on the Notes when due, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, or otherwise, the payment of all other Obligations of the Company under this Indenture, the Notes, and the Collateral Documents and performance of all other Obligations of the Company and any Guarantor to the Holders of the Notes or the Trustee or the Collateral Agent under this Indenture, the Notes and the other Notes Documents, according to the terms hereunder or thereunder, are secured as provided in the Collateral Documents, which the Collateral Agent and the Company have entered into simultaneously with the execution of this Indenture, and will be secured by Collateral Documents delivered after the date of this Indenture as required or permitted by this Indenture.

Section 8.02. *Collateral Agent.*

(a) The Collateral Agent agrees that it will hold the security interests in the Collateral created under the Collateral Documents to which it is a party as contemplated by this Indenture, and any and all proceeds thereof, for the benefit of, the Secured Parties, without limiting the Collateral Agent's rights, including under this Section 8.02, to act in preservation of the security interest in the Collateral. The Collateral Agent is authorized and empowered to appoint one or more co-Collateral Agents as it deems necessary or appropriate; *provided, however*, that no Collateral Agent hereunder shall be personally liable by reason of any act or omission of any other Collateral Agent hereunder.

(b) Neither the Trustee nor the Collateral Agent nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral, for the legality, enforceability, effectiveness, or sufficiency of the Notes Documents, for the creation, perfection, priority, sufficiency or protection of any Lien, including without limitation not being responsible for payment of any Taxes, charges or assessments upon the Collateral or otherwise as to the maintenance of the Collateral, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or the Collateral Documents or any delay in doing so. Neither the Trustee nor the Collateral Agent nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for making any filings or recordings to perfect or maintain the perfection of the Collateral Agent's Lien in the Collateral, including without limitation, the filing of any UCC financing statements, continuation statements, or amendments, or any filings with respect to the U.S. Patent and Trademark Office or U.S. Copyright Office.

(c) The Collateral Agent will be subject to such directions as may be given to it from time to time by the Trustee or Holders holding at least 60% in aggregate principal amount of the Notes (as required or permitted by this Indenture). Except as directed by the Trustee or any representatives of the Trustee as required or permitted by this Indenture, and only if indemnified to its satisfaction, the Collateral Agent will not be obligated:

- (i) to act upon direction purported to be delivered to it by any Person;
- (ii) to foreclose upon or otherwise enforce any Lien created under the Collateral Documents; or
- (iii) to take any other action whatsoever with regard to any or all of the Liens, Collateral Documents or Collateral.

(d) The Collateral Agent will be accountable only for amounts that it actually receives as a result of the enforcement of the Liens or Collateral Documents.

(e) In acting as Collateral Agent hereunder and under the Notes Documents, the Collateral Agent shall be entitled to conclusively rely upon and enforce each and all of the rights, privileges, immunities, indemnities and benefits of the Trustee under Article 7 of this Indenture.

(f) At all times when the entity serving as Trustee is not the Collateral Agent, the Company will deliver to the Trustee copies of all Collateral Documents delivered to the Collateral Agent and copies of all documents delivered to the Collateral Agent pursuant to the Collateral Documents.

(g) Notwithstanding any provision to the contrary contained elsewhere in this Indenture and the Notes Documents, the duties of the Collateral Agent shall be ministerial and administrative in nature, and the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Notes Documents, to which the Collateral Agent is a party, nor shall the Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder, or any other party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture and the Collateral Documents, or otherwise exist against the Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Indenture with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(h) The Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Responsible Officer of the Collateral Agent shall have received written notice from the Trustee or the Company referring to this Indenture, describing such Default or Event of Default and stating that such notice is a "notice of default."

(i) No provision of this Indenture or any Collateral Document shall require the Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders or the Trustee unless it shall have received indemnity or security satisfactory to the Collateral Agent against potential costs and liabilities incurred by the Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture or the Collateral Documents, in the event the Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under any mortgage or take any such other action if the Collateral Agent has determined that the Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Collateral Agent shall at any time be entitled to cease taking any action described in this clause (i) if it no longer reasonably deems any indemnity, security or undertaking from the Company or the Holders to be sufficient.

(j) The parties hereto and the Holders hereby agree and acknowledge that neither the Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Collateral Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture and the Collateral Documents, the Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Collateral Agent in the Collateral and that any such actions taken by the Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Collateral Agent is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any obligation for the benefit of another, which in the Collateral Agent's sole discretion may cause it to be considered an "owner or operator" under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9601, et seq., or otherwise cause it to incur liability under CERCLA or any other federal, state or local law, the Collateral Agent and reserves the right, instead of taking such action, to either resign or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Collateral Agent nor the Trustee shall be liable to any person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Collateral Agent's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment.

Section 8.03. Release of Collateral; Non-Disturbance.

(a) Subject to Section 8.03(b), the Liens on the Collateral securing the Notes will be automatically released in whole or in part, as applicable, under one or more of the following circumstances:

(i) in whole upon (A) satisfaction and discharge of this Indenture as set forth under Section 3.01 or (B) payment in full of the principal of, together with any premium and accrued and unpaid interest on, and all other obligations on the Notes and all other Obligations that are outstanding, due and payable hereunder and the other Note Documents (other than inchoate indemnity obligations or reimbursement obligations or other obligations which, by their terms, survive the termination of the Notes and the other Note Documents or which survive any discharge);

(ii) in whole or in part, as applicable, with the consent of the requisite Holders of the Notes in accordance with Article 11, including consents obtained in connection with a tender offer or exchange offer, or purchase of Notes; or

(iii) in part, as to any asset constituting Collateral:

(A) that is sold, transferred or otherwise disposed of by the Company or a Guarantor to any Person that is not the Company or a Guarantor in a transaction permitted by this Indenture or the Collateral Documents; or

(B) to the extent such asset ceases to be Collateral or is no longer required to be Collateral as a result of any transaction or any other event not prohibited by this Indenture.

(b) With respect to any release of the Liens on the Collateral, upon receipt of an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent under this Indenture and the Collateral Documents, as applicable, to such release or the entry into such agreements have been met and that it is proper for the Trustee or the Collateral Agent to execute and deliver the documents requested by the Company in connection with such release or the entry into such agreements, and in the case of any release any appropriate instruments of termination, satisfaction, discharge or release prepared by the Company, the Trustee and the Collateral Agent shall execute, deliver or acknowledge (at the Company's expense) such instruments or releases to evidence the release and discharge of any Collateral permitted to be released pursuant to this Indenture. Neither the Trustee nor the Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officer's Certificate or Opinion of Counsel, and notwithstanding any term hereof or in any Collateral Document to the contrary, the Trustee and the Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction, discharge or termination, unless and until such party receives such Officer's Certificate and Opinion of Counsel.

(c) At any time when an Event of Default has occurred and is continuing and the maturity of the Notes has been accelerated (whether by declaration or otherwise) and the Trustee has delivered notice of acceleration to the Collateral Agent, no release of the Liens on the Collateral pursuant to the provisions of this Indenture or the Collateral Documents shall be effective as against the Holders.

Section 8.04. *Suits to Protect the Collateral.* Subject to the provisions of the Collateral Documents, the Trustee is authorized and empowered to institute and maintain, or direct the Collateral Agent to institute and maintain, such suits and proceedings to protect or enforce the Liens securing the Notes or to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Collateral Documents or this Indenture, and such suits and proceedings to preserve or protect its interest and the interests of the Holders of the Notes in the Collateral (including suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Liens created under the Collateral Documents or be prejudicial to the interests of the Holders of the Notes).

Section 8.05. *Authorization of Action to be Taken.*

(a) Each Holder of Notes by its acceptance of the Notes consents and agrees to the terms of each Collateral Document, as originally in effect and as amended, restated, amended and restated, supplemented or otherwise modified or replaced from time to time in accordance with its terms or the terms of this Indenture, authorizes and directs the Trustee and the Collateral Agent, as applicable, to enter into the Collateral Documents to which such party is a party, authorizes and empowers the Trustee and the Collateral Agent to bind the Holders of Notes as set forth in the Collateral Documents to which either such party is party and to perform its respective obligations and exercise its respective rights and powers thereunder. Any request, demand, authorization, direction, notice, consent, waiver, approval, exercise of judgment or discretion, designation or other action provided or permitted by this Indenture to be given, taken or exercised by the Collateral Agent, shall be given, taken or exercised by the Collateral Agent at the direction of the Trustee (who may seek directions from the Holders of at least 60% in aggregate principal amount of the Notes) or at the direction from the Holders of at least 60% in aggregate principal amount of the Notes. Any notice, agreement, certificate or other document delivered to the Collateral Agent by the Company or any other Person in connection with any of the Indenture or the Collateral Documents, shall promptly be delivered by the Company or such Person to the Trustee.

(b) The Collateral Agent and the Trustee are authorized and empowered to receive for the benefit of the Holders of Notes any funds collected or distributed under the Collateral Documents to which the Collateral Agent or the Trustee is a party and to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture.

(c) The Trustee may (but shall not be obligated to), in its sole discretion and without the consent of any Holders, during the continuance of an Event of Default, direct, on behalf of the Holders, the Collateral Agent to take all actions it deems necessary or appropriate in order to:

- (i) foreclose upon or otherwise enforce any or all of the Liens created under the Collateral Documents;
- (ii) enforce any of the terms of the Collateral Documents to which the Collateral Agent or Trustee is a party;
- (iii) collect and receive payment of any and all Obligations to the extent then due and payable.

(d) At any time after the Issue Date, upon delivery to the Collateral Agent and the Trustee of an Officer's Certificate and written request from the Company, the Collateral Agent shall enter into such Collateral Documents reasonably requested by the Company (at the sole expense and cost of the Company, including legal fees and expenses of the Trustee and the Collateral Agent). Neither the Trustee nor the Collateral Agent shall have any liability to any Person for entering into an intercreditor agreement or joinder thereto or any other Collateral Document in reliance on an Officer's Certificate.

Section 8.06. *Purchaser Protection.* In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Collateral Agent or the Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article 8 to be sold be under any obligation to ascertain or inquire into the authority of the Company to make any such sale or other transfer.

Section 8.07. *Powers Exercisable by Receiver or Trustee.* In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 8 upon the Company with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or of any Officer or Officers thereof required by the provisions of this Article 8; and if the Trustee shall be in possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 8.08. *Reserved.*

Section 8.09. *Collateral Agent; Collateral Documents.*

(a) U.S. Bank Trust Company, National Association is hereby designated and appointed as the Collateral Agent for the Secured Parties under this Indenture and the Collateral Documents and U.S. Bank Trust Company, National Association hereby accepts such designation and appointment.

(b) By their acceptance of the Notes, the Holders hereby authorize and direct the Trustee and Collateral Agent, as the case may be, to execute and deliver any Collateral Documents in which the Trustee or the Collateral Agent, as applicable, is named as a party, including any Collateral Documents executed after the date of this Indenture. It is hereby expressly acknowledged and agreed that, in doing so, the Trustee and the Collateral Agent are (a) expressly authorized to make the representations attributed to the Holders in any such agreements and (b) not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under, any Collateral Documents, the Trustee and the Collateral Agent each shall have all the rights, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

Section 8.10. *Replacement of Collateral Agent.*

(a) The Collateral Agent may resign at any time by so notifying the Company in writing not less than 45 days prior to the effective date of such resignation. The Holders of at least 60% of the principal amount of the Notes then outstanding may remove the Collateral Agent by so notifying the removed Collateral Agent in writing not less than 30 days prior to the effective date of such removal and may appoint a successor Collateral Agent with the Company's written consent. If:

(i) the Collateral Agent shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Collateral Agent or of its property shall be appointed, or any public officer shall take charge or control of the Collateral Agent or of its property or affairs for the purpose of rehabilitation, conservation or liquidation; or (ii) the Collateral Agent otherwise becomes incapable of acting then, the Company may by a Board Resolution remove the Collateral Agent and appoint a successor collateral agent by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Collateral Agent so removed and one copy to the successor collateral agent, or, subject to the provisions of Section 6.11, any Holder who has been a bona fide holder of a Note or Notes for at least six months (or since the date of this Indenture) may, on behalf of itself and all others similarly situated, petition, at the Company's expense, any court of competent jurisdiction for the removal of the Collateral Agent and the appointment of a successor Collateral Agent. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Collateral Agent and appoint a successor Collateral Agent.

(b) If the Collateral Agent consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another entity, the successor entity without any further act shall be the successor Collateral Agent.

Section 8.11. *Acceptance by Collateral Agent.* Any successor Collateral Agent appointed as provided in Section 8.10 shall execute, acknowledge and deliver to the Company and to its predecessor Collateral Agent an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Collateral Agent shall become effective and such successor Collateral Agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Collateral Agent herein; but, nevertheless, on the written request of the Company or of the successor Collateral Agent, the Collateral Agent ceasing to act shall, at the expense of the Company and subject to payment of any amounts then due pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor Collateral Agent all the rights and powers of the Collateral Agent so ceasing to act. Upon request of any such Collateral Agent, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Collateral Agent all such rights and powers. Any Collateral Agent ceasing to act shall, nevertheless, retain a senior lien to which the Notes are hereby made subordinate on all money or property held or collected by such Collateral Agent as such, except for funds held in trust for the benefit of Holders of particular Notes, to secure any amounts then due it pursuant to the provisions of Section 7.06.

Upon acceptance of appointment by a successor Collateral Agent as provided in Section 8.11, each of the Company and the successor Collateral Agent, at the written direction and at the expense of the Company, shall give or cause to be given notice of the succession of such Collateral Agent hereunder to the Holders in accordance with Section 18.03.

**ARTICLE 9.
CONCERNING THE HOLDERS**

Section 9.01. *Action by Holders.* Whenever in this Indenture it is provided that the Holders of a specified percentage of the aggregate principal amount of the Notes may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action, the Holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by Holders in person or by agent or proxy appointed in writing, or (b) by the record of the Holders voting in favor thereof at any meeting of Holders duly called and held in accordance with the provisions of Article 10, or (c) by a combination of such instrument or instruments and any such record of such a meeting of Holders. Whenever the Company or the Trustee solicits the taking of any action by the Holders of the Notes, the Company or the Trustee may, but shall not be required to, fix in advance of such solicitation, a date as the record date for determining Holders entitled to take such action. The record date, if one is selected, shall be not more than fifteen days prior to the date of commencement of solicitation of such action.

Section 9.02. *Proof of Execution by Holders.* Subject to the provisions of Section 7.01, Section 7.02 and Section 10.05, proof of the execution of any instrument or writing by a Holder or its agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The holding of Notes shall be proved by the Note Register or by a certificate of the Note Registrar. The record of any Holders' meeting shall be proved in the manner provided in Section 10.06.

Section 9.03. *Who Are Deemed Absolute Owners.* The Company, the Trustee, any authenticating agent, any Paying Agent, any Conversion Agent and any Note Registrar may deem the Person in whose name a Note shall be registered upon the Note Register to be, and may treat it as, the absolute owner of such Note (whether or not such Note shall be overdue and notwithstanding any notation of ownership or other writing thereon made by any Person other than the Company or any Note Registrar) for the purpose of receiving payment of or on account of the principal (including any Fundamental Change Repurchase Price) of and (subject to Section 2.03) accrued and unpaid interest on such Note, for conversion of such Note and for all other purposes under this Indenture; and neither the Company nor the Trustee nor any Paying Agent nor any Conversion Agent nor any Note Registrar shall be affected nor incur any liability by any notice to the contrary. The sole registered holder of a Global Note shall be the Depository or its nominee. All such payments or deliveries so made to any Holder for the time being, or upon its order, shall be valid, and, to the extent of the sums or shares of Common Stock so paid or delivered, effectual to satisfy and discharge the liability for monies payable or shares deliverable upon any such Note. Notwithstanding anything to the contrary in this Indenture or the Notes, any holder of a beneficial interest in a Global Note may directly enforce against the Company, without the consent, solicitation, proxy, authorization or any other action of the Depository or any other Person such holder's right to exchange such beneficial interest for a Note in certificated form in accordance with the provisions of this Indenture following an Event of Default.

Section 9.04. *Company-Owned Notes Disregarded.* In determining whether the Holders of the requisite aggregate principal amount of Notes have concurred in any direction, consent, waiver or other action under this Indenture, Notes that are owned by the Company, by any Subsidiary thereof or by any Affiliate of the Company or any Subsidiary thereof shall be disregarded and deemed not to be outstanding for the purpose of any such determination (including, for the avoidance of doubt, any Affiliate Notes); provided that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent, waiver or other action only Notes that a Responsible Officer actually knows are so owned shall be so disregarded. Notes so owned that have been pledged in good faith may be regarded as outstanding for the purposes of this Section 9.04 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to so act with respect to such Notes and that the pledgee is not the Company, a Subsidiary thereof or an Affiliate of the Company or a Subsidiary thereof. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Company shall furnish to the Trustee promptly an Officer's Certificate listing and identifying all Notes, if any, known by the Company to be owned or held by or for the account of any of the above described Persons; and, subject to Section 7.01, the Trustee shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

Section 9.05. *Revocation of Consents; Future Holders Bound.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 9.01, of the taking of any action by the Holders of the percentage of the aggregate principal amount of the Notes specified in this Indenture in connection with such action, any Holder of a Note that is shown by the evidence to be included in the Notes the Holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 9.02, revoke such action so far as concerns such Note. Except as aforesaid, any such action taken by the Holder of any Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note and of any Notes issued in exchange or substitution therefor or upon registration of transfer thereof, irrespective of whether any notation in regard thereto is made upon such Note or any Note issued in exchange or substitution therefor or upon registration of transfer thereof.

ARTICLE 10. HOLDERS' MEETINGS

Section 10.01. *Purpose of Meetings.* A meeting of Holders may be called at any time and from time to time pursuant to the provisions of this Article 10 for any of the following purposes:

(a) to give any notice to the Company or to the Trustee or to give any directions to the Trustee permitted under this Indenture, or to consent to the waiving of any Default or Event of Default hereunder (in each case, as permitted under this Indenture) and its consequences, or to take any other action authorized to be taken by Holders pursuant to any of the provisions of Article 6;

(b) to remove the Trustee and nominate a successor trustee pursuant to the provisions of Article 7;

(c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 11.02; or

(d) to take any other action authorized to be taken by or on behalf of the Holders of any specified aggregate principal amount of the Notes under any other provision of this Indenture or under applicable law.

Section 10.02. Call of Meetings by Trustee. The Trustee may at any time call a meeting of Holders to take any action specified in Section 10.01, to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of the Holders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting and the establishment of any record date pursuant to Section 9.01, shall be delivered to Holders of such Notes. Such notice shall also be delivered to the Company. Such notices shall be delivered not less than 20 nor more than 90 days prior to the date fixed for the meeting.

Any meeting of Holders shall be valid without notice if the Holders of all Notes then outstanding are present in person or by proxy or if notice is waived before or after the meeting by the Holders of all Notes then outstanding, and if the Company and the Trustee are either present by duly authorized representatives or have, before or after the meeting, waived notice.

Section 10.03. Call of Meetings by Company or Holders. In case at any time the Company, pursuant to a Board Resolution, or the Holders of at least 10% of the aggregate principal amount of the Notes then outstanding, shall have requested the Trustee to call a meeting of Holders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have delivered the notice of such meeting within 20 days after receipt of such request, then the Company or such Holders may determine the time and the place for such meeting and may call such meeting to take any action authorized in Section 10.01, by delivering notice thereof as provided in Section 10.02.

Section 10.04. Qualifications for Voting. To be entitled to vote at any meeting of Holders a Person shall be a Holder of one or more Notes on the record date pertaining to such meeting or be a Person appointed by an instrument in writing as proxy by a Holder of one or more Notes on the record date pertaining to such meeting. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 10.05. Regulations. Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders, in regard to proof of the holding of Notes and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders as provided in Section 10.03, in which case the Company or the Holders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in aggregate principal amount of the outstanding Notes represented at the meeting and entitled to vote at the meeting.

Subject to the provisions of Section 9.04, at any meeting of Holders each Holder or proxyholder shall be entitled to one vote for each \$1,000 principal amount of Notes held or represented by him or her; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Note challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Notes held by it or instruments in writing as aforesaid duly designating it as the proxy to vote on behalf of other Holders. Any meeting of Holders duly called pursuant to the provisions of Section 10.02 or Section 10.03 may be adjourned from time to time by the Holders of a majority of the aggregate principal amount of Notes represented at the meeting, whether or not constituting a quorum, and the meeting may be held as so adjourned without further notice.

Section 10.06. *Voting*. The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders or of their representatives by proxy and the outstanding aggregate principal amount of the Notes held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was delivered as provided in Section 10.02. The record shall show the aggregate principal amount of the Notes voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 10.07. *No Delay of Rights by Meeting*. Nothing contained in this Article 10 shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or to the Holders under any of the provisions of this Indenture or of the Notes.

ARTICLE 11. SUPPLEMENTAL INDENTURES

Section 11.01. *Supplemental Indentures Without Consent of Holders*. The Company, when authorized by the resolutions of the Board of Directors, and the Trustee and the Collateral Agent, at the Company's expense, may from time to time and at any time enter into an indenture or indentures supplemental hereto or an amendment or supplement to the Collateral Documents for one or more of the following purposes:

- (a) to cure any ambiguity, omission, defect or inconsistency;

(i) to appoint a successor trustee with respect to the Notes;

(l) to provide for the entry into an intercreditor agreement as described in clause (c) of the definition of the term "Permitted Liens";

(m) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Collateral Agent for its benefit and the benefit of the Secured Parties as additional security for the payment and performance of all or any portion of the Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee or the Collateral Agent pursuant to this Indenture, any of the Collateral Documents or otherwise;

Upon the written request of the Company, the Trustee and the Collateral Agent are hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and the Collateral Agent shall not be obligated to, but may in its discretion, enter into any supplemental indenture that affects the Trustee's or the Collateral Agent's own rights, duties or immunities under this Indenture, the other Notes Documents or otherwise.

Any supplemental indenture authorized by the provisions of this Section 11.01 may be executed by the Company, the Trustee and the Collateral Agent without the consent of the Holders of any of the Notes at the time outstanding, notwithstanding any of the provisions of Section 11.02.

Section 11.02. *Supplemental Indentures with Consent of Holders.* With the consent (evidenced as provided in Article 9) of the Holders of at least 60% of the aggregate principal amount of the Notes then outstanding (determined in accordance with Article 9 and including, without limitation, consents obtained in connection with a repurchase of, or tender or exchange offer for, Notes), the Company, when authorized by the resolutions of the Board of Directors and the Trustee and the Collateral Agent, at the Company's expense, may from time to time and at any time enter into an indenture or indentures supplemental hereto or an amendment or supplement to the Collateral Documents for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, the Notes, any supplemental indenture or any Collateral Document or of modifying in any manner the rights of the Holders; *provided, however*, that, without the consent of each Holder of an outstanding Note affected, no such supplemental indenture shall:

(i) expressly subordinate the Notes in right of payment to any other Indebtedness of the Company or any Guarantor or subordinate the Lien on the Collateral securing the Obligations or as otherwise provided for in the Notes Documents to the Lien granted to secure any other Indebtedness (other than in accordance with the terms of this Indenture and the other Notes Documents in effect as of the Issue Date);

(j) release (or has the effect of releasing) all or substantially all of the value of the Note Guarantees of the Guarantors (except as expressly provided in the Notes Documents);

(k) make any change in this Article 11 that requires each Holder's consent or in the waiver provisions in Section 6.02 or Section 6.09;

(l) change any provision of any Notes Documents in a manner that by its terms adversely affects the rights in respect of payments due to one or more Holders different than other Holders; or

(m) make any change to Section 4.19 or any language in other definitions or provisions to the extent used therein.

In addition, notwithstanding the foregoing, any amendment to, or waiver of, the provisions of this Indenture or any Notes Document that has the effect of releasing all or substantially all of the Collateral shall require the consent of the Holders of at least 75% in aggregate principal amount of the Notes then outstanding under this Indenture (including any consents obtained in connection with a tender offer or exchange for the Notes). If any amendment to, or waiver of, the provisions of this Indenture or any Notes Document to which it is a party affects the rights or obligations of the Collateral Agent, then in such case the consent of the Collateral Agent shall also be required.

Upon the written request of the Company, and upon the filing with the Trustee and Collateral Agent of evidence of the consent of Holders as aforesaid and subject to Section 11.05, the Trustee and the Collateral Agent shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's or the Collateral Agent's own rights, duties or immunities under this Indenture, the other Notes Documents or otherwise, in which case the Trustee and Collateral Agent, as applicable, may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

Holdings do not need under this Section 11.02 to approve the particular form of any proposed supplemental indenture. It shall be sufficient if such Holders approve the substance thereof. After any supplemental indenture becomes effective, the Company shall deliver to the Holders a notice briefly describing such supplemental indenture. However, the failure to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of the supplemental indenture.

Section 11.03. *Effect of Supplemental Indentures.* Upon the execution of any supplemental indenture pursuant to the provisions of this Article 11, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitation of rights, obligations, duties, indemnities, privileges and immunities under this Indenture of the Trustee, the Collateral Agent, the Company and the Holders shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 11.04. *Notation on Notes* . Notes authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 11 may, at the Company's expense, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company or the Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may, at the Company's expense, be prepared and executed by the Company, authenticated by the Trustee (or an authenticating agent duly appointed by the Trustee pursuant to Section 18.10) and delivered in exchange for the Notes then outstanding, upon surrender of such Notes then outstanding.

Section 11.05. *Evidence of Compliance of Amendments and Supplements and Enforceability of the Supplemental Indenture to Be Furnished Trustee and Collateral Agent.* In addition to the documents required by Section 18.05, the Trustee and the Collateral Agent shall receive an Officer's Certificate and an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant hereto complies with the requirements of this Article 11 and is permitted or authorized by this Indenture and the Notes Documents and an Opinion of Counsel that such supplemental indenture constitutes the legal, valid and binding obligation of the Company enforceable against it in accordance with its terms, subject to customary exceptions and qualifications as to enforceability by such counsel. The Trustee shall have no responsibility for determining whether any amendment or supplemental indenture will or may have an adverse effect on any Holder.

ARTICLE 12. CONSOLIDATION, MERGER, SALE, CONVEYANCE AND LEASE

Section 12.01. *Company May Consolidate, Etc. on Certain Terms.* Subject to the provisions of Section 12.02, the Company shall not consolidate with, merge with or into, or sell, convey, transfer or lease all or substantially all of the consolidated properties and assets of the Company and its Subsidiaries, taken as a whole, to another Person (other than any such sale, conveyance, transfer or lease to one or more of the Company's direct or indirect Wholly Owned Subsidiaries) (a "**Business Combination Event**") unless:

(a) the resulting, surviving or transferee Person (the "**Successor Company**"), if not the Company, shall be a Qualified Successor Entity organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, and the Successor Company (if not the Company) shall expressly assume, by supplemental indenture all of the obligations of the Company under the Notes, this Indenture and the Collateral Documents;

(b) the property and assets of the Person which is merged or consolidated with or into the Successor Company, as applicable, to the extent that they are property or assets or of the types which would constitute Collateral under the Collateral Documents, shall be treated as after-acquired property and the Successor Company shall take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien under the Collateral Documents in the manner and to the extent required in this Indenture or any Collateral Document and shall take all reasonably necessary action so that such Liens are perfected to the extent required by this Indenture or any Collateral Document;

(c) immediately after giving effect to such Business Combination Event, no Default or Event of Default shall have occurred and be continuing under this Indenture; and

(d) the Successor Company has delivered to the Trustee and Collateral Agent an Officer's Certificate and an Opinion of Counsel, each stating that (x) such Business Combination Event (and, if applicable, the related supplemental indenture) complies with this Indenture and (y) all conditions precedent to such Business Combination Event provided in this Indenture have been complied with.

For purposes of this Section 12.01, the sale, conveyance, transfer or lease of all or substantially all of the properties and assets of one or more Subsidiaries of the Company to another Person, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the sale, conveyance, transfer or lease of all or substantially all of the properties and assets of the Company to another Person.

Section 12.02. Successor Corporation to Be Substituted. In case of any such Business Combination Event and upon the assumption by the Successor Company (if not the Company), by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the due and punctual payment of the principal of and accrued and unpaid interest on all of the Notes, the due and punctual delivery or payment, as the case may be, of any consideration due upon conversion of the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Company, such Successor Company (if not the Company) shall succeed to and, except in the case of a lease of all or substantially all of the consolidated properties and assets of the Company and its Subsidiaries, taken as a whole, shall be substituted for the Company, with the same effect as if it had been named herein as the party of the first part, and may thereafter exercise every right and power of the Company under this Indenture. Such Successor Company thereupon may cause to be signed, and may issue either in its own name or in the name of the Company any or all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such Successor Company instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Notes that previously shall have been signed and delivered by the Officers of the Company to the Trustee for authentication, and any Notes that such Successor Company thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Notes so issued shall in all respects have the same legal rank and benefit under this Indenture as the Notes theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Notes had been issued at the date of the execution hereof. In the event of any such Business Combination Event that is a consolidation, merger, sale, conveyance or transfer (but not in the case of a lease), upon compliance with this Article 12 the Person named as the "Company" in the first paragraph of this Indenture (or any successor that shall thereafter have become such in the manner prescribed in this Article 12) may be dissolved, wound up and liquidated at any time thereafter and, except in the case of a lease, such Person shall be released from its liabilities as obligor and maker of the Notes and from its obligations under this Indenture and the Notes. In case of any such Business Combination Event, such changes in phraseology and form (but not in substance) may be made in the Notes thereafter to be issued as may be appropriate.

Section 12.03. *Guarantors May Consolidate on Certain Terms.* No Guarantor shall, and the Company shall not permit any Guarantor to, consolidate with, merge with or into, or sell, convey, transfer or lease all or substantially all of the consolidated properties and assets of such Guarantor, to another Person unless:

(a) the resulting, surviving or transferee Person (the “**Successor Guarantor**”) shall be a corporation organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, and the Successor Guarantor shall expressly assume, by supplemental indenture and other supplements or agreements all of the obligations of the Guarantor under the Notes, and this Indenture and the Collateral Documents;

(b) the property and assets of the Person which is merged or consolidated with or into the Successor Guarantor, as applicable, to the extent that they are property or assets or of the types which would constitute Collateral under the Collateral Documents, shall be treated as after-acquired property and the Successor Guarantor shall take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien under the Collateral Documents in the manner and to the extent required in this Indenture or any Collateral Document and shall take all reasonably necessary action so that such Liens are perfected to the extent required by this Indenture or any Collateral Document;

(c) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing under this Indenture; and

(d) the Successor Guarantor has delivered to the Trustee and Collateral Agent an Officer’s Certificate and an Opinion of Counsel, each stating that (x) such consolidation, amalgamation, merger or transfer (and, if applicable, the related supplemental indenture) complies with this Indenture and (y) all conditions precedent to such consolidation, amalgamation, merger or transfer provided in this Indenture have been complied with.

The Successor Guarantor (if other than such Guarantor) will succeed to, and be substituted for, such Guarantor under this Indenture, the Notes, the Note Guarantee and the Collateral Documents, as applicable.

**ARTICLE 13.
GUARANTEES**

Section 13.01. *Guarantee.* Subject to the provisions of this Article 13, each Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Notes, the Trustee and the Collateral Agent the full and punctual payment when due, whether at maturity, by acceleration or otherwise, of the principal of, premium, if any, and interest (including Additional Interest, if any) on the Notes, fees, expenses, indemnities and all other Obligations and liabilities of the Company under this Indenture and the Collateral Documents (including without limitation interest (including Additional Interest, if any) accruing after the filing of any petition or application in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Company or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) (all the foregoing being hereinafter collectively called the “**Guaranteed Obligations**”). Each Guarantor agrees that the Guaranteed Obligations will rank equally in right of payment with other Indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guaranteed Obligations, in which case the obligations of the Guarantors under the Note Guarantees will rank senior in right of payment to such other Indebtedness.

To evidence its Note Guarantee set forth in this Section 13.01, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Note Guarantee set forth in this Section 13.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Note Guarantee shall be valid nevertheless.

Each Guarantor further agrees (to the extent permitted by law) that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article 13 notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations.

Each Guarantor further agrees that its Note Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guaranteed Obligations.

Except as set forth in Section 13.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guaranteed Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guaranteed Obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of the Trustee, the Collateral Agent or any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by the Collateral Agent or any Holder for the Guaranteed Obligations; (e) the failure of the Trustee, the Collateral Agent or any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity (other than, in each case, payment in full of the Obligations (other than contingent obligations and expense reimbursement not yet due and payable)).

Each Guarantor agrees that its Note Guarantee herein shall remain in full force and effect until payment in full of all the Guaranteed Obligations or such Guarantor is released from its Note Guarantee in compliance with Section 13.02 or Article 3. Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest (including Additional Interest, if any) on any of the Guaranteed Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy, insolvency or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guaranteed Obligations when and as the same shall become due, whether at maturity, by acceleration, or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations then due and owing and (ii) accrued and unpaid interest (including Additional Interest, if any) on such Guaranteed Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition or application in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Company or any Guarantor whether or not a claim for post filing or post petition interest is allowed in such proceeding).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Note Guarantee.

Each Guarantor also agrees to pay any and all fees, costs and expenses (including reasonable out-of-pocket attorneys' fees and expenses) incurred by the Collateral Agent, Trustee or the Holders in enforcing any rights under this Section 13.01.

Each Guarantor assumes all responsibility for being and keeping itself informed of the Company's and each other Guarantor's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

Section 13.02. *Limitation on Liability; Termination, Release and Discharge.*

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantee or pursuant to its contribution obligations under this Indenture, not render the obligations of such Guarantor under its Note Guarantee subject to avoidance under applicable law as a fraudulent conveyance, fraudulent transfer or unjust preference, including under federal, foreign, or state law, or otherwise void or voidable under any similar laws affecting the rights of creditors generally.

(b) Any Note Guarantee of a Guarantor (x) in the case of clause (i) below, at the election of the Company, may be released and discharged and such Guarantor and its obligations under this Indenture and the other Notes Documents shall be released and discharged and (y) in the case of clauses (ii), (iii) and (iv) below, shall be automatically (and without any further action on the part of the Company or any Secured Party) be released and discharged and such Guarantor and its obligations under this Indenture and the other Notes Documents shall be released and discharged:

(i) in connection with any sale or other disposition of all or substantially all of the assets of such Guarantor (including by way of merger or consolidation or amalgamation) to a Person that is not (either before or after giving effect to such transaction) a Subsidiary of the Company, so long as (1) no Default or Event of Default shall have occurred and be continuing under this Indenture at the time of such sale or other disposition, (2) such sale or other disposition shall be completed in a transaction permitted (or not prohibited) by the terms of this Indenture with a legitimate business purpose and not for the purpose of releasing such Notes Guarantee or for the incurrence of Indebtedness or liability management and (3) the consideration received by the Company and its Subsidiaries in such sale or other disposition shall be at least equal to the Fair Market Value of the assets of such Guarantor sold or disposed of; *provided* that the Notes Guarantee of such Guarantor will continue to be in full force and effect as a result of any sale or other disposition not in compliance with this Section 13.02(b)(i);

(ii) in connection with any sale or other disposition of the Capital Stock of such Guarantor after which such Guarantor is no longer a Subsidiary of the Company, so long as (1) no Default or Event of Default shall have occurred and be continuing under this Indenture at the time of such sale or other disposition, (2) such sale or other disposition shall be completed in a transaction permitted (or not prohibited) by the terms of this Indenture with a legitimate business purpose and not for the purpose of releasing such Notes Guarantee or for the incurrence of Indebtedness or liability management and (3) the consideration received by the Company and its Subsidiaries in such sale or other disposition shall be at least equal to the Fair Market Value of the Capital Stock of such Guarantor sold or disposed of; *provided* that the Notes Guarantee of such Guarantor will continue to be in full force and effect as a result of any sale or other disposition not in compliance with this Section 13.02(b)(ii);

(iii) in connection with the dissolution of such Guarantor under applicable law; *provided* that the Person who receives the assets of such dissolving Guarantor shall be or become a Note Party if such Person is a Subsidiary of the Company; or

(iv) upon discharge of the Notes as provided in Article 3.

(c) With respect to any release of any Note Guarantee, upon receipt of an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent under this Indenture and the other Notes Documents, as applicable, to such release have been met and that it is proper for the Trustee or the Collateral Agent to execute and deliver the documents requested by the Company in connection with such release, and any instruments of termination, satisfaction, discharge or release prepared by the Company, the Trustee and the Collateral Agent shall execute, deliver or acknowledge (at the Company's expense) such instruments or releases to evidence the release and discharge of any Note Guarantee permitted to be released pursuant to this Indenture. Neither the Trustee nor the Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officer's Certificate or Opinion of Counsel, and notwithstanding any term hereof or in any other Notes Document to the contrary, the Trustee and the Collateral Agent shall not be under any obligation to execute and deliver any such instrument of release, satisfaction, discharge or termination, unless and until it receives such Officer's Certificate and Opinion of Counsel.

Section 13.03. *Right of Contribution*. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Note Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 13.03 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee, the Collateral Agent and the Holders and each Guarantor shall remain liable to the Trustee, the Collateral Agent and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 13.04. *No Subrogation*. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee, the Collateral Agent or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee, the Collateral Agent or any Holder for the payment of the Guaranteed Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee, the Collateral Agent and the Holders by the Company on account of the Guaranteed Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee, the Collateral Agent and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guaranteed Obligations.

Section 13.05. *Subordination*. Notwithstanding any provision of this Indenture to the contrary, all rights of the Guarantors under Section 13.04, and all other rights of indemnity, contribution or subrogation under applicable law or otherwise, shall be fully subordinated to the payment in full in cash of the Obligations. No failure on the part of the Company or any Guarantor to make the payments required by Section 13.04 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

ARTICLE 14.
IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

Section 14.01. *Indenture and Notes Solely Corporate Obligations*. No recourse for the payment of the principal of or accrued and unpaid interest on any Note, nor for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company in this Indenture or in any supplemental indenture or in any Note, nor because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, employee, agent, Officer or director or Subsidiary, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issue of the Notes.

ARTICLE 15.
CONVERSION OF NOTES

Section 15.01. *Conversion Privilege*. Subject to and upon compliance with the provisions of this Article 15 (including, without limitation, Section 15.14), each Holder of a Note shall have the right, at such Holder's option, to convert all or any portion (if the portion to be converted is \$1,000 principal amount or an integral multiple thereof) of such Note, at any time on or after the date hereof and prior to the close of business on the Business Day immediately preceding the Maturity Date at an initial conversion rate of 610.3143 shares of Common Stock (subject to adjustment as provided in this Article 15, the "**Conversion Rate**") per \$1,000 principal amount of Notes (subject to, and in accordance with, the settlement provisions of Section 15.02, the "**Conversion Obligation**").

Section 15.02. *Conversion Procedure; Settlement Upon Conversion*.

(a) Subject to this Section 15.02, Section 15.03(b) and Section 15.07(a), upon conversion of any Note, the Company shall pay or deliver, as the case may be, to the converting Holder, in respect of each \$1,000 principal amount of Notes being converted, cash ("**Cash Settlement**"), shares of Common Stock, together with cash, if applicable, in lieu of delivering any fractional share of Common Stock in accordance with subsection (j) of this Section 15.02 ("**Physical Settlement**") or a combination of cash and shares of Common Stock, together with cash, if applicable, in lieu of delivering any fractional share of Common Stock in accordance with subsection (j) of this Section 15.02 ("**Combination Settlement**"), at its election, as set forth in this Section 15.02.

(i) The Company shall use the same Settlement Method for all conversions occurring on the same Conversion Date, but the Company shall not have any obligation to use the same Settlement Method with respect to conversions with different Conversion Dates.

(ii) If, in respect of any Conversion Date, the Company elects to deliver a notice (the “**Settlement Notice**”) of the relevant Settlement Method in respect of such Conversion Date, and the Company has not previously irrevocably elected a Settlement Method as described under Section 15.02(a)(iv), the Company shall deliver such Settlement Notice to converting Holders, the Trustee and the Conversion Agent (if other than the Trustee) no later than the close of business on the Trading Day immediately following the relevant Conversion Date. If the Company does not elect a Settlement Method prior to the deadline set forth in the immediately preceding sentence, unless the Company has previously irrevocably elected a Settlement Method as described under Section 15.02(a)(iv), the Company shall no longer have the right to elect Cash Settlement or Physical Settlement for such conversion and the Company shall be deemed to have elected Combination Settlement in respect of its Conversion Obligation, and the Specified Dollar Amount per \$1,000 principal amount of Notes shall be equal to \$1,000. Such Settlement Notice shall specify the relevant Settlement Method and in the case of an election of Combination Settlement, the relevant Settlement Notice shall indicate the Specified Dollar Amount per \$1,000 principal amount of Notes. If the Company delivers a Settlement Notice electing Combination Settlement in respect of its Conversion Obligation but does not indicate a Specified Dollar Amount per \$1,000 principal amount of Notes in such Settlement Notice, the Specified Dollar Amount per \$1,000 principal amount of Notes shall be deemed to be \$1,000.(iv) The cash, shares of Common Stock or combination of cash and shares of Common Stock in respect of any conversion of Notes (the “**Settlement Amount**”) shall be computed as follows:

(A) if the Company elects to satisfy its Conversion Obligation in respect of such conversion by Physical Settlement, the Company shall deliver to the converting Holder in respect of each \$1,000 principal amount of Notes being converted a number of shares of Common Stock equal to the Conversion Rate in effect on the Conversion Date;

(B) if the Company elects to satisfy its Conversion Obligation in respect of such conversion by Cash Settlement, the Company shall pay to the converting Holder in respect of each \$1,000 principal amount of Notes being converted cash in an amount equal to the sum of the Daily Conversion Values for each of the 20 consecutive Trading Days during the related Observation Period; and

(C) if the Company elects (or is deemed to have elected) to satisfy its Conversion Obligation in respect of such conversion by Combination Settlement, the Company shall pay or deliver, as the case may be, in respect of each \$1,000 principal amount of Notes being converted, a Settlement Amount equal to the sum of the Daily Settlement Amounts for each of the 20 consecutive Trading Days during the related Observation Period.

(iii) The Daily Settlement Amounts (if applicable) and the Daily Conversion Values (if applicable) shall be determined by the Company promptly following the last day of the Observation Period. Promptly after such determination of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering any fractional share of Common Stock, the Company shall notify the Trustee and the Conversion Agent (if other than the Trustee) of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering fractional shares of Common Stock. The Trustee and the Conversion Agent (if other than the Trustee) shall have no responsibility for any such determination.

(iv) The Company may, unless the Company has previously elected (or is deemed to have elected) a Settlement Method, at any time prior to any Conversion Date for any Note, and without the consent of the Holders, irrevocably elect a Settlement Method to apply in respect of such Notes converted following the date of the Company's election. The Company will inform Holders, the Trustee and the Conversion Agent (if other than the Trustee), of such election and, if Combination Settlement applies, the Specified Dollar Amount.

(b) Subject to Section 15.02(e), before any Holder of a Note shall be entitled to convert a Note as set forth above, such Holder shall (i) in the case of a Global Note, comply with the applicable procedures of the Depository in effect at that time and, if required, pay funds equal to interest payable on the next Interest Payment Date to which such Holder is not entitled as set forth in Section 15.02(h) and (ii) in the case of a Physical Note (1) complete, manually sign and deliver an irrevocable notice to the Conversion Agent as set forth in the Form of Notice of Conversion (or a facsimile, PDF or other electronic transmission thereof) (a notice pursuant to the applicable procedures of the Depository or a notice as set forth in the Form of Notice of Conversion, a "**Notice of Conversion**") at the office of the Conversion Agent and state in writing therein the principal amount of Notes to be converted and the name or names (with addresses) in which such Holder wishes the certificate or certificates for any shares of Common Stock to be delivered upon settlement of the Conversion Obligation to be registered, (2) surrender such Notes, duly endorsed to the Company or in blank (and accompanied by appropriate endorsement and transfer documents), at the office of the Conversion Agent, (3) if required, furnish appropriate endorsements and transfer documents and (4) if required, pay funds equal to any unpaid interest and is payable on the next Interest Payment Date to which such Holder is not entitled as set forth in Section 15.02(h). The Trustee (and if different, the Conversion Agent) shall notify the Company of any conversion pursuant to this Article 15 promptly following the Conversion Date for such conversion. No Notes may be surrendered for conversion by a Holder thereof if such Holder has also delivered a Fundamental Change Repurchase Notice to the Company in respect of such Notes and has not validly withdrawn such Fundamental Change Repurchase Notice in accordance with Section 16.03.

If more than one Note shall be surrendered for conversion at one time by the same Holder, the Conversion Obligation with respect to such Notes shall be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted thereby) so surrendered.

(c) A Note shall be deemed to have been converted immediately prior to the close of business on the date (the “**Conversion Date**”) that the Holder has complied with the requirements set forth in subsection (b) above. Except as set forth in Section 15.03 and Section 15.07(a), the Company shall pay or deliver, as the case may be, the consideration due in respect of the Conversion Obligation on the second Business Day immediately following the relevant Conversion Date (or, in respect of any Conversion Date occurring after April 15, 2029, on the Maturity Date), if the Company elects Physical Settlement, or on the second Business Day immediately following the last Trading Day of the Observation Period, in the case of any other Settlement Method. If any shares of Common Stock are due to a converting Holder, the Company shall issue or cause to be issued, and deliver to the Conversion Agent or to such Holder, or such Holder’s nominee or nominees, the full number of shares of Common Stock to which such Holder shall be entitled, in certificated form or book-entry format through the Depository (*provided* that shares of Common Stock required to bear the Affiliate Restrictive Stock Legend shall be issued in certificated form or in book-entry form on the books of the Company’s transfer agent), in satisfaction of the Company’s Conversion Obligation.

(d) In case any Note shall be surrendered for partial conversion, the Company shall execute and the Trustee shall authenticate and deliver to or upon the written order of the Holder of the Note so surrendered a new Note or Notes in authorized denominations in an aggregate principal amount equal to the unconverted portion of the surrendered Note, without payment of any service charge by the converting Holder but, if required by the Company or Trustee, with payment of a sum sufficient to cover any documentary, stamp or similar issue or transfer tax or similar governmental charge required by law or that may be imposed in connection therewith as a result of the name of the Holder of the new Notes issued upon such conversion being different from the name of the Holder of the old Notes surrendered for such conversion.

(e) If a Holder submits a Note for conversion, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of any shares of Common Stock upon conversion, unless the tax is due because the Holder requests such shares to be issued in a name other than the Holder’s name, in which case the Holder shall pay that tax. The Conversion Agent may refuse to deliver the certificates representing the shares of Common Stock being issued in a name other than the Holder’s name until the Trustee receives a sum sufficient to pay any tax that is due by such Holder in accordance with the immediately preceding sentence.

(f) Except as provided in Section 15.04, no adjustment shall be made for dividends on any shares of Common Stock issued upon the conversion of any Note as provided in this Article 15.

(g) Upon the conversion of an interest in a Global Note, the Trustee, or the Custodian at the direction of the Trustee, shall make a notation on such Global Note as to the reduction in the principal amount represented thereby. The Company shall notify the Trustee in writing of any conversion of Notes effected through any Conversion Agent other than the Trustee.

(h) Upon conversion, a Holder shall not receive any separate cash payment for accrued and unpaid interest, if any, except as set forth below. The Company's settlement of the full Conversion Obligation shall be deemed to satisfy in full its obligation to pay the principal amount of the Note and unpaid interest, if any, to, but not including, the relevant Conversion Date. As a result, any unpaid interest to, but not including, the relevant Conversion Date shall be deemed to be paid in full rather than cancelled, extinguished or forfeited. Upon a conversion of Notes into a combination of cash and shares of Common Stock, any accrued and unpaid interest will be deemed to be paid first out of the cash paid upon such conversion (excluding cash payments for fractional shares). Notwithstanding the foregoing, if Notes are converted after the close of business on a Regular Record Date and prior to the open of business on the corresponding Interest Payment Date, Holders of such Notes as of the close of business on such Regular Record Date will receive the full amount of interest payable on such Notes on the corresponding Interest Payment Date notwithstanding the conversion. Notes surrendered for conversion during the period from the close of business on any Regular Record Date to the open of business on the immediately following Interest Payment Date must be accompanied by funds equal to the amount of interest payable on the Notes so converted; *provided* that no such payment shall be required (1) for conversions following the close of business on the Regular Record Date immediately preceding the Maturity Date; (2) if the Company has specified a Fundamental Change Repurchase Date that is after a Regular Record Date and on or prior to the Business Day immediately following the corresponding Interest Payment Date; or (3) to the extent of any Defaulted Amounts, if any Defaulted Amounts exists at the time of conversion with respect to such Note. Therefore, for the avoidance of doubt, all Holders of record on the Regular Record Date immediately preceding the Maturity Date or any Fundamental Change Repurchase Date, in each case described above, shall receive the full interest payment due on the Maturity Date or other applicable Interest Payment Date in cash regardless of whether their Notes have been converted following such Regular Record Date.

(i) The Person in whose name the shares of Common Stock shall be issuable upon conversion shall be treated as a stockholder of record as of the close of business on the relevant Conversion Date (if the Company elects to satisfy the related Conversion Obligations by Physical Settlement) or the last Trading Day of the relevant Observation Period (if the Company elects to satisfy the related Conversion Obligation by Combination Settlement), as the case may be. Upon a conversion of Notes, such Person shall no longer be a Holder of such Notes surrendered for conversion.

(j) The Company shall not issue any fractional share of Common Stock upon conversion of the Notes and shall instead pay cash in lieu of delivering any fractional share of Common Stock issuable upon conversion based on the Daily VWAP for the relevant Conversion Date (in the case of Physical Settlement) or based on the Daily VWAP for the last Trading Day of the relevant Observation Period (in the case of Combination Settlement). For each Note surrendered for conversion, if the Company has elected Combination Settlement, the full number of shares that shall be issued upon conversion thereof shall be computed on the basis of the aggregate Daily Settlement Amounts for the relevant Observation Period and any fractional shares remaining after such computation shall be paid in cash.

Section 15.03. *Increased Conversion Rate Applicable to Certain Notes Surrendered in Connection with a Make-Whole Fundamental Change.*

(a) If the Effective Date of a Make-Whole Fundamental Change occurs prior to the Maturity Date and a Holder elects to convert its Notes in connection with such Make-Whole Fundamental Change, the Company shall, under the circumstances described below, increase the Conversion Rate for the Notes so surrendered for conversion by a number of additional shares of Common Stock (the “**Additional Shares**”), as described below. A conversion of Notes shall be deemed for these purposes to be “in connection with” a Make-Whole Fundamental Change if the relevant Conversion Date occurs during the period from, and including, the Effective Date of the Make-Whole Fundamental Change up to, and including, the Business Day immediately prior to the related Fundamental Change Repurchase Date (or, in the case of an Exempted Fundamental Change or a Make-Whole Fundamental Change that would have been a Fundamental Change but for the proviso in clause (b) of the definition thereof, the 35th Trading Day immediately following the Effective Date of such Make-Whole Fundamental Change) (such period, the “**Make-Whole Fundamental Change Period**”).

(b) Upon surrender of Notes for conversion during a Make-Whole Fundamental Change Period, the Company shall, at its option, satisfy the related Conversion Obligation by Physical Settlement, Cash Settlement or Combination Settlement in accordance with Section 15.02 based on the Conversion Rate as increased to reflect the Additional Shares pursuant to the table below; *provided, however*, that if, at the effective time of a Make-Whole Fundamental Change described in clause (b) of the definition of Fundamental Change, the Reference Property following such Make-Whole Fundamental Change is composed entirely of cash, for any conversion of Notes following the Effective Date of such Make-Whole Fundamental Change, the Conversion Obligation shall be calculated based solely on the Stock Price for the transaction and shall be deemed to be an amount of cash per \$1,000 principal amount of converted Notes equal to the Conversion Rate (including any increase to reflect the Additional Shares), *multiplied by* such Stock Price. In such event, the Conversion Obligation shall be determined and paid to Holders in cash on the fifth Business Day following the Conversion Date. The Company shall notify the Holders, the Trustee and the Conversion Agent (if other than the Trustee) in writing of the Effective Date of any Make-Whole Fundamental Change no later than five Business Days after such Effective Date.

(c) The number of Additional Shares, if any, by which the Conversion Rate shall be increased for conversions during the Make-Whole Fundamental Change Period shall be determined by reference to the table below, based on the date on which the Make-Whole Fundamental Change occurs or becomes effective (the “**Effective Date**”), and the price paid (or deemed to be paid) per share of the Common Stock in the Make-Whole Fundamental Change (the “**Stock Price**”). If the holders of the Common Stock receive in exchange for their Common Stock only cash in a Make-Whole Fundamental Change described in clause (b) of the definition of Fundamental Change, the Stock Price shall be the cash amount paid per share. In the case of any other Make-Whole Fundamental Change, the Stock Price shall be the average of the Last Reported Sale Prices of the Common Stock over the five consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Effective Date of the Make-Whole Fundamental Change. The Company shall make appropriate adjustments to the Stock Price, in good faith and in a commercially reasonable manner, to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Ex-Dividend Date, Effective Date (as such term is used in Section 15.04) or expiration date of the event occurs during such five consecutive Trading Day period.

(d) The Stock Prices set forth in the column headings of the table below shall be adjusted as of any date on which the Conversion Rate of the Notes is otherwise adjusted. The adjusted Stock Prices shall equal the Stock Prices applicable immediately prior to such adjustment, *multiplied by* a fraction, the numerator of which is the Conversion Rate immediately prior to such adjustment giving rise to the Stock Price adjustment and the denominator of which is the Conversion Rate as so adjusted. The number of Additional Shares set forth in the table below shall be adjusted in the same manner and at the same time as the Conversion Rate as set forth in Section 15.04.

(e) The number of Additional Shares by which the Conversion Rate shall be increased per \$1,000 principal amount of Notes pursuant to this Section 15.03 for each Stock Price and Effective Date set forth below:

	<u>\$1.13</u>	<u>\$ 1.30</u>	<u>\$ 1.45</u>	<u>\$ 1.64</u>	<u>\$ 2.00</u>	<u>\$ 3.00</u>	<u>\$ 5.00</u>	<u>\$ 10.00</u>	<u>\$ 25.00</u>	<u>\$ 50.00</u>
4/23/2026	274.6414	274.6414	243.6759	199.2683	145.6100	82.4667	44.7700	18.9890	3.5036	0.0000
5/1/2027	274.6414	267.5308	214.3931	166.5061	112.1700	57.8667	31.1500	13.2420	2.4424	0.0000
5/1/2028	274.6414	247.8923	184.3931	128.3049	70.4550	29.8133	16.2540	6.9220	1.2772	0.0000
5/1/2029	274.6414	247.8923	170.9241	91.0244	0.0000	0.0000	0.0000	0.0000	0.0000	0.0000

(f) The exact Stock Price and Effective Date may not be set forth in the table above, in which case:

(i) if the Stock Price is between two Stock Prices in the table above or the Effective Date is between two Effective Dates in the table, the number of Additional Shares by which the Conversion Rate shall be increased shall be determined by a straight-line interpolation between the number of Additional Shares set forth for the higher and lower Stock Prices and the earlier and later Effective Dates, as applicable, based on a 365-day year;

(ii) if the Stock Price is greater than \$50.00 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to subsection (d) above), no Additional Shares shall be added to the Conversion Rate; and

(iii) if the Stock Price is less than \$1.13 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to subsection (d) above), no Additional Shares shall be added to the Conversion Rate.

Notwithstanding the foregoing, in no event shall the Conversion Rate per \$1,000 principal amount of Notes exceed 884.9557 shares of Common Stock, subject to adjustment in the same manner as the Conversion Rate pursuant to Section 15.04.

(g) Nothing in this Section 15.03 shall prevent an adjustment to the Conversion Rate that would otherwise be required pursuant to Section 15.04 in respect of a Make-Whole Fundamental Change.

Section 15.04. *Adjustment of Conversion Rate.* The Conversion Rate shall be adjusted from time to time by the Company if any of the following events occurs, except that the Company shall not make any adjustments to the Conversion Rate if Holders of the Notes participate (other than in the case of (x) a share split or share combination or (y) a tender or exchange offer), at the same time and upon the same terms as holders of the Common Stock and solely as a result of holding the Notes, in any of the transactions described in this Section 15.04, without having to convert their Notes, as if they held a number of shares of Common Stock equal to the Conversion Rate, *multiplied by* the principal amount (expressed in thousands) of Notes held by such Holder.

(a) If the Company exclusively issues shares of Common Stock as a dividend or distribution on shares of the Common Stock, or if the Company effects a share split or share combination, the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

where,

CR_0 = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date of such dividend or distribution, or immediately prior to the open of business on the Effective Date of such share split or share combination, as applicable;

CR_1 = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date or Effective Date;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the open of business on such Ex-Dividend Date or Effective Date (before giving effect to any such dividend, distribution, split or combination); and

OS_1 = the number of shares of Common Stock outstanding immediately after giving effect to such dividend, distribution, share split or share combination.

Any adjustment made under this Section 15.04(a) shall become effective immediately after the open of business on the Ex-Dividend Date for such dividend or distribution, or immediately after the open of business on the Effective Date for such share split or share combination, as applicable. If any dividend or distribution of the type described in this Section 15.04(a) is declared but not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(b) If the Company distributes to all or substantially all holders of the Common Stock any rights, options or warrants (other than pursuant to a stockholder rights plan) entitling them, for a period of not more than 60 calendar days after the announcement date of such distribution, to subscribe for or purchase shares of the Common Stock at a price per share that is less than the average of the Last Reported Sale Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such distribution, the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where,

CR_0 = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the open of business on such Ex-Dividend Date;

X = the total number of shares of Common Stock distributable pursuant to such rights, options or warrants; and

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants, *divided by* the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of the distribution of such rights, options or warrants.

Any increase made under this Section 15.04(b) shall be made successively whenever any such rights, options or warrants are distributed and shall become effective immediately after the open of business on the Ex-Dividend Date for such distribution. To the extent that shares of the Common Stock are not delivered after the expiration of such rights, options or warrants, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect had the increase with respect to the distribution of such rights, options or warrants been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights, options or warrants are not so distributed, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect if such Ex-Dividend Date for such distribution had not occurred.

For purposes of this Section 15.04(b), in determining whether any rights, options or warrants entitle the holders of Common Stock to subscribe for or purchase shares of the Common Stock at less than such average of the Last Reported Sale Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such distribution, and in determining the aggregate offering price of such shares of Common Stock, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Company in good faith.

(c) If the Company distributes shares of its Capital Stock, evidences of its indebtedness, other assets or property of the Company or rights, options or warrants to acquire its Capital Stock or other securities, to all or substantially all holders of the Common Stock, excluding dividends, distributions or issuances (including share splits) as to which an adjustment was effected pursuant to Section 15.04(a) or Section 15.04(b), dividends or distributions paid exclusively in cash as to which the provisions set forth in Section 15.04(d) shall apply, except as otherwise described in Section 15.11, rights issued pursuant to a stockholder rights plan of the Company, (iv) distributions of Reference Property in a Share Exchange Event, and (v) Spin-Offs as to which the provisions set forth below in this Section 15.04(c) shall apply (any of such shares of Capital Stock, evidences of indebtedness, other assets or property or rights, options or warrants to acquire Capital Stock or other securities, the “**Distributed Property**”), then the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 - FMV}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such distribution;

CR₁ = the Conversion Rate in effect immediately after the open of business on such Ex-Dividend Date;

SP₀ = the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and

FMV = the fair market value (as determined by the Company in good faith) of the Distributed Property with respect to each outstanding share of the Common Stock on the Ex-Dividend Date for such distribution.

Any increase made under the portion of this Section 15.04(c) above shall become effective immediately after the open of business on the Ex-Dividend Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect if such distribution had not been declared. Notwithstanding the foregoing, if “FMV” (as defined above) is equal to or greater than “SP₀” (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, in respect of each \$1,000 principal amount thereof, at the same time and upon the same terms as holders of the Common Stock receive the Distributed Property, the amount and kind of Distributed Property such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect on the Ex-Dividend Date for the distribution.

With respect to an adjustment pursuant to this Section 15.04(c) where there has been a payment of a dividend or other distribution on the Common Stock of shares of Capital Stock of any class or series, or similar Equity Interest, of or relating to a Subsidiary or other business unit of the Company, that are, or, when issued, will be, listed or admitted for trading on a U.S. national securities exchange (a “**Spin-Off**”), the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where,

CR_0 = the Conversion Rate in effect immediately prior to the end of the Valuation Period;

CR_1 = the Conversion Rate in effect immediately after the end of the Valuation Period;

FMV_0 = the average of the Last Reported Sale Prices of the Capital Stock or similar Equity Interest distributed to holders of the Common Stock applicable to one share of the Common Stock (determined by reference to the definition of Last Reported Sale Price as set forth in Section 1.01 as if references therein to Common Stock were to such Capital Stock or similar Equity Interest) over the first 10 consecutive Trading Day period after, and including, the Ex-Dividend Date of the Spin-Off (the “**Valuation Period**”); and

MP_0 = the average of the Last Reported Sale Prices of the Common Stock over the Valuation Period.

The increase to the Conversion Rate under the preceding paragraph shall occur at the close of business on the last Trading Day of the Valuation Period; *provided that* (x) in respect of any conversion of Notes for which Physical Settlement is applicable, if the relevant Conversion Date occurs during the Valuation Period, references to “10” in the preceding paragraph shall be deemed to be replaced with such lesser number of Trading Days as have elapsed from, and including, the Ex-Dividend Date of such Spin-Off to, and including, the Conversion Date in determining the Conversion Rate and (y) in respect of any conversion of Notes for which Cash Settlement or Combination Settlement is applicable, for any Trading Day that falls within the relevant Observation Period for such conversion and within the Valuation Period, references to “10” in the preceding paragraph shall be deemed to be replaced with such lesser number of Trading Days as have elapsed from, and including, the Ex-Dividend Date of such Spin-Off to, and including, such Trading Day in determining the Conversion Rate as of such Trading Day. If any dividend or distribution that constitutes a Spin-Off is declared but not so paid or made, the Conversion Rate shall be immediately decreased, effective as of the date the Board of Directors determines not to pay or make such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared or announced.

For purposes of this Section 15.04(c) (and subject in all respect to Section 15.11, rights, options or warrants distributed by the Company to all holders of the Common Stock entitling them to subscribe for or purchase shares of the Company’s Capital Stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events (“**Trigger Event**”): (i) are deemed to be transferred with such shares of the Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of the Common Stock, shall be deemed not to have been distributed for purposes of this Section 15.04(c) (and no adjustment to the Conversion Rate under this Section 15.04(c) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 15.04(c). If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and Ex-Dividend Date with respect to new rights, options or warrants with such rights (in which case the existing rights, options or warrants shall be deemed to terminate and expire on such date without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the immediately preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 15.04(c) was made, (1) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase (x) the Conversion Rate shall be readjusted as if such rights, options or warrants had not been issued and (y) the Conversion Rate shall then again be readjusted to give effect to such distribution, deemed distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or purchase, and (2) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights, options and warrants had not been issued.

For purposes of Section 15.04(a), Section 15.04(b), and this Section 15.04(c), if any dividend or distribution to which this Section 15.04(c) is applicable also includes one or both of:

(A) a dividend or distribution of shares of Common Stock to which Section 15.04(a) is applicable (the “**Clause A Distribution**”); or

(B) a dividend or distribution of rights, options or warrants to which Section 15.04(b) is applicable (the “**Clause B Distribution**”),

then, in either case, (1) such dividend or distribution, other than the Clause A Distribution and the Clause B Distribution, shall be deemed to be a dividend or distribution to which this Section 15.04(c) is applicable (the “**Clause C Distribution**”) and any Conversion Rate adjustment required by this Section 15.04(c) with respect to such Clause C Distribution shall then be made, and (2) the Clause A Distribution and Clause B Distribution shall be deemed to immediately follow the Clause C Distribution and any Conversion Rate adjustment required by Section 15.04(a) and Section 15.04(b) with respect thereto shall then be made, except that, if determined by the Company (I) the “Ex-Dividend Date” of the Clause A Distribution and the Clause B Distribution shall be deemed to be the Ex-Dividend Date of the Clause C Distribution and (II) any shares of Common Stock included in the Clause A Distribution or Clause B Distribution shall be deemed not to be “outstanding immediately prior to the open of business on such Ex-Dividend Date or Effective Date” within the meaning of Section 15.04(a) or “outstanding immediately prior to the open of business on such Ex-Dividend Date” within the meaning of Section 15.04(b).

(d) If the Company makes any cash dividend or distribution to all or substantially all holders of the Common Stock, the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 - C}$$

where,

CR_0 = the Conversion Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such dividend or distribution;

CR_1 = the Conversion Rate in effect immediately after the open of business on the Ex-Dividend Date for such dividend or distribution;

SP_0 = the Last Reported Sale Price of the Common Stock on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution; and

C = the amount in cash per share the Company distributes to all or substantially all holders of the Common Stock.

Any increase pursuant to this Section 15.04(d) shall become effective immediately after the open of business on the Ex-Dividend Date for such dividend or distribution. If such dividend or distribution is not so paid, the Conversion Rate shall be decreased, effective as of the date the Board of Directors determines not to make or pay such dividend or distribution, to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. Notwithstanding the foregoing, if “C” (as defined above) is equal to or greater than “SP0” (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, for each \$1,000 principal amount of Notes it holds, at the same time and upon the same terms as holders of shares of the Common Stock, the amount of cash that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect on the Ex-Dividend Date for such cash dividend or distribution.

(e) If the Company or any of its Subsidiaries make a payment in respect of a tender or exchange offer for the Common Stock that is subject to the then-applicable tender offer rules under the Exchange Act (other than any odd-lot tender offer), to the extent that the cash and value of any other consideration included in the payment per share of the Common Stock exceeds the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP_1 \times OS_1)}{OS_0 \times SP_1}$$

where,

CR_0 = the Conversion Rate in effect immediately prior to the close of business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

CR_1 = the Conversion Rate in effect immediately after the close of business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

AC = the aggregate value of all cash and any other consideration (as determined by the Company in good faith) paid or payable for shares of Common Stock purchased in such tender or exchange offer;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the date such tender or exchange offer expires (prior to giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);

OS_1 = the number of shares of Common Stock outstanding immediately after the date such tender or exchange offer expires (after giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer); and

SP_1 = the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires.

The increase to the Conversion Rate under this [Section 15.04\(e\)](#) shall occur at the close of business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires; *provided* that (x) in respect of any conversion of Notes for which Physical Settlement is applicable, if the relevant Conversion Date occurs during the 10 Trading Days immediately following, and including, the Trading Day next succeeding the expiration date of any tender or exchange offer, references to “10” or “10th” in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Trading Day next succeeding the date that such tender or exchange offer expires to, and including, the Conversion Date in determining the Conversion Rate and (y) in respect of any conversion of Notes for which Cash Settlement or Combination Settlement is applicable, for any Trading Day that falls within the relevant Observation Period for such conversion and within the 10 Trading Days immediately following, and including, the Trading Day next succeeding the expiration date of any tender or exchange offer, references to “10” or “10th” in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Trading Day next succeeding the expiration date of such tender or exchange offer to, and including, such Trading Day in determining the Conversion Rate as of such Trading Day.

If the Company or one of its Subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender or exchange offer described in this [Section 15.04\(e\)](#) but the Company or such Subsidiary is permanently prevented by applicable law from effecting any such purchase or all such purchases are rescinded, the Conversion Rate shall be readjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made or had been made only in respect of the purchases that have been made.

(f) Notwithstanding this Section 15.04 or any other provision of this Indenture or the Notes, if a Conversion Rate adjustment becomes effective on any Ex-Dividend Date, and a Holder that has converted its Notes on or after such Ex-Dividend Date and on or prior to the related Record Date would be treated as the record holder of the shares of Common Stock as of the related Conversion Date as described under Section 15.02(i) based on an adjusted Conversion Rate for such Ex-Dividend Date, then, notwithstanding the Conversion Rate adjustment provisions in this Section 15.04, the Conversion Rate adjustment relating to such Ex-Dividend Date shall not be made for such converting Holder. Instead, such Holder shall be treated as if such Holder were the record owner of the shares of Common Stock on an unadjusted basis and participate in the related dividend, distribution or other event giving rise to such adjustment.

(g) Except as stated herein, the Company shall not adjust the Conversion Rate for the issuance of shares of the Common Stock or any securities convertible into or exchangeable for shares of the Common Stock or the right to purchase shares of the Common Stock or such convertible or exchangeable securities.

(h) In addition to those adjustments required by clauses (a), (b), (c), (d) and (e) of this Section 15.04, and subject to applicable exchange listing rules, the Company from time to time may increase the Conversion Rate by any amount for a period of at least 20 Business Days if the Company determines that such increase would be in the Company's best interest. In addition, subject to applicable exchange listing rules, the Company may (but is not required to) increase the Conversion Rate to avoid or diminish any income tax to holders of Common Stock or rights to purchase shares of Common Stock in connection with a dividend or distribution of shares of Common Stock (or rights to acquire shares of Common Stock) or similar event.

(i) Notwithstanding anything to the contrary in this Article 15, the Conversion Rate shall not be adjusted:

(i) upon the issuance of any shares of Common Stock at a price below the Conversion Price or otherwise, other than any such issuance described in clause (a), (b), or (c) of this Section 15.04;

(ii) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any plan;

(iii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit or incentive plan or program (including pursuant to any evergreen plan) of or assumed by the Company or any of the Company's Subsidiaries;

(iv) upon the issuance of any shares of the Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (iii) of this subsection and outstanding as of the date the Notes were first issued;

(v) for a third-party tender offer by any party other than a tender offer by one or more of the Company's Subsidiaries as described in clause (e) of this Section 15.04;

(vi) upon the repurchase of any shares of Common Stock pursuant to an open-market share purchase program or other buy-back transaction, including, any structured or derivative transactions such as accelerated share repurchase transactions or similar forward derivatives, or other buy-back transaction, that is not a tender offer or exchange offer of the kind described under clause (e) of this Section 15.04;

(vii) solely for a change in the par value (or lack of par value) of the Common Stock; or

(viii) for accrued and unpaid interest, if any.

All calculations and other determinations under this Article 14 shall be made by the Company and shall be made to the nearest one-ten thousandth (1/10,000th) of a share.

(j) If an adjustment to the Conversion Rate otherwise required by this Section 15.04 would result in a change of less than 1% to the Conversion Rate, then, notwithstanding the foregoing, the Company may, at its election, defer and carry forward such adjustment, except that all such deferred adjustments must be given effect immediately upon the earliest to occur of the following: (i) when all such deferred adjustments would result in an aggregate change of at least 1% to the Conversion Rate, (ii) on the Conversion Date for any Notes and (iii) on the effective date of any Fundamental Change and/or Make-Whole Fundamental Change, in each case, unless the adjustment has already been made.

(k) Whenever the Conversion Rate is adjusted as herein provided, the Company shall promptly file with the Trustee (and the Conversion Agent if not the Trustee) an Officer's Certificate setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Unless and until a Responsible Officer of the Trustee shall have received such Officer's Certificate, the Trustee shall not be deemed to have knowledge of any adjustment of the Conversion Rate and may assume without inquiry that the last Conversion Rate of which it has knowledge is still in effect. Promptly after delivery of such certificate, the Company shall prepare a notice of such adjustment of the Conversion Rate setting forth the adjusted Conversion Rate and the date on which each adjustment becomes effective and shall deliver such notice of such adjustment of the Conversion Rate to each Holder. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

(l) For purposes of this Section 15.04, the number of shares of Common Stock at any time outstanding shall not include shares of Common Stock held in the treasury of the Company so long as the Company does not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company, but shall include shares of Common Stock issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

Section 15.05. Adjustments of Prices. Whenever any provision of this Indenture requires the Company to calculate the Last Reported Sale Prices, the Daily VWAPs, the Daily Conversion Values or the Daily Settlement Amounts over a span of multiple days (including, without limitation, an Observation Period and the period for determining the Stock Price for purposes of a Make-Whole Fundamental Change), the Company shall, in good faith, make appropriate adjustments without duplication in respect of any adjustment made pursuant to Section 15.04(a), Section 15.04(b), Section 15.04(c), Section 15.04(d) or Section 15.04(e) to each to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Ex-Dividend Date, Effective Date or expiration date, as the case may be, of the event occurs, at any time during the period when such Last Reported Sale Prices, Daily VWAPs, Daily Conversion Values or Daily Settlement Amounts are to be calculated.

Section 15.06. *Shares to Be Fully Paid.* The Company shall at all times reserve, free from preemptive rights, out of its authorized but unissued shares or shares held in treasury, a number of shares of Common Stock equal to the product of (a) the number of outstanding Notes and (b) the Conversion Rate (assuming the Conversion Rate has been increased by the maximum number of Additional Shares pursuant to Section 15.03), to provide for conversion of the Notes from time to time as such Notes are presented for conversion.

Section 15.07. *Effect of Recapitalizations, Reclassifications and Changes of the Common Stock.*

(a) In the case of:

(i) any recapitalization, reclassification or change of the Common Stock (other than a change to par value, or from par value to no par value, or changes resulting from a subdivision or combination),

(ii) any consolidation, merger, combination or similar transaction involving the Company,

(iii) any sale, lease or other transfer to a third party of the consolidated assets of the Company and the Company's Subsidiaries substantially as an entirety or

(iv) any statutory share exchange,

in each case, as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof) (any such event, a "**Share Exchange Event**"), then, at and after the effective time of such Share Exchange Event, the right to convert each \$1,000 principal amount of Notes shall be changed into a right to convert such principal amount of Notes into the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that a holder of a number of shares of Common Stock equal to the Conversion Rate immediately prior to such Share Exchange Event would have owned or been entitled to receive (the "**Reference Property**," with each "**unit of Reference Property**" meaning the kind and amount of Reference Property that a holder of one share of Common Stock is entitled to receive) upon such Share Exchange Event and, prior to or at the effective time of such Share Exchange Event, the Company or the successor or acquiring Person, as the case may be, shall execute with the Trustee a supplemental indenture permitted under Section 10.01(h) providing for such change in the right to convert each \$1,000 Principal amount of Notes; *provided, however*, that at and after the effective time of the Share Exchange Event the number of shares of Common Stock otherwise deliverable upon conversion of the Notes in accordance with Section 15.02 shall instead be deliverable in the amount and type of Reference Property that a holder of that number of shares of Common Stock would have received in such Share Exchange Event.

If the Share Exchange Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then (i) the Reference Property into which the Notes will be convertible shall be deemed to be the weighted average of the types and amounts of consideration actually received by the holders of Common Stock, and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one share of Common Stock. If the holders of the Common Stock receive only cash in such Share Exchange Event, then for all conversions for which the relevant Conversion Date occurs after the effective date of such Share Exchange Event (A) the consideration due upon conversion of each \$1,000 principal amount of Notes shall be solely cash in an amount equal to the Conversion Rate in effect on the Conversion Date (as may be increased by any Additional Shares pursuant to Section 15.03, *multiplied* by the price paid per share of Common Stock in such Share Exchange Event and (B) the Company shall satisfy the Conversion Obligation by paying cash to converting Holders on the fifth Business Day immediately following the relevant Conversion Date. The Company shall notify Holders, the Trustee and the Conversion Agent (if other than the Trustee) in writing of such weighted average as soon as practicable after such determination is made.

If the Reference Property in respect of any such Share Exchange Event includes, in whole or in part, shares of Common Equity or American depository receipts (or other interests) in respect thereof, such supplemental indenture described in the second immediately preceding paragraph shall provide for anti-dilution and other adjustments that shall be as nearly equivalent as is possible to the adjustments provided for in this [Article 15](#) with respect to the portion of the Reference Property consisting of such Common Equity or American depository receipts (or other interests) in respect thereof. If, in the case of any Share Exchange Event, the Reference Property includes shares of stock, securities or other property or assets (including any combination thereof), other than cash and/or cash equivalents, of a Person other than the Company or the successor or acquiring Person, as the case may be, in such Share Exchange Event, then such supplemental indenture shall also be executed by such other Person, if such Person is an Affiliate of the Company or the successor or acquiring Person, and shall contain such additional provisions to protect the interests of the Holders as the Company shall in good faith reasonably consider necessary by reason of the foregoing, including the provisions providing for the purchase rights set forth in [Article 16](#).

(b) When the Company executes a supplemental indenture pursuant to [subsection \(a\)](#) of this [Section 15.07](#), the Company shall promptly file with the Trustee an Officer's Certificate briefly stating the reasons therefor, the kind or amount of cash, securities or property or asset that will comprise a unit of Reference Property after any such Share Exchange Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with, and shall promptly deliver or cause to be delivered notice thereof to all Holders. The Company shall cause notice of the execution of such supplemental indenture to be delivered to each Holder within 20 days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture.

(c) The Company shall not become a party to any Share Exchange Event unless its terms are consistent with this [Section 15.07](#). None of the foregoing provisions shall affect the right of a Holder of Notes to convert its Notes into shares of Common Stock as set forth in [Section 15.01](#) and [Section 15.02](#) prior to the effective date of such Share Exchange Event.

(d) The above provisions of this Section shall similarly apply to successive Share Exchange Events.

Section 15.08. *Certain Covenants.* (a) The Company covenants that all shares of Common Stock issued upon conversion of Notes will be fully paid and non-assessable by the Company and free from all taxes, liens and charges with respect to the issue thereof.

(b) The Company covenants that, if any shares of Common Stock to be provided for the purpose of conversion of Notes hereunder require registration with or approval of any governmental authority under any federal or state law before such shares of Common Stock may be validly issued upon conversion, the Company will, to the extent then permitted by the rules and interpretations of the Commission, secure such registration or approval, as the case may be.

(c) The Company further covenants that if at any time the Common Stock shall be listed on any national securities exchange or automated quotation system the Company will list and keep listed, so long as the Common Stock shall be so listed on such exchange or automated quotation system, any Common Stock issuable upon conversion of the Notes.

Section 15.09. *Responsibility of Trustee.* The Trustee and any Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine the Conversion Rate (or any adjustment thereto) or whether any facts exist that may require any adjustment (including any increase) of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities, property or cash that may at any time be issued or delivered upon the conversion of any Note; and the Trustee and any Conversion Agent make no representations with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock or stock certificates or other securities or property or cash upon the surrender of any Note for the purpose of conversion or to comply with any of the duties, responsibilities or covenants of the Company contained in this Article. Without limiting the generality of the foregoing, neither the Trustee nor any Conversion Agent shall be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 15.07 relating either to the kind or amount of shares of stock or securities or property (including cash) receivable by Holders upon the conversion of their Notes after any event referred to in such Section 15.07 or to any adjustment to be made with respect thereto, but, subject to the provisions of Section 7.01, may accept (without any independent investigation) as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officer's Certificate (which the Company shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto.

Section 15.10. *Notice to Holders Prior to Certain Actions.* In case of any:

(a) action by the Company or one of its Subsidiaries that would require an adjustment in the Conversion Rate pursuant to Section 15.04 or Section 15.11;

(b) Share Exchange Event; or

(c) voluntary or involuntary dissolution, liquidation or winding-up of the Company or any of its Subsidiaries;

then, in each case (unless notice of such event is otherwise required pursuant to another provision of this Indenture), the Company shall cause to be filed with the Trustee and the Conversion Agent (if other than the Trustee) and to be delivered to each Holder, as promptly as possible but in any event at least 10 days prior to the applicable date hereinafter specified, a notice stating (i) the date on which a record is to be taken for the purpose of such action by the Company or one of its Subsidiaries or, if a record is not to be taken, the date as of which the holders of Common Stock of record are to be determined for the purposes of such action by the Company or one of its Subsidiaries, or (ii) the date on which such Share Exchange Event, dissolution, liquidation or winding-up is expected to become effective or occur, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their Common Stock for securities or other property deliverable upon such Share Exchange Event, dissolution, liquidation or winding-up. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such action by the Company or one of its Subsidiaries, Share Exchange Event, dissolution, liquidation or winding-up.

Section 15.11. *Stockholder Rights Plans.* If the Company has a stockholder rights plan in effect upon conversion of the Notes, each share of Common Stock, if any, issued upon such conversion shall be entitled to receive the appropriate number of rights, if any, and the certificates representing the Common Stock issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any such stockholder rights plan, as the same may be amended from time to time. However, if, prior to any conversion of Notes, the rights have separated from the shares of Common Stock in accordance with the provisions of the applicable stockholder rights plan, the Conversion Rate shall be adjusted at the time of separation as if the Company distributed to all or substantially all holders of the Common Stock Distributed Property as provided in Section 15.04(c), subject to readjustment in the event of the expiration, termination or redemption of such rights.

Section 15.12. *Exchange in Lieu of Conversion.*

(a) When a Holder surrenders its Notes for conversion, the Company may, at its election (an “**Exchange Election**”), direct the Conversion Agent to deliver, on or prior to the second Trading Day immediately following the relevant Conversion Date, such Notes to one or more financial institutions designated by the Company for exchange in lieu of conversion. In order to accept any Notes surrendered for conversion, the designated institution(s) must agree to timely pay and/or deliver, as the case may be, in exchange for such Notes, the cash, shares of the Common Stock or any combination thereof that would otherwise be due upon conversion pursuant to Section 15.02 (the “**Conversion Consideration**”) or such other amount agreed to by the Holder and the designated financial institution(s). If the Company makes an Exchange Election, the Company shall, by the close of business on the Trading Day following the relevant Conversion Date, notify the Holder surrendering its Notes for conversion, the Trustee and the Conversion Agent (if other than the Trustee) in writing that it has made the Exchange Election and it will notify the designated financial institution(s) of the relevant deadline for delivery of the Conversion Consideration and the type of Conversion Consideration to be paid and/or delivered, as the case may be.

(b) Any Notes delivered to the designated institution(s) shall remain outstanding, subject to applicable Depository procedures. If the designated institution(s) agree(s) to accept any Notes for exchange but do(es) not timely pay and/or deliver, as the case may be, the related Conversion Consideration, or if such designated financial institution(s) do(es) not accept the Notes for exchange, the Company shall pay and/or deliver, as the case may be, the relevant Conversion Consideration as if it had not made an Exchange Election.

(c) The Company's designation of any financial institution(s) to which the Notes may be submitted for exchange does not require such financial institution(s) to accept any Notes.

Section 15.13. [RESERVED].

Section 15.14. *Beneficial Ownership Limitations.* (a) Notwithstanding anything to the contrary in this Indenture, no Holder will be entitled to receive shares of Common Stock upon conversion of Notes and no conversion of Notes shall take place to the extent (but only to the extent) that such receipt (or conversion) would cause such Holder and its Affiliates (in each case together with any other persons whose beneficial ownership would be aggregated for purposes of Section 13(d) of the Exchange Act, including any "group" of which Holder, its Affiliates or such person is a member) to beneficially own shares in excess of the Beneficial Ownership Limitations. For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates (in each case together with any other persons whose beneficial ownership would be aggregated for purposes of Section 13(d) of the Exchange Act, including any "group" of which Holder, its Affiliates or such person is a member) shall include the number of shares of Common Stock issuable upon conversion of any Notes with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted principal amount of Notes beneficially owned by the Holder and its Affiliates (in each case together with any other persons whose beneficial ownership would be aggregated for purposes of Section 13(d) of the Exchange Act, including any "group" of which Holder, its Affiliates or such person is a member) and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, any other Notes) beneficially owned by the Holder and its Affiliates (in each case together with any other persons whose beneficial ownership would be aggregated for purposes of Section 13(d) of the Exchange Act, including any "group" of which Holder, its Affiliates or such person is a member). Except as set forth in the preceding sentence, for purposes of this provision, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. Any purported delivery of shares of Common Stock upon conversion of the Notes shall be void and have no effect to the extent (but only to the extent) that such delivery would result in the violation of the Beneficial Ownership Limitations in this Section 15.14. For the purpose of this Section 15.14, in the case of Global Notes, "Holder" shall mean a person that holds a beneficial interest in the Notes and not the Depository for such Global Notes or its nominee.

(b) To the extent that the limitation contained in this provision applies, the determination of whether any Notes are convertible (in each case in relation to other securities beneficially owned by the Holder) and of which principal amount of such Notes are convertible shall be in the sole discretion of the Holder, and the submission of a Notice of Conversion shall be deemed to be the Holder's determination of whether any Notes may be converted (in each case in relation to other securities beneficially owned by the Holder) and which principal amount such Notes are convertible, in each case subject to the Beneficial Ownership Limitations. To ensure compliance with this restriction, the Holder shall be deemed to represent to the Company each time it delivers a Notice of Conversion that such notice has not violated the restrictions set forth in this [Section 15.14](#) and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(c) For purposes of this [Section 15.14](#), in determining the number of outstanding shares of Common Stock, the Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual report filed with the Commissions, as the case may be, (ii) a more recent public announcement by the Company, or (iii) a more recent written notice by the Company or the Company's transfer agent to such Holder setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including the Notes, by the Holder since the date as of which such number of outstanding shares of Common Stock was reported.

(d) The "**General Beneficial Ownership Limitation**" shall be 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of any Notes held by the Holder. The Holder, by prior written notice to the Company, may elect a beneficial ownership limit as to such Holder (but not as to any other Holder) (such limit, a "**Holder Beneficial Ownership Limitation**" and together with the General Beneficial Ownership Limitation, the "**Beneficial Ownership Limitations**") that is less than or equal to the General Beneficial Ownership Limitation then applicable to the Holders. Any Holder Beneficial Ownership Limitation will be effective as of (i) the date set forth in the applicable written notice to the Company with respect to any decrease in the Holder Beneficial Ownership Limitation (or decrease from the General Beneficial Ownership Limitation if such Holder has not previously provided notice of a Holder Beneficial Ownership Limitation), and (ii) the 61st day after such notice is delivered to the Company in all other cases.

(e) Any Notes surrendered for conversion for which shares of Common Stock are not delivered due to the Beneficial Ownership Limitations shall not be extinguished and, such Holder may either:

(i) request return of the Notes surrendered by such Holder for conversion, after which the Company shall deliver such Notes to such Holder within two trading days after receipt of such request; or

(ii) certify to the Company that the person (or persons) receiving shares of Common Stock upon conversion is not, and would not, as a result of such conversion, become the beneficial owner of shares of Common Stock outstanding at such time in excess of the applicable Beneficial Ownership Limitations in this Section 15.14, after which the Company shall deliver any such shares of Common Stock withheld on account of such applicable Beneficial Ownership Limitations by the later of (x) the date such shares were otherwise due to such person (or persons) and (y) two Trading Days after receipt of such certification; *provided, however*, until such time as the affected Holder gives such notice, no person shall be deemed to be the stockholder of record with respect to the shares of Common Stock otherwise deliverable upon conversion in excess of any applicable Beneficial Ownership Limitations in this Section 15.14.

(f) Neither the Trustee nor the Conversion Agent shall have any obligation to monitor the Ownership Limitations (as to a particular Person or as to all Persons).

ARTICLE 16.
REPURCHASE OF NOTES AT OPTION OF HOLDERS

Section 16.01. *Intentionally Omitted.*

Section 16.02. *Repurchase at Option of Holders Upon a Fundamental Change.* (a) If a Fundamental Change occurs at any time prior to the Maturity Date, each Holder shall have the right, at such Holder's option, to require the Company to repurchase for cash all of such Holder's Notes, or any portion of the principal amount thereof properly surrendered and not validly withdrawn pursuant to Section 16.03 that is equal to \$1,000 or an integral multiple thereof, on the date (the "**Fundamental Change Repurchase Date**") specified by the Company that is not less than 20 Business Days or more than 35 Business Days following the date of the Fundamental Change Company Notice at a repurchase price equal to 100% of the principal amount thereof, *plus* accrued and unpaid interest thereon to, but excluding, the Fundamental Change Repurchase Date (the "**Fundamental Change Repurchase Price**"), unless the Fundamental Change Repurchase Date falls after a Regular Record Date but on or prior to the Interest Payment Date to which such Regular Record Date relates, in which case the Company shall instead pay the full amount of accrued and unpaid interest to Holders of record as of the close of business on such Regular Record Date, or at the Company's election, before such Interest Payment Date, and the Fundamental Change Repurchase Price shall be equal to 100% of the principal amount of Notes to be repurchased pursuant to this Article 16.

(b) Repurchases of Notes under this Section 16.02 shall be made, at the option of the Holder thereof, upon:

(i) delivery to the Paying Agent by a Holder of a duly completed notice (the "**Fundamental Change Repurchase Notice**") in the form set forth in Attachment 2 to the Form of Note attached hereto as Exhibit A, if the Notes are Physical Notes, or in compliance with the Depository's applicable procedures for surrendering interests in Global Notes, if the Notes are Global Notes, in each case on or before the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date; and

(ii) delivery of the Notes, if the Notes are Physical Notes, to the Paying Agent at any time after delivery of the Fundamental Change Repurchase Notice (together with all necessary endorsements for transfer) at the Corporate Trust Office of the Paying Agent, or book-entry transfer of the Notes, if the Notes are Global Notes, in compliance with the applicable procedures of the Depository, in each case, such delivery or transfer being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor.

The Fundamental Change Repurchase Notice in respect of any Notes to be repurchased shall state:

- (i) in the case of Physical Notes, the certificate numbers of the Notes to be delivered for repurchase or if the Notes are Global Notes, the Fundamental Change Repurchase Notice must comply with applicable Depository procedures;
- (ii) the portion of the principal amount of Notes to be repurchased, which must be \$1,000 or an integral multiple thereof; and
- (iii) that the Notes are to be repurchased by the Company pursuant to the applicable provisions of the Notes and this Indenture.

If the Notes are Global Notes, to exercise the Fundamental Change repurchase right, Holders must surrender their Notes in accordance with applicable Depository procedures.

Notwithstanding anything herein to the contrary, any Holder delivering to the Paying Agent the Fundamental Change Repurchase Notice contemplated by this Section 16.02 shall have the right to withdraw, in whole or in part, such Fundamental Change Repurchase Notice at any time prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 16.03.

The Paying Agent shall promptly notify the Company of the receipt by it of any Fundamental Change Repurchase Notice or written notice of withdrawal thereof.

(c) On or before the 20th Business Day after the occurrence of the effective date of a Fundamental Change, the Company shall provide to all Holders and the Trustee and the Paying Agent (in the case of a Paying Agent other than the Trustee) a notice (the “**Fundamental Change Company Notice**”) of the occurrence of the effective date of the Fundamental Change and of the resulting repurchase right at the option of the Holders arising as a result thereof. In the case of Physical Notes, such notice shall be by first class mail or, in the case of Global Notes, such notice shall be delivered in accordance with the applicable procedures of the Depository. Simultaneously with providing such notice, the Company shall publish such information set forth in the Fundamental Change Company Notice on the Company’s website or through such other public medium as the Company may use at that time. Each Fundamental Change Company Notice shall specify:

- (i) the events causing the Fundamental Change;
- (ii) the effective date of the Fundamental Change;

(iii) the last date on which a Holder may exercise the repurchase right pursuant to this Article 16;

(iv) the Fundamental Change Repurchase Price;

(v) the Fundamental Change Repurchase Date;

(vi) the name and address of the Paying Agent and the Conversion Agent, if applicable;

(vii) if applicable, the Conversion Rate and any adjustments to the Conversion Rate as a result of the Fundamental Change (or related Make-Whole Fundamental Change);

(viii) that the Notes with respect to which a Fundamental Change Repurchase Notice has been delivered by a Holder may be converted only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with the terms of this Indenture; and

(ix) the procedures that Holders must follow to require the Company to repurchase their Notes.

No failure of the Company to give the foregoing notices and no defect therein shall limit the Holders' repurchase rights or affect the validity of the proceedings for the repurchase of the Notes pursuant to this Section 16.02.

At the Company's written request given at least two (2) Business Days before such notice is to be sent (or such shorter period as shall be acceptable to the Trustee), the Trustee shall give such notice in the Company's name and at the Company's expense; *provided, however*, that, in all cases, the text of such Fundamental Change Company Notice shall be prepared by the Company.

(d) Notwithstanding anything to the contrary in this Article 15, the Company shall not be required to repurchase, or to make an offer to repurchase, the Notes upon a Fundamental Change if a third party makes such an offer in the same manner, at the same time and otherwise in compliance with the requirements for an offer made by the Company as set forth in this Article 15 and such third party purchases all Notes properly surrendered and not validly withdrawn under its offer in the same manner, at the same time and otherwise in compliance with the requirements for an offer made by the Company as set forth above.

(e) Notwithstanding the foregoing, no Notes may be repurchased by the Company on any date at the option of the Holders upon a Fundamental Change if the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded, on or prior to such date (except in the case of an acceleration resulting from a Default by the Company in the payment of the Fundamental Change Repurchase Price with respect to such Notes). The Paying Agent will promptly return to the respective Holders thereof any Physical Notes held by it during the acceleration of the Notes (except in the case of an acceleration resulting from a Default by the Company in the payment of the Fundamental Change Repurchase Price with respect to such Notes), or any instructions for book-entry transfer of the Notes in compliance with the procedures of the Depository shall be deemed to have been cancelled, and, upon such return or cancellation, as the case may be, the Fundamental Change Repurchase Notice with respect thereto shall be deemed to have been withdrawn.

(f) Notwithstanding anything to the contrary in this Section 16.02, the Company shall not be required to send a Fundamental Change Company Notice, or offer to repurchase or repurchase any Notes, as set forth in this Article 16, in connection with a Fundamental Change occurring pursuant to clause (b)(A) or (B) of the definition thereof, if: (i) such Fundamental Change constitutes a Share Exchange Event whose Reference Property consists entirely of cash in U.S. dollars; (ii) immediately after such Fundamental Change, the Notes become convertible (pursuant to Section 15.07 and, if applicable, Section 15.03) into consideration that consists solely of U.S. dollars in an amount per \$1,000 Principal amount of Notes that equals or exceeds the Fundamental Change Repurchase Price per \$1,000 Principal amount of Notes (calculated assuming that the same includes the maximum amount of accrued but unpaid interest payable as part of the Fundamental Change Repurchase Price for such Fundamental Change); and (iii) the Company provides written notice to Holders of the effective date of any such transaction as promptly as practicable following the date the Company publicly announces such transaction or, if practicable to do so using commercially reasonable efforts, prior to such effective date. Any Fundamental Change with respect to which, in accordance with the provisions described in this Section 16.02(f), the Company does not offer to repurchase any Notes is referred to as herein as an “**Exempted Fundamental Change**.”

(g) Notwithstanding anything to the contrary in this Article 16, the Company shall not be required to repurchase, or to make an offer to repurchase, the Notes upon a Fundamental Change if a third party makes such an offer in the same manner, at the same time and otherwise in compliance with the requirements for an offer made by the Company as set forth above and such third party purchases all Notes properly surrendered and not validly withdrawn under its offer in the same manner, at the same time and otherwise in compliance with the requirements for an offer made by the Company as set forth above.

Section 16.03. Withdrawal of Fundamental Change Repurchase Notice. A Fundamental Change Repurchase Notice may be withdrawn (in whole or in part) by means of a written notice of withdrawal delivered to the Corporate Trust Office of the Paying Agent in accordance with this Section 16.03 at any time prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date, specifying:

(i) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted, which must be \$1,000 or an integral multiple thereof;

(ii) if Physical Notes have been issued, the certificate number of the Note in respect of which such notice of withdrawal is being submitted, or if the Notes are Global Notes, the notice must comply with applicable procedures of the Depositary; and

(iii) the principal amount, if any, of such Note that remains subject to the original Fundamental Change Repurchase Notice, which must be \$1,000 or an integral multiple thereof.

With respect to Notes held in book-entry form, withdrawals shall be made in accordance with the Depositary's applicable procedures.

Section 16.04. *Deposit of Fundamental Change Repurchase Price.*

(a) The Company will deposit with the Trustee (or other Paying Agent appointed by the Company, or if the Company is acting as its own Paying Agent, set aside, segregate and hold in trust as provided in [Section 4.04](#)) on or prior to 11:00 a.m., New York City time, on the Fundamental Change Repurchase Date, an amount of money sufficient to repurchase all of the Notes to be repurchased at the appropriate Fundamental Change Repurchase Price. Subject to receipt of funds and/or Notes by the Trustee (or other Paying Agent appointed by the Company), payment for Notes surrendered for repurchase (and not withdrawn prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date) will be made on the later of (i) the Fundamental Change Repurchase Date (*provided* the Holder has satisfied the conditions in [Section 16.02](#) and (ii) the time of book-entry transfer or the delivery of such Note to the Trustee (or other Paying Agent appointed by the Company) by the Holder thereof in the manner required by [Section 16.02](#) by mailing checks for the amount payable to the Holders of such Notes entitled thereto as they shall appear in the Note Register; *provided, however*, that payments to the Depository shall be made by wire transfer of immediately available funds to the account of the Depository or its nominee. The Trustee shall, promptly after such payment and upon written demand by the Company, return to the Company any funds in excess of the Fundamental Change Repurchase Price.

(b) If by 11:00 a.m. New York City time, on the Fundamental Change Repurchase Date, the Trustee (or other Paying Agent appointed by the Company) holds money sufficient to make payment on all the Notes or portions thereof that are to be repurchased on such Fundamental Change Repurchase Date, then, with respect to the Notes that have been properly surrendered for repurchase and have not been validly withdrawn, such Notes will cease to be outstanding, interest will cease to accrue on such Notes (whether or not book-entry transfer of the Notes has been made or the Notes have been delivered to the Trustee or Paying Agent) and all other rights of the Holders of such Notes will terminate (other than the right to receive the Fundamental Change Repurchase Price and, if applicable, accrued and unpaid interest).

(c) Upon surrender of a Note that is to be repurchased in part pursuant to [Section 16.02](#), the Company shall execute and the Trustee shall authenticate and deliver to the Holder a new Note in an authorized denomination equal in principal amount to the unreurchased portion of the Note surrendered.

Section 16.05. *Covenant to Comply with Applicable Laws Upon Repurchase of Notes.* In connection with any repurchase offer pursuant to this [Article 16](#), the Company will, if required:

- (a) comply with the tender offer rules under the Exchange Act that may then be applicable;
- (b) file a Schedule TO or any other required schedule under the Exchange Act; and
- (c) otherwise comply in all material respects with all federal and state securities laws in connection with any offer by the Company to repurchase the Notes;

in each case, so as to permit the rights and obligations under this [Article 16](#) to be exercised in the time and in the manner specified in this [Article 16](#).

To the extent that the provisions of any securities laws or regulations enacted or adopted after the date of this Indenture conflict with the provisions of this Indenture relating to the Company's obligations to repurchase the Notes pursuant to this [Article 16](#), the Company shall comply with such securities laws and regulations and shall not be deemed to have breached its obligations under such provisions of this Indenture by virtue of such conflict.

ARTICLE 17.
NO OPTIONAL REDEMPTION

Section 17.01. *No Optional Redemption.* No sinking fund is provided for the Notes. The Notes shall not be redeemable by the Company.

ARTICLE 18.
MISCELLANEOUS PROVISIONS

Section 18.01. *Provisions Binding on Company's Successors.* All the covenants, stipulations, promises and agreements of the Company contained in this Indenture shall bind its successors and assigns whether so expressed or not.

Section 18.02. *Official Acts by Successor Corporation.* Any act or proceeding by any provision of this Indenture authorized or required to be done or performed by any board, committee or Officer of the Company shall and may be done and performed with like force and effect by the like board, committee or officer of any corporation or other entity that shall at the time be the lawful sole successor of the Company.

Section 18.03. *Addresses for Notices, Etc.* Any notice or demand that by any provision of this Indenture is required or permitted to be given or served by the Trustee, the Collateral Agent or by the Holders on the Company shall be deemed to have been sufficiently given or made, for all purposes if given or served by being deposited postage prepaid by registered or certified mail in a post office letter box addressed (until another address is filed by the Company with the Trustee and the Collateral Agent) to SunPower Inc., 1403 N. Research Way, Orem, UT 84097, ATTN: Nicolas Wenker, Chief Legal Officer and General Counsel. Any notice, direction, request or demand hereunder to or upon the Trustee or the Collateral Agent shall be deemed to have been sufficiently given or made, for all purposes, if given or served by being deposited postage prepaid by registered or certified mail in a post office letter box, electronic transmission or overnight delivery addressed to the applicable Corporate Trust Office. Notices served on the Trustee or Collateral Agent shall be deemed given when actually received by the Trustee or Collateral Agent, as applicable.

The Trustee and the Collateral Agent, by notice to the Company, may designate additional or different addresses for subsequent notices or communications.

Any notice or communication delivered or to be delivered to a Holder of Physical Notes shall be mailed to it by first class mail, postage prepaid, at its address as it appears on the Note Register and shall be sufficiently given to it if so mailed within the time prescribed. Any notice or communication delivered or to be delivered to a Holder of Global Notes shall be delivered in accordance with the applicable procedures of the Depository and shall be sufficiently given to it if so delivered within the time prescribed. Notwithstanding any other provision of this Indenture or any Note, where this Indenture or any Note provides for notice of any event (including any Fundamental Change Company Notice) to a Holder of a Global Note (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depository (or its designee) pursuant to the standing instructions from the Depository or its designee, including by electronic mail in accordance with the Depository's applicable procedures.

Failure to mail or deliver a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication is mailed or delivered, as the case may be, in the manner provided above, it is duly given, whether or not the addressee receives it.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to Holders by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

Section 18.04. *Governing Law; Jurisdiction.* THIS INDENTURE AND EACH NOTE, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE AND EACH NOTE, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (WITHOUT REGARD TO THE CONFLICTS OF LAWS PROVISIONS THEREOF).

The Company irrevocably consents and agrees, for the benefit of the Holders from time to time of the Notes, the Trustee and the Collateral Agent, that any legal action, suit or proceeding against it with respect to obligations, liabilities or any other matter arising out of or in connection with this Indenture or the Notes may be brought in the courts of the State of New York or the courts of the United States located in the Borough of Manhattan, New York City, New York and, until amounts due and to become due in respect of the Notes have been paid, hereby irrevocably consents and submits to the non-exclusive jurisdiction of each such court *in personam*, generally and unconditionally with respect to any action, suit or proceeding for itself in respect of its properties, assets and revenues.

The Company irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions, suits or proceedings arising out of or in connection with this Indenture brought in the courts of the State of New York or the courts of the United States located in the Borough of Manhattan, New York City, New York and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

Section 18.05. *Evidence of Compliance with Conditions Precedent; Certificates and Opinions of Counsel to Trustee and Collateral Agent.* Upon any application or demand by the Company to the Trustee or the Collateral Agent to take any action under any of the provisions of this Indenture or the Collateral Documents, the Company shall, if requested by the Trustee or the Collateral Agent, furnish to the Trustee and Collateral Agent an Officer's Certificate and Opinion of Counsel stating that such action is permitted by the terms of this Indenture and such Collateral Documents.

Each Officer's Certificate and Opinion of Counsel provided for, by or on behalf of the Company in this Indenture and delivered to the Trustee or Collateral Agent with respect to compliance with this Indenture or the Collateral Documents (other than the Officer's Certificates provided for in Section 4.08) shall include a statement that the Person signing such certificate is familiar with the requested action and this Indenture and the applicable Collateral Documents; a brief statement as to the nature and scope of the examination or investigation upon which the statement contained in such certificate is based; a statement that, in the judgment of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed judgment as to whether or not such action is permitted by this Indenture and the applicable Collateral Documents; and a statement as to whether or not, in the judgment of such Person, such action is permitted by this Indenture and the applicable Collateral Documents; *provided* that no Opinion of Counsel shall be required to be delivered in connection with (1) the original issuance of Notes on the date hereof under this Indenture or (2) a request by the Company that the Trustee deliver a notice to Holders under this Indenture where the Trustee receives an Officer's Certificate with respect to such notice. With respect to matters of fact, an Opinion of Counsel may rely on an Officer's Certificate or certificates of public officials.

Notwithstanding anything to the contrary in this Section 18.05, if any provision in this Indenture specifically provides that the Trustee shall or may receive an Opinion of Counsel in connection with any action to be taken by the Trustee or the Company hereunder, the Trustee shall be entitled to, or entitled to request, such Opinion of Counsel.

Section 18.06. Legal Holidays. In any case where any Interest Payment Date, any Fundamental Change Repurchase Date or the Maturity Date is not a Business Day or is a day on which financial institutions located in the state in which the Corporate Trust Office is located are authorized or required by law or executive order to close or be closed, then any action to be taken on such date need not be taken on such date, but may be taken on the next succeeding Business Day that is not a day on which financial institutions located in the state in which the Corporate Trust Office is located are authorized or required by law or executive order to close or be closed with the same force and effect as if taken on such date, and no interest shall accrue in respect of the delay.

Section 18.07. No Security Interest Created. Nothing in this Indenture or in the Notes, expressed or implied, shall be construed to constitute a security interest under the Uniform Commercial Code or similar legislation, as now or hereafter enacted and in effect, in any jurisdiction.

Section 18.08. Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the Holders, the parties hereto, any Paying Agent, any Conversion Agent, any authenticating agent, any Note Registrar and their successors hereunder, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 18.09. Table of Contents, Headings, Etc. The table of contents and the titles and headings of the articles and sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

Section 18.10. *Authenticating Agent*. The Trustee may appoint an authenticating agent that shall be authorized to act on its behalf and subject to its direction in the authentication and delivery of Notes in connection with the original issuance thereof and transfers and exchanges of Notes hereunder, including under [Section 2.04](#), [Section 2.05](#), [Section 2.06](#), [Section 2.07](#), [Section 11.04](#) and [Section 16.04](#) as fully to all intents and purposes as though the authenticating agent had been expressly authorized by this Indenture and those Sections to authenticate and deliver Notes. For all purposes of this Indenture, the authentication and delivery of Notes by the authenticating agent shall be deemed to be authentication and delivery of such Notes “by the Trustee” and a certificate of authentication executed on behalf of the Trustee by an authenticating agent shall be deemed to satisfy any requirement hereunder or in the Notes for the Trustee’s certificate of authentication. Such authenticating agent shall at all times be a Person eligible to serve as trustee hereunder pursuant to [Section 7.08](#).

Any corporation or other entity into which any authenticating agent may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, consolidation or conversion to which any authenticating agent shall be a party, or any corporation or other entity succeeding to all or substantially all of the corporate trust business of any authenticating agent, shall be the successor of the authenticating agent hereunder, if such successor corporation or other entity is otherwise eligible under this [Section 18.10](#), without the execution or filing of any paper or any further act on the part of the parties hereto or the authenticating agent or such successor corporation or other entity.

Any authenticating agent may at any time resign by giving written notice of resignation to the Trustee and to the Company. The Trustee may at any time terminate the agency of any authenticating agent by giving written notice of termination to such authenticating agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any authenticating agent shall cease to be eligible under this Section, the Trustee may appoint a successor authenticating agent (which may be the Trustee), shall give written notice of such appointment to the Company and shall deliver notice of such appointment to all Holders.

The Company agrees to pay to the authenticating agent from time to time reasonable compensation for its services although the Company may terminate the authenticating agent, if it determines such agent’s fees to be unreasonable.

The provisions of [Section 7.02](#), [Section 7.03](#), [Section 7.04](#), [Section 9.03](#) and this [Section 18.10](#) shall be applicable to any authenticating agent.

If an authenticating agent is appointed pursuant to this [Section 18.10](#), the Notes may have endorsed thereon, in addition to the Trustee’s certificate of authentication, an alternative certificate of authentication in the following form:

as Authenticating Agent, certifies that this is one of the Notes described in the within-named Indenture.

Section 18.11. *Execution in Counterparts.* The parties may sign multiple counterparts of this Indenture. Each signed counterpart shall be deemed an original, but all of them together represent the same agreement. Delivery of an executed counterpart by facsimile, PDF or other electronic means shall be effective as delivery of a manually executed counterpart thereof. Unless otherwise provided in this Indenture or in any Note, the words “execute,” “execution,” “signed” and “signature” and words of similar import used in or related to any document to be signed in connection with this Indenture, any Note or any of the transactions contemplated hereby (including amendments, waivers, consents and other modifications) shall be deemed to include electronic signatures and the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature in ink or the use of a paper-based recordkeeping system, as applicable, to the fullest extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act and any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that, notwithstanding anything herein to the contrary, neither the Trustee nor the Collateral Agent is under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Trustee and the Collateral Agent, as applicable, pursuant to procedures approved by the Trustee or Collateral Agent. All notices, approvals, consents, requests and any communications hereunder must be in writing (*provided* that any such communication sent to Trustee hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign, AdobeSign or other electronic signature provider (such other digital signature provider as specified in writing to Trustee by an Officer), in English. The Company agrees to assume all risks arising out of the use of using digital signatures and electronic methods to submit communications to Trustee or the Collateral Agent, including without limitation the risk of Trustee or the Collateral Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 18.12. *Severability.* In the event any provision of this Indenture or in the Notes shall be invalid, illegal or unenforceable, then (to the extent permitted by law) the validity, legality or enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 18.13. *Waiver of Jury Trial.* EACH OF THE COMPANY, THE TRUSTEE, AND THE COLLATERAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 18.14. *Force Majeure.* In no event shall the Trustee or the Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, pandemics, epidemics, quarantine restrictions, recognized public emergencies, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee and the Collateral Agent shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 18.15. *Calculations.* Except as otherwise provided herein, the Company shall be responsible for making all calculations called for under this Indenture and the Notes. These calculations include, but are not limited to, determinations of the Last Reported Sale Prices of the Common Stock, the Daily VWAPs, the Daily Conversion Values, the Daily Settlement Amounts, accrued interest payable on the Notes, the Conversion Rate of the Notes, premium, if any, and the Offer Amount. The Company shall make all these calculations in good faith and, absent manifest error, the Company's calculations shall be final and binding on Holders of Notes. The Company shall provide a schedule of its calculations to each of the Trustee and the Conversion Agent, and each of the Trustee and Conversion Agent is entitled to rely conclusively upon the accuracy of the Company's calculations without independent verification. The Trustee will forward the Company's calculations to any Holder of Notes upon the written request of that Holder at the sole cost and expense of the Company.

Section 18.16. *USA PATRIOT Act.* The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee and the Collateral Agent, like all financial institutions and in order to help fight the funding of terrorism and money laundering, are required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee or the Collateral Agent. The parties to this Indenture agree that they will provide the Trustee and the Collateral Agent with such information as it may request in order for the Trustee and the Collateral Agent to satisfy the requirements of the USA PATRIOT Act.

Section 18.17. *Tax Matters.* The Company and the Holders of the Notes by acceptance of their Notes intend, for U.S. federal (and applicable state and local) income tax purposes: (i) to treat the Notes as indebtedness that are not "contingent payment debt instruments" within the meaning of Treasury Regulations Section 1.1275-4, (ii) to treat any adjustment to the Conversion Rate of the Notes pursuant to Section 15.04 (other than clause (e) thereof), Section 15.07 or Section 15.11 as being made pursuant to a "bona fide, adjustment formula" within the meaning of Treasury Regulations Section 1.305-7 (except to the extent otherwise required pursuant to the last sentence of Treasury Regulations Section 1.305-7(b)(1)), and (iii) to treat any adjustment to the Conversion Rate occurring pursuant to Section 15.03 or Section 15.04(e) as not giving rise to a constructive distribution pursuant to Section 305 of the Code. The Company and the Holders of the Notes by acceptance of their Notes agree that they shall not take any position for U.S. federal (and applicable state and local) income tax purposes inconsistent with the foregoing clauses (i) through (iii), in each case, except to the extent otherwise required by a change in applicable law or a "determination" within the meaning of Section 1313(a) of the Code.

10.0% Convertible Senior Secured Note due 2029

This Note is one of a duly authorized issue of Notes of the Company, designated as its 10.0% Convertible Senior Secured Notes due 2029 (the “Notes”), limited to the aggregate principal amount of \$41,000,000, which initially includes \$6,000,000 aggregate principal amount of Affiliate Notes, all issued or to be issued under and pursuant to an Indenture dated as of April [], 2026 (the “Indenture”), among the Company, the Guarantors and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and as collateral agent (the “Collateral Agent”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Collateral Agent, the Company and the Holders of the Notes. Additional Notes may be issued in an unlimited aggregate principal amount, subject to certain conditions specified in the Indenture. Capitalized terms used in this Note and not defined in this Note shall have the respective meanings set forth in the Indenture.

To guarantee the due and punctual payment of the principal and interest (including post-filing or post-petition interest) on the Notes and all other amounts payable by the Company under the Indenture, the Notes and the other Note Documents when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the Guarantors will unconditionally guarantee (and future guarantors, jointly and severally with the Guarantors, will fully and unconditionally Guarantee) such obligations on a senior secured basis pursuant to the terms of the Indenture.

The Notes and the Guarantor’s Guarantees of the Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Collateral Documents. The Collateral Agent will hold the Collateral for the benefit of the Secured Parties pursuant to the Collateral Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Collateral Documents (including the provisions providing for the foreclosure and release of Collateral), as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Collateral Agent to enter into the Collateral Documents and to perform its obligations and exercise its rights thereunder in accordance therewith.

In case certain Events of Default shall have occurred and be continuing, the principal of, and interest on, all Notes may be declared, by either the Trustee or Holders of at least 25% in aggregate principal amount of Notes then outstanding, and upon said declaration shall become, due and payable, in the manner, with the effect and subject to the conditions and certain exceptions set forth in the Indenture.

Subject to the terms and conditions of the Indenture, the Company will make all payments and deliveries in respect of the Fundamental Change Repurchase Price on the Fundamental Change Repurchase Date and the principal amount on the Maturity Date, as the case may be, to the Holder who surrenders a Note to a Paying Agent to collect such payments in respect of the Note. The Company will pay cash amounts in money of the United States that at the time of payment is legal tender for payment of public and private debts.

The Indenture contains provisions permitting the Company and the Trustee in certain circumstances, without the consent of the Holders of the Notes, and in certain other circumstances, with the consent of the Holders of not less than at least 60% in aggregate principal amount of the Notes at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures modifying the terms of the Indenture and the Notes as described therein. It is also provided in the Indenture that, subject to certain exceptions, the Holders of at least 60% in aggregate principal amount of the Notes at the time outstanding may on behalf of the Holders of all of the Notes waive any past Default or Event of Default under the Indenture and its consequences.

Each Holder shall have the right to receive payment or delivery, as the case may be, of (x) the principal (including the Fundamental Change Repurchase Price, if applicable) of, (y) accrued and unpaid interest, if any, on, and (z) the consideration due upon conversion of, this Note at the place, at the respective times, at the rate and in the lawful money or shares of Common Stock, as the case may be, herein prescribed.

The Notes are issuable in registered form without coupons in denominations of \$1,000 principal amount and integral multiples thereof. At the office or agency of the Company referred to on the face hereof, and in the manner and subject to the limitations provided in the Indenture, Notes may be exchanged for a like aggregate principal amount of Notes of other authorized denominations, without payment of any service charge but, if required by the Company or Trustee, with payment of a sum sufficient to cover any transfer or similar tax that may be imposed in connection therewith as a result of the name of the Holder of the new Notes issued upon such exchange of Notes being different from the name of the Holder of the old Notes surrendered for such exchange.

The Notes shall not be redeemable at the Company's option and no sinking fund is provided for the Notes.

Upon the occurrence of a Fundamental Change (other than an Exempted Fundamental Change), the Holder has the right, at such Holder's option, to require the Company to repurchase for cash all of such Holder's Notes or any portion thereof (in principal amounts of \$1,000 or integral multiples thereof) on the Fundamental Change Repurchase Date at a price equal to the Fundamental Change Repurchase Price.

Subject to the provisions of the Indenture, the Holder hereof has the right, at its option, during certain periods and upon the occurrence of certain conditions specified in the Indenture, prior to the close of business on the second Scheduled Trading Day immediately preceding the Maturity Date, to convert any Notes or portion thereof that is \$1,000 or an integral multiple thereof, into cash, shares of Common Stock or a combination of cash and shares of Common Stock, as applicable, at the Conversion Rate specified in the Indenture, as adjusted from time to time as provided in the Indenture.

[FORM OF SUPPLEMENTAL INDENTURE
TO BE DELIVERED BY SUBSEQUENT GUARANTORS]

This [] SUPPLEMENTAL INDENTURE, dated as of _____, 20__ is by and among _____ (the “**Guaranteeing Subsidiary**”), a subsidiary of SunPower Inc. (the “**Company**”), and U.S. Bank Trust Company, National Association, as Trustee and Collateral Agent.

RECITALS

WHEREAS, the Company has heretofore executed and delivered to the Trustee and the Collateral Agent the Indenture (the “**Indenture**”), dated as of April [], 2026, providing for the issuance of 10.0% Senior Secured Convertible Notes due 2029 (the “**Notes**”);

WHEREAS, the Indenture provides that under certain circumstances the Guaranteing Subsidiary shall execute and deliver to the Trustee and Collateral Agent a supplemental indenture pursuant to which the Guaranteing Subsidiary shall unconditionally guarantee all of the Company’s obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the “**Guarantee**”);

WHEREAS, Section 11.01 of the Indenture provides that the parties may amend or supplement the Indenture in order to add Guarantors pursuant to the Indenture, without the consent of the Holders; and

WHEREAS, all acts and things prescribed by the Indenture to make this Supplemental Indenture a valid instrument legally binding on the parties in accordance with its terms, have been duly done and performed;

NOW, THEREFORE, in compliance with the provisions of the Indenture and in consideration of the above premises, the parties covenant and agree for the equal and proportionate benefit of the respective Holders as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

(2) Agreement to Guarantee. The Guaranteing Subsidiary hereby agrees as follows:

(a) Along with all other Guarantors named in the Indenture (including pursuant to any supplemental indentures), to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee, the Trustee, the Collateral Agent and their respective successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(i) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders, the Trustee or the Collateral Agent thereunder shall be promptly paid in full, all in accordance with the terms thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors and the Guaranteeing Subsidiary shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company or any other Guarantor, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The Guaranteeing Subsidiary hereby waives: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever.

(d) Except as provided in the Indenture and herein, the Guarantee shall not be discharged except by full payment of the obligations contained in the Notes, the Indenture and this Supplemental Indenture. The Guaranteeing Subsidiary accepts all obligations applicable to a Guarantor under the Indenture, including Article 13 of the Indenture (which is deemed incorporated in this Supplemental Indenture and applicable to this Guarantee). The Guaranteeing Subsidiary acknowledges that by executing this Supplemental Indenture, it shall become a Guarantor under the Indenture and subject to all the terms and conditions applicable to Guarantors contained therein.

(e) If any Holder, the Trustee or the Collateral Agent is required by any court or otherwise to return to the Company, the Guarantors (including the Guaranteeing Subsidiary), or any custodian, trustee, liquidator or other similar official acting in relation to any of the Company or the Guarantors, any amount paid either to the Trustee, the Collateral Agent or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) The Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranteeing Subsidiary, on the one hand, and the Holders, the Trustee and Collateral Agent, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranteeing Subsidiary for the purpose of this Guarantee.

(h) The Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

(i) Pursuant to Section 13.02 of the Indenture, after giving effect to all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy or fraudulent conveyance laws, or similar limitation, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article 13 of the Indenture, this new Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guarantor under this Guarantee shall not constitute a fraudulent transfer or conveyance, or similar limitation.

(j) This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation, reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes and Guarantee, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Note shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(k) In case any provision of this Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(l) This Guarantee shall be a general secured senior obligation of such Guaranteeing Subsidiary, ranking equally in right of payment with all existing and future Senior Indebtedness of the Guaranteeing Subsidiary, if any.

(m) Each payment to be made by the Guaranteeing Subsidiary in respect of this Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

(3) Execution and Delivery. The Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(4) No Recourse Against Others. No past, present or future director, officer, employee, incorporator, member, partner or stockholder of the Guaranteeing Subsidiary (other than the Company and the Guarantors) shall have any liability for any obligations of the Company or the Guarantors (including the Guaranteeing Subsidiary) under the Notes, any Guarantees, the Indenture or this Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(5) Governing Law, Jury Trial Waiver. THIS SUPPLEMENTAL INDENTURE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

EACH OF THE COMPANY, THE GUARANTEEING SUBSIDIARY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS SUPPLEMENTAL INDENTURE OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(6) Counterparts. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Supplemental Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Supplemental Indenture as to the parties hereto and may be used in lieu of the original Supplemental Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

(7) Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

(8) The Trustee and Collateral Agent. Neither the Trustee nor the Collateral Agent shall be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture, the Guarantee of the Guaranteeing Subsidiary or for or in respect of the recitals contained herein, all of which recitals are made solely by the Company and the Guaranteeing Subsidiary.

(9) Subrogation. The Guaranteeing Subsidiary shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by the Guaranteeing Subsidiary pursuant to the provisions of Section 2.01 hereof and Section 13.01 of the Indenture; *provided* that, if an Event of Default has occurred and is continuing, the Guaranteeing Subsidiary shall not be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under the Indenture or the Notes shall have been paid in full.

(10) Benefits Acknowledged. The Guaranteeing Subsidiary's Guarantee is subject to the terms and conditions set forth in the Indenture. The Guaranteeing Subsidiary acknowledges that it shall receive direct and indirect benefits from the financing arrangements contemplated by the Indenture and this Supplemental Indenture and that the guarantee and waivers made by it pursuant to this Guarantee are knowingly made in contemplation of such benefits.

(11) Successors. All agreements of the Guaranteeing Subsidiary in this Supplemental Indenture shall bind its Successors, except as otherwise provided in this Supplemental Indenture. All agreements of the Trustee and the Collateral Agent in this Supplemental Indenture shall bind its successors.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed, all as of the date first above written.

6. Events of Default. The occurrence of any one or more of the following events or conditions shall constitute an event of default (each, an “Event of Default”):

(a) Failure to Pay. Borrower shall fail to pay when due any amount of principal, interest or other amounts payable under this Note, and such failure continues for a period of two (2) Business Days after the applicable due date; provided, that no notice or demand shall be required to trigger such Event of Default.

(b) Repeated Payment Failure. Borrower fails to make two (2) or more payments of the Installment Amounts when due under this Note within any rolling ninety (90) day period, regardless of whether any such failure is subsequently cured.

(c) Bankruptcy.

(i) Parent commences any case, proceeding or other action (A) under any existing or future Law relating to bankruptcy, insolvency, reorganization, or other relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it as bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or Parent makes a general assignment for the benefit of its creditors;

(ii) There is commenced against Parent any case, proceeding or other action of a nature referred to in Section 6(c)(i) which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of sixty (60) days;

(iii) There is commenced against Parent any case, proceeding or other action seeking issuance of a warrant of attachment, execution or similar process against all or any substantial part of its assets which results in the entry of an order for any such relief which has not been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof;

(iv) Parent takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in Section 6(c)(i), Section 6(c)(ii), or Section 6(c)(iii); or

(v) Parent is generally not, or shall be unable to, or admits in writing its inability to, pay its debts as they become due.

7. Remedies.

(a) If any Event of Default occurs and is continuing, then:

(i) the entire unpaid principal amount of this Note, together with all accrued and unpaid interest and all other amounts owing hereunder, shall automatically become immediately due and payable without any further action, notice or demand; and

(ii) Member may exercise any and all rights and remedies available under this Note, the Purchase Agreement or applicable law.

(b) If an Event of Default under Section 6(a) or Section 6(c) occurs and is continuing and is not cured by Parent on or before the date that is forty-five (45) days following the date of the payment default (the "Cure Deadline"), in addition to any other remedies available to Member and its affiliates under this Note, the non-competition and non-solicitation covenants set forth in Section 1.02 of the Non-Competition Agreements (as defined in the Purchase Agreement) shall automatically terminate in all respects, without any further action by any party, as of the Cure Deadline; provided, however, for the avoidance of doubt, the foregoing termination rights shall not apply to the confidentiality covenants under Section 1.01 of the Non-Competition Agreements or any other confidentiality covenants, obligations or undertakings otherwise applicable to Member or any of its affiliates. For the avoidance of doubt, a cure of a payment default shall require payment in full of all amounts then due and payable under this Note, and partial payments shall not constitute a cure.

Any provision of this Section 7 or this Note notwithstanding, Borrower shall not be required to make any payments with respect to any obligations under this Note at such time as the Restrictive Provisions prohibit any such payments by Borrower, and Borrower's obligations to make any such payments shall be deferred until two (2) Business Days following the date on which the Restrictive Provisions no longer apply to such payments otherwise to be made by Borrower; provided, however, the provisions of the foregoing sentence shall not apply from and after the Outside Maturity Date. For the avoidance of doubt, all amounts outstanding under this Note shall become immediately due and payable on the Outside Maturity Date, notwithstanding the continued effectiveness of the Purchase Agreements, any Restrictive Provisions or any other financing arrangement or agreement to which Borrower is a party.

8. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of Member, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Applicable Law.

9. Unconditional Obligation. The obligations of Parent under this Note are unconditional and irrevocable and shall not be subject to any right of setoff, counterclaim, recoupment, defense or other reduction of any kind.

The Purchaser's subscription, payment for and continued beneficial ownership of the Securities will not violate any applicable securities or other laws of the Purchaser's jurisdiction.

3.7 Forward-Looking Statements. With respect to any forecasts, projections of results and other forward-looking statements and information provided to the Purchaser (including with respect to the Company Business), the Purchaser acknowledges (i) that such statements were prepared based upon assumptions deemed reasonable by the Company at the time of preparation, and (ii) there is no assurance that such statements will prove accurate, and the Company has no obligation to update such statements.

3.8 Commissions. Except as disclosed to the Company in writing prior to the date hereof, no person will have, as a result of the transactions contemplated by the Note Documents, any valid right, interest or claim against the Company or upon the Purchaser for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of the Purchaser.

3.9 Placement Agent Provisions. The Purchaser hereby acknowledges and agrees that (a) Santander US Capital Markets LLC (the "**Placement Agent**") is acting as placement agent in connection with the private placement of the Notes (the "**Transaction**") and is not acting as an underwriter or in any other capacity and is not and shall not be construed as a fiduciary for the Purchaser, the Company or any other person or entity in connection with the Transaction, (b) the Placement Agent has not made and will not make any representation or warranty, whether express or implied, of any kind or character and has not provided any advice or recommendation in connection with the Transaction, and has made no independent investigation with respect to the Company or the Securities or the accuracy, completeness or adequacy of any information supplied to the Purchaser by the Company, (c) the Placement Agent will have no responsibility with respect to (i) any representations, warranties or agreements made by any person or entity under or in connection with the Transaction or any of the documents furnished pursuant thereto or in connection therewith, or the execution, legality, validity or enforceability (with respect to any person) or any thereof, or (ii) the business, condition (financial or otherwise), operations, properties or prospects of, or any other matter concerning the Company or the Transaction, and (d) the Placement Agent shall have no liability or obligation (including without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by the Purchaser, the Company or any other person or entity), whether in contract, tort or otherwise, to the Purchaser, or to any person claiming through the Purchaser, in respect of the Transaction. The Purchaser agrees to release the Placement Agent from and against: (i) any legal, equitable or other claim that may arise under the Securities Act, the Exchange Act, the rules and regulations thereunder, any other applicable law, rule or regulation or in general under any theory of liability or relief in connection with the offer and sale of the Securities; and (ii) any losses, damages, injuries, declines in value, lost opportunities, liabilities, fees, charges, costs or expenses of any nature that the Purchaser may suffer in connection with the offer, purchase or sale of the Securities.

4. Limitations on Disposition; Legends; Securities Law Disclosure; Publicity.

4.1 Limitations on Disposition. The Securities may only be disposed of in compliance with state and federal securities laws and the applicable provisions of the Indenture.

4.2 Legends. The Purchaser agrees to the imprinting of a legend on any of the Securities in substantially the forms set forth in the Indenture.

4.3 Securities Law Disclosure; Publicity. No later than 9:00 a.m. (New York City time) on the trading day immediately following the date of this Agreement (such date and time, the “*Release Time*”), the Company shall publicly disclose, via press release or Current Report on Form 8-K filed with the SEC, all material non-public information that was delivered to the Purchaser by the Company, its advisors or any person acting on behalf of the Company in connection with the transactions contemplated by the Note Purchase Agreements or the Exchange Agreements. After the Release Time, the Purchaser will not be under any contractual obligation to the Company to refrain from (a) disclosing the fact or the terms of the transactions contemplated by the Note Purchase Agreements or the Exchange Agreements or any other material non-public information required to be disclosed pursuant to this Section 4.3 or (b) using or trading on such information. The Company understands and acknowledges that the Purchaser and persons acting on its behalf will rely on the representations, warranties and covenants in this Section 4.3 in effecting transactions in the securities of the Company and of other persons. Without the prior written consent of the Purchaser (unless such disclosure is required by applicable law, rule, regulation or legal process based on advice of counsel), the Company shall not disclose (i) the name of the Purchaser in any filing or announcement or (ii) any information regarding the Purchaser’s holdings of securities of the Company or transactions in any securities of the Company at one of its prime brokers to any of the Purchaser’s other prime brokers or to any other person (other than the Company’s counsel, agents or representatives).

4.4 Registration Rights.

(a) The Company agrees that, on or before May 15, 2026 (the “*Filing Date*”), the Company will file with the SEC, at the Company’s sole cost and expense, a registration statement for a shelf registration on Form S-1 (or Form S-3, if the Company is eligible to use Form S-3) (in either case, the “*Registration Statement*”), registering the resale of the maximum number of shares of Common Stock issuable upon conversion of all Notes held by the Purchaser as of two Business Days prior to such filing (such shares of Common Stock issuable upon the conversion of such Notes, the “*Registrable Securities*”), and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the 10th Business Day after the date the Company is notified (orally or in writing, whichever is earlier) by the SEC that the Registration Statement will not be “reviewed” or will not be subject to further review (the “*Effectiveness Date*”); *provided, however*, that the Company’s obligations to include the Registrable Securities in the Registration Statement are contingent upon the Purchaser furnishing a completed and executed selling securityholder questionnaire in customary form to the Company that contains the information required by SEC rules for a Registration Statement regarding the Purchaser, the securities of the Company held by the Purchaser and the intended method of disposition of the Registrable Securities (which shall be limited to non-underwritten public offerings) to effect the registration of the Registrable Securities, and the Purchaser shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling securityholder in similar situations. For purposes of clarification, any failure by the Company to file the Registration Statement by the Filing Date or to effect such Registration Statement by the Effectiveness Date shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this section. Notwithstanding the foregoing, if the SEC prevents the Company from including any or all of the shares of Common Stock proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Common Stock by the applicable securityholder or otherwise, such Registration Statement shall register for resale such number of shares of Common Stock which is equal to the maximum number of shares of Common Stock as is permitted by the SEC. In such event, the number of shares of Common Stock to be registered for each selling securityholder named in the Registration Statement shall be reduced pro rata among all such selling securityholders. Unless required under applicable laws and SEC rules, in no event shall the Purchaser be identified as a statutory underwriter in the Registration Statement; *provided, that* if the Purchaser is required to be so identified as a statutory underwriter in the Registration Statement, the Purchaser will have an opportunity to withdraw its Registrable Securities from the Registration Statement.

(b) The Company shall use its commercially reasonable efforts to keep such registration, and any qualification, exemption or compliance under state securities laws which the Company determines to obtain, continuously effective with respect to the Purchaser, and to keep the applicable Registration Statement or any subsequent shelf registration statement free of any material misstatements or omissions, until the earlier of the following: (i) the Purchaser ceases to hold any Registrable Securities and (ii) the date all Registrable Securities held by the Purchaser may be sold without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions which may be applicable to affiliates under Rule 144 and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable).

(c) Notwithstanding anything herein to the contrary, the Company may suspend the use of any prospectus (a “*Prospectus*”) included in any Registration Statement contemplated by this Section in the event that the Company’s Board of Directors determines in good faith that such suspension is necessary to (A) delay the disclosure of material non-public information concerning the Company, the disclosure of which at the time is not, in the good faith opinion of the Company’s Board of Directors, in the best interests of the Company or (B) amend or supplement the affected Registration Statement or the related Prospectus so that such Registration Statement or Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the case of the Prospectus in light of the circumstances under which they were made, not misleading (an “*Allowed Registration Delay*”); *provided*, that the Company shall promptly (a) notify the Purchaser in writing of the commencement of and the reasons for an Allowed Registration Delay, but shall not (without the prior written consent of the Purchaser) disclose to the Purchaser any material non-public information giving rise to an Allowed Registration Delay, (b) advise the Purchaser in writing to cease all sales under the Registration Statement until the end of the Allowed Registration Delay and (c) use commercially reasonable efforts to terminate an Allowed Registration Delay as promptly as practicable.

(d) If the Company does not file a Registration Statement with the SEC covering the Registrable Securities on or prior to the Filing Date (other than as a result of an Allowed Registration Delay), the Company will make up to two payments to the Purchaser, as liquidated damages and not as a penalty, in an amount equal to 1.0% of the product of (a) the number of shares for which the Notes comprising Registrable Securities may then be converted and that may not be sold without restriction under Rule 144 multiplied by (b) \$1.13 per share, for each 30-day period or pro rata for any portion thereof following the Filing Date for which no Registration Statement is filed with respect to the Registrable Securities. Such payments shall constitute the Purchaser’s exclusive monetary remedy for the Company’s breach of Section 4.4(a) only, but shall not affect the right of the Purchaser to seek injunctive relief. Such payments shall be made to the Purchaser in cash no later than 10 Business Days after the end of each 30-day period referred to above, and such payments shall be in addition to, and not in lieu of, any payments required to be made by the Company to the Holders pursuant to Section 4.6(b) of the Indenture.

It is agreed that no delay or omission to exercise any right, power or remedy accruing to the Purchaser, upon any breach or default of the Company under this Agreement or the Note shall impair any such right, power or remedy, nor shall it be construed to be a waiver of any such breach or default, or any acquiescence therein, or of or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. It is further agreed that any waiver, permit, consent or approval of any kind or character by Purchaser of any breach or default under this Agreement or any Note, or any waiver by the Purchaser of any provisions or conditions of this Agreement or the Note must be in writing and shall be effective only to the extent specifically set forth in writing and that all remedies, either under this Agreement or the Note, or by law or otherwise afforded to the Purchaser, shall be cumulative and not alternative.

The Company and each Guarantor is duly qualified and is authorized to do business and is in good standing as a foreign corporation in all jurisdictions in which the nature of its activities and of its properties (both owned and leased) makes such qualification necessary, except for those jurisdictions in which failure to do so would not have a material adverse effect on the Company or the business of the Company and its subsidiaries (a "*Material Adverse Effect*").

2.2 Corporate Power. The Company and each Guarantor has all requisite corporate power to: (a) execute and deliver this Agreement, the Security Agreement (as defined in the Indenture), the Trademark Security Agreement (as defined in the Security Agreement) and the other Collateral Documents (as defined in the Indenture) and each other agreement or instrument contemplated thereby (collectively, the "*Note Documents*"); (b) perform its respective obligations under the Note Documents to which it is a party; and (c) and to carry out and perform its obligations under the Note Documents to which it is a party, including the grant of the security interests and liens contemplated by the Collateral Documents. (a) All corporate action on the part of the Company and each Guarantor necessary for the authorization, execution, delivery and performance of the Note Documents by the Company and each Guarantor, including the issuance and delivery of the Notes and the reservation of the equity securities directly or indirectly issuable upon conversion of the Notes (collectively, the “*Conversion Securities*”), has been taken. This Agreement has been (or upon delivery will have been) duly executed and delivered by the Company, and constitutes the valid and binding obligation of the Company, enforceable in accordance with its terms, subject to laws of general application relating to bankruptcy, insolvency, the relief of debtors and, with respect to rights to indemnity, subject to federal and state securities laws. The Note Documents (other than this Agreement), when executed and delivered by the Company and each Guarantor party thereto, shall constitute valid and binding obligations of the Company and such Guarantor, enforceable in accordance with their terms against the Company and each Guarantor, subject to laws of general application relating to bankruptcy, insolvency, the relief of debtors and, with respect to rights to indemnity, subject to federal and state securities laws.

(b) The Collateral Documents create a first priority security interest which is enforceable against each grantor party thereto in all Collateral (as defined in the Indenture) it owns as of the execution of each such Collateral Document or thereafter acquires, in each case subject to laws of general application relating to bankruptcy, insolvency, the relief of debtors and, with respect to rights to indemnity, subject to federal and state securities laws. The Guarantors signatory to the Indenture and the Collateral Documents at the Closing will constitute all Material Subsidiaries (as defined in the Indenture) as of the time of Closing.

3.7 [Reserved].

3.8 Forward-Looking Statements. 3.9 Commissions. Except as disclosed to the Company in writing prior to the date hereof, no person will have, as a result of the transactions contemplated by the Note Documents, any valid right, interest or claim against the Company or upon the Purchaser for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of the Purchaser.

3.10 Placement Agent Provisions. The Purchaser hereby acknowledges and agrees that (a) Santander US Capital Markets LLC (the "**Placement Agent**") is acting as placement agent in connection with the private placement of the Notes (the "**Transaction**") and is not acting as an underwriter or in any other capacity and is not and shall not be construed as a fiduciary for the Purchaser, the Company or any other person or entity in connection with the Transaction, (b) the Placement Agent has not made and will not make any representation or warranty, whether express or implied, of any kind or character and has not provided any advice or recommendation in connection with the Transaction, and has made no independent investigation with respect to the Company or the Securities or the accuracy, completeness or adequacy of any information supplied to the Purchaser by the Company, (c) the Placement Agent will have no responsibility with respect to (i) any representations, warranties or agreements made by any person or entity under or in connection with the Transaction or any of the documents furnished pursuant thereto or in connection therewith, or the execution, legality, validity or enforceability (with respect to any person) or any thereof, or (ii) the business, condition (financial or otherwise), operations, properties or prospects of, or any other matter concerning the Company or the Transaction, and (d) the Placement Agent shall have no liability or obligation (including without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by the Purchaser, the Company or any other person or entity), whether in contract, tort or otherwise, to the Purchaser, or to any person claiming through the Purchaser, in respect of the Transaction. The Purchaser agrees to release the Placement Agent from and against: (i) any legal, equitable or other claim that may arise under the Securities Act, the U.S. Securities Exchange Act of 1934, as amended, the rules and regulations thereunder, any other applicable law, rule or regulation or in general under any theory of liability or relief in connection with the offer and sale of the Securities; and (ii) any losses, damages, injuries, declines in value, lost opportunities, liabilities, fees, charges, costs or expenses of any nature that the Purchaser may suffer in connection with the offer, purchase or sale of the Securities.

4. Limitations on Disposition; Legends; Securities Law Disclosure; Publicity.

4.1 Limitations on Disposition. The Securities may only be disposed of in compliance with state and federal securities laws and the applicable provisions of the Indenture.

4.2 Legends. The Purchaser agrees to the imprinting of a legend on any of the Securities in substantially the forms set forth in the Indenture.

4.3 Securities Law Disclosure; Publicity. No later than 9:00 a.m. (New York City time) on the trading day immediately following the date of this Agreement (such date and time, the “**Release Time**”), the Company shall publicly disclose, via press release or Current Report on Form 8-K filed with the SEC, all material non-public information that was delivered to the Purchaser by the Company, its advisors or any person acting on behalf of the Company in connection with the transactions contemplated by the Note Purchase Agreements or the Exchange Agreements. After the Release Time, the Purchaser will not be under any contractual obligation to the Company to refrain from (a) disclosing the fact or the terms of the transactions contemplated by the Note Purchase Agreements or the Exchange Agreements or any other material non-public information required to be disclosed pursuant to this Section 4.3 or (b) using or trading on such information. The Company understands and acknowledges that the Purchaser and persons acting on its behalf will rely on the representations, warranties and covenants in this Section 4.3 in effecting transactions in the securities of the Company and of other persons. Without the prior written consent of the Purchaser (unless such disclosure is required by applicable law, rule, regulation or legal process based on advice of counsel), the Company shall not disclose (i) the name of the Purchaser in any filing or announcement or (ii) any information regarding the Purchaser’s holdings of securities of the Company or transactions in any securities of the Company at one of its prime brokers to any of the Purchaser’s other prime brokers or to any other person (other than the Company’s counsel, agents or representatives).

4.4 Registration Rights.

(a) The Company agrees that, on or before May 15, 2026 (the “**Filing Date**”), the Company will file with the SEC, at the Company’s sole cost and expense, a registration statement for a shelf registration on Form S-1 (or Form S-3, if the Company is eligible to use Form S-3) (in either case, the “**Registration Statement**”), registering the resale of the maximum number of shares of Common Stock issuable upon conversion of all Notes held by the Purchaser as of two Business Days prior to such filing (such shares of Common Stock issuable upon the conversion of such Notes, the “**Registrable Securities**”), and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the 10th Business Day after the date the Company is notified (orally or in writing, whichever is earlier) by the SEC that the Registration Statement will not be “reviewed” or will not be subject to further review (the “**Effectiveness Date**”); *provided, however*, that the Company’s obligations to include the Registrable Securities in the Registration Statement are contingent upon the Purchaser furnishing a completed and executed selling securityholder questionnaire in customary form to the Company that contains the information required by SEC rules for a Registration Statement regarding the Purchaser, the securities of the Company held by the Purchaser and the intended method of disposition of the Registrable Securities (which shall be limited to non-underwritten public offerings) to effect the registration of the Registrable Securities, and the Purchaser shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling securityholder in similar situations. For purposes of clarification, any failure by the Company to file the Registration Statement by the Filing Date or to effect such Registration Statement by the Effectiveness Date shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this section. Notwithstanding the foregoing, if the SEC prevents the Company from including any or all of the shares of Common Stock proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Common Stock by the applicable securityholder or otherwise, such Registration Statement shall register for resale such number of shares of Common Stock which is equal to the maximum number of shares of Common Stock as is permitted by the SEC. In such event, the number of shares of Common Stock to be registered for each selling securityholder named in the Registration Statement shall be reduced pro rata among all such selling securityholders. Unless required under applicable laws and SEC rules, in no event shall the Purchaser be identified as a statutory underwriter in the Registration Statement; *provided, that* if the Purchaser is required to be so identified as a statutory underwriter in the Registration Statement, the Purchaser will have an opportunity to withdraw its Registrable Securities from the Registration Statement.

(b) The Company shall use its commercially reasonable efforts to keep such registration, and any qualification, exemption or compliance under state securities laws which the Company determines to obtain, continuously effective with respect to the Purchaser, and to keep the applicable Registration Statement or any subsequent shelf registration statement free of any material misstatements or omissions, until the earlier of the following: (i) the Purchaser ceases to hold any Registrable Securities and (ii) the date all Registrable Securities held by the Purchaser may be sold without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions which may be applicable to affiliates under Rule 144 and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable).

(c) Notwithstanding anything herein to the contrary, the Company may suspend the use of any prospectus (a “*Prospectus*”) included in any Registration Statement contemplated by this Section in the event that the Company’s Board of Directors determines in good faith that such suspension is necessary to (A) delay the disclosure of material non-public information concerning the Company, the disclosure of which at the time is not, in the good faith opinion of the Company’s Board of Directors, in the best interests of the Company or (B) amend or supplement the affected Registration Statement or the related Prospectus so that such Registration Statement or Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the case of the Prospectus in light of the circumstances under which they were made, not misleading (an “*Allowed Registration Delay*”); *provided*, that the Company shall promptly (a) notify the Purchaser in writing of the commencement of and the reasons for an Allowed Registration Delay, but shall not (without the prior written consent of the Purchaser) disclose to the Purchaser any material non-public information giving rise to an Allowed Registration Delay, (b) advise the Purchaser in writing to cease all sales under the Registration Statement until the end of the Allowed Registration Delay and (c) use commercially reasonable efforts to terminate an Allowed Registration Delay as promptly as practicable.

The Company is duly qualified and is authorized to do business and is in good standing as a foreign corporation in all jurisdictions in which the nature of its activities and of its properties (both owned and leased) makes such qualification necessary, except for those jurisdictions in which failure to do so would not have a material adverse effect on the Company or its business (a “*Material Adverse Effect*”).

2.2 Corporate Power. The Company has all requisite corporate power to execute and deliver this Agreement, to perform its obligations under the Indenture, to perform its obligations under the Security Agreement, dated on or about the date hereof, between the Company, as a grantor, the other grantors party thereto, and the Collateral Agent (the “*Security Agreement*”), and the Trademark Security Agreement, dated on or about the date hereof, between the Company, as a grantor, the other grantors party thereto, and the Collateral Agent (the “*Trademark Security Agreement*” and, collectively with the Security Agreement, the “*Collateral Documents*”), to issue the 10.00% Notes and the A&R Note (this Agreement, the Indenture, the Security Agreement, the Trademark Security Agreement, the 10.00% Notes and the A&R Note, collectively, the “*Note Documents*”), and to carry out and perform its obligations under the Note Documents. The Company’s Board of Directors (the “*Board*”) has approved the Note Documents based upon a reasonable belief that the transactions thereunder are appropriate for the Company after reasonable inquiry concerning the Company’s financing objectives and financial situation.

2.3 Authorization. All corporate action on the part of the Company and the Board necessary for the authorization, execution, delivery and performance of the Note Documents by the Company, including the issuance and delivery of the Notes, the reservation of the equity securities directly or indirectly issuable upon conversion of the Notes, if applicable (collectively, the “*Conversion Securities*”), has been taken or will be taken prior to the issuance of such Conversion Securities. The Note Documents, when executed and delivered by the Company, shall constitute valid and binding obligations of the Company enforceable in accordance with their terms, and the Collateral Documents create a security interest which is enforceable against each grantor party thereto in all collateral it owns as of the execution of each such agreement or thereafter acquires, in each case subject to laws of general application relating to bankruptcy, insolvency, the relief of debtors and, with respect to rights to indemnity, subject to federal and state securities laws. Any Conversion Securities, when issued in compliance with the provisions of the Notes, if applicable, will be validly issued, fully paid, nonassessable, free of any liens or encumbrances and issued in compliance with all applicable federal and securities laws.

2.4 Governmental Consents. All consents, approvals, orders, or authorizations of, or registrations, qualifications, designations, declarations, or filings with, any governmental authority required on the part of the Company in connection with the execution and delivery of the Note Documents or the issuance of the Notes have been obtained.

2.5 Compliance with Laws. To its knowledge, the Company is not in violation of any applicable statute, rule, regulation, order or restriction of any domestic or foreign government or any instrumentality or agency thereof in respect of the conduct of its business or the ownership of its properties, which violation of which would have a Material Adverse Effect.

2.6 Compliance with Other Instruments. The Company is not in violation or default of any term of its certificate of incorporation or bylaws, or of any provision of any mortgage, indenture or contract to which it is a party and by which it is bound or of any judgment, decree, order or writ, other than such violation(s) that would not have a Material Adverse Effect. The execution, delivery and performance of the Note Documents will not result in any such violation or be in conflict with, or constitute, with or without the passage of time and giving of notice, either a default under any such provision, instrument, judgment, decree, order or writ or an event that results in the creation of any lien, charge or encumbrance upon any assets of the Company, other than the liens granted pursuant to the terms of the Collateral Documents, or the suspension, revocation, impairment, forfeiture, or nonrenewal of any material permit, license, authorization or approval applicable to the Company, its business or operations or any of its assets or properties. Without limiting the foregoing, the Company has obtained all waivers reasonably necessary with respect to any prohibition on the grant of liens, preemptive rights, rights of first refusal or similar rights, including any notice or offering periods provided for as part of any such rights, in order for the Company to consummate the transactions contemplated under the Note Documents without any third party obtaining any rights to cause the Company to offer or issue any securities of the Company as a result of the consummation of the transactions contemplated hereunder.

2.7 Offering. Assuming the accuracy of the representations and warranties of the Purchaser contained in Section 4 hereof, the offer, issue, and sale of the Notes and the Conversion Securities are and will be exempt from the registration and prospectus delivery requirements of the Securities Act, and are exempt from registration and qualification under the registration, permit, or qualification requirements of all applicable state securities laws.

The Purchaser is acquiring the Notes and the Conversion Securities (collectively, the “*Securities*”) solely for its own account and beneficial interest for investment and not for sale or with a view to distribution of the Securities or any part thereof, has no present intention of selling (in connection with a distribution or otherwise), granting any participation in, or otherwise distributing the same, and does not presently have reason to anticipate a change in such intention. Notwithstanding the foregoing, the Purchaser acknowledges that the Securities are being issued in partial satisfaction of purchase price consideration under the MIPA, and not as a separate investment decision.

3.2 Binding Obligation. The Purchaser has full power and authority to enter into the Note Documents to which it is party. The Note Documents to which the Purchaser is a party, when executed and delivered by the Purchaser, shall constitute valid and binding obligations of the Purchaser enforceable in accordance with their terms, subject to laws of general application relating to bankruptcy, insolvency, the relief of debtors and, with respect to rights to indemnity, subject to federal and state securities laws.

The Purchaser further represents that it is acting as principal in the purchase of the Notes and is acquiring the Notes as a beneficial owner for its own account with a view towards long-term investment, and not with a view to the resale, distribution or other disposition thereof (whether directly or indirectly).

3.4 Ability to Bear Economic Risk. The Purchaser acknowledges that investment in the Securities involves a high degree of risk, and the Purchaser is able, without materially impairing its financial condition, to hold the Securities for an indefinite period of time and to suffer a complete loss of its investment.

3.5 Accredited Investor Status. The Purchaser is an “accredited investor” as such term is defined in Rule 501 under the Securities Act.

3.6 Forward-Looking Statements. **ARTICLE III.
REPRESENTATIONS AND WARRANTIES**

Each Grantor represents and warrants to the Collateral Agent and the Secured Parties that:

Section 3.1 Title, Authorization, Validity, Enforceability, Perfection and Priority. Such Grantor has good and valid rights in or the power to transfer the Collateral owned by it and title to the Collateral with respect to which it has purported to grant a security interest hereunder, except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such Collateral for its current uses, free and clear of all Liens except (i) for Liens permitted under Section 4.11 of the Indenture, (ii) where the failure to have such title would not reasonably be expected to have a Material Adverse Effect, and (iii) for defects in title that do not materially interfere with their ability to conduct their business as currently conducted or to utilize such properties and assets for their intended purposes and has full power and authority to grant to the Collateral Agent the security interest in the Collateral pursuant hereto. The execution and delivery by such Grantor of this Security Agreement have been duly authorized by proper corporate proceedings or other organizational action of such Grantor, and this Security Agreement constitutes a legal valid and binding obligation of such Grantor and creates a security interest which is enforceable against such Grantor in all Collateral it now owns or hereafter acquires, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law. When financing statements have been filed in the appropriate offices against such Grantor in the locations listed on Exhibit G, the Collateral Agent will have a perfected first priority security interest in that Collateral of such Grantor in which a security interest may be perfected by filing of a financing statement under the UCC, subject only to Liens permitted under Section 4.11 of the Indenture.

Section 3.2 Type and Jurisdiction of Organization and Identification Number. As of the Applicable Date, the type of entity of each Grantor, its state of organization and its federal employer identification number are set forth on Exhibit A.

Section 3.3 Principal Location. As of the Applicable Date, each Grantor's mailing address, which shall be its address for notices and other communications provided for herein and the location of its place of business (if it has only one) or its chief executive office (if it has more than one place of business), are disclosed in Exhibit A. As of the Applicable Date, each such Grantor has no other places of business except those set forth in Exhibit A.

Section 3.4 Intellectual Property. Exhibit D sets forth all registered and applied for Patents, Trademarks and Copyrights owned by such Grantor as of the Applicable Date. This Security Agreement is effective to create a valid and continuing Lien and, upon filing of appropriate financing statements in the offices listed on Exhibit G and the Trademark Security Agreement (with respect to Trademarks) and the Patent Security Agreement (with respect to Patents) with the Applicable IP Office, fully perfected first priority security interests in favor of the Collateral Agent on such Grantor's Patents, Trademarks and Copyrights, subject to Liens permitted under Section 4.11 of the Indenture. Notwithstanding anything herein to the contrary, other than UCC filings and the filing of documents effecting the recordation of security interests in the Applicable IP Office, in no event shall the Grantors be required, nor shall the Collateral Agent be authorized, to make any other filings or take any other actions related to Intellectual Property Collateral, including actions to enter into any source code escrow arrangement, or to apply for the registration of any Intellectual Property in any jurisdiction, or to make any filings or take any actions to record or to perfect the Collateral Agent's lien on or security interest, in the Collateral.

Section 3.5 No Financing Statements, Security Agreements. As of the Applicable Date, no financing statement or security agreement describing all or any portion of the Collateral which has not lapsed or been terminated (by a filing authorized by the secured party in respect thereof or as otherwise permitted by Section 9-509 of the UCC) naming such Grantor as debtor has been filed or is of record in any jurisdiction except for financing statements or security agreements (a) naming the Collateral Agent on behalf of the Secured Parties as the secured party and (b) in respect to other Liens permitted under Section 4.11 of the Indenture.

Section 3.6 Pledged Collateral.

(a) Exhibit F sets forth a complete and accurate list of all of the Pledged Collateral owned by such Grantor on the Applicable Date. Such Grantor is the direct, sole beneficial owner and sole holder of record of the Pledged Collateral listed on Exhibit F as being owned by it, free and clear of any Liens, except for the security interest granted to the Collateral Agent for the benefit of the Secured Parties hereunder and Liens permitted under Section 4.11 of the Indenture. Such Grantor further represents and warrants that (i) all Pledged Collateral owned by it constituting an Equity Interest has been (to the extent such concepts are relevant with respect to such Pledged Collateral) duly authorized, validly issued, are fully paid and non-assessable, (ii) with respect to any certificates delivered to the Collateral Agent representing an Equity Interest, either such certificates are Securities as defined in Article 8 of the UCC as a result of actions by the issuer or otherwise, or, if such certificates are not Securities, such Grantor has so informed the Collateral Agent and has taken steps to cause the Collateral Agent's security interest therein to be perfected as a General Intangible under the applicable UCC, and (iii) all Pledged Collateral which represents Indebtedness owed to such Grantor has been duly authorized, authenticated or issued and delivered by the issuer of such Indebtedness, is the legal, valid and binding obligation of such issuer, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law, and such issuer is not in default thereunder.

(b) In addition, (i) none of the Pledged Collateral owned by any Grantor as of the Applicable Date has been issued or transferred in violation of the securities registration, securities disclosure or similar laws of any jurisdiction to which such issuance or transfer is subject, (ii) with respect to any Equity Interests included in the Pledged Collateral issued by any Subsidiary, no options, warrants, calls or commitments of any character whatsoever (other than (x) customary rights to purchase or requirements to sell Equity Interests in respect of any Investment in a joint venture permitted under the Indenture and (y) agreements to sell or dispose of such Pledged Collateral to the extent such sale or disposition would be permitted by the Indenture) (A) exist relating to such Pledged Collateral or (B) obligate any such Subsidiary to issue additional Equity Interests, and (iii) no consent, approval, authorization, or other action by, and no giving of notice to or filing with any Governmental Authority or any other Person is required for the pledge by such Grantor of such Pledged Collateral pursuant to this Security Agreement or for the execution, delivery and performance of this Security Agreement by such Grantor, or, in the case of any Equity Interests included in the Pledged Collateral issued by any Subsidiary (other than customary rights of first offer, rights of first refusal and similar rights in respect of any Investment in the Equity Interests of a joint venture permitted under the Indenture), for the exercise by the Collateral Agent of the voting or other rights provided for in this Security Agreement or for the remedies in respect of the Pledged Collateral pursuant to this Security Agreement, except in each case for any consent, approval, authorization or other action that has already been obtained or as may be required in connection with such disposition by laws affecting the offering and sale of securities generally.

(c) Except as set forth in Exhibit F (as amended or supplemented from time to time by such Grantor by delivery of an amendment to this Security Agreement, in such form acceptable to the Collateral Agent and the Required Noteholders (each acting reasonably)), each Grantor owns 100% of the issued and outstanding Equity Interests which constitute Pledged Collateral owned by it and none of the Pledged Collateral which represents Indebtedness owed to such Grantor is subordinated in right of payment to other Indebtedness or subject to the terms of an indenture.

ARTICLE IV. COVENANTS

From the date of this Security Agreement, and thereafter until this Security Agreement is terminated, each Grantor agrees that:

Section 4.1 General.

(a) Collateral Records. Each Grantor will maintain, in all material respects, complete and accurate books and records with respect to the Collateral owned by it, and furnish to the Collateral Agent, such written reports relating to such Collateral as the Collateral Agent shall from time to time reasonably request in writing; provided that unless an Event of Default has occurred and is continuing, such request may be made by the Collateral Agent no more than once per calendar year.

(b) Authorization to File Financing Statements; Ratification. Each Grantor hereby authorizes the Collateral Agent to file (but the Collateral Agent shall have no duty to file), and will deliver to the Collateral Agent (as applicable), all financing statements and other documents and take such other actions as may from time to time be required, or as reasonably requested by the Collateral Agent, in order for the Collateral Agent to maintain a first priority perfected security interest in the Collateral owned by such Grantor, subject to Liens permitted under Section 4.11 of the Indenture. Any financing statement filed by the Collateral Agent may be filed in the appropriate filing office in the appropriate UCC jurisdiction and may (i) indicate such Grantor's Collateral (1) as all assets of the Grantor or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the UCC of such jurisdiction, or (2) by any other description which reasonably approximates the description contained in this Security Agreement, and (ii) contain any other information required by part 5 of Article 9 of the UCC for the sufficiency or filing office acceptance of any financing statement or amendment, including (A) whether such Grantor is an organization and (B) the type of organization. Such Grantor also agrees to furnish any such information described in the foregoing sentence to the Collateral Agent promptly upon written request.

(c) Further Assurances. Each Grantor will, upon the reasonable written request of the Collateral Agent, furnish to the Collateral Agent, written statements and schedules further identifying and describing the Collateral owned by it and such other written reports and information in connection with its Collateral as the Collateral Agent may reasonably request in writing, all in such detail as the Collateral Agent may reasonably specify. Such Grantor also agrees to take commercially reasonable actions to defend title to the Collateral against all Persons and to defend the security interest of the Collateral Agent in its Collateral and the priority thereof against any Lien not expressly permitted hereunder, unless in each case such Grantor shall reasonably determine in good faith that such Collateral is not material to the conduct of its business or operations. Concurrently with the delivery of each compliance certificate delivered pursuant to Section 4.08 of the Indenture, each Grantor shall notify the Collateral Agent of (i) any additional Patents, Trademarks or Copyrights acquired or arising after the Issue Date that would be required to be set forth on Exhibit D, and shall submit to the Collateral Agent a supplement to Exhibit D, in such form acceptable to the Collateral Agent and the Required Noteholders (each acting reasonably), to reflect such additional Patents, Trademarks or Copyrights, (ii) any additional Pledged Collateral acquired or arising after the Issue Date that would be required to be set forth on Exhibit E, and shall submit to the Collateral Agent a supplement to Exhibit E, in such form acceptable to the Collateral Agent and the Required Noteholders (each acting reasonably), to reflect such additional Certificated Securities; and (iii) the transfer of any Pledged Collateral to a securities intermediary to be held by it; provided that such Grantor's failure to notify the Collateral Agent of any newly acquired or arising Collateral shall not impair the Collateral Agent's Lien thereon. Notwithstanding anything contained herein to the contrary (and other than with respect those certain obligations governed by Section 4.09(c) of the Indenture), no Grantor shall be required to perfect or to maintain the perfection and priority of the Collateral Agent's security interest in any Collateral held outside of the United States by any Grantor.

(d) Disposition of Collateral. Such Grantor will not sell, lease or otherwise dispose of the Collateral owned by it, except for dispositions specifically permitted pursuant to Section 4.16 of the Indenture.

(e) Liens. Such Grantor will not create, incur, or suffer to exist any Lien on the Collateral except (i) the security interest created by this Security Agreement, and (ii) Liens permitted under Section 4.11 of the Indenture.

(f) Other Financing Statements. Such Grantor will not authorize the filing of any financing statement naming it as debtor covering all or any portion of the Collateral owned by it, except for financing statements (i) naming the Collateral Agent on behalf of the Secured Parties as the secured party, and (ii) in respect of Liens permitted under Section 4.11 of the Indenture not covered by clause (i) above. Such Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement filed in connection herewith without the prior written consent of the Collateral Agent, subject to such Grantor's rights under Section 9-509(d)(2) of the UCC.

(g) Compliance with Terms. Such Grantor will perform and comply in all material respects with all obligations in respect of the Collateral owned by it and all agreements to which it is a party or by which it is bound relating to such Collateral except to the extent the failure of such Grantor to comply could not reasonably be expected to have a Material Adverse Effect.

(h) Applicable IP Office Filings. Each Grantor hereby authorizes the Collateral Agent (or its designee) to file (but the Collateral Agent shall have no duty to file) instruments with the Applicable IP Office (or any successor office), including Trademark Security Agreements and Patent Security Agreements, or other documents that are necessary for the purpose of perfecting, confirming, continuing, enforcing or protecting the pledge and security interest granted by such Grantor hereunder in any Intellectual Property owned by Grantor and applied for, registered or issued in the United States naming such Grantor as debtor, and the Collateral Agent, as secured party.

(i) Additional Grantors. From time to time subsequent to the date hereof, Subsidiaries of the Company may become parties hereto as Grantors in accordance with Section 4.09 of the Indenture by executing a Security Joinder Agreement in the form of Exhibit N attached hereto. Upon delivery of any such Security Joinder Agreement, each new Grantor will be a party hereto as if such Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder will not be affected or diminished by the addition or release of any other Grantor hereunder. This Security Agreement will be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

Section 4.2 Receivables.

(a) Delivery of Invoices. Each Grantor will deliver to the Collateral Agent promptly upon written request and after the occurrence and during the continuation of an Event of Default duplicate invoices with respect to each Account owned by such Grantor bearing such language of assignment as the Collateral Agent shall specify.

(b) Disclosure of Counterclaims on Receivables. Upon the occurrence and during the continuance of an Event of Default, if (i) any material discount, credit or agreement to make a rebate or to otherwise reduce the amount owing on any Receivable owned by such Grantor exists or (ii) to the knowledge of such Grantor, any material dispute, setoff, claim, counterclaim or defense exists or has been asserted or threatened with respect to any such Receivable, such Grantor will promptly disclose such fact to the Collateral Agent in writing.

Section 4.3 Inventory and Equipment. Each Grantor will do all things reasonably necessary to maintain, preserve, protect and keep its Inventory and the Equipment in good repair and working and saleable condition, except for (i) damaged or defective goods arising in the ordinary course of such Grantor's business, (ii) casualty and condemnation, (iii) ordinary wear and tear in respect of the Equipment and (iv) in each case, where the failure to do so could not reasonably be expected to have a Material Adverse Effect.

Section 4.4 Delivery of Instruments, Chattel Paper and Documents. To the extent any Receivable or other item of Collateral with a face amount in excess of \$1,000,000 is evidenced by an Instrument or tangible Chattel Paper, each Grantor will (a) deliver to the Collateral Agent promptly (and in any event, within fifteen (15) Business Days of the Issue Date) upon execution of this Security Agreement the originals of all Chattel Paper and Instruments constituting Collateral owned by it (if any then exist), together with duly executed instruments of transfer or assignments in blank and (b) hold in trust for the Collateral Agent upon receipt and promptly thereafter (and in any event, no later than fifteen (15) days after receipt) deliver to the Collateral Agent any Chattel Paper and Instruments constituting Collateral, together with duly executed instruments of transfer or assignments in blank. Upon the Collateral Agent's written request, such Grantor will deliver to the Collateral Agent (and thereafter hold in trust for the Collateral Agent upon receipt and promptly deliver to the Collateral Agent) any Document evidencing or constituting Collateral.

Section 4.5 Uncertificated Securities. With respect to any uncertificated security issued by a Subsidiary (other than an uncertificated security credited on the books of a Securities Intermediary) existing on or acquired after the Issue Date and held by any Grantor that constitutes Collateral, such Grantor shall execute, and cause the issuer of such uncertificated security to duly authorize, execute and deliver to the Collateral Agent, on the date hereof or, with respect to any uncertificated security issued by a Subsidiary that is acquired after the Issue Date, within thirty (30) days of acquiring such uncertificated security, as applicable, an agreement in form attached as Exhibit K hereto pursuant to which such issuer agrees to comply with any and all instructions originated by the Collateral Agent without further consent by such Grantor.

Section 4.6 Pledged Collateral.

(a) Changes in Capital Structure of the Company. Except as permitted by the Indenture, each Grantor will not (i) permit or suffer any issuer of an Equity Interest constituting Pledged Collateral owned by it to dissolve, merge, liquidate, retire any of its Equity Interests or other Instruments or Securities evidencing ownership, reduce its capital, sell or encumber all or substantially all of its assets or merge or consolidate with any other entity, or (ii) vote any such Pledged Collateral in favor of any of the foregoing, in each case, without the prior written consent of the Collateral Agent (such consent to be delivered at the direction of Required Noteholders in accordance with the Indenture).

(b) Issuance of Additional Securities. Except as permitted under the Indenture, each Grantor will not permit or suffer the issuer of an Equity Interest constituting Pledged Collateral owned by it to issue additional Equity Interests, any right to receive the same or any right to receive earnings, except to such Grantor.

(c) Exercise of Rights in Pledged Collateral.

(i) Without in any way limiting the foregoing and subject to clause (ii) below, each Grantor shall have the right to exercise all voting rights or other rights relating to the Pledged Collateral owned by it for all purposes not inconsistent with this Security Agreement or the Indenture; provided however, that no vote or other right shall be exercised or action taken which would have the effect of impairing the rights of the Collateral Agent in respect of such Pledged Collateral.

(ii) Each Grantor will permit the Collateral Agent or its nominee at any time after the occurrence and during the continuation of an Event of Default, upon not less than contemporaneous written notice to such Grantor, to exercise all voting rights or other rights relating to the Pledged Collateral owned by it, including, without limitation, exchange, subscription or any other rights, privileges, or options pertaining to any Equity Interest or Investment Property constituting Pledged Collateral as if it were the absolute owner thereof.

(iii) Each Grantor shall be entitled to collect and receive for its own use all cash dividends, interest, and any other distributions and other payments made in respect of the Pledged Collateral owned by it to the extent not in violation of the Indenture.

(iv) Any and all dividends, interest, payments or distributions in respect of any of the Pledged Collateral owned by any Grantor, made in contravention of Section 4.6(c)(iii) whenever paid or made, shall, if received by such Grantor, be received in trust for the benefit of the Collateral Agent and be segregated from the other property or funds of such Grantor, and be forthwith delivered to the Collateral Agent as Pledged Collateral in the same form as so received (with any necessary endorsement).

(v) Upon the occurrence and during the continuation of an Event of Default, each Grantor will permit any registerable Pledged Collateral to be registered in the name of the Collateral Agent or its nominee.

(d) Delivery of Stock Certificates. Each Grantor will (a) deliver to the Collateral Agent promptly (and in any event, no later than twenty (20) Business Days after the Issue Date) upon execution of this Security Agreement the originals of (i) all certificates representing pledged Equity Interests constituting Collateral, together with duly executed instruments of transfer or assignments in blank and (b) hold in trust for the Collateral Agent upon receipt and promptly thereafter deliver to the Collateral Agent any certificates representing pledged Equity Interests constituting Collateral, together with duly executed instruments of transfer or assignments in blank.

Section 4.7 Intellectual Property.

(a) After the occurrence and during the continuation of an Event of Default, upon the written request of the Collateral Agent, each Grantor will use commercially reasonable efforts to secure all consents and approvals necessary or appropriate for the assignment to or benefit of the Collateral Agent of any material License held by such Grantor and to enforce the security interests granted hereunder.

(b) Each Grantor shall notify the Collateral Agent promptly if it knows that any application or registration relating to any Material Intellectual Property material to the conduct of its business or operations (now or hereafter existing) will become abandoned or dedicated to the public domain, or of any material adverse determination regarding such Grantor's ownership of any Material Intellectual Property material to the conduct of its business or operations, its right to register the same, or to keep and maintain the same.

(c) Each Grantor shall use its commercially reasonable efforts to maintain and pursue each application, to obtain the relevant registration and to maintain its Material Intellectual Property and the registration of its Material Intellectual Property (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference and cancellation proceedings, unless such Grantor shall reasonably determine that any such Material Intellectual Property (or application therefor) is not material to the conduct of its business or operations.

Section 4.8 Commercial Tort Claims. Each Grantor shall promptly, and in any event within fifteen (15) Business Days after the same is acquired by it, notify the Collateral Agent of any Commercial Tort Claim with a value exceeding \$1,000,000 acquired by it and, such Grantor shall enter into an amendment to this Security Agreement, in such form acceptable to the Collateral Agent and the Required Noteholders (each acting reasonably), granting to Collateral Agent a first priority security interest in such Commercial Tort Claim, subject to Liens permitted under Section 4.11 of the Indenture.

Section 4.9 Letter-of-Credit Rights. If any Grantor is or becomes the beneficiary of a letter of credit in an amount in excess of \$1,000,000, it shall promptly, and in any event within fifteen (15) Business Days after becoming a beneficiary, notify the Collateral Agent thereof.

Section 4.10 Federal, State or Municipal Claims. Each Grantor will promptly notify the Collateral Agent of any Collateral owned by such Grantor which constitutes a claim (other than any claim in respect of Taxes to be refunded to such Grantor) in excess of \$1,000,000 against the United States government or any state or local government or any instrumentality or agency thereof, the assignment of which claim is restricted by federal, state or municipal law.

Section 4.11 No Interference. Such Grantor agrees that it will not interfere with any right, power and remedy of the Collateral Agent provided for in this Security Agreement or now or hereafter existing at law or in equity or by statute or otherwise, or the exercise or beginning of the exercise by the Collateral Agent of any one or more of such rights, powers or remedies.

Section 4.12 Insurance.

(a) All insurance policies required under Section 4.10 of the Indenture with respect to the Collateral shall name the Collateral Agent (for the benefit of the Collateral Agent and the other Secured Parties) as an additional insured or as lender's loss payee, as applicable, and shall contain loss payable clauses, through endorsements in form and substance reasonably satisfactory to the Collateral Agent, which provide that such policy and lender loss payable clauses may be canceled, amended, or terminated prior to the expiration date of such policy only upon at least thirty (30) days prior written notice (or at least ten (10) days for cancellation for non-payment) given to the Collateral Agent.

(b) All premiums on any such insurance shall be paid when due by such Grantor, and copies of the policies delivered to the Collateral Agent. If such Grantor fails to obtain or maintain any insurance as required by this Section, the Collateral Agent may (but shall not be obligated to), upon thirty (30) days' written notice to Company, obtain such insurance at the Company's expense. By purchasing such insurance, the Collateral Agent shall not be deemed to have waived any Default arising from the Grantor's failure to maintain such insurance or pay any premiums therefor. Any amounts incurred by the Collateral Agent shall be additional Secured Obligations reimbursable by the Grantor on demand.

Section 4.13 Change of Name or Location. Each Grantor shall not (a) change its name as it appears in official filings in the state of its incorporation or organization, (b) change its chief executive office, principal place of business, mailing address, corporate offices or warehouses or locations at which any material portion of the Collateral is held or stored, or the location of its records concerning the Collateral as set forth in this Security Agreement, (c) change the type of entity that it is or (d) change its state of incorporation or organization, in each case, unless the Collateral Agent shall have received written notice of such change and only after the Grantor has delivered to the Collateral Agent in form for filing all necessary financing statements or financing statement amendments necessary to maintain the perfection of the Collateral Agent's Liens to the extent required by this Security Agreement. The Grantor shall make such filings contemporaneously with the effective date of the changes referred to in this Section 4.13.

**ARTICLE V.
EVENTS OF DEFAULT AND REMEDIES**

Section 5.1 Events of Default. The occurrence of any "Event of Default" under, and as defined in, Section 6.01 of the Indenture shall constitute an Event of Default hereunder.

Section 5.2 Remedies.

(a) Upon the occurrence and during the continuation of an Event of Default, the Collateral Agent may (but shall not be obligated to) exercise any or all of the following rights and remedies:

(i) those rights and remedies provided in this Security Agreement or the Indenture; *provided that*, this Section 5.2(a) shall not be understood to limit any rights or remedies available to the Collateral Agent and the other Secured Parties prior to an Event of Default;

(ii) those rights and remedies available to a secured party under the UCC (whether or not the UCC applies to the affected Collateral) or under any other applicable law (including, without limitation, any law governing the exercise of a bank's right of setoff or bankers' lien) when a debtor is in default under a security agreement;

(iii) [reserved];

(iv) upon not less than contemporaneous written notice (except as provided in Section 8.1 or elsewhere herein), demand or advertisement of any kind to any Grantor or any other Person, enter the premises of any Grantor where any Collateral is located (through self-help and without judicial process) to collect, receive, assemble, process, appropriate, sell, lease, assign, grant an option or options to purchase or otherwise dispose of, deliver, or realize upon, the Collateral or any part thereof in one or more parcels at public or private sale or sales (which sales may be adjourned or continued from time to time with or without notice and may take place at any Grantor's premises or elsewhere), for cash, on credit or for future delivery without assumption of any credit risk, and upon such other terms as the Collateral Agent may deem commercially reasonable; and

(v) upon not less than contemporaneous written notice to the applicable Grantor, transfer and register in its name or in the name of its nominee the whole or any part of the Pledged Collateral, exchange certificates or instruments representing or evidencing Pledged Collateral for certificates or instruments of smaller or larger denominations, exercise the voting and all other rights as a holder with respect thereto, to collect and receive all cash dividends, interest, principal and other distributions made thereon and to otherwise act with respect to the Pledged Collateral as though the Collateral Agent was the outright owner thereof.

(b) The Collateral Agent, on behalf of the Secured Parties, may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(c) The Collateral Agent shall have the right (but not the obligation) upon any such public sale or sales and, to the extent permitted by law, upon any such private sale or sales, to purchase for the benefit of the Collateral Agent and the other Secured Parties, the whole or any part of the Collateral so sold, free of any right of equity redemption, which equity redemption the Grantor hereby expressly releases.

(d) Until the Collateral Agent is able to effect a sale, lease, or other disposition of Collateral, the Collateral Agent shall have the right to hold or use Collateral, or any part thereof, to the extent that it deems appropriate for the purpose of preserving Collateral or its value or for any other purpose deemed appropriate by the Collateral Agent. The Collateral Agent may, if it so elects, seek the appointment of a receiver or keeper to take possession of Collateral and to enforce any of the Collateral Agent's remedies (for the benefit of the Collateral Agent and the other Secured Parties), with respect to such appointment without prior notice or hearing as to such appointment.

(e) [reserved.]

(f) Notwithstanding the foregoing, neither the Collateral Agent nor any other Secured Party shall be required to (i) make any demand upon, or pursue or exhaust any of its rights or remedies against, any Grantor, any other obligor, guarantor, pledgor or any other Person with respect to the payment of the Secured Obligations or to pursue or exhaust any of its rights or remedies with respect to any Collateral therefor or any direct or indirect guarantee thereof, (ii) marshal the Collateral or any guarantee of the Secured Obligations or to resort to the Collateral or any such guarantee in any particular order, or (iii) effect a public sale of any Collateral.

(g) Each Grantor recognizes that the Collateral Agent may be unable to effect a public sale of any or all the Pledged Collateral and may be compelled to resort to one or more private sales thereof in accordance with clause (a) above. Each Grantor also acknowledges that any private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall not be deemed to have been made in a commercially unreasonable manner solely by virtue of such sale being private. The Collateral Agent shall be under no obligation to delay a sale of any of the Pledged Collateral for the period of time necessary to permit any Grantor or the issuer of the Pledged Collateral to register such securities for public sale under the Securities Act of 1933, as amended, or under applicable state securities laws, even if the applicable Grantor and the issuer would agree to do so.

Section 5.3 Grantor's Obligations Upon Event of Default. Upon the written request of the Collateral Agent after the occurrence and during the continuation of an Event of Default, each Grantor will:

(a) assemble and make available to the Collateral Agent the Collateral and all books and records relating thereto at any place or places specified by the Collateral Agent, whether at a Grantor's premises or elsewhere;

(b) to the extent permitted by applicable law, permit the Collateral Agent, by the Collateral Agent's representatives and agents, to enter, occupy and use any premises where all or any part of the Collateral, or the books and records relating thereto, or both, are located, to take possession of all or any part of the Collateral or the books and records relating thereto, or both, to remove all or any part of the Collateral or the books and records relating thereto, or both, and to conduct sales of the Collateral, without any obligation to pay the Grantor for such use and occupancy;

(c) prepare and file, or cause an issuer of Pledged Collateral to prepare and file, with the Securities and Exchange Commission or any other applicable government agency, registration statements, a prospectus and such other documentation in connection with the Pledged Collateral as the Collateral Agent may request in writing, all in form and substance satisfactory to the Collateral Agent, and furnish to the Collateral Agent, or cause an issuer of Pledged Collateral to furnish to the Collateral Agent, any information regarding the Pledged Collateral in such detail as the Collateral Agent may specify;

(d) take, or cause an issuer of Pledged Collateral to take, any and all actions necessary to register or qualify the Pledged Collateral to enable the Collateral Agent to consummate a public sale or other disposition of the Pledged Collateral; and

(e) at its own expense, cause the independent certified public accountants then engaged by each Grantor to prepare and deliver to the Collateral Agent and each Secured Party, at any time, and from time to time, promptly upon the Collateral Agent's written request, the following reports with respect to the applicable Grantor: (i) a reconciliation of all Accounts; (ii) an aging of all Accounts; (iii) trial balances; and (iv) a test verification of such Accounts.

Section 5.4 Grant of Intellectual Property License. To the extent permitted under all applicable leases, licenses, agreements or arrangements related thereupon, for the purpose of enabling the Collateral Agent to exercise the rights and remedies under this Article V at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies consistent with the terms of this Security Agreement, each Grantor hereby (a) grants to the Collateral Agent, for the benefit of the Collateral Agent and the other Secured Parties, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to any Grantor) to use, license or sublicense any Intellectual Property rights now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, provided that (x) such license shall not be exercisable unless an Event of Default shall have occurred and be continuing and (y) such license and sublicense with respect to Trademarks shall be subject to the maintenance of quality standards with respect to the goods and services on which such Trademarks are used sufficient to preserve the validity and enforceability of such Trademarks and (b) irrevocably agrees that after the occurrence and during the continuance of an Event of Default, the Collateral Agent may sell any of such Grantor's Inventory directly to any Person, including without limitation Persons who have previously purchased the Grantor's Inventory from such Grantor and in connection with any such sale or other enforcement of the Collateral Agent's rights under this Security Agreement, may sell Inventory which bears any Trademark owned by or licensed to such Grantor and any Inventory that is covered by any Copyright owned by or licensed to such Grantor and the Collateral Agent may finish any work in process and affix any Trademark owned by or licensed to such Grantor and sell such Inventory as provided herein.

ARTICLE VI.
ACCOUNT VERIFICATION; ATTORNEY IN FACT; PROXY

Section 6.1 Account Verification. The Collateral Agent may at any time after the occurrence and during the continuation of an Event of Default, in the Collateral Agent's own name, in the name of a nominee of the Collateral Agent, or in the name of any Grantor, communicate (by mail, telephone, facsimile or otherwise) with the Account Debtors of any such Grantor, parties to contracts with any such Grantor and obligors in respect of Instruments of any such Grantor to verify with such Persons, to the Collateral Agent's reasonable satisfaction, the existence, amount, terms of, and any other matter relating to, Accounts, Instruments, Chattel Paper, payment intangibles and/or other Receivables.

Section 6.2 Authorization for Collateral Agent to Take Certain Action.

(a) Each Grantor irrevocably authorizes the Collateral Agent at any time after the occurrence and during the continuation of an Event of Default (other than clause (ii) below, which may be done irrespective of whether an Event of Default has occurred and is continuing) in the sole discretion of the Collateral Agent and appoints the Collateral Agent as its attorney-in-fact (i) to endorse and collect any cash proceeds of the Collateral, (ii) to file any financing statement with respect to the Collateral and to file any other financing statement or amendment of a financing statement (which does not add new collateral or add a debtor) in such offices as the Collateral Agent in its sole discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the Collateral Agent's security interest in the Collateral, (iii) in the case of any Material Intellectual Property owned by a Grantor, execute, deliver and have recorded any document that the Collateral Agent may request to evidence, effect, publicize or record the Collateral Agent's security interest in such Material Intellectual Property, (iv) to contact and enter into one or more agreements with securities intermediaries holding Pledged Collateral as may be necessary or advisable to give the Collateral Agent Control over such Pledged Collateral, (v) to discharge past due taxes, assessments, charges, fees or Liens on the Collateral (except for such Liens that are permitted under Section 4.11 of the Indenture), (vi) to contact Account Debtors for any reason, (vii) to demand payment or enforce payment of the Receivables in the name of the Collateral Agent or such Grantor and to endorse any and all checks, drafts, and other instruments for the payment of money relating to the Receivables, (viii) to sign such Grantor's name on any invoice or bill of lading relating to the Receivables, drafts against any Account Debtor of such Grantor, assignments and verifications of Receivables, (ix) to exercise all of such Grantor's rights and remedies with respect to the collection of the Receivables and any other Collateral, (x) to settle, adjust, compromise, extend or renew the Receivables, (xi) to settle, adjust or compromise any legal proceedings brought to collect Receivables, (xii) to prepare, file and sign such Grantor's name on a proof of claim in bankruptcy or similar document against any Account Debtor of such Grantor, (xiii) to prepare, file and sign such Grantor's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with the Receivables, (xiv) to change the address for delivery of mail addressed to such Grantor to such address as the Collateral Agent may designate and to receive, open and dispose of all mail addressed to such Grantor, and (xv) to do all other acts and things necessary to carry out this Security Agreement; and such Grantor agrees to reimburse the Collateral Agent on demand for any reasonable expense incurred by the Collateral Agent in connection with the foregoing clause (a); provided that, this authorization shall not relieve such Grantor of any of its obligations under this Security Agreement or under the Indenture.

(b) All acts of said attorney or designee are hereby ratified and approved. The powers conferred on the Collateral Agent, for the benefit of the Collateral Agent and Secured Parties, under this Section 6.2 are solely to protect the Collateral Agent's interests in the Collateral and shall not impose any duty upon the Collateral Agent or any other Secured Party to exercise any such powers. The Collateral Agent agrees that it shall not exercise any power or authority granted to it unless an Event of Default has occurred and is continuing.

Section 6.3 Proxy. EACH GRANTOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS THE COLLATERAL AGENT AS ITS PROXY AND ATTORNEY-IN-FACT (AS SET FORTH IN SECTION 6.2 ABOVE) OF THE GRANTOR WITH RESPECT TO ITS PLEDGED COLLATERAL, INCLUDING THE RIGHT TO VOTE SUCH PLEDGED COLLATERAL, WITH FULL POWER OF SUBSTITUTION TO DO SO. IN ADDITION TO THE RIGHT TO VOTE ANY SUCH PLEDGED COLLATERAL, THE APPOINTMENT OF THE COLLATERAL AGENT AS PROXY AND ATTORNEY-IN-FACT SHALL INCLUDE THE RIGHT TO EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES AND REMEDIES TO WHICH A HOLDER OF SUCH PLEDGED COLLATERAL WOULD BE ENTITLED (INCLUDING GIVING OR WITHHOLDING WRITTEN CONSENTS OF SHAREHOLDERS, CALLING SPECIAL MEETINGS OF SHAREHOLDERS AND VOTING AT SUCH MEETINGS). SUCH PROXY SHALL BE EFFECTIVE, AUTOMATICALLY AND WITHOUT THE NECESSITY OF ANY ACTION (INCLUDING ANY TRANSFER OF ANY SUCH PLEDGED COLLATERAL ON THE RECORD BOOKS OF THE ISSUER THEREOF) BY ANY PERSON (INCLUDING THE ISSUER OF SUCH PLEDGED COLLATERAL OR ANY OFFICER OR AGENT THEREOF), UPON THE OCCURRENCE AND DURING THE CONTINUATION OF AN EVENT OF DEFAULT.

Section 6.4 Nature of Appointment; Limitation of Duty. THE APPOINTMENT OF THE COLLATERAL AGENT AS PROXY AND ATTORNEY-IN-FACT IN THIS ARTICLE VI IS COUPLED WITH AN INTEREST AND SHALL BE IRREVOCABLE UNTIL THE DATE ON WHICH THIS SECURITY AGREEMENT IS TERMINATED IN ACCORDANCE WITH SECTION 7.13. NOTWITHSTANDING ANYTHING CONTAINED HEREIN, NONE OF THE COLLATERAL AGENT, ANY HOLDER, ANY OTHER SECURED PARTY, ANY OF THEIR RESPECTIVE AFFILIATES, OR ANY OF THEIR OR THEIR AFFILIATES' RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR REPRESENTATIVES SHALL HAVE ANY DUTY TO EXERCISE ANY RIGHT OR POWER GRANTED HEREUNDER OR OTHERWISE OR TO PRESERVE THE SAME AND SHALL NOT BE LIABLE FOR ANY FAILURE TO DO SO OR FOR ANY DELAY IN DOING SO, EXCEPT IN RESPECT OF DAMAGES ATTRIBUTABLE SOLELY TO ITS OWN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT AS FINALLY DETERMINED BY A COURT OF COMPETENT JURISDICTION; PROVIDED THAT, IN NO EVENT SHALL THEY BE LIABLE FOR ANY PUNITIVE, EXEMPLARY, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES.

ARTICLE VII. GENERAL PROVISIONS

Section 7.1 Waivers. Each Grantor hereby waives notice of the time and place of any public sale or the time after which any private sale or other disposition of all or any part of the Collateral may be made. To the extent such notice may not be waived under applicable law, any notice made shall be deemed reasonable if sent to Grantors, addressed as set forth in Exhibit A, at least ten (10) days prior to (i) the date of any such public sale or (ii) the time after which any such private sale or other disposition may be made. To the maximum extent permitted by applicable law, each Grantor waives all claims, damages, and demands against the Collateral Agent or any Secured Party arising out of the repossession, retention or sale of the Collateral, except such as arise solely out of the gross negligence or willful misconduct of the Collateral Agent or such Secured Party (or its successors, assigns or agents) as finally determined by a court of competent jurisdiction. To the extent it may lawfully do so, each Grantor absolutely and irrevocably waives and relinquishes the benefit and advantage of, and covenants not to assert against the Collateral Agent or any other Secured Party, any valuation, stay, appraisal, extension, moratorium, redemption or similar laws and any and all rights or defenses it may have as a surety now or hereafter existing which, but for this provision, might be applicable to the sale of any Collateral made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Security Agreement, or otherwise. Except as otherwise specifically provided herein, each Grantor hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral.

Section 7.2 Limitation on Collateral Agent's and Secured Parties' Duty with Respect to the Collateral. The Collateral Agent shall have no obligation to clean-up or otherwise prepare the Collateral for sale. The Collateral Agent and each other Secured Party shall use reasonable care with respect to the Collateral in its possession or under its control. Neither the Collateral Agent nor any other Secured Party shall have any other duty as to any Collateral in its possession or control or in the possession or control of any agent or nominee of the Collateral Agent or such other Secured Party, or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. To the extent that applicable law imposes duties on the Collateral Agent to exercise remedies in a commercially reasonable manner, each Grantor acknowledges and agrees that it is commercially reasonable for the Collateral Agent (i) to fail to incur expenses deemed significant by the Collateral Agent to prepare Collateral for disposition or otherwise to transform raw material or work in process into finished goods or other finished products for disposition, (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (iii) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral, (iv) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (vi) to contact other Persons, whether or not in the same business as such Grantor, for expressions of interest in acquiring all or any portion of such Collateral, (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature, (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (ix) to dispose of assets in wholesale rather than retail markets, (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure the Collateral Agent against risks of loss, collection or disposition of Collateral or to provide to the Collateral Agent a guaranteed return from the collection or disposition of Collateral, or (xii) to the extent deemed appropriate by the Collateral Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Collateral Agent in the collection or disposition of any of the Collateral. The Grantor acknowledges that the purpose of this Section 7.2 is to provide non-exhaustive indications of what actions or omissions by the Collateral Agent would be commercially reasonable in the Collateral Agent's exercise of remedies against the Collateral and that other actions or omissions by the Collateral Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 7.2. Without limitation upon the foregoing, nothing contained in this Section 7.2 shall be construed to grant any rights to the Grantor or to impose any duties on the Collateral Agent that would not have been granted or imposed by this Security Agreement or by applicable law in the absence of this Section 7.2.

Section 7.3 Compromises and Collection of Collateral. The Grantors and the Collateral Agent recognize that setoffs, counterclaims, defenses and other claims may be asserted by obligors with respect to certain of the Receivables, that certain of the Receivables may be or become uncollectible in whole or in part and that the expense and probability of success in litigating a disputed Receivable may exceed the amount that reasonably may be expected to be recovered with respect to a Receivable. In view of the foregoing, each Grantor agrees that the Collateral Agent may at any time and from time to time, if an Event of Default has occurred and is continuing, compromise with the obligor on any Receivable, accept in full payment of any Receivable such amount as the Collateral Agent in its sole discretion shall determine or abandon any Receivable, and any such action by the Collateral Agent shall be commercially reasonable so long as the Collateral Agent acts in good faith and without gross negligence or willful misconduct based on information known to it at the time it takes any such action.

Section 7.4 Secured Party Performance of Debtor Obligations. Without having any obligation to do so, during the continuation of an Event of Default, the Collateral Agent may (but shall not be obligated to), upon written notice to the Company, perform or pay any obligation which any Grantor has agreed to perform or pay in this Security Agreement but has failed to perform or pay within the time periods afforded in this Security Agreement, and the Grantors shall reimburse the Collateral Agent for any amounts paid by the Collateral Agent pursuant to this Section 7.4. The Grantors' obligation to reimburse the Collateral Agent pursuant to the preceding sentence shall be a Secured Obligation payable on demand.

Section 7.5 Specific Performance of Certain Covenants. Each Grantor acknowledges and agrees that a breach of any of the covenants contained in Sections 4.1(d), 4.1(e), 4.4, 4.5, 4.6, 4.7, 4.8, 4.9, 4.10, 4.12, 4.13, 5.3, or 7.7 will cause irreparable injury to the Collateral Agent and the other Secured Parties, that the Collateral Agent and the other Secured Parties have no adequate remedy at law in respect of such breaches and therefore agrees, without limiting the right of the Collateral Agent or the other Secured Parties to seek and obtain specific performance of other obligations of the Grantors contained in this Security Agreement, that the covenants of the Grantors contained in the Sections referred to in this Section 7.5 shall be specifically enforceable against the Grantors.

Section 7.6 Dispositions of Collateral. No Grantor is authorized to sell or otherwise dispose of the Collateral except as set forth in Section 4.1(d) or as otherwise permitted under the Indenture, and notwithstanding any course of dealing between any Grantor and the Collateral Agent or other conduct of the Collateral Agent, no authorization to sell or otherwise dispose of the Collateral (except as set forth in Section 4.1(d)) shall be binding upon the Collateral Agent or the other Secured Parties unless such authorization is in writing signed by the Collateral Agent with the consent or at the direction of the Required Noteholders.

Section 7.7 No Waiver; Amendments; Cumulative Remedies. No failure or delay by the Collateral Agent or any other Secured Party in exercising any right or power under this Security Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent and the other Secured Parties hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Security Agreement or consent to any departure by the Grantor therefrom shall in any event be effective unless in writing signed by the Collateral Agent with the concurrence or at the direction of the Required Noteholders required under Section 8.05 of the Indenture and then only to the extent specifically set forth in such writing; provided that this Security Agreement may be supplemented through amendments substantially in the forms of Exhibits H, I, and J hereto, in each case duly executed by the Grantor directly affected thereby and acknowledged and agreed to by the Collateral Agent.

Section 7.8 Limitation by Law; Severability of Provisions. All rights, remedies and powers provided in this Security Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Security Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they shall not render this Security Agreement invalid, unenforceable or not entitled to be recorded or registered, in whole or in part. Any provision in this Security Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction, and to this end the provisions of this Security Agreement are declared to be severable.

Section 7.9 Reinstatement. This Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof (including a payment effected through exercise of a right of setoff), is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise (including pursuant to any settlement entered into by a Secured Party in its discretion), all as though such payment or performance had not been made. In the event that any payment, or any part thereof (including a payment effected through exercise of a right of setoff), is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

Section 7.10 Benefit of Agreement. The terms and provisions of this Security Agreement shall be binding upon and inure to the benefit of the Grantors, the Collateral Agent and the other Secured Parties and their respective successors and permitted assigns (including all Persons who become bound as a debtor to this Security Agreement), except that no Grantor shall have the right to assign its rights or delegate its obligations under this Security Agreement or any interest herein, except as permitted by the Indenture or without the prior written consent of the Collateral Agent (acting at the direction of Required Noteholders). No sales of participations, assignments, transfers, or other dispositions of any agreement governing the Secured Obligations or any portion thereof or interest therein shall in any manner impair the Lien granted to the Collateral Agent, for the benefit of the Collateral Agent and the other Secured Parties, hereunder.

Section 7.11 Survival of Representations. All representations and warranties of the Grantors contained in Article III of this Security Agreement shall survive the execution and delivery of this Security Agreement.

Section 7.12 Headings. The title of and section headings in this Security Agreement are for convenience of reference only, and shall not govern the interpretation of any of the terms and provisions of this Security Agreement.

Section 7.13 Termination. (a) This Security Agreement shall continue in effect (notwithstanding the fact that from time to time there may be no Secured Obligations outstanding) until (i) the Indenture has terminated pursuant to its express terms and (ii) all of the Secured Obligations (other than contingent indemnification obligations as to which no claim has been made) have been paid and performed in full and no commitments of the Collateral Agent or the other Secured Parties which would give rise to any Secured Obligations are outstanding.

(b) A Grantor shall automatically be released from its obligations hereunder in accordance with Section 13.02 and Article 3, as applicable, of the Indenture.

(c) The security interest granted in favor of Collateral Agent hereby in any Collateral shall automatically be released and such Collateral shall be free and clear of the Lien and security interests created hereby (i) to the extent provided in Section 8.03 or 11.02 of the Indenture, as applicable or (ii) upon the effectiveness of any written consent to the release of such security interest granted hereby in such Collateral pursuant to Section 11.02 of the Indenture.

(d) Upon any termination or release pursuant to the preceding clauses (a), (b) or (c), the Collateral Agent shall, after receiving written documents required by Section 8.03 of the Indenture and at the Grantors' expense and written request, execute and deliver to Grantors or otherwise authorize the filing of such documents as Grantors shall reasonably request, including financing statement amendments to evidence such termination or release. Any execution and delivery by the Collateral Agent of documents in connection with any such release shall be without representation, recourse to or warranty by the Collateral Agent. The Collateral Agent shall promptly deliver to the applicable Grantor any Pledged Collateral in its possession upon written request by the issuer, holder or owner thereof in connection with any release of such Pledged Collateral in accordance with the foregoing provisions of this Section 7.13.

Section 7.14 Entire Agreement. This Security Agreement and the Indenture embody the entire agreement and understanding between the Grantors and the Collateral Agent relating to the Collateral and supersedes all prior agreements and understandings between the Grantors and the Collateral Agent relating to the Collateral.

Section 7.17 WAIVER OF JURY TRIAL. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS SECURITY AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 7.18 Indemnity. Each Grantor hereby agrees to indemnify the Collateral Agent and the other Secured Parties, and their respective successors, permitted assigns, agents and employees (each such Person being called an "Indemnitee"), from and against any and all losses, claims, damages, liabilities and reasonable documented and invoiced out-of-pocket related expenses, including the reasonable documented and invoiced fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of the execution or delivery of this Security Agreement or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the transactions contemplated by this Security Agreements, in each case except (x) such as arise from the gross negligence or willful misconduct of such Indemnitee as finally determined by a court of competent jurisdiction.

Re: Partial Prepayment of Convertible Debenture and Other Agreements

Dear Sirs:

Reference is made to each of the: (a) Purchase Agreement (the "Purchase Agreement"), dated as of March 6, 2026, by and between YA II PN, LTD, a Cayman Islands exempt limited company (the "Investor"), and SunPower Inc., a Delaware corporation (the "Company"); and (b) Convertible Debenture issued by the Company to the Investor on March 6, 2026 and in the original principal amount of \$10,000,000 (the "Debenture"). The Company and the Investor may be referred to herein individually as a "Party" and collectively as the "Parties". Capitalized terms used in this letter but not defined herein have the meanings given to them in the Purchase Agreement.

For good and valuable consideration, the Parties agree as follows:

1. Voluntary Partial Prepayment of Principal Amount of Debenture. The Investor hereby consents to the voluntary prepayment by the Company on the date hereof of \$5,000,000.00 principal amount of the Debenture (the "Prepayment Amount"), without penalty, premium or other charge; and the Company hereby agrees to pay the Prepayment Amount to the Investor, by wire transfer of immediately available funds on the date hereof to an account designated by the Investor. As a result of such payment of the Prepayment Amount, the Parties confirm and agree that the outstanding principal amount of the Debenture, immediately following the Company's payment of the Prepayment Amount, is \$5,000,000.00.

2. Amendment to Repayment Schedule. Subject to the receipt of the Prepayment Amount, the Parties hereby agree that the repayment schedule attached as Exhibit II to the Debenture is hereby amended and restated in its entirety by the repayment schedule attached to this letter as Exhibit A.

3. Consent to Convertible Senior Secured Notes Financing. Subject to the receipt of the Prepayment Amount and the continued effectiveness of this letter, the Investor hereby consents to the Company's sale and issuance (such sale and issuance, the "Financing") of up to \$41,000,000 principal amount of 10.00% Convertible Senior Secured Notes due 2029 (the "10.00% Notes") on substantially the terms set forth in the form of indenture for the 10.00% Notes attached hereto as Exhibit B (the "Indenture"), provided that the Financing is consummated on or before April 20, 2026. As a result of this consent, the 10.00% Notes issued in the Financing will constitute "Permitted Indebtedness" and the liens to be granted to the collateral agent as contemplated by the Indenture shall constitute "Permitted Liens" for all purposes under the Purchase Agreement, the Debenture, the SEPA and the Note. As soon as possible after the closing of the Financing, the Company shall publicly disclose all material, nonpublic information concerning (i) the Financing and (ii) provided to the Investor by the Company or any of its respective officers, directors, employees or agents in connection with the transactions contemplated hereby.

4. Stockholder Approval. The Investor and the Company hereby agree that Section 7.14 of the Purchase Agreement is amended as follows: (a) the time period set forth in the first sentence of Section 7.14 shall be 150 calendar days from the date of the Purchase Agreement; and (b) in lieu of obtaining the stockholder approval required by Section 7.14 at a Special Meeting, the Company may obtain such approval at its annual meeting of stockholders (so long as such annual meeting is held within 150 days of the date of the Purchase Agreement).

5. Termination. This letter shall terminate in all respects and have no force and effect if the Prepayment Amount is not received on or before April 24, 2026.

6. No Other Amendments. Except as expressly set forth in this letter, the other terms of the Purchase Agreement, Debenture, SEPA, Promissory Note and other Transaction Documents remain in full force and effect. The consent provided under section 3 of this letter shall not constitute a consent or waiver or other amendment by the Investor of any other term or provision of any of the Purchase Agreement, Debenture, SEPA, Promissory Note or any other Transaction Documents except as expressly set forth herein. For the avoidance of doubt, payment of the Prepayment Amount pursuant to section 1 letter applies only to the Debenture, and the full principal amount of the Promissory Note issued pursuant to the SEPA remains outstanding as of the date of this letter.

7. Choice of Law. This letter, and any and all claims, proceedings or causes of action relating to this letter or arising from this letter or the transactions contemplated herein, including, without limitation, tort claims, statutory claims and contract claims, shall be interpreted, construed, governed and enforced under and solely in accordance with the substantive and procedural laws of the State of New York, in each case as in effect from time to time and as the same may be amended from time to time, and as applied to agreements performed wholly within the State of New York. The Parties further agree that any action between them shall be heard in New York County, New York, and expressly consent to the jurisdiction and venue of the Supreme Court of New York, sitting in New York County, New York and the United States District Court of the Southern District of New York, sitting in New York, New York, for the adjudication of any civil action asserted pursuant to this letter.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS LETTER OR THE TRANSACTIONS CONTEMPLATED HEREIN, THE PERFORMANCE THEREOF OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HERETO HAVE BEEN INDUCED TO ENTER INTO THIS LETTER BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS PARAGRAPH.

8. Counterparts. This letter may be executed in identical counterparts, both which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party. EXCHANGE AGREEMENT

This Exchange Agreement (the “**Agreement**”) is entered into as of April 21, 2026 (the “**Effective Date**”) by and between SunPower Inc., a Delaware corporation (the “**Company**”), and the holder party hereto (the “**Holder**”).

RECITALS

A. The Holder is the beneficial and record owner of the aggregate principal amount of 7.0% Convertible Senior Notes due 2029 of the Company (the “**7.0% Notes**”) set forth on **Schedule A** (the “**Exchanged Notes**”).

B. Subject to the terms and conditions of this Agreement, the Holder and the Company wish to exchange the Exchanged Notes for shares of the common stock of the Company, par value \$0.0001 per share (the “**Common Stock**”). Such exchange of the Exchanged Notes pursuant hereto is referred to as the “**Exchange**.”

C. The transactions under this Agreement have been privately and separately negotiated and agreed to between the Holder and the Company, and the agreements set forth herein are not contingent or conditioned upon any other transactions and are subject only to the satisfaction of the express conditions set forth in this Agreement.

D. The Exchange is being made in reliance upon the exemptions from registration provided by Section 3(a)(9) and Section 4(a)(2) of the Securities Act of 1933, as amended (the “**Securities Act**”).

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants hereinafter contained, the parties hereto agree as follows:

1. **Exchange.** Subject to the terms and conditions set forth in this Agreement, at the Closing the Holder will assign, transfer and deliver to the Company all of its right, title and interest in and to the Exchanged Notes set forth on **Schedule A** free and clear of any mortgage, lien, pledge, charge, security interest, encumbrance, title retention agreement, option, equity or other adverse claim thereto (collectively, “**Liens**”), against issuance, delivery and payment to such Holder, which shall be in full satisfaction of all obligations of the Company under the Exchanged Notes of (i) the number of shares of Common Stock set forth on **Schedule A** (the “**Exchange Shares**”) and (ii) the cash payment set forth on **Schedule A** comprising the accrued but unpaid interest on the Exchanged Notes as of the Closing Date (the “**Interest Payment**”).

2. **Closing and Closing Deliveries; Extinguishment of the Exchanged Notes.**

2.1 **Closing and Closing Deliverables.** The closing of the Exchange (the “**Closing**”) shall take place at the offices of Arnold & Porter Kaye Scholer LLP, New York, New York, at 10:00 a.m., local time, on the date that is two Business Days (as defined in the Indenture) following the Effective Date, subject to the satisfaction or waiver of the conditions in Section 2.3, or such other date and/or location as the Holder and the Company may mutually agree. At the Closing:

(a) the Company shall: (i) deliver to the Holder written evidence of the issuance by the Company of the number of Exchange Shares set forth on **Schedule A** via book-entry delivery in accordance with the instructions received from the Holder; and (ii) pay to the Holder, by wire transfer of immediately available funds to such account as specified by the Holder, the Interest Payment in the amount set forth on **Schedule A**, without deduction or withholding of any amounts therefrom on account of taxes or otherwise; and

(b) (i) for any 7.0% Notes beneficially owned through a global note, the Holder shall effect by book entry, in accordance with the applicable procedures of The Depository Trust Company (“**DTC**”) and the instructions received from the Company, and (ii) for any 7.0% Notes held directly as physical notes, the holder shall effect, in accordance with the instructions received from the Company, the delivery to the Company (or its trustee or designee) of all of the Exchanged Notes set forth opposite the Holder’s name on **Schedule A** attached hereto and all other documents and instruments reasonably requested by the Company to effect the transfer of the Exchanged Notes to the Company and confirm in the Company all right, title and interest in and to the Exchanged Notes free and clear of any Liens.

2.2 **Extinguishment of the Exchanged Notes.** Upon the consummation of the Exchange, the Company will tender the Exchanged Notes to U.S. Bank Trust Company, National Association (the “**Trustee**”), under the Indenture relating to the 7.0% Notes dated as of September 16, 2024, between the Company and the Trustee (the “**Indenture**”), for cancellation, and the Exchanged Notes surrendered hereunder shall be cancelled and shall be null and void, and any and all rights arising thereunder shall be extinguished and the Company shall no longer be required to reserve any shares of Common Stock for issuance upon conversion of the Exchanged Notes.

2.3 **Closing Conditions.** The obligations of the Holder and the Company under this Agreement are subject to the satisfaction at or prior to the Closing of the following conditions precedent: (a) the representations and warranties of the Company contained in Section 3 (with respect to the Holder) and of the Holder contained in Section 4 (with respect to the Company) shall be true and correct as of the Closing in all respects with the same effect as though such representations and warranties had been made as of the Closing and (b) no provision of any applicable law or any judgment, ruling, order, writ, injunction, award or decree of any governmental authority shall be in effect prohibiting or making illegal the consummation of the transactions contemplated by this Agreement.

3. **Company Covenants, Representations and Warranties.** The Company hereby covenants as follows and makes the following representations and warranties, each of which is and shall be true and correct on the date hereof and at the Closing, to the Holder, and all such covenants, representations and warranties shall survive the Closing in accordance with Section 6.11.

3.1 **Organization and Qualification.** The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. The Company has the requisite corporate power to own and operate its properties and assets and to carry on its business as now conducted and as proposed to be conducted. The Company is duly qualified and is authorized to do business and is in good standing as a foreign corporation in all jurisdictions in which the nature of its activities and of its properties (both owned and leased) makes such qualification necessary, except for those jurisdictions in which failure to do so would not reasonably be expected to have a material adverse effect on the Company or the business of the Company and its subsidiaries (a “**Material Adverse Effect**”).

3.2 Authorization; Binding Obligations. The Company has all requisite corporate power to execute and deliver this Agreement and to perform its obligations hereunder, including the consummation of the Exchange in accordance with the terms of this Agreement. The execution, delivery and performance of this Agreement by the Company have been duly authorized by all necessary corporate action by the Company and its Board of Directors, and no further filing, consent or authorization is required by the Company, the Company's Board of Directors or its stockholders. This Agreement has been (or upon delivery will have been) duly executed and delivered by the Company, and constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting creditors' rights and remedies generally.

3.3 Compliance with Other Instruments. The Company is not in, and the execution, delivery and performance of this Agreement by the Company will not result in, any violation of, conflict with or constitute, with or without the passage of time or giving of notice, a default under any term of (a) its certificate of incorporation or bylaws, all as amended and as currently in effect, (b) any provision of any mortgage, indenture or contract to which it is a party and by which it, any of its subsidiaries or any of their respective assets is bound or (c) any statute, rule, regulation, judgment, decree, order or writ, other than, in the case of clauses (b) and (c), such violations, conflicts or defaults as would not reasonably be expected to have a Material Adverse Effect. The execution, delivery and performance of this Agreement by the Company will not result in the creation of any Lien upon any assets of the Company or its subsidiaries, or the suspension, revocation, impairment, forfeiture, or nonrenewal of any material permit, license, authorization or approval applicable to the Company, or the business, operations, assets or properties of the Company or its subsidiaries. Without limiting the foregoing, the Company has obtained all waivers reasonably necessary with respect to any preemptive rights, rights of first refusal or similar rights, including any notice or offering periods provided for as part of any such rights, in order for the Company to consummate the transactions contemplated under this Agreement without any third party obtaining any rights to cause the Company to offer or issue any securities of the Company as a result of the consummation of the transactions contemplated hereunder.

3.4 Securities Law Exemption. Assuming the accuracy of the representations and warranties of the Holder contained in this Agreement, the offer and issuance by the Company of the Exchange Shares pursuant to this Agreement are exempt from registration under Section 3(a)(9) and Section 4(a)(2) of the Securities Act and are exempt from registration and qualification under the registration, permit, or qualification requirements of all applicable state securities laws.

3.5 Filings, Consents and Approvals. All consents, approvals, orders, or authorizations of, or registrations, qualifications, designations, declarations, or filings with, any governmental authority or self-regulatory organization required on the part of the Company in connection with the execution, delivery and performance of this Agreement and the issuance of the Exchange Shares have been obtained or made. No shareholder approval is required pursuant to the rules of the Nasdaq Stock Market in connection with the execution, delivery or performance of this Agreement, the issuance of the Exchange Shares or the completion of the Exchange.

3.6 Issuance of Exchange Shares. The Exchange Shares have been duly authorized by the Company and upon the issuance of the Exchange Shares in accordance with the terms of this Agreement, the Exchange Shares will be validly issued, fully paid and non-assessable and free from all Liens with respect to the issuance thereof and shall not be subject to any preemptive, participation, rights of first refusal and similar rights. At the Closing, the Exchange Shares shall be delivered in book-entry form by the Company's transfer agent with the restrictive legend in the form attached as Exhibit A. The Company acknowledges and agrees that (a) the holding period of the Exchange Shares for purposes of Rule 144 promulgated under the Securities Act ("Rule 144") may be tacked on to the holding period of the exchanged 7.00% Notes in the Exchange and (b) it will not take any position to the contrary. The Company has filed and submitted all reports, exhibits and files set forth in Rule 144(c)(1) promulgated under the Securities Act.

3.7 No Integration. None of the Company, any of its affiliates (as defined in Rule 501(b) under the Securities Act), or any person acting on behalf of the Company or such affiliate will sell, offer for sale, or solicit offers to buy or otherwise negotiate in respect of any security (as defined in the Securities Act) which will be integrated with the sale of the Securities in a manner which would require the registration of the offer and sale of the Exchange Shares in the Exchange under the Securities Act or require shareholder approval under the rules and regulations of the Nasdaq Stock Market, and the Company will take all action that is appropriate or necessary to assure that its offerings of other securities will not be integrated for purposes of the Securities Act or the rules and regulations of the Nasdaq Stock Market with the Exchange.

3.8 Public Filings. From January 1, 2025 to the date of this Agreement, the Company has filed all reports, schedules, forms, proxy statements, statements and other documents required to be filed by it with the Securities and Exchange Commission (the “SEC”) pursuant to the reporting requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”, and all of the foregoing filed prior to the date hereof and all exhibits and appendices included therein and financial statements, notes and schedules thereto and documents incorporated by reference therein being hereinafter referred to as the “SEC Documents”). As of their respective dates, the SEC Documents complied in all material respects with the requirements of the Exchange Act and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents, and none of the SEC Documents, at the time they were filed with the SEC, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of their respective dates, the financial statements of the Company included in the SEC Documents complied in all material respects with applicable accounting requirements of Regulations S-X and have been prepared in accordance with generally accepted accounting principles, consistently applied, during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements), and fairly present in all material respects the financial position of the Company as of the dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). As of the date of this Agreement, the Company is not in possession of any material non-public information other (a) than the terms of the transactions contemplated by this Agreement, any Additional Holder Agreements (as defined below), the Note Purchase Agreement (as defined below) and any note purchase agreements analogous to the Note Purchase Agreement that the Company has executed with other persons and (b) such material non-public information required to be disclosed pursuant to Section 3.9.

3.9 Securities Law Disclosure; Publicity. No later than 9:00 a.m. (New York City time) on the trading day immediately following the date of this Agreement (such date and time, the “Release Time”), the Company shall publicly disclose, via press release or Current Report on Form 8-K filed with the SEC, all material non-public information that was delivered to the Holder by the Company, its advisors or any person acting on behalf of the Company in connection with the transactions contemplated by this Agreement or that certain Note Purchase Agreement, dated as of the date hereof (the “Note Purchase Agreement”), between the Company and the Holder. After the Release Time, the Holder will not be under any contractual obligation to the Company to refrain from (a) disclosing the fact or the terms of the transactions contemplated by this Agreement or the Note Purchase Agreement or any other material non-public information required to be disclosed pursuant to this Section 3.9 or (b) using or trading on such information. The Company understands and acknowledges that the Holder and persons acting on its behalf will rely on the representations, warranties and covenants in this Section 3.9 in effecting transactions in the securities of the Company and of other persons. Without the prior written consent of the Holder (unless such disclosure is required by applicable law, rule, regulation or legal process based on advice of counsel), the Company shall not disclose (i) the name of the Holder in any filing or announcement or (ii) any information regarding the Holder’s holdings of securities of the Company or transactions in any securities of the Company at one of its prime brokers to any of the Holder’s other prime brokers or to any other person (other than the Company’s counsel, agents or representatives).

3.10 Legend Removal. If the Holder transfers any Exchange Shares pursuant to an effective registration statement or in compliance with Rule 144 and delivers to the Company a written request, which request, in the case of a transfer pursuant to Rule 144, certifies that the Holder is not, and has not been at any time during the preceding three months, an affiliate (as defined in Rule 144 under the Securities Act) of the Company, the Company shall (a) cause all restrictive legends associated with such Exchange Shares to be removed, and use its commercially reasonable efforts to cause such removal within two trading days of such request, and (b) use its commercially reasonable efforts to cause the transfer agent for the Exchange Shares to transfer such Exchange Shares to the Holder's prime brokerage account without the requirement that the Holder deliver any ink-original or medallion stamped transfer or other forms.

3.11 Most Favored Nation. Prior to, concurrently with or following the execution of this Agreement, the Company may enter into one or more separate agreements with other beneficial owners of 7.0% Notes (the "**Additional Holders**") for the exchange of additional 7.0% Notes for shares of Common Stock (the "**Additional Holder Agreements**"). In the event that the Company enters into one or more Additional Holder Agreements, the Company covenants, represents and warrants that the number of shares of Common Stock issued by the Company per \$1,000 principal amount of 7.0% Notes exchanged by any such Additional Holder pursuant to the applicable Additional Holder Agreement is not and will not be greater than the number of Exchange Shares issued by the Company per \$1,000 principal amount of Exchanged Notes pursuant to this Agreement.

4. **Holder's Representations and Warranties**. The Holder hereby makes the following representations and warranties, each of which is and shall be true and correct on the date hereof and at the Closing, to the Company, and all such representations and warranties shall survive the Closing in accordance with Section 6.11:

4.1 Organization. The Holder is duly organized, validly existing and (where applicable) in good standing under the laws of the jurisdiction of its organization and has all requisite power and authority to carry on its business as now conducted in all material respects and to own its material properties.

4.2 Authorization; Binding Obligations. The Holder has the requisite right, power and authority to enter into this Agreement and to consummate the transactions in accordance with the terms of this Agreement. The execution and delivery of this Agreement by the Holder and the consummation by the Holder of the Exchange have been duly authorized by all necessary action by the Holder, and no further filing, consent or authorization is required by the Holder, its board of directors, board of managers (or similar governing board) or its equity holders. This Agreement has been (or upon delivery will have been) duly executed and delivered by the Holder, and it constitutes the legal, valid and binding obligation of the Holder, enforceable against the Holder in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting creditors' rights and remedies generally.

4.3 No Conflicts. The execution, delivery and performance of this Agreement by the Holder and the consummation by the Holder of the Exchange will not conflict with or result in a breach or violation of any of the terms and provisions of, or constitute a default under (a) the Holder's Certificate of Incorporation or the Holder's Bylaws (or other governing documents), all as amended and in effect on the date hereof, (b) any statute, rule, regulation or order of any governmental agency or body or any court, domestic or foreign, having jurisdiction over the Holder or any of its respective assets or properties, or (c) any agreement or instrument to which the Holder is a party or by which the Holder is bound or to which any of their respective assets or properties is subject, except, in the case of clause (b) or (c) above, for any such conflict, breach, violation or default that would not reasonably be expected to have a material adverse effect on the authority or the ability of the Holder to perform its obligations under this Agreement.

4.4 Filings, Consents and Approvals. The Holder is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other person in connection with the execution, delivery and performance by the Holder of this Agreement, other than filings that have been made, or will be made, or consents that have been obtained, or will be obtained by the Holder, on or prior to the Closing and filings and consents the absence of which would not reasonably be expected to have a material adverse effect on the authority or the ability of the Holder to perform its obligations under this Agreement.

4.5 Beneficial Owner and Title. The Holder is the legal and beneficial owner of the Exchanged Notes; the Holder has good and marketable title to the Exchanged Notes, free and clear of any Liens (other than Liens in connection with prime brokerage relationships, which will be released at or before the Closing); and at the Closing, the Holder will convey to the Company good and marketable title to the Exchanged Notes surrendered by the Holder in their entirety in connection with the Exchange, free and clear of any Liens.

4.6 Securities Representations.

(a) The Holder is not, and has not been for a preceding three months, an affiliate (as defined in Rule 144 under the Securities Act) of the Company. To its knowledge, the Holder did not acquire any of the Exchanged Notes, directly or indirectly, from an affiliate of the Company.

(b) The Holder is a "qualified institutional buyer" as defined in Rule 144A under the Securities Act with such knowledge and experience in financial and business matters as are necessary in order to evaluate the merits and risks of the Exchange. The Holder is able to bear the economic risk of an investment in the Exchange Shares and, at the present time, is able to afford a complete loss of its investment.

(c) The Holder is acquiring the Exchange Shares for its own account for investment without a view towards distribution thereof. The Holder has not engaged in any illegal actions in connection with the Exchange, including any violation of applicable securities laws governing confidential information. The Holder agrees not to reoffer or resell the Exchange Shares except pursuant to an exemption from registration under the Act or pursuant to an effective registration statement thereunder.

4.7 Reliance on Exemptions. The Holder understands that the Exchange Shares are being offered in the Exchange in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and the Holder's compliance with, the representations, warranties, agreements, acknowledgments and understandings of the Holder set forth herein in order to determine the availability of such exemptions and the eligibility of the Holder to acquire the Exchange Shares.

4.8 Disclosure of Information; Consultation with Counsel and Advisors. The Holder has access to (including through the EDGAR system) and has had an opportunity to review the Annual Reports, Quarterly Reports, Current Reports, Proxy Statements and other filings and submissions made by the Company with the SEC, including the "Risk Factors" contained therein. The Holder acknowledges, confirms and agrees that: (a) the Holder is a sophisticated institutional investor that is willing and able to conduct, and has conducted, a thorough investigation of the Exchange Shares, the Company and the business and financial position of the Company and its Subsidiaries (the "Company Business"), (b) no prospectus, offering document or other disclosure document has been or will be prepared in connection with the Exchange and the transactions under this Agreement, (c) the Holder has or has requested access to (including through the EDGAR system), and has had sufficient opportunity to evaluate, all information and documentation that it believes is necessary or appropriate in connection with its decision to enter into this Agreement and to participate in the Exchange, including such information with respect to the Company and the Company Business, (d) neither the Company nor its representatives or advisors are responsible for any due diligence investigation on the Holder's behalf, the advisability of the Exchange or any information or document delivered in connection with this Agreement (including, without limitation, with respect to the Company Business) other than the SEC Documents, (e) the Holder is not relying upon any representations, expressed or implied, with respect to the transactions contemplated by this Agreement, including the Exchange, except those expressly set forth in Section 3 of this Agreement, (f) the Holder has consulted its own independent advisors with regard to, without limitation, the legal, regulatory, tax, business, investment, financial, accounting, currency and other economic considerations related to the Exchange and the risks associated with an investment in the Exchange Shares (including, without limitation, with respect to the Company Business), (g) the Holder has made its own investment, hedging and trading decisions based upon its own judgment and upon advice from its own independent advisors and not upon any view expressed by the other person, and (h) the Holder is acquiring the Exchange Shares with a full understanding of the terms, conditions and risks thereof including, but not limited to, counterparty risk, country risk, price risk and liquidity risk, and the Holder is capable of and willing to assume those risks. The Holder further represents that it is acting as principal in the Exchange of the Exchanged Notes. The Holder has been represented by such legal and tax counsel and other counsel and advisors selected by the Holder as the Holder has found necessary to consult concerning this transaction, to review and evaluate the tax, economic and other ramifications of the Exchange, including, without limitation, whether the Exchange will result in any adverse tax consequences to the Holder.

4.9 Proceedings. The Holder knows of no proceedings relating to the Exchanged Notes that are pending or threatened before any court, arbitrator or administrative or governmental body that would adversely affect the completion of the Exchange.

4.10 Tax Consequences. The Holder acknowledges that the Exchange may involve tax consequences to the Holder, and that the contents of this Agreement do not constitute tax advice. The Holder acknowledges that it has not relied on and will not rely upon the Company with respect to any tax consequences related to the Exchange. The Holder assumes full responsibility for all such consequences and for the preparation and filing of any tax returns and elections which may or must be filed in connection with its beneficial ownership of the Exchanged Notes or the Exchange.

4.11 Full Satisfaction of Obligations. The Holder acknowledges that upon the full issuance of the Exchange Shares and payment of the Interest Payment, the obligations of the Company to the Holder under the Exchanged Notes shall have been satisfied in full.

5. Registration Rights.

5.1 The Company agrees that, on or before May 15, 2026 (the “**Filing Date**”), the Company will file with the SEC, at the Company’s sole cost and expense, a registration statement for a shelf registration on Form S-1 (or Form S-3, if the Company is eligible to use Form S-3) (in either case, the “**Registration Statement**”), registering the resale of the Exchange Shares held by the Holder as of two Business Days prior to such filing (such shares of Common Stock issuable upon the conversion of such Notes, the “**Registrable Securities**”), and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the 10th Business Day after the date the Company is notified (orally or in writing, whichever is earlier) by the SEC that the Registration Statement will not be “reviewed” or will not be subject to further review (the “**Effectiveness Date**”); *provided, however*, that the Company’s obligations to include the Registrable Securities in the Registration Statement are contingent upon the Holder furnishing a completed and executed selling securityholder questionnaire in customary form to the Company that contains the information required by SEC rules for a Registration Statement regarding the Holder, the securities of the Company held by the Holder and the intended method of disposition of the Registrable Securities (which shall be limited to non-underwritten public offerings) to effect the registration of the Registrable Securities, and the Holder shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling securityholder in similar situations. For purposes of clarification, any failure by the Company to file the Registration Statement by the Filing Date or to effect such Registration Statement by the Effectiveness Date shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this section. Notwithstanding the foregoing, if the SEC prevents the Company from including any or all of the shares of Common Stock proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Common Stock by the applicable securityholder or otherwise, such Registration Statement shall register for resale such number of shares of Common Stock which is equal to the maximum number of shares of Common Stock as is permitted by the SEC. In such event, the number of shares of Common Stock to be registered for each selling securityholder named in the Registration Statement shall be reduced pro rata among all such selling securityholders. Unless required under applicable laws and SEC rules, in no event shall the Holder be identified as a statutory underwriter in the Registration Statement; *provided*, that if the Holder is required to be so identified as a statutory underwriter in the Registration Statement, the Holder will have an opportunity to withdraw its Registrable Securities from the Registration Statement.

5.2 The Company shall use its commercially reasonable efforts to keep such registration, and any qualification, exemption or compliance under state securities laws which the Company determines to obtain, continuously effective with respect to the Holder, and to keep the applicable Registration Statement or any subsequent shelf registration statement free of any material misstatements or omissions, until the earlier of the following: (i) the Holder ceases to hold any Registrable Securities and (ii) the date all Registrable Securities held by the Holder may be sold without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions which may be applicable to affiliates under Rule 144 and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable).

5.3 Notwithstanding anything herein to the contrary, the Company may suspend the use of any prospectus (a “**Prospectus**”) included in any Registration Statement contemplated by this Section in the event that the Company’s Board of Directors determines in good faith that such suspension is necessary to (A) delay the disclosure of material non-public information concerning the Company, the disclosure of which at the time is not, in the good faith opinion of the Company’s Board of Directors, in the best interests of the Company or (B) amend or supplement the affected Registration Statement or the related Prospectus so that such Registration Statement or Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the case of the Prospectus in light of the circumstances under which they were made, not misleading (an “**Allowed Registration Delay**”); *provided*, that the Company shall promptly (a) notify the Holder in writing of the commencement of and the reasons for an Allowed Registration Delay, but shall not (without the prior written consent of the Holder) disclose to the Holder any material non-public information giving rise to an Allowed Registration Delay, (b) advise the Holder in writing to cease all sales under the Registration Statement until the end of the Allowed Registration Delay and (c) use commercially reasonable efforts to terminate an Allowed Registration Delay as promptly as practicable.

5.4 If the Company does not file a Registration Statement with the SEC covering the Registrable Securities on or prior to the Filing Date (other than as a result of an Allowed Registration Delay), the Company will make up to two payments to the Purchaser, as liquidated damages and not as a penalty, in an amount equal to 1.0% of the product of (a) the number of Exchange Shares that may not be sold without restriction under Rule 144 multiplied by (b) \$1.13 per share, for each 30-day period or pro rata for any portion thereof following the Filing Date for which no Registration Statement is filed with respect to the Registrable Securities. Such payments shall constitute the Purchaser's exclusive monetary remedy for the Company's breach of Section 5.1 (a) only, but shall not affect the right of the Purchaser to seek injunctive relief. Such payments shall be made to the Purchaser in cash no later than 10 Business Days after the end of each 30-day period referred to above.

6. Miscellaneous Provisions.

6.1 Fees and Expenses. Each party hereto shall pay its own costs and expenses in connection with this Agreement and the Exchange, including all fees and expenses of legal counsel, accountants, financial advisors, agents and representatives.

6.2 Entire Agreement. OREM, Utah (April 21, 2026) – SunPower Inc. (“SunPower,” the “Company,” or Nasdaq: “SPWR”) a solar technology, services, and installation company, announced it has raised \$41.0 million in Convertible Senior Secured Notes (the “convertible debenture”).

We have signed contracts with investors for \$41 million of convertible debentures, which will close this week. The terms include: 1) non-callable until maturity on May 1, 2029, 2) a 10% coupon, and 3) a 45% conversion premium to market closing price (\$1.13), which leads to 25,022,887 shares issuable at the conversion price of \$1.6385. The proceeds will be used for working cash and to directly pay off \$18.75 million in debt. In addition, other investors have agreed to exchange their 7.0% notes for stock, which amounts to another \$21.25 million of cancelled debt. Finally, the former owners of Sunder converted \$10 million of their M&A debt into the new convertible debenture, bringing the total debt reduction to \$40 million.

Rodgers concluded, “I continue to believe in the startup-like potential of this company, and, as with each prior SunPower fund raise, I invested \$6 million personally into this deal. Sunder’s management team, which now runs four SunPower sales groups, also invested \$10 million by cancelling a portion of our acquisition debt with them.

I would like to express my deepest appreciation to our investors for their continued support.”

The convertible debentures to be sold in the offering were only offered to persons reasonably believed to either be qualified institutional buyers or accredited investors under the Securities Act. The convertible debentures, any shares of SunPower’s common stock potentially issuable upon conversion of the convertible debentures, and the exchange shares have not been and will not be registered under the Securities Act, any state securities laws or the securities laws of any other jurisdiction, and unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws.

This press release is neither an offer to sell nor a solicitation of an offer to buy any of these securities nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to the registration or qualification thereof under the securities laws of any such state or jurisdiction.

Convertible Debenture Investor Update

T.J. Rodgers, CEO, April 22, 2026

Forward Looking Statements

This presentation contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements generally relate to future events, and, you can identify forward-looking statements because they contain words such as "will," "goal," "prioritize," "plan," "target," "expect," "expected to," "focus," "forecast," "look forward," "opportunity," "believe," "estimate," "continue," "anticipate," "could," "forecast," and "pursue" or the negative of these terms or similar expressions. Forward-looking statements in this presentation include, without limitation, all of the financial projections in this presentation including revenue and non-GAAP operating income projections, SunPower's revenue plan, the cash and funding investor plan, projected future cash balances, SunPower's Q2 cash burn forecast, statements relating to SunPower's expectations regarding its revenue plan, projected future revenues and non-GAAP operating income projections, SunPower's cash burn, cash model through Q4'28, anticipated cash usage and funding forecasts and anticipated maintenance of minimum cash amounts, SunPower's anticipated backlog, forecasted interest payments and debt costs, and SunPower's expected uses of proceeds from the sale and issuance of the 10% convertible senior secured notes. Actual results could differ materially from these forward-looking statements as a result of certain risks and uncertainties. For additional information on these risks and uncertainties and other potential factors that could affect our business and financial results, impact the anticipated benefits of completed or future acquisitions, or cause actual results to differ from the results predicted, readers should carefully consider the foregoing factors and the other risks and uncertainties described in the "Risk Factors" section of our annual report on Form 10-K filed with the Securities and Exchange Commission ("SEC"), our quarterly reports on Form 10-Q filed with the SEC, and other documents that we have filed with, or will file with, the SEC. Such filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements in this presentation speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and SunPower assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise.

Non-GAAP Financial Measures

In addition to providing financial measurements based on generally accepted accounting principles in the United States of America ("GAAP"), SunPower provides additional financial metrics in this presentation that are not prepared in accordance with GAAP ("non-GAAP"). Management believes the non-GAAP financial measures in this presentation, in addition to GAAP financial measures, are useful measures of operating performance because the non-GAAP financial measures do not include the impact of items that management does not consider indicative of SunPower's operating performance, such as amortization of goodwill and expensing employee stock options in addition to accounting for their dilutive effect, which facilitates the analysis of SunPower's core operating results across reporting periods. The non-GAAP financial measures do not replace the presentation of SunPower's GAAP financial results and should only be used as a supplement to, not as a substitute for, SunPower's financial results presented in accordance with GAAP. Descriptions of and reconciliations of the non-GAAP financial measures used in this presentation. We encourage investors to carefully consider our GAAP results, as well as our non-GAAP information and the reconciliations between these presentations, to more fully understand our business. Non-GAAP financial measures are reported in addition to, and not as a substitute for, or superior to, financial measures calculated in accordance with GAAP.

³ Non-GAAP results based on the 10K results compared to results from prior Q1'25-Q4'25 unaudited reports ["prior reports"]. ⁴ Audit-adjusted revenue is \$8,757 lower than the sum of prior reports due to correction of double bookings in a legacy IT system.

⁵ GAAP operating income is \$34,258 lower than non-GAAP operating income due to non-cash events: \$10,488 in stock-based compensation, \$9,126 in amortization of intangibles (e.g., depreciation of the book value of our name), \$14,644 in acquisition related expenses, including \$12,798 in adjusted purchase price of acquired inventory that reflects our actual collected cash gross profit.

⁶ The \$7,327 operating income from the 10K is lower than the \$10,924 from the Q1'25-Q4'25 prior reports due to balance sheet cleanup and 10K audit adjustments.

⁷ Cash balances exclude restricted cash and include cash in transit.

⁸ Reflects \$20,696 of GAAP adjustments in the 10K results, compared to the \$(6,235) preliminary result presented in the Q1'25-Q4'25 reports.
